

Full Service Bio-Atunement Vitality package:

Following the Vital Blood Scan report, this Full Service package, comprising

- I. 24/7 remote frequency support, which we call [Bio-Atunement](#),
- II. regular monitoring/testing of vitality results and
- III. personal coaching, **the best choice for optimising your vitality.**

Not only will you receive **24/7 support of the right frequencies to target the core causes** from the Vital Blood Scan, as well as the fact that the frequencies are fully aligned with the **Forever Vital supplements for an enhancing effect**, but you will also have a personal zoom call every week to share your experiences with the Support Team.

In this zoom conversation, there is ample opportunity **to learn to understand what your experiences mean in relation to 'your body as an organisation'**. Through your 'feedback', we can share our knowledge and more than 30 years of experience with you, allowing you to quickly and confidently learn to accurately translate the signals from your body and mind so that you can then convert these signals into vitality-enhancing actions. So you learn in practice (temporarily 90 days under supervision) **what works best for you** and that leads to better short- and long-term vitality results.

The side goal of the Forever Vital Support Team is that you are in training to **'become your own doctor'** to ensure your vitality or that of your loved ones for the future, because you have the **Know-How to maintain and optimise vitality.**

Of course, the Support Team is on the sidelines in case you run up against your limits of Know-How & ability and want to spar for a while in order to make your own informed vitality-enhancing choice.

In addition, you will be supported with **a step-by-step structured plan of action based on the test results** which will be explained and worked out in a clear schedule. All this leads to an optimal vitality approach 'that simply works'.

What's included in the 90-day Full Service Bio-Atunement package:

- 24/7 remote personal frequency support based on the Vital Blood Scan (Xtra). Energy Exchange (EE) is €25 per day for 90 days is € 2.250,
