

Communication in Serious Illness Train the Trainer

June 23, 2018

10:00 a.m. to 3:30 p.m.

Arizona Hospital and Healthcare Association

2800 N. Central Avenue, Suite 1450

Phoenix, AZ 85004

Target audience is healthcare teams such as physicians, nurses, social workers and other healthcare providers.

This 5.5-hour workshop trains physicians, nurses and social workers to facilitate the 2.5-hour Communication in Serious Illness workshop. This session will review a system to identify appropriate patients, training and coaching resources for clinicians, a prompt for clinicians to conduct serious illness conversations at the right time, how to use a short, simple Serious Illness Conversation Guide, suggestions to help patients discuss preferences about their care with families, and a system for documenting personalized care goals and priorities. This session includes skills practice/role play with feedback and debriefing, Train the trainer expectations will be to successfully co-facilitate training with an approved trainer, submit all required paperwork and commit to co-host future training sessions using set curricula.

Registration is **free**, but space is limited. Register [here](#).
