Daily use suggestion:

Face Vitality makes any skin feel quickly softer & more radiant. It cleanses by removing the toxins in the skin and nourishes it at the same time, without being greasy. It absorbs quickly into the skin. Start using it in the morning and before sleep. You can apply it extra during the day if needed on sensitive areas for optimal care.

Attention points: For external use only. Do not expose to temperatures above 40 degrees Celsius. Keep out of reach of children.
