

## THE MAGE WARS BY SUSAN MANSBRIDGE

### Book Club Discussion Questions

Thank-you for taking the time to read my novel. I am honoured that you would choose to discuss my work. I hope the following questions help you in your deliberations.

1. Which recurring themes did you notice throughout the book? How were the themes revealed in the story?
2. What feelings or emotions does the book evoke for you?
3. This book is the prequel to the Masters of Zelannor series. For those who haven't read the books, do the events make you curious about how the decisions of the main characters affected the land of Zelannor? If you have read the series, did it provide enough information about the events that shaped the series, including the backstory's of Vrainnan, Ygris, and Baddon Nox?
4. If you could rewrite the actions or decisions of one character, would you? What changes would you make?
5. What did you like about 'The Mage Wars'?
6. What *didn't* you like?
7. Do you have a favourite quote from the book to share?
8. How did you feel about Baddon Nox as the antagonist? Was his descent into madness realistic? Why/Why not?
9. How did Vrainnan's character change throughout the story?
10. If you could change how the story ended, what would you have happen?
11. Did you have any lingering questions after finishing the book?
12. What is one question you would like to ask the author?
