

The background of the slide is a light gray color with a white circuit board pattern. The pattern consists of various lines, right-angle turns, and circular nodes, resembling a printed circuit board (PCB) layout. The text is centered over this pattern.

Why You Need A New Ford Battery

An illustration of a city skyline with various buildings, including a prominent blue skyscraper. In the foreground, there are green trees and a grey sidewalk. A large teal speech bubble is centered over the scene, containing the text "Five years or so once it's fitted." in a bold, black, sans-serif font.

**Five years or so once
it's fitted.**

These batteries are durable, but they're not entirely invincible.

An illustration of a man with dark hair, wearing a blue and white plaid shirt, sitting at a wooden desk in a home office. He is looking at a large black computer monitor and has his hands on a keyboard. The room features a blue armchair, a wooden cabinet with glass doors, and a window with a white frame. The background is a dark blue wall with a black banner at the top.

That offers longer-lasting Ford batteries.
