Most common brain disorders since 2020:

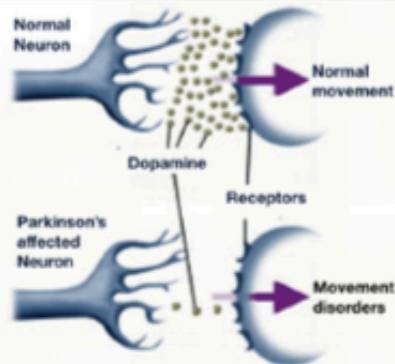

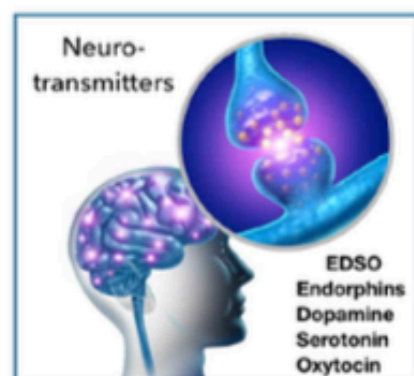

Vital brain

Alzheimer or dementia brain

The 5G frequencies 'dry up' our body and brain, resulting in 'brain shrivelling'. This gives emotional & coordination disorders besides forgetfulness, as well as stagnation of circulation which restricts oxygen supply to the brain resulting in inflammation.

Neurotransmitters and its disruptors:

The stress load that has now been going on for many decades from, among others, the above-mentioned disruptors is especially recently causing serious imbalance and damage in the nervous system and neurotransmitters in young and old. The increase in Parkinson's is 1 of the results of this.

Theme package B

Brain & nervous system

Some results of the Mind Vitalizer:

- Increase in thinking capacity
- Clearer thinking
- Improvement of memory & concentration span
- Optimisation of coordination & finer motor skills
- Reduction of tension headaches & fatigue
- Less emotional swings & mood swings (like depression)
- Less under the influence of others or other external (artificial) impacts
- Strengthens the blood-brain barrier
- Reduces inflammation of brain cells
- Repairs and rebuilds brain cells & increases brain plasticity (including learning capacity)
- Delays ageing
- Preventive to prevent Dementia, Alzheimer's & Parkinson's

Intake suggestion for an adult (>12y):

Start with **5 ml** in a filtered glass of water daily preferably in the morning. If using Deep Cleanse, this can be taken together.

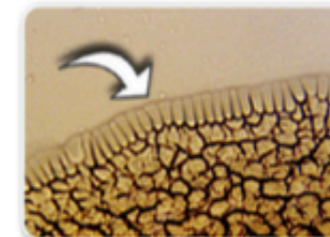

Build up to 5ml in glass of filtered water twice a day.

In case of increased mental activity or mental stress, Mind Vitalizer can be taken extra.

Private initiative. See the notice at forever-vital.com

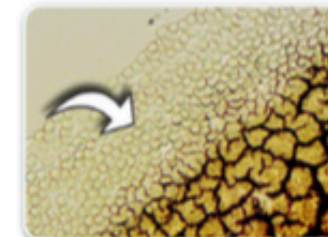

Results Mind Vitalizer (pack B) to be seen in the holistic Vital Blood Scan:

Before

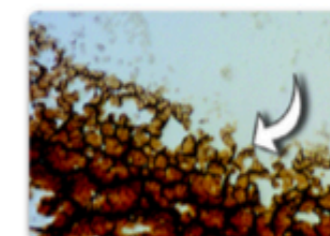

Blood shows elongated cells: early stage of Parkinson

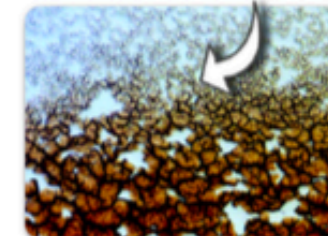

After

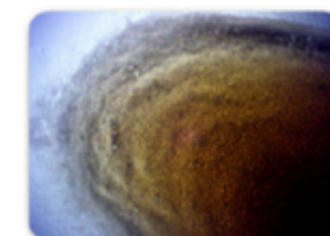

The regeneration of nerves and brain cells is clearly visible

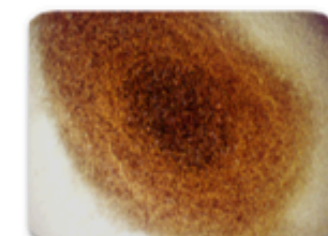

Outer edge is damaged, indicating dementia

Outer rim recovered well: so also brain and nerve cells

Impaired nervous system. Dysfunctional thinking due to too many toxins in the blood.

Well-functioning nervous system. Cleaner blood & thus 'normal' thinking capacity.

The better results:

For better results, the suggestion is to use Deep Cleanse Energy Boost in addition to Mind Vitalizer.

The optimal vitality approach is achieved with theme package B. For more information, see Forever-Vital.com.

Here you will find, among other things, who the theme pack is for, expected results, intake schedule & Energy Exchange.

Point to consider:

For people taking certain medications, the suggestion is for a very dispersed intake and slow build-up and have regular check-ups to see if the medication use deserved adjustment.

It has happened several times that vitality was so upgraded that one could stop taking the medication.

The Energy Exchange (EE) for the Mind Vitalizer is € 69,- for 250ml, good for 50 servings.
