DATE: MARCH 23, 2023

SUBJECT: SEAGO REGION 2023 - 2027 TIP (AMENDMENT #5)

At the March 16, 2023 SEAGO TAC meeting, the TAC approved the following TIP amendment:

CLF 21-01 – Town of Clifton (Chase Creek Bridge #1 Replacement): This is an OSB project that is programmed for construction in FY23 for \$726,821 Federal. The construction estimates for the project greatly exceeded the amount programmed. The overage for Town of Clifton is approximately \$400,000. SEAGO has \$59,625 in unused FY23 STBG that can be used to offset Clifton's costs. In addition SVMPO has \$89,534 unused FY23 STBG that can also be used to offset Clifton's costs. If approved, the project will be added to the TIP in the following manner.

FY2023: Construction; Federal - \$149,159 Federal; Local - \$9,015 Local; Total - \$158,166.

The Town of Clifton is responsible for any costs that exceed the \$158,166 awarded.

At our TAC meeting, the SEAGO TAC approved a loan agreement of \$89,534 with SVMPO with repayment in FY25. If TIP Amendment #5 is approved, I will finalize the loan agreement with ADOT.

ADMINISTRATIVE – EXECUTIVE COMMITTEE PACKET

MEMO TO: ADMINISTRATIVE AND EXECUTIVE COMMITTEES

THROUGH: RANDY HEISS, EXECUTIVE DIRECTOR

FROM: CHRIS VERTREES, TRANSPORTATION PROGRAM ADMINISTRATOR

DATE: MARCH 23, 2023

SUBJECT: DRAFT SEAGO REGION 2024 - 2028 TIP (FOR PUBLIC COMMENT)

On March 16, 2023, the SEAGO TAC approved the SEAGO Region 2024-2028 Transportation Improvement Program (TIP). The SEAGO Region 2024-2028 TIP needs be submitted to ADOT by July 1, 2023. Due to the forty-five (45) day public participation process, the 2024-2028 Draft TIP needs to be approved at this meeting for submission to ADOT by July 1, 2023.

The following adjustments to the 2023-2027 TIP were made in the drafting of the 2024-2028 TIP:

- All projects listed as Obligated in 2022 section of the TIP have been removed.
- All FY 2023 projects that are expected to obligate by June 30, 2023, have been moved to the Obligated in 2023 section of the TIP.
- As discussed during our TIP Amendment #5 discussion, the Town of Clifton (Chase Creek Bridge #1 Replacement Project) has been tentatively added to the TIP pending approval of SEAGO TIP Amendment #5.
- SEAGO needs to ensure that the TIP is fiscally constrained over a consecutive 4-year period.
 This means that the funds used to pay for the improvements cannot exceed the amount of
 available funding per funding source. Programmed funding can only include funds that can be
 reasonably expected to be made available during the year the project is programmed. The current
 TIP submitted for your approval is fiscally constrained.
