## Request for Proposals

### Oulu Pioneer Park Hiking Trail Remediation Project

The Town of Oulu is soliciting proposals for the following park trail remediation project:

There are 3 main areas that need repair:

1. Culvert #1 needs to have more gravel placed over the top to cover and prevent a trip hazard. The culvert is in good shape and is functioning, 3-4" minimum depth coverage
2. Culvert #2 is still functional but again needs to be covered to prevent the trip hazard, 3-4" minimum depth coverage
3. Problem area #3. This spot is app 70 feet long, and will take the most work to complete. There is flowing water in one area which will necessitate the installation of a culvert. 3-4" minimum depth coverage over culvert.  
The remainder of this area is *very wet* and will need to have "highway cloth" placed underneath with gravel/top soil on top, with minimum gravel/topsoil depth of 3"
4. There are several miscellaneous low spots that will need to have "highway cloth" placed with gravel to stabilize the trail and help dry it out as resources allow, minimum depth of 3"

Submit proposal to cover time and materials for Oulu Pioneer Park Hiking Trail Remediation Project. The Town of Oulu requires work to be done in winter after freeze down to facilitate access to site and minimize further rutting or damage to trail.

All repair work **MUST** stay within the confines of the existing trail, app 10-12 feet in width

Gravel top soil mix on culverts and low areas so area can be seeded for erosion control, 3-4" minimum depth coverage on culverts.

Installation of highway cloth in low areas under gravel/soil mix, 3" minimum depth coverage

Town of Oulu to provide culverts and highway

Please mail park proposals to Diana Reijo, Clerk, 71530 Hoover Line Road, Iron River, WI 54847. **Deadline for proposals is November 13, 2019.** Proposals will be discussed at the regular Town Board meeting on Wednesday, November 13, 2019, 6:45pm at the Oulu Town Hall.

The town reserves the right to accept or reject any or all of the proposals or part thereof as determined to be most advantageous to the town.
