

ATTENTION BUSINESSES

The Kennedy Singers present four major performance productions throughout the school year. An estimated 1,500 members of our community, friends, family, and alumni attend each performance. Advertising in our programs is an excellent opportunity to attract potential new customers to your business while helping support the students who are part of our amazing choral program.

By supporting Kennedy Singers, your advertisement will be featured in all four show programs.* And, as a token of our gratitude for your support, your company will appear in the sponsor section on our website (www.kennedysingers.com).

Proceeds for every advertisement sold go back to the program! If you would like to support the choir program by advertising in our show program, fill out and return the bottom portion of this form, along with a check made out to Perfect Harmony Booster Club.

Please email a digital copy of your business card or advertisement along with this completed form to kennedysingerboosters@gmail.com

* Digital ad & payment must be received by August 19th to ensure your ad will be in all four programs.

Cut here and return to the choir room with cash or check (payable to Perfect Harmony Booster Club)
