

MEMO TO: ADMINISTRATIVE COUNCIL

FROM: RANDY HEISS, EXECUTIVE DIRECTOR

**DATE:** OCTOBER 25, 2023

**SUBJECT:** ADMINISTRATIVE COUNCIL MEETING

Please see the details below for the Administrative Council meeting date, time, and location.

#### Thursday, November 2, 2023 at 9:00 a.m. In-Person: Cochise College Benson Center <u>1025 Highway 90, Benson, Arizona</u>

Via Zoom: Zoom Link: <u>https://us02web.zoom.us/j/83448072227</u> Meeting ID: 834 4807 2227 Phone-in Option: +1 346 248 7799 (Houston)

This meeting will be a hybrid meeting with no limitations on in-person attendance. Any Administrative Council members unable to travel to the meeting will be able to attend via Zoom. The address above is also a link to a Google Map showing the meeting location. If you are unable to attend, please send an alternate to ensure that we will have a quorum at the meeting.

The Administrative Council Packet will be sent to members through e-mail (via a link to the packet posted on the SEAGO website) to save postage and copying costs. **We will not be mailing a hard copy of the packet unless you request one.** 

If you have any questions, please call me at (520) 432-5301 Extension 202. You can also send an e-mail to <u>rheiss@seago.org</u>.

# ADMINISTRATIVE COUNCIL AGENDA

#### 9:00 A.M., THURSDAY, NOVEMBER 2, 2023 IN-PERSON AND VIA ZOOM (see Cover Letter for Zoom details) 1025 HIGHWAY 90, BENSON, ARIZONA

I.	CALL TO ORDER/PLEDGE OF ALLEGIANCE / INTRODUCTIONS		Chair Robinson		
II.		MBER ENTITIES' DISCUSSION mmon Critical Issues)	Chair Robinson		
III.	CAL	L TO THE PUBLIC	Chair Robinson		
IV.	AC		Pa	<u>age No.</u>	
	1.	Consent Agenda a. Approval of the August 3, 2023 Minutes	Chair Robinson	1	
	2.	Discussion and possible action to recommend approval of the proposed Calendar Year 2024 SEAGO Policy Principles	Randy Heiss	7	
	3.	Discussion and possible action to recommend approval of Resolution No. 2023-03 urging state elected leaders to modernize transportation funding sources and opposing diversions of HURF to the State General Fund	Randy Heiss	10	
	4.	Discussion and possible action to recommend approval of the SEAGO Classification and Compensation Plan update	Randy Heiss	14	
	5.	Discussion and possible action to recommend approval of the 2023 CDBG Regional Account applications	Keith Dennis	21	
	6.	Discussion and possible action to recommend that the Executive Board authorize staff to solicit proposals for a consultant to assist in developing the REAP Program	Keith Dennis	22

### DIRECTION MAY BE GIVEN TO SEAGO STAFF ON ANY ITEM ON THE AGENDA.

Individuals with disabilities who require special accommodations or who have limited English proficiency and wish to have an interpreter may contact Diane Becerra at (520) 432-5301, extension 207 at least 72 hours before the meeting time to request such accommodations.

Individuals wishing to participate in the meeting telephonically may do so by contacting Diane Becerra at (520) 432-5301 extension 207. Contact must be made at least 48 hours before the meeting in order to obtain the call-in information. Please note that the option to participate telephonically may not be available unless requested as instructed above.

Si necesita acomodaciones especiales o un intérprete para esta conferencia, debe ponerse en contacto con Diane Becerra al número (520) 432-5301, extensión 207, por lo menos setenta y dos (72) horas antes de la conferencia.

#### Draft MINUTES OF THE ADMINISTRATIVE COUNCIL MEETING 9:00 A.M., THURSDAY, AUGUST 3, 2023 **VIA ZOOM COCHISE COLLEGE BENSON** 1025 HWY 80. BENSON, ARIZONA

OFFICERS PRESENT:	Brown, Heath – Vice-Chair, Thatcher (In-Person)
	Rapier, Derek – Secretary, Greenlee County (Zoom)
	Robinson, Ronald – Chair, Patagonia (In-Person)

MEMBERS PRESENT:	Batty, Vernon – Town of Pima (Zoom) Bermudez, Roy – City of Nogales (Zoom) Bigman, Barney – San Carlos Apache Tribe (Zoom) Fulton, Stephanie – Town of Huachuca City (In-Person) Hinton, Terry – Town of Duncan (Zoom) Pregler, Jeff – City of Sierra Vista (Zoom) Urquijo, Ana – City of Douglas (Zoom) Valdez, Jesus – Santa Cruz County (Zoom) Vivian, Vicki – City of Benson (Zoom)
	Welker, Dustin – Graham County (Zoom)
STAFF PRESENT:	Curtiss, Dina – Accounting Manager <b>(Zoom)</b> Dennis, Keith – Community Development Program Manager <b>(In-P</b>

Community Development Program Manager (In-Person) Heiss, Randy – Executive Director (In-Person) Merideth, John – GIS Analyst (Zoom) Vertrees, Chris – Transportation Program Administrator (In-Person) Laura Villa – AAA Program Director (In-Person)

#### GUESTS: John Kissinger – City of Nogales (Zoom) Carrie Gibbons - SEAGO Area Agency on Aging (In-Person)

#### I. CALL TO ORDER/PLEDGE OF ALLEGIANCE / INTRODUCTIONS

Chair Robinson called the meeting to order at 9:05 a.m. At the request of the Chair, Randy Heiss read the names of those physically present and those attending electronically into the record.

#### **MEMBER ENTITIES' DISCUSSION** II.

Chair Robinson called on Vickie Vivian for an update on the City of Benson. Vicki reported the City recently received a \$1.5 million grant for the police department to help cover the costs of officers, equipment and patrol cars over the next three years. They are still moving still forward on \$1.2 million that the City is investing into their parks. She also reported that they are almost done with their new City Hall. Chair Robinson called on Stephanie Fulton for an update on the Town of Huachuca City. Stephanie reported that the park that was recently upgraded with the CDBG funds has been a huge success - especially the walking path. They also received a contract to provide shuttle services to Fort Huachuca and can now create a new position for a transportation supervisor and seek grants to purchase new and upgraded buses. Chair Robinson called on Jeff Pregler for an update on the City of Sierra Vista. Jeff reported the City had applied for a number of grants to expand their network of multi-use paths and improve walkability around Sierra Vista. Chair Robinson called on Heath Brown for an update on the Town of Thatcher. Heath reported they had received the legislative appropriation to complete the Church Street reconstruction project and he was pleased to note the program was working well. He also reported that they continue to work on their 14 acre sports complex funded through various grant opportunities. Chair Robinson called on **Dustin** Welker for an update on Graham County. Dustin reported the County also received legislative Administrative Council Packet 11.02.2023

appropriations for the Tally Wash project and the Norton Road and Ray Lane intersection improvements. He also mentioned that they are finishing up their CDBG project today with the installation of rubber tiles over the playground area and gave a huge thank you to Keith Dennis and Robin Dumas for their support. Chair Robinson called on Terry Hinton for an update on the Town of Duncan. Terry reported that the Town was awarded a Smart Grant and are now in the process of approving an IGA so that they can start designing plans for roadway and drainage improvements. Chair Robinson called on **Derek Rapier** for an update on Greenlee County. Derek mentioned that the County has partnered with Duncan to install an extension of their sewer system to accommodate the County fairgrounds. And with the completion of SEAGO's broadband study, they are now actively looking for partners and funding to expand broadband throughout the county. Chair Robinson called on **Roy Bermudez** for an update on the City of Nogales. John Kissinger stepped in for Roy and reported that they are moving forward with their CDBG allocation this year, combining that funding with money from WIFA to make water improvements in a colonias neighborhood. He also reported that they had received a grant from Arizona Commerce Authority which will be combined with HURF and overweight load money to rebuild Industrial Park Drive. Chair Robinson called on Jesus Valdez for an update on Santa Cruz County. Jesus reported they are beginning the design for the Ephriam Canyon flood control basin that will remove residences on Western Avenue from the floodplain. He also reported that they had just received an \$8.6 million state appropriation for interchange improvements on I-19 Exit 12 and Exit 17 and are working with the state to see if they can leverage some additional grant opportunities. Chair Robinson called on Barney Bigman for an update on the San Carlos Apache Tribe. Barney reported that the Tribe is moving forward with an FAA grant to improve their airport taxiway lighting and will begin design next year and construction the following. They are also hoping to have the final stage of the Tribal transportation safety plan completed in the spring of 2024. Chair Robinson reported that the Town of Patagonia is finishing up their Richardson Park improvements with the installation of new playground equipment for 5 - 12 year olds plus curbing separating the park to allow the smaller kids to have their own area and equipment to play on. The funding for the project was furnished by South32-Hermosa. He also reported the Town had received a \$1.5 million appropriation from the Legislature to finish out the McKeown Avenue project and he thanked Chris Vertrees for his assistance with the application. And finally, Chair Robinson called on Ana Urguijo for an update on the City of Douglas. Ana reported that they are continuing to work on all things related to the new commercial port of entry. They are in the final stages of the donation acceptance agreement to donate the 80 acres of land to GSA for the Port of Entry project and have just approved the 60% design for all of the utility infrastructure to the site. Another big item is downtown revitalization and they are working with many stakeholders and agencies to get support for that.

### **III. CALL TO THE PUBLIC**

No one from the public requested to speak.

#### **IV. ACTION ITEMS**

- 1. Consent Agenda
  - a. Approval of the February 9, 2023 minutes

Chair Robinson called for a motion to approve the May 5, 2023 minutes.

MOTION:	Derek Rapier
SECOND:	Heath Brown
ACTION:	Unanimous

b. Nomination to the Advisory Council on Aging

Laura Villa explained that the Advisory Council on Aging had nominated Mr. Ricardo Martinez to represent the unincorporated area of Santa Cruz County on the ACOA at their meeting on July 20<sup>th</sup> and presented a brief bio of Mr. Martinez' qualifications. Chair Robinson called for a motion to recommend the appointment

of Mr. Martinez to fill the vacant seat for unincorporated Santa Cruz County on the Advisory Council on Aging.

MOTION:	Heath Brown
SECOND:	Vicki Vivian
ACTION:	Unanimous

 Discussion and possible action to recommend approval of the SEAGO Five-Year Strategic Plan FY 2024 – FY 2028

Randy Heiss reminded members that a strategic planning retreat facilitated by Melanie Greene was held at the Cochise College Benson Center February 9<sup>th</sup> and 10<sup>th</sup> of 2023. He explained that this year's strategic planning process included a more in depth approach that would allow SEAGO staff to offer an inside perspective of new and existing program opportunities to implement the restated and simplified strategic goals identified by the Board and Council at the February 2020 retreat.

This richer and more robust process began with a full day staff retreat June 17, 2022. At the staff retreat, all SEAGO staff from each program participated in discussions and exercises designed to strengthen awareness of organizational inter-departmental functions; solidify departmental projects, priorities, and resource needs; provide perspective among and between departments on member entity and community impact; and structure a matrix of short and long-term program objectives in support of the organization and member communities.

On Day One of the February 2023 retreat, tables for each County were set up with members sitting at their respective table to discuss what efforts could benefit from SEAGO guidance and/or support. Members were tasked with prioritizing and recording these projects, programs, and/or support services. Before adjourning on Day One, members also discussed organizational priorities including Executive Director transition options and recommendations; public perception of SEAGO; technical assistance and local project support; and priorities for short and long terms.

Day Two's format began in the morning and included a review of priorities from the staff's point of view, the projects they were working on and projects they foresaw being implemented within the next five years. A brief review of the Staff retreat process in June of 2022 was provided and presentations on departmental objectives and tactics were made by each department. Board and Council members were then asked to join the Program Managers at tables, by program, based on their interests. Each table was tasked to integrate Board, Council, and Program priorities into a cohesive list of priorities for each program.

Program Managers then presented revised objectives and priorities that integrated Board and Council priorities determined on Day One. In the months following the retreat, staff worked to fine tune the matrix of integrated objectives and tactics developed by retreat participants and draft the agency's Five-Year Strategic Plan for FY 2024 – FY 2028. The final draft of the Plan was distributed to SEAGO Program Managers on June 27<sup>th</sup> for their review. After staff review, the Plan was distributed to the Administrative Council and Executive Board on July 5<sup>th</sup> for review and comment and as of the time of the meeting, no comments had been received.

Randy then went on to explain how the Strategic Plan was organized and provided Section IV of the Plan as an easy to read overview of the Plan's strategic goals, integrated objectives, and strategies/tactics without the granular detail of the tasks, activities, partners, timeframes, resources and outcome measures included in Appendix B, which represents the Strategic Plan implementation matrix. He then offered to answer any questions. Hearing none, Chair Robinson called for a motion to recommend approval of the SEAGO Five-Year Strategic Plan FY2024 – FY2028 to the Executive Board.

MOTION: Ana Urquijo SECOND: Derek Rapier ACTION: Unanimous  Discussion and possible action to recommend approval of Resolution No. 2023-02 relating to SEAGO's Title VI Plan

Chris Vertrees stated that SEAGO is required to develop a local Title VI Plan. The purpose of the plan is to describe how SEAGO intends to ensure that underserved individuals are provided meaningful opportunities to become involved in the transportation planning process within the SEAGO region. He prepared a Resolution for consideration which, if adopted, will provide immediate evidence of the Executive Board's approval of SEAGO's Title VI Implementation and Public Participation Plan. Chris offered to answer any questions. Chair Robinson called for a motion to recommend approval of Resolution No. 2023-02 to the Executive Board.

#### MOTION: Heath Brown

SECOND: Vicki Vivian

ACTION: Unanimous

4. Discussion and possible action to recommend approval of the 2023-2024 Regional Transportation Coordination Plan

Chris Vertrees gave a synopsis of the requirements of the Regional Transportation Plan, its history, and how having Executive Board approval of the document would allow SEAGO and its transit providers to be more competitive when seeking funding opportunities. He then offered to answer any questions. Hearing none, Chair Robinson called for a motion to recommend approval of the SEAGO 2023-2024 Regional Transportation Coordination Plan to the Executive Board.

MOTION:Ana UrquijoSECOND:Dustin WelkerACTION:Unanimous

5. Discussion and possible action to recommend that the Executive Board authorize staff to solicit proposals for a consultant to assist in rebuilding the Housing Program

Keith Dennis gave a brief overview of the history of the SEAGO Housing Program and the facilities that had been built when SEAGO enjoyed status as a Community Housing Development Organization (CHDO). He stated that the direction to rebuild the Housing Program came as a response to the need for housing expressed by SEAGO members in the Strategic Planning process. He clarified that Community Development wished to employ best practices in rebuilding the program and to ensure that the right funding opportunities are pursued and capacity is developed in order to ensure efficient and effective program operation. The costs of a consultant are expected to exceed the \$20,000 procurement threshold requiring Executive Board approval before going to bid. Keith offered to answer any questions. Heath Brown asked if there was a funding source that would be used to pay for the consultant. Keith responded that the former Housing Program had left a substantial amount of earnings in SEAGO's fund balance that could be used to rebuild the Housing Program.

Chair Robinson moved to recommend that the Executive Board authorize staff to publish a request for proposals, evaluate proposals received, and enter into a contract with a qualified consultant for Housing Program development as requested by staff. Chair Robinson called for a second to the motion.

# MOTION:Ron RobinsonSECOND:Stephanie FultonACTION:Unanimous

6. Discussion and possible action to recommend that the Executive Board authorize staff to solicit proposals for a consultant to implement the EPA Brownfields grant

Keith Dennis announced that SEAGO had been awarded a Brownfields Assessment grant from the Environmental Protection Agency. He explained the grant will fund environmental cleanup and

redevelopment studies for suitable sites in Graham, Greenlee and Santa Cruz Counties. Implementation of the program will require highly technical work in environmental studies, and thus, the procurement of a Qualified Environmental Professional is necessary. It's also anticipated that the costs of engaging such a consultant will exceed the procurement threshold of \$20,000 requiring Executive Board approval before going to bid and the costs of the QEP will be funded through the grant. Keith then offered to answer any questions.

Hearing none, Chair Robinson called for a motion to recommend that the Executive Board authorize staff to publish a request for proposals, evaluate proposals received, and enter into a contract with a Qualified Environmental Professional to implement the Brownfield Assessment Grant, as requested by staff.

MOTION: Vicki Vivian SECOND: Ana Urquijo

ACTION: Unanimous

#### V. INFORMATION ITEMS

A. Future Meeting Dates

Randy Heiss mentioned that the next meeting of the Administrative Council will be held November 2, 2023. He also mentioned that there would be a need for the Administrative – Executive Committees to meet October 5<sup>th</sup> telephonically to conduct program related, time sensitive business between regular meetings of the Administrative Council and Executive Board. He asked the officers to please hold the date open in their calendars.

#### B. Quarterly Finance Report

Dina Curtis reported that issues with SEAGO's accounting software had prevented her from producing the quarterly revenue and expenditure report March 31<sup>st</sup> through June 30<sup>th</sup>. She promised to email the report to the Administrative Council as soon as the issue is resolved.

C. Community Development Report

Keith Dennis provided an update on Community Development Programs and responded to questions.

D. SEAGO Economic Development District Report

Stephen Peterson was absent and Keith Dennis provided an update on Economic Development and responded to questions.

E. AAA Updates

Laura Villa provided an update on AAA programs and responded to questions.

F. Transportation Program Updates

Chris Vertrees provided an update on Transportation Programs and responded to questions.

#### VI. RTAC REPORT

Kevin Adam was unavailable due to a scheduling conflict and did not attend the meeting.

#### VII. STAFF ANNOUNCEMENTS / CURRENT EVENTS

Randy Heiss reported that the first draft of the compensation study performed by HR Know consulting had shown several of the Program Manager positions were paid salaries well under the minimum market salary, while most of the entry and mid-level positions are more in line with market compensation levels. He also reported that the recruitment effort for the Executive Director position had failed due to an uncompetitive

compensation level. He stated that the job had been reposted at a salary level of \$85,000 - \$115,000 and that the position closes August 14<sup>th</sup> at 5:00 p.m.

#### **VIII.FUTURE AGENDA ITEMS**

Randy stated that the next Administrative Council agenda may include approval of CDBG regional account applications, consideration of an update to SEAGO's Classification and Compensation Plan, updating SEAGO's Policy Principles, possible Housing Program considerations, additional EPA Brownfields activities, and other program business as needed.

#### IX. ADJOURNMENT

Chair Robinson called for adjournment of the meeting at 10:46 a.m.

MEMO TO:ADMINISTRATIVE COUNCILFROM:RANDY HEISS, EXECUTIVE DIRECTOR

**DATE:** OCTOBER 25, 2023

**SUBJECT:** SEAGO POLICY PRINCIPLES

The SEAGO team has updated the attached document identifying Policy Principles (or positions) for each program for Calendar Year 2024. This year, the process of updating 2024 Policy Principles was led by your incoming Executive Director.

The proposed SEAGO Policy Principles are intended to empower staff in supporting (or opposing) legislation, policies or various initiatives at the state and federal level that impact delivery of SEAGO programs and/or our effectiveness in serving member entities and your constituents. It can also be used by our member entities and elected officials as talking points when speaking to policy makers relating to these positions.

Policy developments and emerging needs have resulted in some minor updates to the document, but many of the prior year's principles remain unchanged. Once approved, the positions will be used in a three-fold flyer that can be distributed as needed.

As Administrative Council members, your wisdom, thoughts and suggestions are valued and we hope you will help us further refine this document before presenting it to the Executive Board for consideration. I look forward to discussing the proposed Policy Principles with you in detail and will try to answer any questions you may have at the meeting.

Attachments: SEAGO Policy Principles Calendar Year 2024

Action Requested:

Information Only

 $\boxtimes$  Action Requested Below:

A motion to recommend that the Executive Board approve (amend or reject) the SEAGO Policy Principles for Calendar Year 2024 presented by staff.

#### SEAGO POLICY PRINCIPLES CALENDAR YEAR 2023 2024

#### Administration:

- Support an increase in the State of Arizona mileage reimbursement rate from 44.5 cents per mile to the current Federal rate of 56 62.5 cents per mile and/or link the state and federal rates. The current State of Arizona mileage reimbursement rate remains unchanged since November 2006 – more than fifteen years.
- Support an increase to the State of Arizona lodging reimbursement rate. Lodging rates have seen significant increases since the beginning of the pandemic and have continued to increase due to inflationary pressure. The State's lodging reimbursement rate has not changed since October 2018.
- Support applications to public and private grant funding sources that can further SEAGO Strategic Plan initiatives and expand services for the SEAGO Region as a whole, and for individual SEAGO member entities.
- Support legislation or intergovernmental agreements that would enable SEAGO as a public agency to participate in insurance pools or trusts pursuant to A.R.S. § 11-952.01. As healthcare costs continue to rise, the ability to offer and maintain competitive healthcare benefits is an important tool to recruit and retain high-quality employees.

#### Area Agency on Aging:

- Support initiatives to offset rising costs for AAA providers resulting from the automatic increases in Arizona's minimum wage. Provider rates have not increased since 2016, but during the same time period, the minimum wage has increased by over 72%. While Arizona AAAs received another one-time appropriation from the State General Fund in FY 2023 2024 to address this issue, a permanent solution is needed to support rate increases for providers of services to Arizona's vulnerable aging population.
- <u>Support the reauthorization of the Older Americans Act of 1965</u>. <u>Reauthorization of the Older Americans Act</u> <u>clarifies and reaffirms the roles of State and Area Agencies on Aging in coordinating community-based services</u>, <u>and in maintaining accountability for the funding of national priority services</u>. (Note: The last authorization was from March 2020 through 2024.)
- Support legislation or other initiatives to expand Medicare coverage to include dental, vision, and oral care. Lack
  of dental care has long been a top priority for questionnaire respondents in the AAA's efforts to identify unmet
  needs of seniors for the Area Plan on Aging.

#### **Community Development:**

- Support sufficient and sustained funding for proven programs within the U.S. Department of Housing and Urban Development (HUD), such as the Community Development Block Grants (CDBG) and HOME Partnerships Investment Programs that support housing and sustainable community development for rural areas.
- Increase HUD funding to allow for expansion of economic and community development programs in both rural and urban areas, including those that promote regional approaches.
- Support SEAGO's vision and initiatives to increase available housing stock and address homelessness and housing affordability in the region.
- Advocate to the Arizona Department of Housing for increased capacity building funding to be directed to rural Community Housing Development Organizations (CHDOs). Due to a lack of operational capacity, an insufficient number of rural CHDOs exist to address the serious deficit of affordable housing in rural communities across Arizona. HUD's Final Rule regarding CHDO funding (§ 92.208) allows up to 5 percent of a state's fiscal year HOME allocation to be used for the operating expenses and capacity building costs of CHDOs, yet ADOH has chosen not to make those funds available within their HUD Annual Action Plan.

#### **Economic Development:**

- Support increased funding for the "Partnership Planning" program to at least \$40 million in FY 2023 2024 appropriations legislation. (Note: While costs and complexity of operating Economic Development Districts have increased considerably, the annual allocation for the EDA's Partnership Planning remains stuck at \$35 million since 2018.)
- Support the efforts of the Maricopa Association of Governments to increase tourism through the statewide expansion of the border crossing card zone for federally screened and vetted holders of B1 and B2 visas from Mexico. A University of Arizona study projected that the expansion of the border crossing card zone would have a positive annual impact of \$181 million to the state.
- Support measures to promote, expand and enhance Arizona's competitiveness in international trade and commerce with Canada and Mexico.
- Support collaboration and data sharing with state agencies, local governments, universities, COGs and MPOs to develop and enhance data analytics necessary to advance regional and state economies.
- Support the development of a Bi-National Workforce Program for the recruitment of technically skilled workers from Sonora, Mexico to ameliorate the talent shortage and lack of qualified applicants for open positions throughout the SEAGO region.
- Support continued efforts to bring new broadband infrastructure construction projects to our Region.

#### Transportation:

- Support legislation to modernize and expand transportation funding mechanisms to include equitable user fees for alternative fuels vehicles, indexing funding mechanisms to inflation, increasing the existing gasoline tax, and exploring alternative funding mechanisms at both the State and Federal levels.
- Support local efforts to form Regional Transportation Authorities.
- Oppose the transfer of Highway User Revenue Funds to the State General Fund above the statutory limit of \$20 million.
- Support <u>Arizona General Fund budget legislation</u> to provide a minimum of \$50 million in the Arizona General Fund budget to fund Greater Arizona's Rural Transportation Priority Projects.
- <u>Support legislation in the Arizona General Fund budget to continue funding the AZ SMART program.</u>
- Oppose legislation that would lower the Title 34 limitation on use of local forces to construct street, road, bridge, water or sewer projects, or include specific types of maintenance activities and equipment purchases without advertising for bids.
- Support projects and initiatives throughout the State that expand and enhance the movement of freight and international commerce.
- Support initiatives that maximize the role of public transit within the broader transportation system to improve mobility, enhance system capacity and improve system efficiency.

MEMO TO:ADMINISTRATIVE COUNCILFROM:RANDY HEISS, EXECUTIVE DIRECTORDATE:OCTOBER 25, 2023

**SUBJECT:** RESOLUTION 2023-03

Attached for your consideration is an updated Resolution urging the Governor and Legislature to modernize Arizona's transportation funding sources and declaring opposition to diversions out of HURF and into the State General Fund above the \$20 million authorized by statute.

Due to significant surpluses of state revenues in recent years, the risk of such diversions was substantially reduced and we shifted our efforts to supporting the RTAC Legislative earmarks for Greater Arizona transportation projects. However, with the <u>recent news</u> of an expected \$400 million budget deficit in the current fiscal year and a \$450 million budget deficit in fiscal year 2025, there is a strong possibility the Legislature may revert to its old ways to balance the State budget. Therefore, this year's Resolution:

- Applauds efforts at the State level to minimize the diversion of transportation revenues in recent years and recognizes recent earmarks to fund transportation investments from surplus general fund revenues;
- Acknowledges recent efforts to repay HURF funding diverted in prior years, but points out the historic underinvestment in transportation has caused State and local infrastructure to fall into a serious state of disrepair;
- Recognizes the year-over-year increases in HURF receipts, while pointing out that these revenues remain inadequate to meet State transportation system needs;
- Provides key data from the State's recently updated LRTP demonstrating the funding gap between needs and available revenues on the ADOT system alone;
- Points out the fact that inflation in the transportation construction industry has risen at a faster pace than contemporary inflationary measurements;
- Points out that Arizona's fuel tax rate remains ranked at 47<sup>th</sup> in the nation and that the purchasing power of Arizona's fuel tax has been reduced by approximately 45 percent toward funding statewide highway investments;

- Encourages our elected leaders to modernize State transportation funding mechanisms by taking action to dedicate a portion of the State's future income tax collections and/or a portion of the State's future sales taxes to transportation infrastructure investments in order to adequately fund the ongoing maintenance and construction of Arizona's transportation infrastructure into the future; and
- Opposes transfers out of HURF and into the State General Fund above the \$20 million authorized by statute as a means to balance the State budget.

I will attempt to answer any questions you may have at the meeting.

#### **RESOLUTION NO. 2023-03**

#### A RESOLUTION OF THE SOUTHEASTERN ARIZONA GOVERNMENTS ORGANIZATION EXECUTIVE BOARD URGING ARIZONA'S STATE ELECTED LEADERS TO MODERNIZE OUR TRANPORTATION INFRASTRUCTURE FUNDING MECHANISMS AND DECLARING ITS OPPOSITION TO TRANSFERS OF HURF INTO THE STAE GENERAL FUND

WHEREAS, the SouthEastern Arizona Governments Organization (SEAGO) is a regional planning agency which performs and coordinates a variety of functions, including transportation planning and programming for the non-urbanized areas of Cochise, Graham, Greenlee, and Santa Cruz Counties; and

WHEREAS, the SEAGO Executive Board recognizes and applauds the efforts of the Governor and Legislature in recent years to minimize the diversion of existing revenue streams dedicated to maintaining, modernizing and expanding Arizona's transportation infrastructure, and to fund key transportation investments statewide from surplus general fund revenues; and

WHEREAS, although recent appropriations from the Governor and Legislature have begun to repay the more than \$2.1 billion diverted from HURF to the State General Fund since fiscal year 2000, these historic diversions of dedicated transportation funding have caused State and local transportation infrastructure to fall into a state of disrepair and planned transportation projects have been deferred for routine maintenance work – which will result in more costly reconstruction at the public's expense in the future, negatively impact highway safety, and increase vehicle maintenance and repair costs for both the general public and businesses; and

**WHEREAS,** most revenue streams dedicated to funding transportation investments have continued to experience year-over-year increases in receipts, but remain wholly inadequate to meet State transportation system needs for reasons expressed below; and

WHEREAS, ADOT's 25-year Long Range Transportation Plan 2026 – 2050 considers such factors as pavement conditions, congestion levels and safety performance, and anticipates \$231.4 billion will be needed to meet Statewide Multimodal Spending Needs over the Plan's 25-year period; and

**WHEREAS**, the State's Long Range Transportation Plan has identified Arizona's total highway capital needs from 2026 – 2050 to be \$174.4 billion, and with only \$62.8 billion in anticipated revenue to meet those needs, there remains a \$111.6 billion funding gap between system needs and available revenues; and

WHEREAS, due to escalating materials and labor costs, ADOT construction cost data indicates that highway construction costs have risen 123 percent since 2016 and 19 percent since 2022, underscoring the fact that inflation in the transportation construction industry has risen at a faster pace than contemporary inflationary measurements; and

**WHEREAS**, last increased in 1991, Arizona's fuel tax rate remains ranked at 47th in the nation as thirtyseven other states have proactively increased their gasoline tax, implemented automatic adjustments based on fuel prices and inflation, or alternative funding measures such as sales taxes dedicated to transportation or transitioning to vehicle miles travelled fee structures since 2010; and

WHEREAS, due to improved fuel efficiency, a reduction in vehicle miles travelled, and fuel taxes not being adjusted for inflation for nearly thirty-two years, the purchasing power of Arizona's 18 cents per gallon fuel tax has been reduced by approximately 45 percent toward funding statewide highway investments; and

**WHEREAS,** legislative budget analysists recently projected a shortfall in the State General Fund of approximately \$400 million in the current fiscal year and are forecasting a \$450 million deficit in fiscal year 2025, which could place the viability of future Legislative earmarks for transportation system needs in jeopardy; and

**WHEREAS,** State income tax for fiscal year 2023 are estimated at \$5.2 billion, and State transaction privilege tax collections for the same year are estimated at &7.6 billion – numbers that are expected to increase each year going forward as the state's economy and population grows; and

WHEREAS, due to the factors above, proactive steps should be taken by our elected leaders to modernize state transportation infrastructure funding mechanisms while the economic conditions remain conducive to doing so.

#### NOW THEREFORE, BE IT RESOLVED BY THE SEAGO EXECUTIVE BOARD AS FOLLOWS:

**THAT**, the Governor and State Legislature are hereby urged to consider modernizing State transportation funding mechanisms by:

• Taking actions that would dedicate a portion of the State's future income tax collections to transportation infrastructure investments in order to adequately fund the ongoing maintenance and construction of Arizona's transportation infrastructure into the future; and/or

• Taking actions that would dedicate a portion of the State's future sales taxes to transportation infrastructure investments in order to adequately fund the ongoing maintenance and construction of Arizona's transportation infrastructure into the future.

**AND THAT**, the SEAGO Executive Board hereby declares its opposition to transfers out of HURF and into the State General Fund above the \$20 million authorized by statute.

Passed and adopted by the SEAGO Executive Board on this 17<sup>th</sup> day of November 2023.

David Gomez, Chair SEAGO Executive Board

Randy Heiss, SEAGO Executive Director

MEMO TO:	ADMINISTRATIVE COUNCIL
FROM:	RANDY HEISS, EXECUTIVE DIRECTOR
DATE:	OCTOBER 25, 2023
SUBJECT:	CLASSIFICATION AND COMPENSATION PLAN UPDATE

As most of you probably recall, SEAGO last updated its Classification and Compensation Plan in 2005. While adjustments to salary grades for certain positions were made over the ensuing 18 years as needed, our salary range structure had become increasingly uncompetitive when compared to other COGs, Metropolitan Planning Organizations (MPOs), and many of our member government entities. In fact, the minimum salary for 10 of our positions had fallen below the State's minimum wage. In addition, positions were added to our Classification Plan without a clear understanding of what similar positions earn in the southeastern Arizona labor market.

In order to address this condition, we engaged the services of HR KNOW to review the positions within SEAGO's Classification Plan, perform a comprehensive market study, and provide salary grade and range recommendations for each active and inactive position. The intent of the study was to increase SEAGO's competitiveness with like-size organizations in the southeastern Arizona labor market and with other rural COGs and MPOs.

Due to the expanded role and geographical dispersion of employees of the SEAGO Area Agency on Aging, we also determined that the span of control within the agency was far broader than what is considered optimal. As a result, a Deputy AAA Program Director was added to the Classification Plan. And in the process of reviewing our Classification Plan, HR KNOW noted that SEAGO's current classification system includes 65 salary grades – far more than needed in an organization of our size and capacity. Although it was outside the scope of HR KNOW's services, an update to our Classification Plan was provided at no additional charge. The new Classification Plan includes 35 salary grades with 40% bandwidth between the minimum and maximum salary for each grade and a separation of 5% between grades.

I have included two attachments to this memo for your consideration. The first shows SEAGO's existing salary grades and ranges, the minimum market salaries for each position based on HR KNOW's market study, and HR KNOW's new salary grade and range recommendations for each position. The second attachment is the proposed update to our Classification and Compensation Plan implementing HR KNOW's recommendations. I look forward to discussing the proposed update with you and will try to answer any questions you may have at the meeting.

Attachments: HR KNOW 2023 Grade Recommendations; Proposed SEAGO Classification and Compensation Plan Update – 11.27.2023

Action Requested:	elow:
-------------------	-------

A motion to recommend that the Executive Board approve the SEAGO Classification and Compensation Plan update as presented by staff.

MEMO TO:	ADMINISTRATIVE COUNCIL
THROUGH:	RANDY HEISS, EXECUTIVE DIRECTOR
FROM:	KEITH DENNIS, COMMUNITY DEVELOPMENT PROGRAM MANAGER
DATE:	OCTOBER 25, 2023
SUBJECT:	2023 CDBG APPLICATIONS

The CDBG application process began months ago with the required public participation process. From the start of the process to the conclusion of a project often requires up to three years. As of this meeting all applications have been submitted for this year's Regional Account funding round. In addition, three of our communities succeeded in obtaining competitive CDBG funds.

SEAGO's share of CDBG funding increased by \$41,055, from \$1,305,950 in 2022 to \$1,347,005 in 2023. This increase more than makes up for last year's decrease of approximately \$30,000. SEAGO's overall share has increased by roughly \$140,000 over the last four years. Following are the CDBG applications SEAGO submitted to the Arizona Department of Housing this year:

**Duncan:** Water system improvements to the Hunter Estates area.

**Nogales:** Camino del Sol Water and sewer improvements (Phase 2)

Pima: Main Street Improvements

SEAGO intends to enter into our standard Technical Assistance Contracts with these communities to administer their CDBG. Our bylaws require Executive Board approval of fees and/or assessments such as those charged for application preparation or administration of new CDBG contracts by SEAGO for member entities. As such, we seek your recommendation for approval of these applications to our Executive Board. Please contact me if you have any questions.

A motion to recommend approval of the 2023 CDBG project applications to the Executive Board.

MEMO TO:ADMINISTRATIVE COUNCILFROM:KEITH DENNIS, COMMUNITY AND ECONOMIC DEVELOPMENT<br/>PROGRAM MANAGERDATE:OCTOBER 25, 2023SUBJECT:REQUEST TO SOLICIT PROPOSALS – RURAL ENERGY FOR<br/>AMERICA TECHNICAL ASSISTANCE GRANT

#### BACKGROUND

SEAGO has new Strategic Plan to guide our efforts over the next five years. From time to time, however, opportunities arise that are not included in the Plan but which are nevertheless worthy of pursuit. Our Broadband efforts, the Brownfield Assistance Grant and the SEAGO CARES mortgage assistance program were not included in the 2017 Strategic Plan nor in the 2020 update. Since 2020 there have been several such opportunities due to new legislation such as the CARES Act, the Inflation Reduction Act (IRA) and the Bipartisan Infrastructure Law (BIL).

As regards the Community Development Strategies and Tactics in our Plans, we have long identified USDA as an agency with which we should develop strategic partnerships. Due to a rare opportunity that arose this summer, we can report our first collaboration with USDA is here. In this case, the partnership is for economic development activities rather than housing.

### RURAL ENERGY FOR AMERICA (REAP)

The Rural Energy for America program "provides guaranteed loan financing and grant funding to agricultural producers and rural small businesses for renewable energy systems or to make energy efficiency improvements. Agricultural producers may also apply for new energy efficient equipment and new system loans for agricultural production and processing" (link).

The REAP program benefits and technologies are considered by USDA to be significantly under-utilized in Arizona and in the SEAGO Region. SEAGO applied for and is scheduled to be awarded a \$150,000 REAP Technical Assistance Grant before the end of this calendar year. The purpose of the REAP TAG is to help SEAGO assist farmers, ranchers and rural small businesses take advantage of underutilized energy efficiency technologies such as solar panels and wind turbines. In addition, energy efficient heating and cooling systems, lighting and insulation, and energy efficiency upgrades for irrigation systems are eligible activities. 40% of the overall cost for these improvements is given back to these businesses as a rebate once complete.

Grant funds would be used to procure a consultant who would develop the program as well as

the capacity within SEAGO to package to assist REAP program applicants. The majority of the award would be for internal SEAGO staffing, and the grant period is 18 months.

The attraction of new businesses and industries has historically been a key focus of our Economic Development Program. The REAP TAG program is intended to support and strengthen existing small businesses and agricultural operations in our Region. SEAGO's Community and Economic Development staff see the REAP program as an opportunity with considerable potential for growth. There are other sub-programs and funding sources for similar activities associated with REAP, for instance. The grant we've been awarded allows us to explore this path and determine whether continued or deeper engagement is desired by the private sector in our Region.

for proposals, evaluate proposals received, and enter into a contract with a consulting firm to implement the Rural Energy for America Technical Assistance Grant.

MEMO TO: ADMINISTRATIVE COUNCIL
---------------------------------

**FROM:** RANDY HEISS, EXECUTIVE DIRECTOR

**DATE:** OCTOBER 25, 2023

**SUBJECT:** FUTURE MEETING DATES

The Administrative Council normally meets at 9:00 a.m. on the first Thursday of February<sup>\*</sup>, May, August and November at the Cochise College Benson Center, located at 1025 Highway 90 in Benson, Arizona. The Executive Board normally meets at 10:00 a.m. on the Fridays two weeks following the Administrative Council meetings unless there is a holiday, or unless the Board sets an alternative date. The location of each Executive Board meeting is determined by the jurisdiction hosting the meeting, and therefore varies.

Administrative Council	Executive Board
February 8, 2024*	February 23, 2024 - Cochise County*
May 2, 2024	May 17, 2024 - Graham County
August 1, 2024	August 16, 2024 - Greenlee County
November 7, 2024	November 22, 2024 – Santa Cruz County

\*Moved to avoid possible conflict with the ACMA Winter Conference.

Also, please find the tentative schedule for our combined telephonic Administrative and Executive Committee meetings in the upcoming 12 months below:

Combined Administrative and Executive Committee Meetings (telephonic)
November 30, 2023 – 9:00 a.m.
April 4, 2024 – 9:00 a.m.
May 30, 2024 – 9:00 a.m.
October 3, 2024 – 9:00 a.m.

MEMO TO:	ADMINISTRATIVE COUNCIL
FROM:	RANDY HEISS, EXECUTIVE DIRECTOR
DATE:	APRIL 28, 2022
SUBJECT:	IMPLEMENTATION OF STRATEGIC PLAN GOALS

The <u>Five-Year SEAGO Strategic Plan FY 2024 - 2028</u> was approved by the Administrative Council and Executive Board at our August 2023 meetings and became effective retroactively on July 1, 2023.

Attached is a comprehensive report on the progress each program has made toward accomplishing the Objectives, Tactics, and associated activities that were outlined to advance the goals of our updated Strategic Plan.

I look forward to answering any questions you may have at our meeting.

#### STRATEGIC PLAN PROGRESS REPORT

AREA AGENCY ON AGING				
Goal 1: Identify, provide, and enhance services and resources to address the sustainability of our communities				
constituents				
<b>Objective 1:</b> Fill Program Vacano				
Strategy / Tactics	Progress to date (10/20/2023):			
A. Complete Case Management				
Transition				
i) Continue recruitment efforts for the	Lori West began employment on September 5, 2023, and is currently			
Benson Case Management position	undergoing training. Her office in Benson as an in-kind donation by the Benson Hospital is awaiting her when ready.			
ii) Recruit permanent Douglas Case	The case manager Elizabeth Torres has successfully met probation and			
Manager	has shown to be a great advocate for our bilingual community. She			
	works closely with coordinators to increase visibility for their programs			
	and expand existing services through her geographical area.			
iii) Train, and equip new staff	ongoing			
iv) Secure permanent Case	All case managers are housed in adequate offices. Cochise County leases			
Management office space	the AAA at a reasonable cost. Santa Cruz County contributes and			
	supports the AAA by providing us with in-kind valued at \$5000 per			
	month for the CMG office use.			
v) Redistribute caseload between	The geographical areas have been identified and restructured. The			
Sierra Vista, Bisbee, Douglas, Willcox,	geographical area was restructured based on location, caseload, and			
and Benson Case Managers	most importantly capacity. With the ability to have case management			
	in-house and for sustainability reasons, all case managers are trained to			
	take on other case manager caseloads as needed in order to prevent interruption of service			
B. Recruit, orient, and train for the				
Health and Nutrition Program				
Coordinator position				
i) Update Job Description and Job	Complete			
announcement				
ii) Publish Job Announcement; collect	Complete, ongoing			
and review applications; create short				
list; interview candidates iii) Recruit, orient, and train new HPDP	Julie Cresswell joined the AAA team on September 25, 2023. Julie is a			
Coordinator	great addition to the team and her co-workers express and provide			
	positive feedback about her. Julie receives training from Shi Martin who			
	is trained and certified in the programs Julie will oversee.			
Objective 2: Increase Measures	to Gauge Level of Need for Services Based on the Area Plan			
Strategy / Tactics	Progress to date (10/20/2023):			
A. Educate staff through attendance of				
conferences and informational webinars				
i) Identify AAA training priorities	Three case managers and one Central Intake staff are taking the ADRC			
	Options Counseling certificate which consists of 22 hours of training			
	through Boston University. The knowledge they will gain from this			
	course will help them expand their toolbox and understand case			
B. Increase CDSMP, Caregiver Support	management as a whole. FCSP Coordinator completed certification "Volunteer Engagement in the			
activities, SHIP-SMP counseling, Case	Aging Network" through Boston University and created a resource file to			
Management, LTC Ombudsman program,	share within our agency on best -practices and strategic volunteer			
Community partnerships, events,	management. The Ombudsman attended the USAging Conference in			
	ninistrative Council Packet 11.02.2023 Page 26			

workshops, presentations and media	Salt Lake City Utah where there was a lot learned and brought back to
outlets	Region VI. We aim to provide our seniors the newest and most impactful
	resources available and look for ways to implement them in SEAZ.
C. Increase daily social media outreach	During FEMA National Emergency Preparedness Month in September
	FCSP utilized social media and targeted outreach to caregivers and older
	adults to address disaster/emergency preparedness and create
	awareness. FCSP built a resource file for the AAA team providing
	information and resource files. SHIP/SMP program utilizes social media
D. Fash was seen developed and a see	to promote the services SHIP/SMP can provide in the community
D. Each program develops one new	The number of SHIP/SMP volunteers has grown from three to six active
community partnership in each service	volunteers. Caregiver Self-Care Education - FCSP partnered with Cochise
area (Graham, Greenlee, Cochise, and	County Health Department Educators, offering both in-person and
Santa Cruz Counties) and delivers AAA	virtual presentations on "Boosting Brain Health" in Cochise County.
presentation	Partnered with Southeastern Arizona Community Unique Services
	(SEACUS) and Direct Advocacy and Resource Center to deliver housing
Goal 2: Build awareness of SEAGO and the	assistance services to our Region's seniors.
	ity of SEAGO Through Partnerships
Strategy / Tactics	Progress to date (10/20/2023):
A. Continue promoting news and	AAA utilized Constant Contact and shared communication on any
announcements about program	upcoming activities by one or all program coordinators. The Facebook
initiatives, accomplishments, and	page has reached 900 followers. At this time, due to many tasks that
upcoming events through partnerships	take priority local news media has been low.
with local news media (ongoing)	The CLUD (CMD second in star educated our second in star of the second started our second started started of the second started started of the second started start
B. Monthly press releases and/or "did	The SHIP/SMP coordinator educates our communities through the use of
you know" ads via print and social media highlighting SEAGO efforts in	social media, press releases, and advertisements on the importance of the Medicare Open Enrollment period from <b>October 15, 2023, through</b>
partnerships with member communities	December 7, 2023.
C. Member entities highlight SEAGO	
collaborations within jurisdiction	
(mentions at governing body meetings;	
member entity websites and/or social	N/A
media pages; newsletters, etc.)	
D. Links to member entities on the	The AAA webpage provides links to regional transportation resources,
SEAGO website and links to SEAGO on	volunteer opportunities, caregiver support, and several other AAA
member websites (rekindle efforts)	resources and partnership connections.
E. Bi-annual survey of constituencies	Pending
regarding SEAGO awareness and impact	
F. Increase time spent promoting	On-going
services to local businesses, health care	
providers, and local Chambers of	
Commerce to cultivate partnerships	
	ty Awareness Throughout the Region
Strategy / Tactics	Progress to date (10/20/2023):
A. Expand presence and participation in	See the Area Plan template slides, pertaining to each program
community events	
B. Increase education and outreach to	
stakeholders	
i) Increase Chronic Disease Self-	In the process of forming an MOU with Canyonlands to help promote,
Management presentations	and expand on CDSMP. Canyonlands point of contact was promoted and
	therefore the communication continues with newly hired staff. Julie will

	be able to participate in the upcoming meeting.
ii) Continue robust connections with hospitals and organizations to disseminate vital care transition resources	FCSP provided training for Case Managers as staff members on Trualta, expanding the capacity to educate, offer and onboard family caregivers. Outlined FCSP reporting process, with integration of Case Management and created program instructions
iii) Join community coalitions and organize intergroup meetings to share educational knowledge with our partners	SHIP/SMP and Long Term Care Ombudsman Coordinator continue to promote and deliver (SEAEAT) the Southeastern Arizona Elder Abuse <u>Taskforce.</u> SEAEAT continues the efforts to expand throughout Region VI by utilizing current partnerships and community outreach. The task force is moving forward with partnerships throughout Southeastern Arizona to educate on prevention, identify abuse, supply resources for victim support, and continue strategizing and focusing on elder abuse awareness.
iv) Present at least once per year to Member Entities' governing bodies	In progress

#### STRATEGIC PLAN PROGRESS REPORT

#### STRATEGIC PLAN PROGRESS REPORT

COMMUNITY AND ECONOMIC DEVELOPMENT           Goal 1: Identify, provide, and enhance services and resources to address the sustainability of our communities and constituents           Objective 1:         Create a responsive Housing program that includes home ownership support services, housing rehabilitation, and new construction				
			Strategy / Tactics	Progress to date (10/20/2023):
			A. Provide Housing Land Use TA to	
			Member Entities (18mo)	
			<ul> <li>i) Identify challenges, opportunities and land use best practices (9mo)</li> </ul>	Meeting held with staff from Graham County, Pima, Safford and Thatcher October 11, 2023 to introduce SEAGO's new Strategic Plan goals/objectives re: housing. Similar conversations with Cochise and Santa Cruz communities to follow.
<ul> <li>ii) Study zoning regulations and barriers impacting housing affordability and identify national best practices to (1yr):</li> </ul>	See above. Safford staff agreed to share draft zoning regulation changes with fellow Gila Valley communities. Similar conversations with Cochise and Santa Cruz communities to follow. <i>RFP for housing consultant to be</i> <i>published November 2023.</i> Consultant will assist SEAGO in fulfilling strategies/tactics under Objective 1.			
<ul> <li>a) Accommodate infill and facilitate auxiliary housing units</li> </ul>	See i and ii, above.			
b) Allow for higher density development	RFP for housing consultant to be published November 2023. Consultant will assist SEAGO in fulfilling strategies/tactics under Objective 1.			
c) Facilitate multi family housing	RFP for housing consultant to be published November 2023. Consultant will assist SEAGO in fulfilling strategies/tactics under Objective 1.			
d) Provide for placement of tiny homes	RFP for housing consultant to be published November 2023. Consultant will assist SEAGO in fulfilling strategies/tactics under Objective 1.			
iii) Draft report/deliver to member entities/publish to website (18mo)	RFP for housing consultant to be published November 2023. Consultant will assist SEAGO in fulfilling strategies/tactics under Objective 1.			
B. Develop Region-Wide Owner Occupied Housing Rehabilitation				
Program (2yr)				
i) Apply for OOHR with CDBG Funds	This tactic is complete: Bisbee awarded Colonias Set-Aside CDBG for			
(9mo)	OOHR pilot program in 2022—currently out for bid.			
ii) Develop scalable model program for region-wide implementation using multiple funding sources (CDBG, Home, USDA, other) (18mo)	ComDev staff scheduled to obtain USDA loan/grant packaging certification in December 2023. We are in discussion with other communities about CDBG OOHR opportunities while we refine our processes with our current project.			
iii) Implement Region-Wide OOHR Program (2yr)	See ii, above.			
C. Re-establish SEAGO's Housing Program including re-establishment of SEAGO as a Community Housing Development Organization (2yr)				
i) Evaluate other Rural Housing Programs in CA, AZ, and NM (9mo)	Partial progress here through CPM Capstone research.			
ii) Research CHDO requirements (1 yr)	Partial progress—this tactic is at the beginning stages. Anticipated that housing consultant can help with this.			
<ul> <li>iii) Deliver report on opportunities/challenges and staff recommendations Administrative Council and Executive Board for consideration; receive direction (18mo)</li> </ul>	See ii, above.			

Objective 2: Support Member E	ntity Efforts Towards Infrastructure Development
Strategy / Tactics	Progress to date (10/20/2023):
A. Reduce blight to support infill	Meeting held with staff from Graham County, Pima, Safford and
development (1yr)	Thatcher October 11, 2023 to introduce SEAGO's new Strategic Plan
	goals/objectives re: blight reduction. Deliverables for this Strategy must
	be community-driven.
B. Provide Technical Assistance for	Progress here is ongoing; Duncan and Nogales will implement CDBG-
Water and Wastewater Projects (1-2yrs)	funded water system improvements in 2024; currently assisting Trujillo
	Trail DWID in Santa Cruz County with WIFA-funded water project.
C. Implement Brownfields Assessment	RFP drafted, to be published Nov 2023; expected start Q1 of 2024
Grant (6mo – 2yr)	
	Infrastructure & Digital Navigator Services
Strategy / Tactics	Progress to date (10/20/2023):
A. Leverage awarded Technical	
Assistance Grant to support regional	
broadband expansion efforts	
i) Gather Regional Data to produce	Complete.
accurate maps and identify gaps in	
broadband coverage	
ii) Complete Scope of Work to produce	Complete.
final feasibility study and report	
providing guidance on closing	
broadband infrastructure gaps	
B. Provide Technical Assistance to	
community libraries and other anchor	
institutions that are Implementing the	
Affordable Connectivity Pilot Program	
(9mo)	
i) Create and Provide Marketing,	These efforts are currently ongoing. Completion of ACP related Tactics
Training and other Onboarding	are a top priority for Economic Development at this time.
Materials (6mo)	
ii) Develop Systems to guide anchor	These efforts are currently ongoing. Completion of ACP related Tactics
institutions through the ACP	are a top priority for Economic Development at this time.
onboarding process (6mo)	
iii) Conduct workshops to train anchor	These efforts are currently ongoing. Completion of ACP related Tactics
institutions on how to complete ACP	are a top priority for Economic Development at this time.
onboarding process (3-9mo)	
iv) Work with ISP's on providing	These efforts are currently ongoing. Completion of ACP related Tactics
patrons with help desk services once	are a top priority for Economic Development at this time.
ACP is completed and the individuals	
have device and service (9mo)	
C. Apply for Broadband Construction	
Funding to address broadband	
infrastructure gaps identified in TA	
funded study (1yr)	
i) Coordinate with Broadband Coalition	Efforts to engage with this Tactic are underway. This and other tactics
to target funding opportunity (3mo)	under this Strategy will accelerate once our ED program is fully staffed.
ii) Engage funding agency and request	This and other tactics under this Strategy will accelerate once our ED
application assistance (6mo)	program is fully staffed.
iii) Submit application to funding	This and other tactics under this Strategy will accelerate once our ED
agency (9mo)	program is fully staffed.

<b>Objective 4:</b> Support regional er	ntrepreneurship and workforce incubation programs
Strategy / Tactics	Progress to date (10/20/2023):
A. Create an Incubator Coalition with	
regional organizations currently working	
to build incubators (18mo)	
i) Join Economic Development groups	This and other tactics under this Strategy will accelerate once our ED
such as AAED, Huachuca 50, and	program is fully staffed.
others (6mo)	
ii) Form Coalition; secure	This and other tactics under this Strategy will accelerate once our ED
commitments on scope of activities	program is fully staffed.
and roles of coalition members (9mo)	
iii) Facilitate concept and grant	This and other tactics under this Strategy will accelerate once our ED
development through the Coalition	program is fully staffed.
(1yr)	
iv) Apply for an Incubator grant that	This and other tactics under this Strategy will accelerate once our ED
has had 3 additional inputs from other	program is fully staffed.
departments (1yr)	
v) Develop a Coalition Engine that	This and other tactics under this Strategy will accelerate once our ED
includes Campaign Management,	program is fully staffed.
Project Management, Hosting	
Meetings/Workshops stations (18mo)	
B. Identify funding source(s) to perform a	
Bi-National Workforce Program study	
(18mo)	
i) Form a campaign to raise private	This and other tactics under this Strategy will accelerate once our ED
funds (9mo)	program is fully staffed.
ii) Work with border region agencies to	This and other tactics under this Strategy will accelerate once our ED
procure data around US citizens	program is fully staffed.
potentially looking to work in	
southeastern Arizona region (1yr)	
iii) Propose Technical Assistance	This and other tactics under this Strategy will accelerate once our ED
contracts with private businesses to	program is fully staffed.
support developing a talent pipeline	
for their organization (18mo)	
C. Support growth and capacity building	
in Future 8 Industries (Manufacturing,	
Mechatronics, Cybersecurity, Natural	
Resource Preservation, Renewable	
Energy, Housing, Transportation, Health	
Services) (2yr)	
i) Provide ACA updates to members	This and other tactics under this Strategy will accelerate once our ED
regarding business relocation	program is fully staffed.
announcements and resource	
opportunities (3mo – 2yr)	
ii) Identify current gaps in regional site	This and other tactics under this Strategy will accelerate once our ED
selection process to attract investors	program is fully staffed.
(9mo)	
iii) Develop Industry briefings for at	This and other tactics under this Strategy will accelerate once our ED
least 1 of the target industries (18mo)	program is fully staffed.
iv) Coordinate with stakeholders and	This and other tactics under this Strategy will accelerate once our ED
provide investors with specific industry	program is fully staffed.

briefings & thought leadership (1yr)		
v) Coordinate with event planners and	This and other tactics under this Strategy will accelerate once our ED	
other stakeholders to support the	program is fully staffed.	
growth and development of trade

#### STRATEGIC PLAN PROGRESS REPORT

TRANSPORTATION		
Goal 1: Identify, provide, and enhance serve	vices and resources to address the sustainability of our communities and	
constituents		
	ete the SEAGO Regional Road Pavement Assessment Project	
Strategy / Tactics	Progress to date (10/20/2023):	
A. Data Collection/Reporting		
i) Identify Data Collection Priorities	Reviewed Data Collection Progress with TAC at 9/21/23 TAC meeting.	
with Local Agencies	Collected information as to collection priorities from member agencies.	
	SEAGO currently finalizing data collection in Santa Cruz County, Thatcher	
	and Pima. Next round of collection to focus on RTAC project list roads.	
B. Regional/Local Traffic counting	In its d ADOT Tooffice Data Continue to prove at at any 0/21/22 TAC was ation	
i) Review Road Assessment Data with	Invited ADOT Traffic Data Section to present at our 9/21/23 TAC meeting	
TAC to develop agency specific traffic	in an effort to coordinate traffic count data collection for FY24. Obtained traffic count gap data from ADOT for FY24 Highway	
counting priorities	Performance Monitoring System (HPMS) reporting cycle. TAC agreed to	
	focus on HPMS reporting gaps.	
ii) Conduct traffic counting	Traffic counting to address FY24 HPMS gaps to begin the 1 <sup>st</sup> week of	
	November.	
C. Safety identification		
i) Review roads with poor pavement	SEAGO has partnered with SVMPO to update our FY17 Strategic	
condition data.	Highway Safety Plan (SHSP). Kimley Horn has been selected as the	
	consultant. Kimley Horn will be provided access to our pavement data	
	portal as a cross-referencing tool.	
ii) Identification of regional safety	SHSP Kick-off meeting scheduled for 11/16/23. An outline of focus areas	
project priorities	will be identified at that meeting.	
iii) Identify potential Road Safety	SHSP will assist in the identification of further Safety Data needs	
Assessment (RSA) Applications	including RSAs.	
iv) Submission of HSIP applications if	As part of the SHSP, Kimley Horn will develop a minimum of 7 HSIP	
supported by data	applications based upon safety data collected during the Plan's	
	development.	
D. Project report to ADOT		
i) Develop an ADOT reporting template	Pending	
ii) Review project for successes,		
challenges and gaps; correct where needed.	Pending	
	sportation service in Santa Cruz County (in process)	
Strategy / Tactics	Progress to date (10/20/2023):	
A. Apply for ADOT Transit Planning funds	Complete –SEAGO applied in November 2022.	
B. Secure planning funds	Complete –SEAGO awarded \$95,000 for feasibility study in March 2023.	
C. Conduct feasibility study		
i) Develop Scope of Work	Complete – Submitted with grant application.	
ii) Identify Study TAC	Agencies identified. Recruiting for TAC members from needed agencies.	
iii) Develop Public Participation Plan	In progress. Expected to be in place by 11/1/23.	
iv) Conduct Public meetings	Pending	
v) Develop service options	Pending	
vi) Identify potential service operator	Pending	
vii) Identify preferred service option	Pending	
viii) Draft Plan developed for TAC	Pending	
Review/Public Comment		

D. Develop implementation plan (if	
feasible)	
i) If feasible apply for Implementation	Pending – Will apply for Phase 2 funding during ADOT's FTA Section
Plan Funding (Phase 2)	5305 Grant Cycle to begin in November/December 2023.
ii) Develop Service Plan	Pending completion of Phase 1.
iii) Develop Staffing/Capital Plan	Pending completion of Phase 1.
iv) Develop 2 & 5 year budget	Pending completion of Phase 1.
v) Provide ADOT 5311 application TA	Pending completion of Phase 1 and Phase 2.
	siness processes to integrate new technology to streamline data
collection and reporting	
Strategy / Tactics	Progress to date (10/20/2023):
A. Identify transportation processes that	
can be digitized	
i) Develop study group with	Met with AAA in July/August to streamline data collection documents.
AAA/Transportation Staff to identify	Have completed an update of collection and compliance forms.
and update data collection/compliance	Digitizing data collection forms/templates in progress.
forms	
B. Prioritize the above processes	
i) Identify and eliminate duplication of	The transportation section has identified priorities for digital processes.
forms and reporting; identify forms	This includes expansion of the capabilities of our Transit Asset
that will be digitized	Management Data (TAM) base, developed a SEAGO training portal to
	house data from our Transit Training Program, and transitioned the TAC
	from paper project scoring forms to a digital process.
C. Create digital templates	In progress
D. Implement collection portals	Expanded our TAM database, developed a Transit Training database,
	expanded the capabilities of our Pavement Assessment Data portal, and
	providing training on our Traffic Data Management System (TDMS) to
	expand local agency reporting capabilities.
	cy Transportation Infrastructure Funding Efforts
Strategy / Tactics	Progress to date (10/20/2023):
A. Identify transportation infrastructure	
funding opportunities	On action SEACO forwards all EUNIA anastractions to the TAC
i) Forward all transportation and	On-going - SEAGO forwards all FHWA grant notices to the TAC.
transit funding opportunities to the	FTA/ADOT grant opportunities are forwarded to transit managers.
SEAGO TAC and City Transit Managers.	CEACO Transportation has subscribed to the Dural Opportunities to Use
ii) Register for funding notices with	SEAGO Transportation has subscribed to the Rural Opportunities to Use Transportation for Economic Success (ROUTES) Newsletter for U.S.
FHWA, FTA, RTAC, ADOT, Congress, and private foundations.	Department of Transportation. ROUTES program tracks grant
and private roundations.	opportunities of interest to rural communities. SEAGO Transportation
	has registered with the FTA TrAMS database to receive grant
	opportunity notices for transit grant opportunities.
iii) Develop and maintain a grant	Pending
opportunity matrix that identifies	T chung
annual grant opportunities by date,	
eligibility, and application	
requirements.	
B. Upon request, provide technical	
assistance in grant development	
i) Provide Letters of Support	Ongoing – In the past 6 months, SEAGO has provided over 30 Letters of
,	Support for Congressional Designated Spending Project applications,
	FHWA discretionary grants, AZ SMART fund grants, ADOT

	Transportation Alternatives, and FTA Capital grants.
ii) Provide information and assistance	Ongoing - SEAGO provides AZ SMART Grant information updates at all
in developing AZ SMART Fund	TAC meetings, SEAGO has provided technical assistance to Duncan,
applications to support Federal grant	Pima, and Bisbee to submit successful SMART Grant application.
applications	Currently providing technical assistance to Santa Cruz County
iii) Provide technical services support	On-going - SEAGO has provided technical assistance to several member
to grant applicants including, GIS	agencies to develop Congressional Designated Spending Project
mapping, traffic counting, road	applications, RTAC Project applications, FHWA discretionary grants, AZ
pavement assessment condition	SMART fund grants, ADOT Transportation Alternatives, and FTA Capital
reports, crash data, and transit asset	grants. This includes project initiation packets, Functional Classification
management data	maps, crash data reports, letters of support, grant application reviews,
	traffic count data, pavement condition data, transit route maps, transit
	asset management data, and cost estimates.
iv) Develop a library of best practice	Pending
grant application samples to be made	
available to applicants	
v) Utilize SEAGO TIP Future Project	Ongoing – The Future Projects Section of the TIP has become the parking
Section to support grant applications	lot to support agency grant applications.
vi) Review and update functional	Ongoing – SEAGO invited the ADOT Traffic Data Section to present at
classification of projects to ensure	our 9/21/23 TAC meeting to review the ADOT/FHWA Functional
Federal funding eligibility	Classification change request process. SEAGO reviews all grant
	applications to verify Functional Classification eligibility.
vii) Review grant applications and	Ongoing – SEAGO consistently reviews grant applications and provides
provide comments	technical assistance in the development of grant applications.
Goal 2: Build awareness of SEAGO and the	
	ity of SEAGO Through Partnerships
Strategy / Tactics	Progress to date (10/20/2023):

SUBJECT: COMMUNITY DEVELOPMENT PROGRAM UPDATES

#### Regional Account Updates

We are approaching the Public Participation season for next year's Regional Account and Colonias Set-Aside CDBG. In 2024 Bisbee, Duncan, Patagonia and Thatcher will be awarded Regional Account CDBG. We will begin outreach for this process this month.

#### **Colonias Set-Aside Updates**

2024 is the next Colonias Set-Aside funding round. In 2022 the Notice of Funding Available was delayed several months beyond the previous rounds' March through July cycle. We anticipate the funding round will return to normal next year. This means the time is now to gather the elements necessary to develop shovel-ready projects. ADOH considers an application shovel-ready when it includes: a completed Environmental Review Record; a bidders' list of potential contractors; and design plans for water, wastewater or stormwater improvements. For housing rehabilitation, housing rehabilitation guidelines must be adopted by the local unit of government, the ERR must be complete and there must be a waiting list of income-qualified households.

#### Housing Update

This summer ADOH issued a call for proposals intended to envision potential projects to be funded through a \$150 million addition to the State Housing Trust Fund. These additional funds are anticipated to become available in 2024. In August, just after the annual Housing Forum, SEAGO staff assisted in developing proposals from Patagonia, unincorporated Santa Cruz County east of Nogales, and Bisbee. Community Partners, Inc., now the Lead Agency for SEAGO's Balance of State Continuum of Care submitted seven additional proposals for various projects/programs throughout the Region. These proposals may or may not lead directly to funding, but were intended to provide some guidance about housing needs before ADOH issues a NOFA.

On October 11, SEAGO Community Development staff met with staff from our Graham County Member Entities to introduce our new Strategic Plan strategies and tactics around

housing and begin the conversation as to how SEAGO can help. One identified need was for a housing strategy/study for Graham County.

MEMO TO:ADMINISTRATIVE COUNCILTHROUGH:RANDY HEISS, EXECUTIVE DIRECTOR<br/>KEITH DENNIS, COMMUNITY AND ECONOMIC DEVELOPMENTFROM:PROGRAM MANAGERDATE:OCTOBER 25, 2023SUBJECT:RECENT ECONOMIC DEVELOPMENT ACTIVITY

The purpose of this memorandum is to advise the Administrative Council of recent activity in the SEAGO Economic Development District.

**Broadband:** Broadband infrastructure and onboarding continues to be a priority for our region as a strategy to improve resiliency. The tools in this case are the strategic planning capacity and technical assistance SEAGO is able to provide to the region's stakeholders currently involved in broadband expansion and adoption, and the feasibility study conducted for three out of four of the region's counties.

**Affordable Connectivity Program (ACP):** In September, <u>Huachuca City</u> and Cox Communications hosted a rollout event for the new broadband infrastructure that has recently come online. On September 9<sup>th</sup>, SEAGO Economic Development held an ACP event at the Bisbee Senior Center. SEAGO's efforts in particular have yielded 17 ACP signups. Additional events, including collaborative efforts regional partners, are in the planning stages.

**Broadband Funding:** The USDA ReConnect Program "offers loans, grants, and loangrant combinations to facilitate broadband deployment in areas of rural America that currently do not have sufficient access to broadband." (<u>link</u>). Round 5 of this program is anticipated to be announced in December of this year. Valley Telecom is currently evaluating whether to apply for funding this round. SEAGO is meanwhile scouting for other opportunities for broadband construction funding.

**Willcox Theater and Arts:** In January of 2022 SEAGO staff provided Willcox Theater and Arts, Inc. (WTA) with Environmental Review Record assistance to support their application for a \$1.7 million EDA Construction Grant. We are pleased to report WTA was awarded the grant, which when implemented will provide a major facilities upgrade to this important cultural institution in Willcox. SEAGO is under contract to provide construction procurement and Davis Bacon Monitoring assistance. The project has now endured two rounds of construction procurement.

MEMO TO:	ADMINISTRATIVE COUNCIL
THROUGH:	RANDY HEISS, EXECUTIVE DIRECTOR
FROM:	LAURA VILLA, AREA AGENCY ON AGING PROGRAM DIRECTOR
DATE:	OCTOBER 25, 2023
SUBJECT:	AAA PROGRAM UPDATES

#### Administrative Updates:

After much effort, time invested, and recruitment, we now only have one vacant position (**Bisbee CMG**) at the AAA, the Case Manager who was hired and left to work elsewhere due to higher pay. The positive news is that all other vacancies are filled with passionate, energetic, and professional individuals who are here to make a difference in our aging population. The SEAGO-Area Agency on Aging has 12 staff that oversee and deliver services in our four-county region. We see the opportunity to expand our efforts further to continue providing quality services with the number of staff currently at hand.

**Lori West** began employment as our CM for Benson on August 5, 2023. She is training with Seana Riffle and Carrie Gibbons until we can let her fly independently.

**Julie Cresswell** was hired to oversee the Health Promotion Disease Prevention Program in Bisbee with oversight for the four-county region. Julie has been training with Shi Martin and continues to learn the different programs within the Area Agency on Aging.

**CMG-SFY24 Reduction notice**: As an attachment, you will find the CMG reduction letter that was sent out to existing clients in our communities and was shared across the region. As the COVID-19 pandemic was uplifted and with most of our COVID-19 and ARPA funding expended, we had to re-evaluate clients' needs and available funding to help us carry SFY24. With the implementation of the risk score tool designated by DES-DAAS, we moved toward restructuring CMG in our communities. Unfortunately, this requires drastic measures that do not impact those who are in greatest economic need and those who don't have other resources. We see that once these reductions and closures have been made we can reconsider removing people from the waitlist by January 2024. The goal is to provide quality care so that our case managers and our clients have a plan to follow for their care thus expanding our funding even further.

#### **Central Intake:**

Welcome back, Yolanda Thomas! It is an honor to welcome Yolanda back; her years of knowledge, commitment, and passion could not be left unnoticed. Yolanda collaborates with Ramona MacMurtrie to assist with Central Intake (CI). She has been a great asset to the team, allowing CI to reduce the referral process to a one-day turnaround. We can see a more effective streamline not only with Case Management but with the rest of the in-house programs, thus enabling them to increase their client contact, but more importantly, the I& R call volume has increased in the past month.

#### Partnerships:

SEAHEC vaccine access came to an end on September 30, 2023, as the funding period ended. Over 13,000 people across the region received guidance, information, and assistance from SEAHEC during

the grant cycle. Their efforts have been invaluable since the beginning of the pandemic and we are fortunate to have SEAHEC as one of our partners. A detailed report is included for your glance.

SB1720 Housing funds: It is exciting to see how partners come together with a mutual goal of helping others thrive. SEAGO-AAA is extremely grateful for the opportunity to serve in this difficult time in history and address homelessness. With guidance and criteria set by DAAS, the AAA has identified three partners who will help us deliver services that will help keep individuals in their own homes. The deadline for MOUs to be finalized is scheduled for 10-15-2023 until then the next step to provide direction and instruction on reporting for this project will be set and discussed with our partners.

- > Southeastern Arizona Community Unique Services (SEACUS) oversees and provides services in both Graham and Greenlee Counties. SEACUS is our only provider who receives funds to help with Home Repair and Adaptive Aids. SEACUS was identified as a key partner to help deliver and, most importantly, obtain referrals to process them; they already know our AAA internal reporting processes. SEACUS will collaborate with St. Vincent De Paul of Graham County, who will be referring individuals over 60 who need assistance with rental assistance, mortgage assistance, property taxes. HOA assistance, utility assistance, HVAC repair, move-in/out costs, and more if needed. That is if all options are exhausted. SEAGO has formed an MOU with SEACUS that illustrates the requirements, and a one-on-one discussion has taken place to provide feedback.
- > Direct Advocacy and Resource Center (CIL) oversees our four-county region with no direct presence. It is highly important that the AAA works closely with our CIL to network and support our mutual efforts; this allows us to break silos that should have been broken long ago because of the lack of knowledge. Direct currently receives a HUD grant that helps develop a Rural Home Access Program (RHAP) that focuses on individuals 62+ who are not disabled but could benefit from home repair and adaptations. RHAP offers a path to enhance access, safety, and independence in rural Southern Arizona. The goal in combining these efforts is stretching the funds to perform more difficult jobs that prevent them from accomplishing because of their cap amount. It also allows DIRECT/AAA to work together and learn from one another about the services each provides, effectively raising awareness of what is available. SEAGO-AAA will be the point of contact for screening and referring out to DIRECT for the reporting process to be effective and consistent, AAA and Direct have met one-on-one to discuss the MOU and take feedback if needed.
- > SEAGO Community Development Program (CDP) and the City of Bisbee utilize CDBG funds in the home rehabilitation program to recruit participants and conduct home assessments, develop cost estimates, and hire contractors for home rehabilitation projects. While this program only covers the Bisbee area, the City of Bisbee's sustainability efforts allow those individuals with older and deteriorated homes to be livable, as this will promote the 60+ individuals to live there for as long as possible. Because the City of Bisbee is currently utilizing CDBG funds, the AAA sees a benefit in leveraging those dollars for the benefit of our clients. Our partner will collaborate with the AAA for the screening process to flow consistently and uniformly as we do for Direct.

Subject: SEAGO-Area Agency on Aging SFY24 Reduced Funding changes

Dear AAA Client:

The Older American Act designates funds to the SEAGO-Area Agency on Aging to help those in greater social and economic need. For the past three years, we have been able to help sustain our services thanks to the federal funds received during the pandemic. With the Families First Coronavirus Response Act, CARES Act, and the American Rescue Plan Act funds, we expanded our services to assist you with your needs. Unfortunately, since the declaration of the end of the Covid-19 pandemic, we are left with only level funding from the Older Americans Act, which is not enough to cover the expanded caseload in our region.

During the most difficult times, the SEAGO-Area Agency on Aging staff could not make home visits and assess the needs of our clients as we would have hoped to give us a true picture of the conditions. Therefore our connection was by telephone, preventing us from performing a holistic assessment of tangible needs. We were fortunate to have more flexibility in using these additional funds and providing services to clients who called for services until those funds were depleted. With the increased demand during the unprecedented era, we saw a decline in direct care workers: Covid-19 also impacted the workforce. With Advocacy from the AZAging network throughout the state, we had to address this issue. Fortunately, the state granted us funds to address that issue and incentivize and increase wages to our direct care workers to service your needs. We knew that the effect of this change would also impact you, our client, and now we are in a difficult position. Area Agencies on Aging were conscientious that this day would come; we now need to reduce service units and close certain clients out due to our restricted funding.

We know that during the most difficult times, our subcontracted providers, staff, and administration met your needs, which makes us feel more at ease knowing we could work for you. Today, it is with much sorrow that our case managers are evaluating every one of our clients who receive services. Using factors such as the existence of support systems, private resources, and, most importantly, available funds, we will have to determine where our reduced resources can best be allocated in light of the end of Covid-19 induced expanded funding.

Although this day was inevitable, removing certain clients from their existing services is sad. However, although this may affect access to home and community-based service recipients, we appreciate your understanding and support towards this difficult decision. The Area Agency on Aging continues to work for you, and while we are cutting HCBS services, we provide more than that. Our In-house programs deliver State Health Insurance Counseling, Family Caregiver Support, congregate site funding, transportation, and more. Please keep this in mind.

Should you have any questions regarding this communication, please don't hesitate to contact me at (520) 432-2528 or <a href="https://www.ucashida.com">www.ucashida.com</a> (www.ucashida.com</a> (wwww.ucashida.com</a> (www.ucashida.com</a> (www.ucashida.com</a

Sincerely,

Laura Villa Area Agency on Aging Director

# Family Caregiver Support Program

#### 1.1.C-

FCSP provided training for Case Managers as staff members on Trualta, expanding the capacity to educate, offer and onboard family caregivers. Outlined FCSP reporting process, with integration of Case Management and created program instructions

Trualta implemented a language toggle for the portal, offering either English or Spanish language options. With targeted education to Case Managers in our predominantly Spanish speaking communities. FCSP promotes the enhanced language option via social media, outreach, and relying on Case Managers to provide community awareness.

Trualta Enrollment July 2023- 72 Caregivers with 22 Caregiver Education Modules completed August 2023- 75 Caregivers with 66 Caregiver Education Modules completed September 2023- 78 Caregivers Enrolled with 4 pending

#### 1.3.B / 2.1.B-

FCSP Coordinator completed certification "Volunteer Engagement in the Aging Network" through Boston University and created a resource file to share within our agency on best practices and strategic volunteer management.

SEAGO AAA has a decentralized volunteer program; coordinators are responsible for recruiting, training, and mentoring their program volunteers.

#### 3.1.A-

Caregiver Self-Care Education - FCSP partnered with Cochise County Health Department Educators, offering both in-person and virtual presentations on "Boosting Brain Health" in Cochise County.

#### 3.5.B-

September is FEMA National Emergency Preparedness Month- FCSP utilized social media and targeted outreach to caregivers and older adults to address disaster/emergency preparedness and create awareness. FCSP built a resource file for the AAA team providing information and resource files.

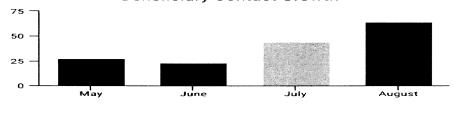

# State Health Insurance Program and Senior Medicare Patrol

1.1C, 1.3ASHIP/SMP focused on hosting events to increase partnerships through community outreach.

2.1A The collaboration between current partnerships has helped increase beneficiary contact by 50% in July and 60% in August. Objective 2.1B, 5.1C The number of SHIP/SMP volunteers has grown from three to six active volunteers. Objective 1.1C, 3.1A Media and current partnerships have been utilized to promote the services SHIP/SMP can provide in the community. Objective 3.1C Most present information provided to Region VI has been the importance of renewing or applying for Medicaid services. Objective 2.1C SHIP/SMP's goal is to increase awareness and education in our communities on ways to prevent future penalties. Through SMP, raise awareness of fraud and scams by empowering Medicare beneficiaries to protect themselves from scammers by staying informed of the trends.

1.3A The SHIP/SMP coordinator educates our communities on the importance of the Medicare Open Enrollment period from October 15, 2023, through December 7, 2023.

2.1E, 3.3A SHIP/SMP and Long Term Care Ombudsman Coordinator continue to promote and deliver (SEAEAT) the Southeastern Arizona Elder Abuse Taskforce. SEAEAT continues the efforts to expand throughout Region VI by utilizing current partnerships and community outreach. The task force is moving forward with partnerships throughout Southeastern Arizona to educate on prevention, identify abuse, supply resources for victim support, and continue strategizing and focusing on elder abuse awareness.

# Long-term Care Ombudsman

**3.3-A** The Long Term Care Ombudsman and Volunteers continue to see the skilled nursing facilities and assisted living facilities in Region VI. The Ombudsman Coordinator continues to recruit volunteers in Spanish-speaking areas.

The Ombudsman attended the USAging Conference in Salt Lake City Utah where there was a lot learned and brought back to Region VI. We aim to provide our seniors the newest and most impactful resources available and look for ways to implement them in SEAZ.

The LTCO attends Toastmasters to strengthen her abilities to be a better public speaker. With a goal of presenting in the near future at the USAging conference if the opportunity presents itself.

#### **3.3-B** Southeastern Arizona Elder Abuse Taskforce (SEAEAT)

In the past, we worked to have a tri-fold made. As we made this tri-fold we realized that it could not hold the amount of information we would like. The SEAEAT partners decided to make a booklet to be able to hold the resources we would like the community to have, this task is work in progress.

# **Case Management**

**1.1.C.** <u>CMG Program:</u> CMC and FCSP have joined forces to create program instructions and a reporting process that simplifies the onboarding and reporting procedures for Trualta. This process will enhance case managers' ability to manage their tasks and offer superior assistance and services to their clients. Case Managers and Central Intake have been provided onboarding training for the Trualta platform and are now equipped to educate, offer, and onboard family caregivers

1.2.A We brought the Santa Cruz and Cochise County Case Management programs in-house. This helped us decrease the waitlist, by educating our communities about the Older Americans Act requirements and eligibility matrix. The Ability to educate and oversee case managers in ALL AAA program services will enhance their performance and increase the number of individuals we can assist with all programs, not just for HCBS services. We are still working on integrating these new case managers to optimize our efficiency in the efforts above. The integration of case management in Cochise and Santa Cruz County has enabled us to expand resources, raise awareness, and better educate our communities on the Older Americans Act. It is important to teach and guide our case managers on the importance of a referral and approval of services. Constant education is in place at this time in order to assist our clients with services that empower them to care for themselves and continue to live independently in their own homes.

Case Managers are receiving more comprehensive training from AAA Coordinators during monthly meetings. This training equips them with increased knowledge about the coordinator's program and highlights effective ways Case Managers and coordinators can collaborate to enhance outcomes.

During the month of August-SMP Coordinator presented on SMP

**1.3.C** SEAGO-AAA region's **2nd most crucial problem is the lack of access to adequate dental care options. We find that <b>25.9% of survey respondents deem this a serious issue**. While most community centers throughout SEAZ offer dental care using the sliding fee scale. To help address this serious need, SEAGO-AAA will connect with all community centers and understand their process for proper referrals through our central intake or by our case managers.

2.1.A The Central Intake unit screens and identifies gaps in service by referring clients to the appropriate programs and resources. Before central intake was established this process was more convoluted and less adhered to by relevant entities.

The expansion of AAA's central intake position to a full-time position has been successful. The two part-time intake specialists have been trained to provide callers with information on local, state, and federal resources. They are also well-versed in educating callers on volunteer opportunities and how to access additional resources such as the AAA App, webpage, and Facebook.

3.2.A Will continue to prioritize individuals with higher needs for Attendant Care and home-delivered meals, based on the scoring method obtained from CMG.

Case Managers continue to prioritize those with higher needs for Attendant Care and home-delivered meals based on a scoring method obtained from Central Intake. This means that individuals with higher demands will receive faster assistance to prolong their independence and well-being

4.1.B With the use of the Trualta platform, central intake, and the transition of case management in two of the most served counties, we can track the utilization of caregivers' services, units, and education provided.

CMC and FCSP have joined forces to create program instructions and a reporting process that simplifies the onboarding and reporting procedures for Trualta. This process will enhance the ability of case managers to manage their tasks and offer superior assistance and services to their clients.

Case Managers have been provided onboarding training for The Trualta programs and are now equipped to educate, offer, and onboard family caregivers

Contact Email lupita@seahec.org

#### **Contact Phone Number**

520-287-4722

#### **Data Collection Questions**

1. Please select all of the following ways that the Community Education and Vaccine access is involved in Covid-19 vaccine access activities paid for in full or in part by the supplemental funding:

Х	Increasing vaccine confidence/decreasing vaccine hesitancy (e.g., developing materials or resources, group, or individual outreach)
Х	Reaching underserved populations, such as rural, minority, non-English speaking and/or other marginalized populations (e.g., developing materials or resources, door- to-door campaigns, translation services)
Х	Public outreach and awareness (e.g., public announcements, targeted marketing push, sharing information on SEAGO-website)
Х	Individual outreach and awareness (e.g., direct calls or in-person visits to individuals who may be eligible)
	Vaccine registration, including through statewide website, 211, or in-person
Х	Transportation (e.g., scheduling, and/or paying for ride services, companion services, providing direct transportation)

X	Supporting vaccine distribution sites (e.g., staffing, providing location for distribution sites, including mobile sites, etc.) Addressing accessibility needs (e.g., by coordinating with AT programs)
	Other, please describe:
	Community Health Worker (CHW) outreach

2. What is the total number reached through *all activities* paid for in full or in part by the Community Education and vaccine funding from August 2021 through September 2023? This would include public outreach (e.g., PSA's, marketing) as well as through individual assistance and services.

51,562

3. What is the total number of people who have been reached through individual assistance (e.g., individual outreach, assistance, coordination, scheduling support, transportation, receipt of incentives) paid for in full or in part by the Community Education and vaccine funding from August 2021 through September 2023?

#### 13,971

a.) if available, please provide the number of people who have been reached through individual assistance by demographic category from August 2021 through September 2023?

Note: Individuals may be counted in more than one category below (e.g., a person who is 65, has a disability, and is an ethnic minority would be counted in all three demographic categories.)

#### i. Number of people reached through individual assistance (age 60+)

#### 4,761

ii. Number of people reached through individual assistance (any age with any type of disabilities)

152

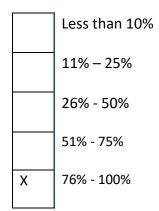

**iii. Number of people reached through individual assistance** (any age that are racial or ethnic minorities or underserved populations)

13,384

4. Have you started tracking spending of the Community Education vaccine access funding?

a.) If yes, what percentage of the funding has been spent?

5. (Optional) Please share any barriers the Community Education vaccine funding program has encountered and any proactive approaches/activities that have supported vaccine confidence and/or reaching racial or ethnic minorities or underserved populations.

MEMO TO:	ADMINISTRATIVE COUNCIL
THROUGH:	RANDY HEISS, EXECUTIVE DIRECTOR
FROM:	CHRIS VERTREES, TRANSPORTATION PROGRAM ADMINISTRATOR
DATE:	OCTOBER 25, 2023
SUBJECT:	TRANSPORTATION PROGRAM UPDATES

The following is a brief update regarding the Transportation and Transit planning projects that SEAGO is currently involved in:

**SEAGO Road Pavement Assessment Project.** The SEAGO Administrative Council and Executive Board approved this project in August for the amount of \$200,000 Federal (STBG). This project will utilize new artificial intelligence road assessment technologies that convert a cell phone into a data collection device that can conduct pavement assessments, pavement marking assessments, road condition inventories, as well as traffic sign inventories, and sign condition assessments for SEAGO member jurisdictions. SEAGO staff will perform the ground work of driving local roadways and collecting roadway data. The data will be sent to a vendor that will analyze the data, establish a roadway inventory, and assign condition assessments to multiple segments of roadway. The data will be made available to all of our jurisdictions through a licensed database. All public roads not on the State system will be evaluated (approximately 4,000 miles).

Update: The SEAGO Data Portal is open and invitations sent to all member agencies. If you would like access to the portal, please submit a request to John Merideth at <u>imerideth@seago.org</u>. On October 5, 2023, SEAGO hosted the first North America RoadAl User Group meeting at the Cochise College Benson Center. The training was attended by 42 people from 31 agencies. Participants were able to share how they use the technology in their agencies. We are expecting an update to the data portal in November. Vaisala will be adding pavement treatment recommendations to our data portal. To date, SEAGO has completed over 55% of our local road network.

**RTAC Priority Project List:** Last year, the SEAGO TAC developed a list of list of local projects for submission by RTAC to the State Legislature for consideration in the FY24 State Budget. The list was approved by the SEAGO Administrative Council and Executive Board in August 2023. On May 11, 2023, the Governor signed into law a \$17.8B state budget for State Fiscal Year 2024. Transportation infrastructure fared very well, receiving \$653.5M in one-time revenues. The SEAGO Region did very well securing over \$30 million in projects. In addition, SVMPO planning area secured almost \$10 million in projects. RTAC requested that Greater Arizona COGs/MPOs develop a project list for FY25 budget discussions.

Update: In June, SEAGO issued a call for projects. The call closed on August 11, 2023. We received 7 applications. In September, the TAC completed an application review and application ranking process. SEAGO's Administrative Committee and Executive Committee reviewed and approved our FY25 RTAC Priority Project List at our October 5, 2023 meeting. The approved list is attached to this memo.

Regional Transit Emergency Coordination Plan: On December 30, 2020, SEAGO received

notice from ADOT that it received an \$80,000 FTA Section 5305(e) Transit Planning Grant. During the initial outbreak of COVID-19, we found that many of our FTA Section 5311 and FTA Section 5310 providers lacked emergency planning tools and protocols to not only address pandemic issues, but lacked basic procedures to address a variety of potential internal and external emergencies. The grant provides funding for the development of a Regional Transit Emergency Coordination Plan. *SEAGO began work on this project in August 2021 with a series of four County-specific stakeholder meetings. Meetings were attended by 33 emergency preparedness professionals.* In April, SEAGO was awarded an additional \$90,000 in funding to continue our work. SEAGO held advisory committee meetings with our regional transportation providers in July and August.

### Update: The Study's Public Comment Period ended on June 15, 2023. The study has been finalized and has been submitted to ADOT. The study is available at <u>www.seagomobility.org</u>.

**Fixed Route Public Transit in Graham County:** A public transit feasibility study is a requirement by ADOT to access FTA Section 5311 (Rural Public Transit) funding. In general, those studies are good for a 5-year period. In 2015, a Public Transit Feasibility Study was completed for Graham County. The study's useful life has expired and an update of the plan is required. A transit needs survey has been completed and data analyzed. SEAGO has used the survey data and current ridership data provided by Easter Seals Blake Foundation (ESBF) Community Transportation Project to identify high demand route originating locations. Those locations have been heat mapped through GIS. With that data, draft fixed-route options, maps and schedules have been completed. During this phase of the study, Easter Seals Blake Foundation expressed a desire to be a lead applicant for an FTA Section 5311 project. The TAC has been paused to allow ESBF the opportunity to have internal discussions involving their pursuit of an ADOT/FTA Section 5311 application.

Update: The next window to apply for FTA Section 5311 funding will occur in January 2024. The study resumed in June. Both ESBF and the San Carlos Apache Tribe have committed to moving the project forward. SEAGO met the San Carlos transit program this month. A budget and updated route plan and schedule have been completed. We are looking for a date in November to host a public meeting. Our goal is to have the study completed by November 30, 2023.

**Nogales Area Transit Feasibility Study:** The Nogales/Rio Rico area is the largest remaining community in Arizona that does not have a Public Transit Program. To explore the demand for a transit system, SEAGO applied for a transit planning grant through ADOT last December.

Update: On March 30, 2023, SEAGO received a \$95,000 award to conduct Phase 1 of the Study. If a strong need/demand for service is identified, we will apply for Phase 2 (Implementation Plan) in December. The goal is to have a plan in place by the January 2026 FTA Section 5311application cycle. A public participation plan is being developed and SEAGO is recruiting for TAC members.

**SVMPO/SEAGO Joint Regional Highway Safety Plan:** In 2016, SEAGO and SVMPO partnered on a Regional Safety Plan. The project resulted in over \$3 million in regional safety projects. The plan has exceeded its useful life as crash data in the plan is over 8 years old. SEAGO and SVMPO are once again partnering on a plan update. ADOT Traffic Safety Section has approved the project and ADOT/FHWA has authorized funding for the projects. Kimley-Horn has been selected as the project consultant. The project kick-off meeting will be on November 16, 2023.
