

THE MINISTRY OF A DISCIPLE

Established & Equipped to Help Others Grow

4 hour seminar (lunch included) on Saturday, March 25
8:15 am to 1:45 pm at Horizon Galt

Jesus said "Go and make disciples ... I am with you always". Matthew 28:19-20

Our speaker: Chuck Madden

Last year Chuck spoke on "The Mind of a Disciple". You can watch or listen to those messages at www.growingstrong.info. It was so impactful that we've asked him back for part 2.

Chuck has been involved in disciple making ministries for 50+ years. Plus he has had a wealth of real world experience, from leading a platoon of recon marines behind enemy lines in Vietnam, to leading disciple making ministries on college campuses, to running his own large construction company.

Currently Chuck is involved with Watermark's church's discipleship training program where 500 people a semester are trained and he is also helping to start similar disciplinemaking ministries at two other mega churches in Dallas.

You will learn effective ways of:

- ✓ Encouraging others to become followers of Jesus Christ
- ✓ Establishing new followers of Jesus Christ as growing disciples
- ✓ Equipping growing disciples with the skills to help others grow

Registration: \$10 beforehand, \$15 at the door

Time: 8:15 am – 1:45 pm (lunch included), Saturday, March 25th

Location: Horizon Community Church, 446 Fairway Drive, Galt
