## **VI. ACTION ITEMS**

### **1. Consent Agenda**

- a. Approval of the August 15, 2025, Minutes

**MOTION:** Luis Pedroza, Douglas  
**SECOND:** Terry Hinton, Duncan  
**ACTION:** Unanimous

### **2. Discussion and Possible Action to recommend approval of the proposed representatives for appointment to fill Advisory Council on Aging vacancies**

Celeste Vasquez discussed the nominations for vacant seats on the Advisory Council on Aging and requested a vote to recommend approval to the Executive Board for reappointments of Kathy Spangler and Arnold Lopez.

**Motion:** Robert Kirschmann, Willcox  
**Second:** Ron Robinson, Patagonia  
**Action:** Unanimous

### **3. Discussion and possible action to recommend approval of the use of fund balance due to government shutdown**

Chris Vertrees advised status of each of the SEAGO departments and procedures to ensure that every precaution to limit expenses is being taken in the event of a prolonged federal government shutdown. He addressed several questions and then Chair Pauken called for a motion and vote to recommend approval to the Executive Board.

**Motion:** Luis Pedroza, Douglas  
**Second:** Robert Kirschmann, Willcox  
**Action:** Unanimous

### **4. Discussion and Possible Action to recommend approval of the 2025 CDBG project application**

William Osborn provided an overview of the CDBG project applications submitted and requested a vote to recommend approval to the Executive Board.

### **5. Discussion and possible action to recommend approval of the SEAGO Policy Principles for Calendar Year 2026**

Chris Vertrees directed members to the list of Policy Principles created by SEAGO Managers, explaining that the document provides staff and agency members with talking points on the

various legislative issues that arise each year. He asked for feedback and questions and then requested a vote to recommend approval to the Executive Board.

**Motion:** Luis Pedroza, Douglas  
**Second:** Ron Robinson, Patagonia  
**Action:** Unanimous

**6. Discussion and possible action to recommend approval of IGA between SEAGO and City of Douglas for technical assistance with Davis-Bacon Labor Standards requirement**

Chris Vertrees explained that SEAGO has significant experience in Labor Standards Monitoring and capacity to provide the technical services needed for Douglas' upcoming project. SEAGO experience in this area makes a natural partner to provide the technical services needed to successfully support the project. To formalize this partnership an Intergovernmental Agreement between the City of Douglas and Southeastern Arizona Governments Organization is needed. The agreement will be for 6-month period and will not exceed \$10,543. If the project extends beyond the 6-month period, the agreement may be extended upon mutual written agreement between the Douglas City Manager and the SEAGO Executive Director. He then requested a vote to recommend approval to the Executive Board.

**Motion:** Robert Kirschmann, Willcox  
**Second:** Ron Robinson, Patagonia  
**Action:** Unanimous

**7. Discussion and possible action to recommend approval of Marina Morales as Greenlee County PSR**

Chris Vertrees provided history of the function of Private Sector Representatives serving on the SEAGO Executive Board and then gave an overview of candidate Morales' vast community experience before requesting a vote to recommend approval to the Executive Board.

**Motion:** Cindy Blackmore, Clifton  
**Second:** Luis Pedroza, Douglas  
**Action:** Unanimous

**V. INFORMATION ITEMS**

**A. Future Meeting Dates**

Chris Vertrees asked the members to review the Administrative Council meeting calendar for 2026 and advise him of any conflicts. He announced the next meeting is scheduled for February 5, 2026.

**VIII. FUTURE AGENDA ITEMS**

Chris Vertrees stated that replacing the Administrative Council Chair would be on the next agenda.

**ADJOURNMENT**

Chair Pauken called for adjournment of the meeting at 10:17 a.m.

# ADMINISTRATIVE COUNCIL PACKET

---

**MEMO TO:** ADMINISTRATIVE COUNCIL  
**THROUGH:** CHRISTOPHER VERTREES, EXECUTIVE DIRECTOR  
**FROM:** CELESTE VASQUEZ, AREA AGENCY ON AGING DIRECTOR  
**DATE:** FEBRUARY 5, 2026  
**SUBJECT:** NOMINATIONS FOR VACANT ADVISORY COUNCIL ON AGING MEMBER SEATS

---

The Advisory Council on Aging's (ACOA) revised bylaws dated February 21, 2025, state, under Article III – Composition and Membership, Section A.1., that the ACOA consists of eight representatives from Cochise County, four from Graham County, three from Greenlee County, and three from Santa Cruz County.

Section A.1.a. states that at least ten of the eighteen members shall be age sixty or older and that every effort shall be made to ensure the inclusion of persons with the greatest economic or social need, minority individuals, and participants in services funded through the Agency.

Section B.4. states that members appointed by the SEAGO Executive Board shall serve three years (3). Each member shall be limited to two (2) consecutive terms. However, a previous member can be reappointed if a vacancy cannot be filled in 90 days. The Advisory Council on Aging may submit a member to the Executive Board for reappointment for an additional term.

There are currently six (6) vacant seats on the Advisory Council on Aging. Members are selected to represent incorporated cities, towns, and the unincorporated areas of each county. The current vacancies are as follows:

**Cochise County (4):**

- One (1) seat for City of Douglas
- One (1) seat for Huachuca City
- One (1) seat for the City of Willcox
- One (1) seat for County Unincorporated

**Santa Cruz County (2):**

- One (1) seat for the City of Nogales
- One (1) seat for County Unincorporated

There is currently one (1) member whose successful second three-year term expired on November 10, 2025. No expressions of interest have been received from other community members. In accordance with policy, once a seat has been vacant for ninety (90) days, the

previous member becomes eligible for reappointment.

**Cochise County:**

**Mr. Gary Clark**, representing the **City of Douglas**

***Mr. Clark has expressed interest in being reappointed to the vacant City of Douglas seat.***

Additionally, there are two (2) members whose successful first three-year terms are scheduled to expire on February 24, 2026. These members are eligible for reappointment to a second three-year term should they wish to continue serving:

**Cochise County:**

**Ms. Eva McElroy**, representing the **City of Sierra Vista**

***Ms. McElroy has indicated that she is not interested in reappointment for a second term.***

**Santa Cruz County:**

**Ms. Susan Lange**, representing the **City of Patagonia**

***Ms. Lange has expressed interest in being reappointed for a second three-year term.***

All nominated representatives will commence their terms upon approval and appointment by the SEAGO Executive Board, which is scheduled to occur on February 20, 2026.

**Attachments:** none

**Action Requested:**

Information Only

Action Requested Below:

**A motion to approve the recommendation of Mr. Gary Clark for appointment to the vacant City of Douglas seat and Ms. Susan Lange for reappointment to a second term as the City of Patagonia representative on the Advisory Council on Aging, and to forward these recommendations to the SEAGO Executive Board.**

# ADMINISTRATIVE COUNCIL

---

**TO: ADMINISTRATIVE COUNCIL**  
**FROM: CHRIS VERTREES, EXECUTIVE DIRECTOR**  
**DATE: FEBRUARY 5, 2026**  
**RE: ROAD PAVEMENT ASSESSMENT PROJECT EXTENSION APPROVAL & TIP AMENDMENT REQUEST**

---

On April 1, 2022, after a procurement process, SEAGO entered into a contract with Vaisala to provide the technology needed for our **Regional Road Pavement Assessment Project**. The project has been very successful. It has been used to support the projects in our Regional Safety Plan, our RTAC Priority Project list, and multiple agencies use the program to determine road maintenance priorities. The contract is set to expire on March 31, 2026.

At our November TAC meeting, I requested direction from the TAC on how to proceed with the project. I presented 4 possible options:

1. Extend the current contract for 1,000 miles. This would be half the miles that we contracted last year. Approximate cost would be approximately \$85,000. This would include SEAGO labor to drive the roads and upload the data.
2. Maintain the portal access as it currently is and not add any new data. Cost would be approximately \$40,000 because we must purchase the Base License to access and store our data.
3. Member jurisdictions contract with Vaisala directly for just their roads. SEAGO would work with Vaisala to get cost estimates for any interested member agencies.
4. Close the program.

At the November TAC meeting, there was a consensus to maintain portal access, but also to pause collection for at least 1 year. I was directed to research that option and bring a recommendation back to the TAC at our January meeting. At our January meeting, I advised the TAC that Vaisala provided a cost estimate that included the base license, data storage, and an add-on that would allow us to collect 100 additional miles of data. After reviewing the cost estimate, the TAC voted unanimously to approval the renewal and the accompanying TIP Amendment #5.

If approved, the project extension will be added to the TIP in the following manner:

Federal:	\$39,851
Local:	\$2,409
Total:	\$42,260

I will be glad to answer any questions you may have at our meeting.

# ADMINISTRATIVE COUNCIL PACKET

---

**MEMO TO:** ADMINISTRATIVE COUNCIL  
**FROM:** CHRISTOPHER VERTREES, EXECUTIVE DIRECTOR  
**DATE:** FEBRUARY 5, 2026  
**SUBJECT:** APPROVAL OF RESOLUTION 2026-01

---

Attached for your consideration is SEAGO Resolution No. 2026-01. This resolution is for a three-year Economic Development Administration (EDA) Partnership Planning Assistance Grant for funds in the amount of \$225,000 (\$75,000 annually) to continue the ability of SEAGO to administer the Economic Development District (EDD) program.

The SEAGO EDD utilizes these funds not only for existing planning work but also possible expanded activities which will further the cause of economic development. The SEAGO EDD will utilize the grant proceeds, and required matching funds to implement and sustain regional solutions to foster and promote economic development initiatives throughout the four counties of the SEAGO region.

The Resolution commits up to \$106,071 (\$35,357 annually) to allow SEAGO EDD to meet the subject grant's matching requirements and perform related economic development activities. The match is funded through an annual Economic Development Assessment paid by SEAGO member entities.

*Serving our member governments and their constituents since 1972*

## RESOLUTION NO. 2026-01

### A RESOLUTION OF THE SOUTHEASTERN ARIZONA GOVERNMENTS ORGANIZATION AUTHORIZING SUBMISSION OF AN APPLICATION FOR FISCAL YEAR 2026 PARTNERSHIP PLANNING ASSISTANCE GRANT FUNDS FROM THE ECONOMIC DEVELOPMENT ADMINISTRATION

**WHEREAS**, the SouthEastern Arizona Governments Organization (SEAGO) has been designated by the Economic Development Administration (EDA) as an Economic Development District (EDD) for the four-county region of Cochise, Graham, Greenlee, and Santa Cruz Counties; and

**WHEREAS**, SEAGO is desirous of continuing and expanding activities to advance the economic development of these four counties; and

**WHEREAS**, the Economic Development Administration of the U.S. Department of Commerce has partnership planning assistance grants which will cultivate long-range and regional planning among the SEAGO member entities to alleviate economic distress; and

**WHEREAS**, the current economic distress in these four counties is demonstrated by the depletion of full-time high-wage jobs, continuing deficits in available affordable residential housing, unresolved international border issues, large numbers of open job positions not being filled, lack of business diversity, and persistent low/median family incomes in the majority of the SEAGO Region; and

**WHEREAS**, the region-wide economic distress factors caused by a high inflationary environment and supply chain disruptions.

**NOW, THEREFORE, BE IT RESOLVED** that the SEAGO Executive Board hereby authorizes an application to be made to the U.S. Department of Commerce, EDA for a Fiscal Year 2026 planning grant in the amount of \$225,000; and

**THAT**, up to \$106,071 is hereby committed to assure that SEAGO meets the matching funds requirement for the EDA grant, and these matching funds will be committed, available as needed, and not conditioned or encumbered in any way that will preclude their use; and

**THAT**, the SEAGO Executive Director is hereby authorized to sign and execute all application forms, contracts, or documents for the receipt and use of these funds.

Passed and adopted by the SEAGO Executive Board on this 20<sup>th</sup> day of February 2026.

**MEMO TO:** ADMINISTRATIVE COUNCIL  
**FROM:** CHRISTOPHER VERTREES, EXECUTIVE DIRECTOR  
**DATE:** FEBRUARY 5, 2026  
**SUBJECT:** VACANCY – GRAHAM COUNTY PRIVATE SECTOR REPRESENTATIVE ON THE EXECUTIVE BOARD

---

As you are aware, our Executive Board must include private sector representation as a requirement of the Economic Development Administration. Per SEAGO's Bylaws, Private Sector Representatives (PSRs) are appointed from the nominations submitted by the Member Entity Representatives from each county area, and must represent a low income or minority group, or representative organization, or represent the principal economic interests in the region, such as, but not limited to business, industry, finance, utilities, education, the professions, agriculture, or labor.

In August, Mr. Edmond Lopez reached the end of his second term of office and is therefore ineligible to continue serving as a PSR. Safford Vice-Mayor and SEAGO Executive Board Chair, Arnold Lopez has nominated Brent Morris to fill the vacancy. SEAGO Board Member and Graham County Supervisor, Paul David also expressed support for the nomination.

Mr. Morris is retired. He is a long-time resident of Graham County. He spent many years with Phelps Dodge in the electrical department. He left Phelps Dodge in 1992 and accepted a position as the Public Works Director for the Town of Thatcher. While at Thatcher, he worked on multiple municipal planning and construction projects. He was eventually appointed to the position of Utilities Director focusing on electrical distribution and maintenance. His community service included a term on Pima's Town Council.

Mr. Morris' experience in the trades and utilities meets the EDA PSR requirements. He is very capable of filling the vacancy for the Graham County private sector representative.

I will look forward to answering any questions at the meeting.

# ADMINISTRATIVE COUNCIL PACKET

**MEMO TO:** ADMINISTRATIVE COUNCIL  
**THROUGH:** JOHN MERIDETH, IT MANAGER  
**DATE:** JANUARY 29, 2026  
**SUBJECT:** INFORMATION TECHNOLOGY UPDATES

---

The following provides a summary of current Information Technology initiatives at SEAGO:

## Mobile Beacon Wy-Fly Digital Inclusion Grant

In October 2025, the IT and AAA departments applied for the Wy-Fly Digital Inclusion Grant offered by Mobile Beacon, a provider offering discounted services to non-profits, governments, libraries and schools. If awarded, SEAGO will receive 25 laptops with integrated high-speed internet (utilizing the T-Mobile network) and one year of subsidized service.

- **Target Impact:** Devices will be deployed to senior centers and congregate meal sites to facilitate telehealth access, online benefit enrollment, and social engagement.
- **Status:** SEAGO has been shortlisted as a top 10 finalist from over 600 applicants. Final award notifications are expected in January 2026.

## Application Development Pipeline & Strategic Updates

The following outlines the progress, technical capabilities, and deployment schedules for SEAGO's current software development initiatives.

### Active & Upcoming Deployments

- **FleetFlow (Fleet Management):** \* **Status:** Launched January 1, 2026.
  - **Functionality:** A full-cycle mobile solution for the checkout and return of SEAGO fleet vehicles.
  - **Data Capture:** Automates the recording of odometer readings, fuel purchases, and maintenance logs.
  - **Compliance & Oversight:** Digitizes pre- and post-trip inspections to eliminate paper waste. The system provides real-time reporting for accidents and triggers automated notifications for the Fleet Manager regarding PM (Preventative Maintenance) schedules, registration renewals, and insurance expirations.
  - **Analytics:** Enables management to analyze vehicle utilization rates and total cost of ownership (TCO).

- **PASS 8.0 Student Registration:**
  - **Status:** Launching March 1, 2026.
  - **Functionality:** A student-facing portal for class registration with integrated waitlist logic.
  - **Key Features:** Students can track attendance history and submit course feedback directly through the interface.
  - **Scope:** Supporting 12 statewide classes for the 2026 calendar year.

**Current Development & Revitalization**

- **TAM (Transit Asset Management) System:**
  - **Status:** In Development (Replacement of 2017 legacy system).
  - **Core Capabilities:** Designed for both public and non-public transit operators to monitor vehicle health and regulatory compliance.
  - **Data Architecture:** Features a comprehensive analytics dashboard tracking **FTA Useful Life Benchmarks (ULB)** and **State of Good Repair (SGR)**.
  - **Operational Portals:** Includes specialized Driver and Dispatch Portals to capture real-time maintenance, utilization, communications, and operational compliance data.
- **AAA Mobile App Revamp:**
  - **Status:** In Development (Replacement of 2017 legacy system).
  - **Timeline:** Targeted rollout in Q3/Q4 2026.
  - **Objective:** To modernize the Area Agency on Aging’s digital interface and ensure a seamless transition prior to the existing platform’s contract renewal in November.
- **CEDS SWOT Survey Tool:**
  - **Status:** Deployed.
  - **Objective:** Developed for the Economic Development department to facilitate community outreach.
  - **Impact:** Centralizes the gathering of qualitative data to inform the **2026–2031 Comprehensive Economic Development Strategy (CEDS)**.

**Digital Analytics & Performance**

**THROUGH:** CHRIS VERTREES, EXECUTIVE DIRECTOR  
**FROM:** WILLIAM D. OSBORNE, AICP, COMMUNITY DEVELOPMENT PROGRAM MANAGER  
**DATE:** FEBRUARY 5, 2026  
**SUBJECT:** COMMUNITY DEVELOPMENT PROGRAM UPDATES

## **Graham County Housing Feasibility Study**

Grow America awaits review by Freeport McMoRan (FMI). SEAGO staff will review reporting requirements and submit necessary updates for compliance.

## **Better Cities Resilience Action Planning & Freeport McMoRan**

No change since the last quarterly report.

## **Brownfields Assessment Grant (BAG)**

SEAGO submitted an application on Wednesday, January 28, 2026 for a second round grant to support our communities in improving reinvestment opportunities for previously developed properties. SEAGO CD staff and the Executive Director have been working with Stantec and staff from our communities in preparing what we hope will be an awarded effort.

## **WIFA Projects**

Staff awaits notification from WIFA regarding contractor selection for the Sweet Springs Community Mobile Home Park in St. David in order to prepare a Fair Labor Standards Act (FLSA) compliance briefing ahead of start of construction. SEAGO will soon begin conducting labor standards compliance interviews and documentation as contracted with the City of Douglas for the 2<sup>nd</sup> Commercial Port of Entry infrastructure improvements project near the Cochise Community College – Douglas campus.

## **CD Program Staffing – Community Coordinator Recruitment and Selection**

The Executive Director and CD Program Manager will be interviewing up to seven (7) candidates from a field of twenty-seven applicants for the Community Coordinator position

in February. Filling this position will be critical in the success of SEAGO and the CD Program with the workload of labor standards compliance across the CDBG, WIFA, and EDA programs involving government-funded construction projects.

**MEMO TO:** ADMINISTRATIVE COUNCIL  
**THROUGH:** CHRIS VERTREES, EXECUTIVE DIRECTOR  
**FROM:** WILLIAM D. OSBORNE, AICP, COMMUNITY DEVELOPMENT PROGRAM MANAGER  
**DATE:** FEBRUARY 5, 2026  
**SUBJECT:** CDBG Updates

---

## CDBG Funding Continuity Inquiries

SEAGO Community Development staff continues to communicate with the Arizona Department of Housing (ADOH) regarding the status of Community Development Block Grant (CDBG) funding and awarded projects. Currently, funding remains obligated for past years. The federal bill approved by the U.S. House of Representatives includes a budget for CDBG that approximates the past funding amount – the bill awaits Senate and presidential approvals.

## Regional Account Updates

The **Town of Clifton** is looking to move forward with an improvement project for the existing SEACUS-owned and -operated **Clifton Senior Center**. The proposed improvements would include addressing ADA-accessibility barriers on-site and within the buildings of the Senior Center. SEAGO will conduct the project environmental review once the CDBG application has been approved by ADOH.

The **City of Bisbee** awaits a Summer 2026 start of construction activities for the **Bisbee Senior Center Improvements** (#139-25) project, as materials needed by the awarded contractor to fulfill the scope of work and meet Build America, Buy America requirements are unavailable until then.

SEAGO and the **Town of Thatcher** have executed a technical assistance contract (TAC) for the **High School Avenue Sidewalks & ADA Improvements** (#100-26) project. SEAGO will be preparing a draft Bid Document and Bid Advertisement to move this project to the next phase.

The **Town of Pima** application amendment (#124-24) to change the project location from Main Street to **E. 400 S. Street** has been approved by ADOH in principle. SEAGO staff will need to re-issue environmental consultation letters to stakeholder agencies and publish

notice(s) in the newspaper in order to prepare a new environmental review record (ERR). SEAGO will need to invoice for this second ERR to keep the project funding with Pima in good standing with ADOH.

The **City of Nogales Camino Del Sol Phase 2 Water and Wastewater Improvements (#123-24)** project has concluded construction per the awarded contractor's scope of work. The City is awaiting warmer weather before re-surfacing the streets involved in this project. SEAGO staff will be preparing the project close-out report for City authorization and submittal to ADOH.

With ADOH-approved CDBG applications in hand, and the stakeholder agency consultation comment periods expired, SEAGO staff will soon finalize the ERRs for both of **Santa Cruz County's** recreation improvement projects. The pickleball/tennis court improvements for the **Damon Recreation Complex in west Rio Rico** will likely require floodplain considerations and notices of publication prior to acquiring funding from ADOH. The playground equipment improvements being considered for an existing play area at the **old Pierson High School near Downtown Nogales** (currently serving as an alternative school and the Nogales Unified School District offices) are elevated by three (3) or more feet above the floodplain area of the eastern sports playfields, and therefore may not require additional floodplain notices and comment periods prior to acquiring a funding agreement with ADOH.

SEAGO staff is preparing the close-out report for the **City of Benson Lion's Park Improvements (#150-23)** project.

The **CDBG Regional Account Fiscal Year 2026 Cycle begins very soon**, though federal funding may not be certain at this time. The **Town of Clifton** is in line for another \$100,000, the **Town of Huachuca City** is anticipated to apply for \$515,855, the **City of Nogales** for \$440,128, and the **City of Safford** for \$291,022. SEAGO Community Development staff will be scheduling in-person visits to initiate the public participation processes each recipient community is required to document for CDBG applications.

### **Colonias CDBG: Close-Outs for Duncan and Patagonia, Applications Wanted**

SEAGO staff is preparing project close-out reports for the **Rothrock Alley Water System Improvements Colonias project (#119-25)** in the **Town of Patagonia** and the **Wastewater Lift Station Improvements Colonias project** for the **Town of Duncan (#118-25)**.

Please contact me if you have reason(s) to believe there are shovel-ready projects that could qualify for Colonias and/or State Special Projects CDBG funding in your community. It is never too early to begin planning and putting together a timeline for public outreach and project scoping and cost estimating.

**MEMO TO:** ADMINISTRATIVE COUNCIL  
**THROUGH:** CHRIS VERTREES, EXECUTIVE DIRECTOR  
**DATE:** NOVEMBER 6, 2025  
**SUBJECT:** ECONOMIC DEVELOPMENT PROGRAM UPDATES

---

## EDA PLANNING PROGRAM AND GRANT UPDATE

Kevin Fowler our Economic Development Program Manager resigned from SEAGO on January 17, 2026. We will begin recruitment for the position in mid-February. Our Community Development Program Manager (William Osborne) and I will be overseeing the program until a new EDA Planner can be recruited.

Our SEAGO Economic Development Administration (EDA) Partnership Planning grant application was due to the EDA by January 31, 2026. It has been submitted prior to the due date. The grant request was for \$225,000 and will cover FY26 through FY28.

## COMPREHENSIVE ECONOMIC DEVELOPMENT STRATEGY (CEDs)

The 2026-2030 CEDs needs to be delivered to the EDA by May 1, 2026. We kicked off public outreach efforts in January with a widely distributed SWOT survey to identify strengths, weaknesses, opportunities, and threats for each County. The survey will remain open until the end of February. The survey can be accessed at: <https://seago-swot-2026ceds.base44.app>. I have attached a chart that shows responses by County.

***The SWOT analysis will make up the core of our economic development strategies identified in the plan. To ensure we have sufficient data to identify strategies and projects, we need your help to distribute the survey. I have also attached a QR code that can be distributed to your employees and the community.***

In addition, we hosted in-person public outreach meetings in Cochise, Graham, Greenlee and Santa Cruz Counties in January to collect additional data. In early March there will be virtual meetings by County to review the SWOT data/analysis and to prioritize County-specific projects.

## BROWNFIELD COALITION GRANT

In 2023, SEAGO received a \$500,000 Community-Wide Assessment Grant. Work began in May of 2024. This

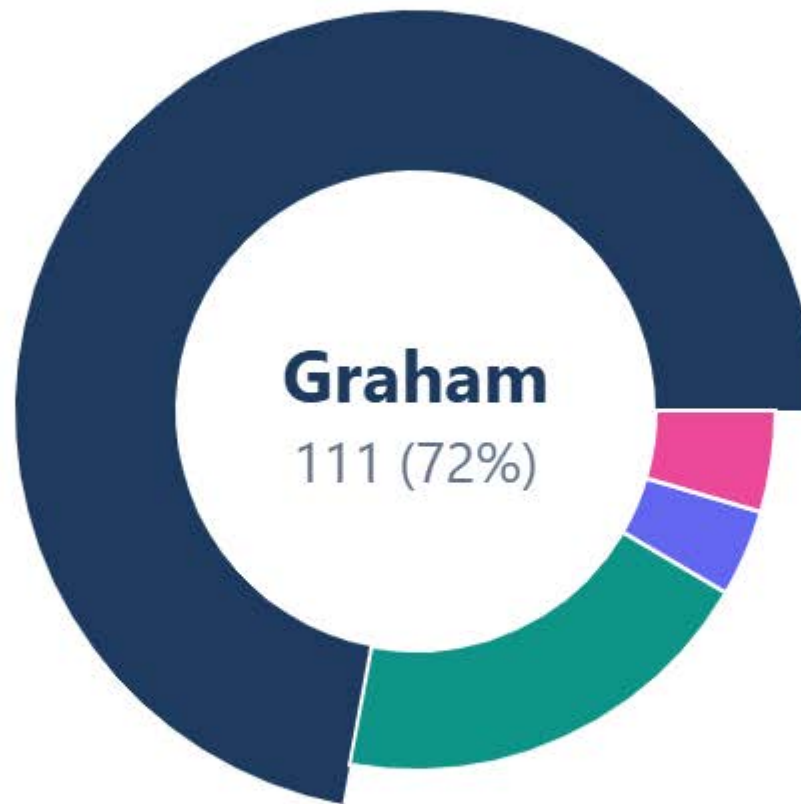

project has been very successful, and the funding received has been nearly depleted. As a result, SEAGO submitted a Brownfield Coalition Grant application to the EPA on January 27, 2026. The application is for \$1.5 million. Coalition grants are generally limited to 3 primary partners. Cochise, Graham and Santa Cruz Counties will be primary partners. SEAGO will serve as the lead for Greenlee County. All towns and cities within each County can serve as secondary partners and will be eligible to participate in the project.

## **Administration:**

The Arizona Department of Economic Security (DES) – Division of Aging and Adult Services will conduct a Contract Compliance Review of SEAGO AAA from January 19 through January 30, 2026.

During the last quarter, efforts were focused on outreach events and education regarding AAA services, as well as Medicare Open Enrollment. While 2024 was a record-breaking year for Medicare assistance, 2025 exceeded those numbers, with approximately 88 additional clients served. This achievement is especially noteworthy given that the SHIP Coordinator operated with three fewer volunteers during the year.

SEAGO AAA has continued its partnership with the Arizona Community Health Worker Office in Douglas through the Comiendo Fresco Project. However, further discussion regarding continued involvement is planned in the coming weeks, as the program has requested that referrals be limited to clients who receive care at a specific health center in the area. It has been communicated that SEAGO AAA provides resources for all medical providers and cannot restrict referrals to a single health center. This request appears to be related to the program's interest in collecting healthcare data for participants. Additional updates will be provided as more information becomes available.

## **Health Promotion and Disease Prevention Program:**

**1.2B-1.2C HPR** is actively and enthusiastically engaging in community outreach to recruit volunteers for the Tai Chi and Matter of Balance programs, with a primary focus on rural communities. We are pleased to report that there are currently five committed volunteers in Santa Cruz County, two in Greenlee County, and one in Cochise County.

**2.1C The HPR Program** had no classes held during the government shutdown. Following the shutdown, no classes were initiated due to the holiday period. Region 6 now has three classes scheduled to begin: Tubac, Arizona, on January 6; Nogales, Arizona, on January 7; and Rio Rico, Arizona, on January 6.

The Southeastern Arizona Elder Abuse Task Force (SEAEAT) will coordinate planning for the 2026 World Elder Abuse Awareness Day (WEAAD) events. SEAEAT has significantly increased awareness among older adults and expanded its network of community partners, strengthening the task force’s efforts to prevent and address elder abuse.

### Social Media:

**State Health Insurance Program and Senior Medicare Patrol:**

**1.1A, 1.2A, 2.1A: SHIP-SMP** provides counseling to address Medicare-related needs while actively listening to beneficiaries' broader concerns. Individuals are referred to the Central Intake team, which assesses the urgency of each case. This coordinated process also connects beneficiaries to other AAA services and helps identify additional community resources. Through Central Intake, beneficiaries continue to receive assistance with Medicare and Medicaid issues, medication costs, Social Security concerns, and reporting suspected fraud or scams. During Medicare Open Enrollment, call volume increased by approximately 70 percent, then decreased by 25 percent at the beginning of December.

**1.3C SHIP** counseling helps identify beneficiaries' needs and provides information on available coverage options, including any annual dental care allowances offered under each plan. During this Medicare Open Enrollment period, an increased number of beneficiaries sought plans that offered spending allowances, over-the-counter (OTC) benefits, and assistance with paying the Medicare Part B premium, which increased from \$185.00 to \$202.90 per month.

**2.1C SHIP-SMP** has established strong partnerships throughout Region VI to help identify beneficiaries in need of Low-Income Subsidy (LIS) assistance. Collaborative efforts include primary care provider offices, local libraries, Adobe facilities, hospitals, and the Medical Center. During the Medicare Open Enrollment period from October through December, these partnerships enabled in-person counseling services to be delivered at 17 different locations across the region. In addition, Chiricahua Medical Health Center has provided ongoing support to the SHIP-SMP Coordinator by offering guidance on AHCCCS and Nutrition Assistance (Food Stamp) inquiries throughout Region VI.

Each year, SEAGO updates its Policy Principles. The document is intended to empower staff in supporting (or opposing) legislation, policies or various initiatives at the state and federal level that impact delivery of SEAGO programs and/or our effectiveness in serving member entities and your constituents. It can also be used by our member entities and elected officials as talking points when speaking to policy makers relating to these positions.

The Policy Principles were approved by our Administrative Council at our November meeting. Our Executive Board also approved the Policy Principles at their November meeting.

I wanted to share with you the updated SEAGO Policy Principals brochure. I would also like to thank Heather Glenn and John Merideth for the time and work invested in developing the new brochure.

## AREA AGENCY ON AGING

State Health Insurance Program Assistance Counselors

Senior Center Health Fair, Safford

- Bolster legislation or other initiatives to permanently fund housing assistance for older adults. The 2022 State of Homelessness Report for the Arizona Department of Economic Security states, “today, the largest age group of those experiencing or at risk of experiencing homelessness is still over age 55.” Older adults experience specific challenges surrounding mobility, affordability and asset retention that other age demographics do not. These specific challenges require specialized intervention, including funding ancillary services to keep older adults stably housed. For older adults that are unable to stay housed, there are few alternatives to live. Though sometimes an older adult can move in with family or friends, move into a costly assisted living facility – often paid for by Medicaid. More often than not, they become one of the many who experience homelessness throughout our state. All these alternatives to helping older adults maintain affordable, safe and stable housing.

- Encourage reauthorization of the Older Americans Act of 1965. Reauthorization of the Older Americans Act clarifies and reaffirms the roles of State and Area Agencies on Aging in coordinating community-based services, and in maintaining accountability for the funding of national priority services. (The Act was due for reauthorization in September 2024)
- Promote initiatives to increase funding allocated for home and community-based services (HCBS). It is estimated that 77% of people wish to remain in their homes for as long as possible. HCBS are critical to achieving this goal. HCBS includes adult day health, assistance with bathing and dressing, meal preparation, shopping, bedlinen changing, laundry, caregiver respite, home nursing and home delivered meals. An independent analysis from the Arizona State University School of Public Affairs states that the 60+ population in Arizona will triple in size by 2050, representing 26% of the population. Much of that population growth has occurred over the past 10 years, with minimal increases in funding from both the state and federal level to ensure access to services for older adults in greatest social and economic need.

## COMMUNITY DEVELOPMENT

- Support sufficient and sustained funding for proven programs within the U.S. Department of Housing and Urban Development (HUD), such as Community Development Block Grants (CDBG) and HOME Partnerships Investment Programs that support housing and sustainable community development for rural areas.
- Increase HUD funding to allow for expansion of economic and community development programs in both rural and urban areas, including those that promote regional approaches.
- Further SEAGO’s vision and initiatives to increase available housing stock and address homelessness and housing affordability in the region.
- Assist efforts to expand SEAGO’s local Brownfields Assessment Programs.
- Advocate to the Arizona Department of Housing (ADOH) for increased capacity-building funding to be directed to the development of rural Community Housing Development Organizations (CHDOs). Due to a lack of operational capacity, no rural CHDOs exist to address the serious deficit of affordable housing in rural communities across Arizona.

## ECONOMIC DEVELOPMENT

- Encourage increased funding for the “Partnership Planning” program to at least \$40 million in FY 2026 appropriations legislation. (Note: While costs and complexity of operating Economic Development Districts have increased considerably, the annual allocation for the EDA’s Partnership Planning remains stuck at \$35 million since 2018).
- Support measures to promote, expand and enhance Arizona’s competitiveness in international trade and commerce with Canada and Mexico.
- Further collaboration and data sharing with state agencies, local governments, universities, COGs and MPOs to develop and enhance data analytics necessary to advance regional and state economies.
- Bolster continued efforts to bring new broadband infrastructure construction projects to our region.

# ADMINISTRATION

- Advance applications to public and private grant funding sources that can further SEAGO Strategic Plan initiatives and expand services for the SEAGO Region as a whole, and for individual SEAGO member entities.
- Support legislation or intergovernmental agreements that would enable SEAGO as a public agency to participate in insurance pools or trusts pursuant to A.R.S. § 11-952.01. As healthcare costs continue to rise, the ability to offer and maintain competitive healthcare benefits is an important tool to recruit and retain high-quality employees.

# TRANSPORTATION

- Promote legislation to modernize and expand transportation funding mechanisms to include equitable user fees for alternative fuels vehicles, indexing funding mechanisms to inflation, increasing the existing gasoline tax, and exploring alternative funding mechanisms at both the State and Federal levels.
- Reinforce local efforts to form Regional Transportation Authorities.
- Oppose the transfer of Highway User Revenue Funds to the State General Fund above the statutory limit of \$20 million.
- Support Arizona General Fund budget legislation to fund Greater Arizona's Rural Transportation Priority Projects.
- Further legislation in the Arizona General Fund budget to continue funding the AZ SMART program.

- Oppose legislation that would lower the Title 34 limitation on use of local forces to construct street, road, bridge, water or sewer projects, or include specific types of maintenance activities and equipment purchases without advertising for bids.
- Spur projects and initiatives throughout the State that expand and enhance the movement of freight and international commerce.
- Facilitate initiatives that maximize the role of public transit within the broader transportation system to improve mobility, enhance system capacity and improve system efficiency.

# POLICY PRINCIPLES 2026

These SEAGO Policy Principles empower our staff and elected officials in supporting (or opposing) legislation, policies or various initiatives at the state and federal level that impact delivery and effectiveness of SEAGO programs as we serve member entities in our 4-county region (Cochise, Graham, Greenlee, and Santa Cruz).

# ADMINISTRATIVE COUNCIL PACKET

**MEMO TO:** ADMINISTRATIVE COUNCIL  
**FROM:** CHRISTOPHER VERTREEES, EXECUTIVE DIRECTOR  
**DATE:** FEBRUARY 5, 2026  
**SUBJECT:** IMPLEMENTATION OF STRATEGIC PLAN GOALS

The [Five-Year SEAGO Strategic Plan FY 2024 - 2028](#) was approved by the Administrative Council and Executive Board at our August 2023 meetings and became effective retroactively on July 1, 2023.

Objective 3 of our Strategic Plan identified the development of an employee recognition program as a goal. As part of that goal, SEAGO initiated longevity-based program that will recognize years of service. The following staff were recognized in December:

Name	Title	Years of Service	Anniversary Date
Jessica Aguayo	Regional Mobility Manager	10	25-Jan-26
John Merideth	IT Manager	10	4-Jul-25
Shi Martin	LTC Ombudsman	10	4-May-25
Carrie Gibbons	AAA Deputy Program Director	10	3-Nov-24
Ramona MacMurtrie	Intake Specialist	10	11-Jul-23
Dina Kululya-Curtiss	Finance Manager	5	11-Jun-24
Melanie Greene	Transit Planner	5	22-Apr-24
Heather Glenn	Admin Assistant	5	22-Oct-23

These staff are critical to the success of our programs and would like to thank each them for their service.

# ADMINISTRATIVE COUNCIL PACKET

**MEMO TO:** ADMINISTRATIVE COUNCIL  
**THROUGH:** CHRIS VERTREES, EXECUTIVE DIRECTOR  
**DATE:** FEBRUARY 5, 2026  
**SUBJECT:** TRANSPORTATION PROGRAM UPDATES

---

Attached is the FY27 RTAC Priority Transportation Project List for the SEAGO Region that was approved by our Executive Board at their August meeting. Also attached is the RTAC Transportation Bill Matrix for this year's legislative session. The RTAC Priority Project Bill (HB2304) is sponsored by House Transportation & Infrastructure Committee Chairman Leo Biasiucci. It should be noted that we do not rank these projects in priority order. Historically, project ranking has not played a role in project selection as legislatures prioritize and select projects based upon the needs of their district. It is incumbent on each applicant to reach out to your district legislatures and get their support for your project.

Another bill of regional significance is HB2760 that would appropriate \$15 million to the Arizona SMART Program. This program has been very successful for the SEAGO Region as more than \$20 million has been awarded to SEAGO jurisdictions since the start of the program. However, funding for the program is nearly depleted and we are in need of support to allow this critical program to continue.

I will be glad to answer any questions you may have at our meeting.
