Dear Ms. Beemer:

ADOT is pleased to issue this Preliminary Award Notice for the three projects that your agency applied for in the above referenced grant application to ADOT. Please note that the award for the dispatching software has been reduced by the amount designated as a monthly fee. Section 5339 Bus and Bus Facilities funding can be used to purchase and set up the software but after set up, monthly maintenance fees cannot be charged to the Section 5339 funding. You will need to pay any monthly maintenance fees from the funds awarded for 5311 operation or project administration funding.

Please be advised that this is a preliminary award notice and no action can be taken until a final award notice (Exhibit A) is issued.

Please see the table below for your FY 2023 5339 Bus and Bus Facilities Preliminary Award Notice.

Your preliminary funding awards are contingent upon the Federal Transit Administration awarding funds to ADOT for the 5339 Program. ADOT will be submitting an application to FTA in February of 2024 and anticipates FTA awarding funding in April of 2024. Your preliminary award of funds is also contingent upon your compliance with all Federal and State requirements. Your official notice of award will be included in a revised Exhibit A to your 5311 Grant Agreement.

Please note that all vehicles awarded will be procured by ADOT. ADOT will coordinate with you on finalizing the order of your vehicle.
