

Theme package D

Muscles, joints & bones

Function of Muscle & Bone Repair(MBR):

- stronger bones, reducing the risk of bone fracture together with Muscle & Bone Strength (powder)
- improves bone and cartilage production
- addresses pain in arthritis and other joint problems
- promotes flexible joints
- promotes strong teeth and healthy gums
- builds muscles
- reduces risk of rheumatic diseases such as osteoarthritis
- Reduced pain in joint inflammation/arthritis
- reduced risk of gout
- reduced risk of bursa inflammation
- stronger muscles, ankle ligaments and faster recovery from workouts
- more freedom of movement
- relaxation of muscles and neck and shoulders
- more muscle strength
- brighter skin and shinier hair
- some ingredients of the many: Collagen, Glucosamine, Chondroitin & Glycine. For supplementation to strengthen bones and joints, Bone and muscle strength powder contains the best absorbable calcium and magnesium.

Intake suggestion MBR adult(>12yrs):

Standard is **2x** daily **5ml** in a glass of filtered water preferably during meals.

For those with severe symptoms, the suggestion is to take **2x 10ml** per day in water.

For the Muscle en Bone Strength(MBS) powder:

If **together** with MBR then add **1 gram 1x daily**. If **only** MBS dissolve 1 gram in water **2x** a day in the morning and in the afternoon.

Muscle & Bone Repair & Strength(powder):

Strong bones, powerful muscles & joints and revitalised radiant hair & skin

Why muscle & Bone repair?

Our bodies are becoming increasingly acidic due to 'industrial' food, especially the 'ready meals & fast food', increasing use of medicines and vaccination programmes, and constant exposure to 24/7 radiation from the digital network, such as radiation from wifi, computers, decks and mobile phones, among others. Our body wants to protect itself from this constant radiation and to maintain the right pH balance in the blood, the body withdraws Magnesium from muscles and Calcium from bones. This is partly why more and more people have severe wear and tear on knees and hips, necessitating knee or hip replacements. Our skin, hair and nails also suffer.

Why 2 supplements?

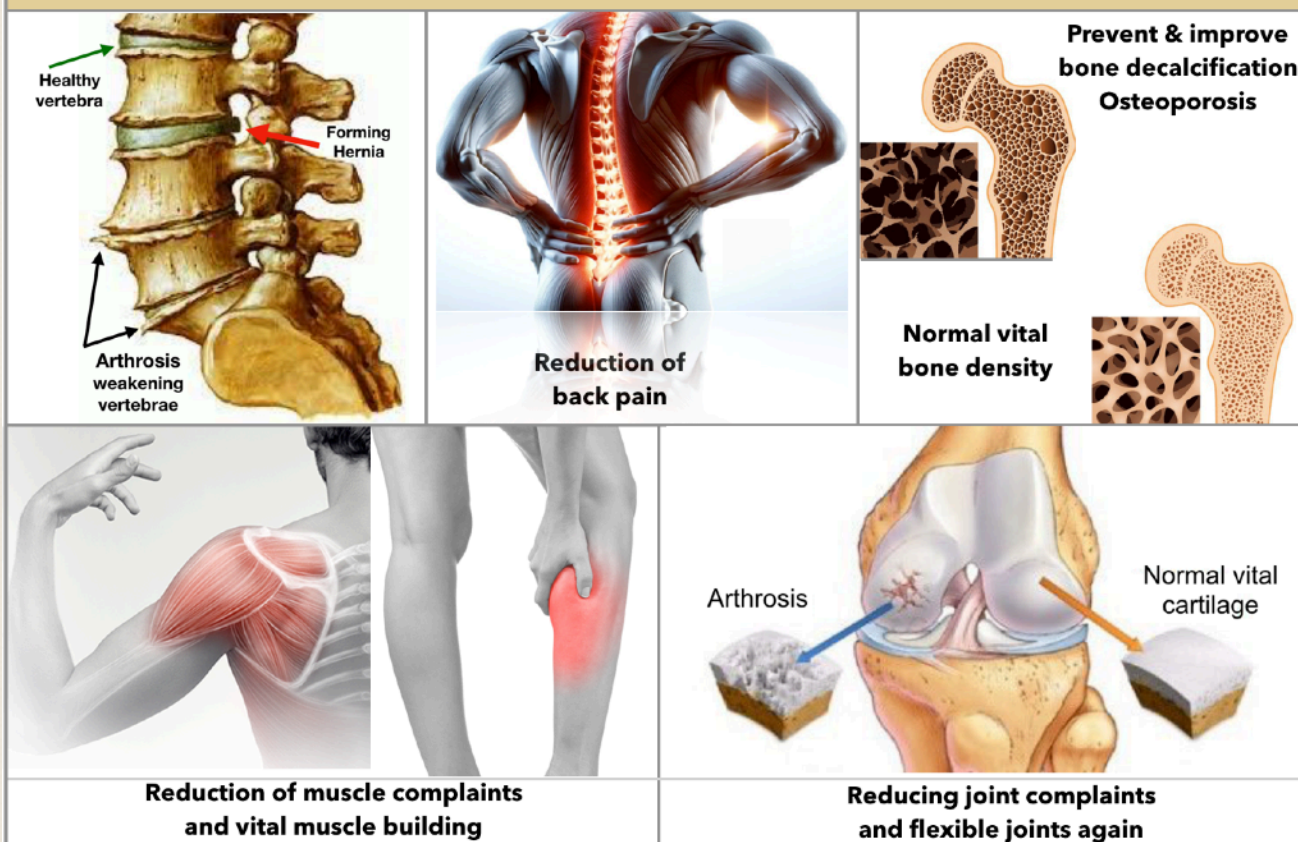

To still maintain strong bones, beautiful skin, flexible joints and agile muscles, two supplements have been developed in private: **Muscle & Bone repair liquid** and **Muscle & Bone Strength in powder form**. The liquid repair variant is particularly intended for recovery of the bones, skin, nails, muscles, joints, tendons and cartilages and the Muscle & Bone Strength for supplementing the right Calcium and right Magnesium.

(See info at the back of **theme package D**)

Make your skin shine again and your hair sparkle again with Muscle & Bone repair

Some examples for use of Muscle & Bone repair and strength:

The better results:

For better results, the suggestion is to use the Muscle & Bone strength powder in addition to Muscle & Bone repair. The optimal vitality approach is achieved with theme package D. For more information, see Forever-Vital.com. Here you will find, among other things, for whom, expected results, intake schedule & EE.

Point of attention:

For those who have specific muscle, joint and bone vitality complaints, the suggestion is to also take **Cell Protect & Electrolyte balance** for optimal counter-acting acidification and reducing the associated vitality discomforts.

For intake suggestion see back of flyer.
