Graham and Greenlee Counties

This directory lists as many resources as possible in order to provide useful information to older persons and their families. Agency names, services provided, websites, and phone numbers do change, so despite attempts for accuracy, there may be changes in some of the information included. Phone books have Community Resources and/or Government listings in the first section of the book as well as in the Yellow Pages under Social Services and Elder Care. Many communities have Chambers of Commerce that can give information on community resources. If you have questions or need additional information, please call the Area Agency on Aging at 520-432-2528.

“Under Titles VI and VII of the Civil Rights Act of 1964(Title VI and Title VII) and the Americans Disabilities Act of 1990(ADA) Section 504 of the Rehabilitation Act of 1973 and the Age Discrimination Act of 1975, SEAGO Area Agency on Aging prohibits discrimination in admissions, programs, services, activities or employment based on race, color, religion, sex national origin, age, and disability. The SEAGO Area Agency on Aging must make a reasonable accommodation to allow a person with a disability to take part in a program, service, or activity. NURSING HOMES

The Office of Long Term Care Licensure of the Arizona Department of Health Services licenses nursing homes and long-term care units in hospitals. Information about selecting a nursing home is available from the ombudsman program. Certain small rural hospitals have a “swing bed” agreement. Under this agreement, the hospital is participating in Medicare and has approval to provide post-hospital skilled care and meets certain requirements. Medicare Part A (the hospital insurance program) covers post-hospital extended care services given by a swing bed hospital. This allows an individual to get rehabilitation in a rural hospital instead of having to go to a nursing home.
