I. OVERVIEW

SEAGO

The SouthEastern Arizona Governments Organization (SEAGO) is a regional planning agency which performs and coordinates a variety of functions. Established in 1972, SEAGO is a 501(c) 3, nonprofit organization whose mission is to assist local governments in seeking cooperative solutions to area wide problems; to provide a forum for regional policy development and serve as a coordinating link between municipal, county, tribal, state, and federal agencies. SEAGO is one of six Arizona Councils of Governments (COGs).

SEAGO serves the four counties of Cochise, Graham, Greenlee, and Santa Cruz. SEAGO's programs focus on issues that often cross jurisdictional boundaries. Originally a planning entity, SEAGO's operational scope has expanded considerably since its inception to include planning as well as project programming and implementation activities in the areas of housing, economic development, social services, transportation, the environment, and public transit.

The SEAGO Transportation Program assists member entities and other organizations with programs administered through the Arizona Department of Transportation (ADOT). Each community within the region is eligible for funding for transportation infrastructure or public transit projects from various programs, which is often done through competitive application processes. SEAGO's Transportation Program conducts the processes through which ADOT administered funding sources are accessed and provides technical support, data, and other information to communities or organizations within the SEAGO region when applying for ADOT or transportation related grants.

SEAGO/ADOT Relationship

State transportation agencies such as ADOT are the principal recipients of Federal-aid Highway Funds for transportation planning and infrastructure improvements. ADOT has the authority to delegate project administration and management to subrecipients and Local Public Agencies (LPAs) including "any city, county, township, municipality, or other political subdivision that may be empowered to cooperate with the State transportation department in highway matters" (23 CFR 635.102).

As described above, SEAGO receives planning funding from ADOT to perform a defined annual scope of work that consists of assisting ADOT in carrying out certain transportation related planning activities within the four-county SEAGO region. Because SEAGO is a subrecipient of federal funding through ADOT, SEAGO is considered an LPA. As an LPA, SEAGO is required to carry out its transportation planning duties and obligations in accordance with all applicable federal requirements.

One such requirement is Title VI of the Civil Rights Act of 1964, which requires outreach to underserved groups. Among other requirements, Title VI specifically mandates that "No person in the United States shall on the grounds of race, color, or national origin be excluded from participation in, denied the benefits of, or subjected to discrimination under any program or activity receiving Federal financial assistance." (42 USC 2000d)

Unlike LPAs implementing transportation infrastructure or public transit projects, these planning activities have a limited impact on the underserved populations protected under Title VI. For example,

an LPA who is providing public transit services might adversely impact underserved populations when making decisions such as which routes to cut in response to reductions in funding and the need to improve efficiencies, whereas SEAGO's administration of the application and ranking process through which public transit providers are awarded ADOT funding would have a much narrower exposure to adversely impacting underserved populations.

Although adverse impacts on underserved populations from SEAGO's planning activities will be limited in most cases, this does not relieve the agency from its obligation to comply with Title VI requirements. To that end, SEAGO has developed a Title VI Implementation and Public Participation Plan, which sets forth how SEAGO will ensure underserved populations are provided meaningful opportunities to become involved in the transportation planning process within the SEAGO region. This Title VI Report and Update describes the progress SEAGO has made in implementing the Title IV Implementation and Public Participation Plan.

II. SUMMARY OF PUBLIC OUTREACH AND INVOLVEMENT ACTIVITIES

Targeted Public Involvement Activities

Underserved populations are less likely to become involved in the transportation planning process unless a special effort is made to reach out to them. These populations include, but are not limited to:

- Minority (Hispanic and/or non-white) community members.
- Low-Income community members.
- Physically and mentally challenged community members.
- People who may rely on alternative transportation.
- People with limited English proficiency.
- Aging individuals.

By making a reasonable effort to include these populations, SEAGO ensures that the opportunity exists for the interests and input of all residents to be given equal consideration. SEAGO's Title VI Implementation and Public Participation Plan include a Public Participation Toolbox which is a comprehensive listing of various public outreach activities that may be utilized to enhance public participation. There are numerous and varied techniques/activities to provide the opportunity for public involvement. Any combination and number of these may be used depending on the scope of the specific plan, program, or project.

Due to the current limitations of planning resources, SEAGO has chosen to focus on public outreach activities required by law and those most likely to reach underserved populations, while preserving resources that may be needed to provide special accommodations to include these individuals during the planning process, such as translation of materials for Limited English Proficiency (LEP) individuals, or those who are hearing and visually impaired. ***In FY20, public outreach and involvement consisted of the following activities selected from the Toolbox:***

- **E-mail** – This has been used extensively to communicate notices of meetings or public hearings to SEAGO’s membership, the general public and underserved populations (more specifics below).
- **Contact Lists** – SEAGO has developed a Title VI contact distribution list which consists of individuals and agencies that serve the underserved populations protected under Title VI. Notices of all SEAGO meetings, including the SEAGO Executive Board, the Administrative Council, the Technical Advisory Committee (TAC), and any committees or subcommittees thereof, are distributed via e-mail to the Title VI Contact list so that they are provided the opportunity to participate in and/or comment on SEAGO planning activities. The e-mail notice asks the providers serving underserved populations to inform those individuals they serve of the opportunity to participate, the date, time, and location of the event.
- **Internal Communications** – In addition to transportation planning, SEAGO functions as the four-county Area Agency on Aging, which provides a wide range of services to the aging individuals in the region. This connection provides a unique opportunity to involve this underserved sector in SEAGO planning activities.
- **Meetings** – Underserved populations are invited to participate in all SEAGO meetings (see Contact List [above] and Public Notice [below] for details). To facilitate participation, a call-in number is provided for individuals who are unable to attend the meetings in person.
- **Newsletter** – SEAGO currently produces a newsletter that is distributed to a broad range of stakeholders and service providers, many of which serve underserved populations protected under Title VI.
- **Press Releases** – Press releases are used when a study or plan is available for public comment, and to notify the general public of the opportunity to comment, and when activities such as public hearings will be held.
- **Public Meetings/Hearings** – The Title VI Contact distribution list is used to inform underserved populations of any public meetings or hearings.
- **Public Notices** – These are a requirement for all SEAGO meetings, which are conducted in compliance with the Arizona Open Meeting Law. As discussed above, public notices are also distributed to the Title VI Contact distribution list. Public notices include reasonable accommodations for individuals with disabilities, or with special needs, e.g. sign language interpreters. SEAGO includes a the name of the SEAGO Title VI Coordinator as the point of contact person, telephone number, e-mail address, and the deadline for response from those with special needs. SEAGO typically distributes notices of meetings at least a week in advance of any meetings.
- **Website Notices** – All notices of SEAGO meetings, public hearings or public comment periods are posted to the SEAGO website.

SEAGO understands the need to keep the public aware of our transit planning activities. In addition to posting meeting agendas on our website and offices, meeting notices and agendas are distributed via email to agencies that provide direct services to Title VI protected populations. We request that they make their clients aware of these opportunities for public involvement by posting the meeting notice at their office locations, websites, or social media pages. ***The following is our current email list of agencies that assist us in distributing our notices and opportunities for public involvement:***

The purpose of these meetings is to enhance coordination, leverage resources and increase efficiencies among the public transit providers, and to provide information and technical assistance to the providers who need it.
- **Six (6) Technical Advisory Committee (TAC) meetings**, held bi-monthly in Benson, Arizona. The purpose of these meetings is to include local governments in the regional transportation planning process. These communities compete for local project funding from various federal aid highway programs. Specialized Public Involvement Activities

In FY 20, in an effort to support our regional planning efforts, **SEAGO conducted three specialized public involvement efforts to introduce the community to the region’s public transportation services.**

- **Cochise County Public Transit Consolidation Study:** SEAGO was awarded a transit planning grant by the Arizona Department of Transportation to conduct the Cochise county Public Transit Consolidation Study. The purpose of the study was to evaluate the feasibility of consolidating the FTA Section 5311 Programs of Douglas, Bisbee, and Benson under one regional operator. SEAGO conducted Public Meetings to promote the project and to gather public input. The project kicked-off on March 4, 2020, with a public kick-off meeting. **Outreach tools used to promote the meeting included:**
 - Flyers printed in English and Spanish and distributed businesses/agencies that provide direct services to Title VI protected populations.
 - Quarter-page advertisement in the local newspapers of Benson, Bisbee, Douglas, Sierra Vista, and Willcox that ran over a two-week time period.
 - Public Notices distributed to our Title VI email distribution list.
 - Invitations to the SEAGO Executive Board/Administrative Council, all area transit providers, and social service agencies that support Title VI populations.
 - Website: Meeting notices were posted on www.seago.org and our companion Mobility Management site www.azmobility.org.

III. TITLE VI TRAINING/TECHNICAL ASSISTANCE

Training

SEAGO staff are trained bi-annually involving Title VI. Training content includes the online location of the SEAGO Title VI Plan, the protected classes, the Title VI Coordinator contact information, our complaint procedures, and the onsite and online location of our Title VI Complaint Form. ***Title VI Training was conducted on the following dates:***

- **August 5, 2019 – 14 staff were trained**
- **February 3, 2020 – 15 staff were trained.**

SEAGO transportation staff participated in the **ADOT CRO Annual FHWA Title VI Training** on June 24, 2020, and June 25, 2020.

SEAGO transportation staff participated in the **ADOT 5311 Implementation Workshop** on October 9, 2019. The workshop included Title VI training.

Technical Assistance

Title VI is a routine agenda item for our Transit Coordination Meetings. During these meetings, SEAGO discusses current Title VI issues with our 28 agency coordination group. We offer an opportunity to ask questions and to clarify information. ***SEAGO provided direct assistance to the City of Willcox in the development of their Title VI plan submitted with their FTA Section 5311 grant application submitted in February 2020.***

IV. PROGRAM AREA REVIEWS

In 2020, SEAGO conducted three (3) internal program reviews:

1. Website – SEAGO reviewed its Title VI website to ensure necessary documents were available. The site was checked for the Public Notice, Complaint Procedures, Title VI Plan, Complaint Form, Goals and Accomplishment Report were present and accessible. Ensured Title VI Coordinator Information was accurate and easily accessible. ***No issues were found.***
2. Public Meeting Notices – Public meeting notification processes were reviewed to ensure meetings notices were posted in a timely manner, that meeting notices and agendas are distributed via email to agencies that provide direct services to Title VI protected populations, and that the following statement is conveyed on each meeting agenda in both English and Spanish: “Individuals with disabilities who require special accommodations may contact Jessica Urrea at (520) 432-5301 extension 215 at least 72 hours before the meeting time to request such accommodations.” ***No issues were found.***
3. Outreach Materials – SEAGO reviewed several outreach materials developed to ensure that they were provided in both English and Spanish. ***No issues were found.***

ADOT Civil Rights Office completed an on-site review of SEAGO’s Title VI Program on February 13, 2020. A Corrective Action Plan, in response to recommendations of the review team was developed and transmitted by SEAGO to ADOT on April 22, 2020. SEAGO updated our Title VI Plan to include the on-site review recommendations from ADOT Civil Rights Office. The draft of the 2021 Title VI plan was submitted to the ADOT Civil Rights Office on June 15, 2020.

V. LIMITED ENGLISH PROFICIENCY (LEP)

Demographic information from the U.S. Census Bureau, 2014-2018 American Community Survey (ACS) 5-Year estimates indicates that approximately 45.6 percent of the region’s population is Hispanic or Latino of any race. According to the American Community Survey 24,885 (or approximately 12.1% of the region’s population) reported that they spoke English less than very well.

Careful consideration is given to the potential impacts from SEAGO's specific planning activities to the underserved populations. Only when the scope of a proposed project or plan has the potential to significantly impact individuals with language barriers or special needs will pertinent materials or services be prepared in alternative formats without having been specifically requested, i.e. special language translations, interpretation or sign language services, large print, Braille, audio/video, etc. ***In FY 2020, SEAGO received no requests for LEP services.***

VIII. DEMOGRAPHIC COMPOSITION OF THE SEAGO REGION

SEAGO collects, reviews, and analyzes demographic data annually to develop a demographic profile (baseline) for the region. *SEAGO uses the most current ACS Estimates from the U.S. Census data* to identify minority, low-income, age 65+, disabled, and limited English proficient populations (see table above). The demographic profile summarizes the data for these population groups by U.S. Census Tract.

SEAGO also receives federal pass through funding from a number of state agencies, including but not limited to ADOT, Arizona Department of Housing, and the Arizona Department of Economic Security.

XI. PLAN EVALUATION/REVISIONS

SEAGO evaluates the Title VI Implementation and Public Participation Plan annually and reports any new practices or changes to be implemented the following year. We believe that the public outreach activities we have employed are adequate to provide meaningful opportunities to participate in SEAGO planning activities, and are appropriate given current funding limitations. ***SEAGO recently updated its 2020 Title VI Plan. The following changes are reflected in our FY21 Title VI Plan:***

1. **New Transportation Program Administrator** – On December 28, 2019, Chris Vertrees returned to SEAGO and assumed the responsibilities of SEAGO Transportation Program Administrator. This position is responsible for the day-to-day administration and oversight of all SEAGO transportation related subprograms and personnel.
2. **SEAGO Membership** – The SEAGO Executive Board, Administrative Council, and the Transportation Advisory Committee underwent several changes. The membership tables were updated.
3. **Population and Demographic Profile** – The demographic profile that was developed for the region last year has been updated to reflect the U.S. Census Bureau, 2014-2018 American Community Survey (ACS) 5-Year estimates.
4. **SEAGO Organization Chart** – The SEAGO organization Chart was updated to reflect a SEAGO's current staffing.
5. **SEAGO Demographic Data** – This data was updated using information from MAG's demographic viewer.
6. **Data Collection Procedures and Data Use for SEAGO Meetings** – This section was added to the FY21 Plan to identify how demographic data will be collected and used involving SEAGO meetings.
7. **SEAGO Meeting Sign-In Sheets** - Were updated to include ***“OPTIONAL”*** demographic data disclosure.
8. **Sub-recipient Contracts Procedure** – This procedure was added to the plan to ensure that will all sub-recipient contracts utilizing FHWA funds will include FHWA Title VI Assurance language.
