Complimentary Offer

Thank you for your time today.

Center Art Studio stands ready to assist you the next time you're faced with a claim that involves fine art.

To show you our gratitude for your time and attention today, please accept this letter as our firm offer to provide **one remote conservator's assessment of a fine-art object, at no charge.**

There's no time-limit on this offer.

To take advantage of it, we'll need to provide you simple instructions for logging into our online portal.

Just contact me, when you have an object that needs assessment, and I will forward the instructions to you promptly.

While no claim is ever really welcome, I hope we'll work together in the future.

Best regards,
