v.	§	COLLIN COUNTY, TEXAS
	§	
PAUL CHABOT,	§	
	§	
<i>Defendant.</i>	§	429th JUDICIAL DISTRICT

**Declaration of Paul Chabot
in Support of TCPA Motion to Dismiss**

My name is Paul Chabot, my date of birth is March 19, 1974, and my address is 6710 Virginia Parkway, Ste 215-7, McKinney, TX 75071. I am over the age of eighteen years, capable of making this declaration, and fully competent to testify to the matters stated herein. I have personal knowledge of the facts stated in this declaration and they are true and correct.

I have reviewed my TCPA Motion to Dismiss. I have personal knowledge of the facts stated therein, including those contained in the affirmative defenses, and verify they are true and correct.

Plaintiff Frederick Frazier is a public official as an elected Texas state representative. He was defeated for re-election on May 28, 2024, in the Republican primary runoff. His current term in office will end in January 2025.

I was Frazier's previous political opponent in 2022, when we were both candidates for Texas State House District 61. In December of 2023, I created and then ran a political action committee called Collin County Citizens for Integrity PAC with the purpose of defeating Frazier in the Republican Primary. Collin County Citizens for Integrity PAC is a Texas Ethics Commission registered special purpose political committee.

Frazier was indicted on two felonies for his activities targeting me, a case brought forward by a special prosecutor after a lengthy criminal investigation by the McKinney Police Department and the Texas Rangers. Frazier accepted a plea, which resulted in misdemeanors, fines, victim restitution, and deferred adjudication. In a separate case, he pleaded guilty in McKinney Municipal Court for another crime of targeting my campaign signs based on video evidence. This guilty conviction resulted in an additional fine for Frazier. These criminal matters were widely covered by local and statewide media.

Frazier was dishonorably discharged from the Dallas Police Department in December 2023. This, too, was widely covered by local and statewide media and confirmed

by the Dallas Police Department in a public release of records and an audio message from a Deputy Chief within the Dallas Police Department.

Due to his crimes, Frazier's peace officer license was placed on an "administrative hold" on July 22, 2022, and that hold remains today despite him no longer being hired by a police department.

In 2022, the media reported that Frazier was placed on the "Brady List," which requires past misconduct to be disclosed to defense lawyers. Brady-listed officers are often not retained for employment because their lack of credibility can be damaging in criminal cases. They are seen as not trustworthy. Ethics and integrity are the pillars of police work, and Frazier's inclusion on the Brady list demonstrates his lack of either.

In 2024, it was revealed that the Dallas Police Department's Internal Affairs Division had conducted a lengthy review of Frazier, including conducting an interview with him. Their final report concluded that all "allegations" being investigated were "sustained" on February 11, 2023, and the final report states that "Frazier Retired Under Investigation." Additionally, a publicly released Dallas Police Department internal memo states that Frazier is not eligible for rehire, as he had a pending investigation in the Internal Affairs Division.

Dallas Police Deputy Chief Monique Alex confirmed in a recorded phone message to me that Frazier would receive a dishonorable discharge instead of termination due to his submission for retirement pending the internal affairs investigation.

It is my understanding that Frazier had no arrangement with the Dallas Police Department to change his discharge status from a dishonorable discharge to a general discharge. I have heard that Frazier appealed his discharge status to a state agency in Austin and that the agency has made some determination with regard to the discharge status. However, Frazier has provided no copy of any document to confirm this is true, either with his cease-and-desist letter or accompanying this lawsuit. I do not believe he has ever published any documentation to confirm a change in his discharge status to the public.

On the other hand, I am a decorated law enforcement officer and naval intelligence commander. I retired with 21 years of service as a Deputy Sheriff Reserve and 21 years as a Naval Intelligence Officer with Top Secret Clearance. I retired "honorably." I also served as a former California State Parole Board Commissioner, determining parole release and revocation on thousands of cases. I also served in the White House Office of National Drug Control Policy with Top Secret Clearance. My reputation is well documented and evident by over two decades of holding our Nation's highest security clearance level, including standard five-year re-evaluations and a polygraph based on trustworthiness and character.

As seen in the attached exhibits, the statements I have made about Frazier were true when I made them and remain at least substantially true if I made them today.

Exhibits A, B, C, D, and E show Frazier did accept a plea deal for felony charges of impersonating a public official, according to media reports. Media also reported on his two felony indictments, which led to the two plea deals.

Exhibits F and G also show media reporting that Frazier delayed court action because of his legislative position.

Exhibits H and I show Frazier pleaded guilty in McKinney Municipal Court. The court found Frazier guilty and fined him. The arrest warrant (Exhibit I) states Frazier “did then and there intentionally or knowingly unlawfully damage or destroy tangible property . . . BY CUTTING ZIP TIES FROM A POLITICAL SIGN THAT WERE ANCHORING THE SIGN TO A T-POST, without the effective consent of the owner of the property . . . PAUL CHABOT.”

Exhibit J shows Frazier was ordered to pay me victim restitution in connection with the McKinney Municipal Court case.

Exhibit K is video evidence obtained by the McKinney Police Department showing Frazier cutting down, then taking, then discarding one of my 8-foot x 4-foot campaign signs.

Exhibit L is a report from the Texas Ranger Investigation. Section 1.8 reports that Frazier impersonated a public servant under the fake name of John Roberts, then told a manager at a Walmart that he “took the sign down and would do it again.” The sign belonged to me. I filed a theft report on December 3, 2021. We now know Frazier stole the sign based on his admission to the Walmart employee. Additionally, the Texas Rangers categorized Frazier’s crime as “theft” under the “offenses” section of their report.

Exhibit M is an audio recording of the Texas Ranger interview of Frazier that outlines the crimes he committed that led to his two felony indictments and arrest and plea agreement.

Exhibits N and O are True Bills of Indictment in cause # 219-82366-2022 and 219-82367-2022, through which a grand jury indicted Frazier for two 3rd degree felony counts of impersonating a public servant.

Exhibit P is a docket sheet for The State of Texas vs. Frederick Eugene Frazier, II, based on his two felony indictments. The Court found: “the Court finds that the evidence and Defendant’s plea substantiate the Defendant’s guilt of the offense beyond a reasonable doubt as charged in the indictment.”

Exhibit Q are the “Written Plea Admonishments” signed by Frazier in which he “enter[ed] a plea of guilty” in cause # 219-82367-2022. Frazier further agreed, if trial were necessary, to “judicially confess my guilt.” He stated: “I am pleading guilty in this case because I am criminally responsible for the offense charged, and I agree that any testing would confirm . . . my guilt of this offense.”

Exhibit R shows Frazier was Dishonorably Discharged from Dallas PD according to the Dallas Police records.

Exhibit S is a letter showing Frazier is not eligible for re-hire according to Dallas Police Department records.

Exhibit T shows Fraizer was dishonorably discharged from Dallas PD in lieu of likely termination, according to an audio message from Deputy Chief Alex of Dallas PD. Included with Exhibit T is a transcript of the audio message.

Exhibit U is a Dallas Police Department record showing Frazier retired under investigation.

Exhibit V is media reporting on Frazier's dishonorable discharge, "North Texas state lawmaker to be dishonorably discharged from DPD after 'no contest' plea" – Dallas Morning News.

Exhibit W is media reporting on Frazier's dishonorable discharge, "North Texas state representative will be Dishonorably Discharged from Dallas Police Department; pleads 'no contest' to misdemeanor charges. – WFAA ABC News.

Exhibit X is media reporting on Frazier's status on the "Brady List."

Exhibit Y is a Dallas Police Department Internal Affairs report sustaining all three allegations against Frazier.

Exhibit Z is a letter from Texas State Rep Tinderholt calling on the Texas House General Investigating Committee to investigate Frazier based on his plea, dishonorable discharge and "serious and criminal charges."

Exhibit AA is a compilation of media reports show Frazier lied to the media denying his involvement in crimes he was later found "guilty" of.

Exhibit BB is a June 28, 2022, letter I sent to Frazier demanding he retract various dishonest statements about me. I am a disabled veteran. The exhibit outlines several lies Frazier made about me, including my military service and disability. For example, a mailer reads, "POP QUIZ, Which Paul Chabot Statement is a LIE? I am a 100% disabled veteran and qualify for zero property taxes. I am stationed at the Navy Base in Fort Worth." The mailer concludes with a checkmark for "ALL THE ABOVE (are lies)." Frazier was given an opportunity to correct the record via Exhibit Y (in 2022) but failed to respond to me or to correct the record. Frazier slandered me by lying to voters about my 100% disabled status.

Exhibit CC is a letter I received on or about May 9, 2024, from Joseph E. Legere, attorney for Frederick Frazier, and entitled "Re: Cease and Desist from Defamation of Representative Frederick Frazier." The letter did not state with particularity the statement(s) alleged to be false and defamatory or the time and place of publication, did not allege the defamatory meaning of the statement(s), and did not specify the circumstances causing a defamatory meaning of the statement(s) to the extent they arise from something other than the express language of their publication. Furthermore, it was unclear whether the letter was sent to me on behalf of Frazier individually, or from his

campaign, or in his capacity as state representative. I am aware that an identical letter was sent to Frazier's opponent, Keresa Richardson, and to another board member of our PAC, yet neither of those individuals have been sued.

Pursuant to TEX. CIV. PRAC. & REM. CODE § 132.001, I declare under penalty of perjury that the foregoing is true and correct.

State Rep. Frederick Frazier expected to plead no contest to misdemeanor charges, DA says

The Dallas police officer and McKinney lawmaker is also expected to plead guilty to a criminal mischief charge, Will Ramsay said in an email.

McKinney GOP Rep. Frederick Frazier is expected to plead no contest next week to two misdemeanor charges of attempting to impersonate a public servant, the Hopkins County District Attorney said in an email obtained by The Dallas Morning News.

Frazier, a Dallas police officer and freshman lawmaker, will be given one year of deferred adjudication probation, Will Ramsay said Friday in an email to the complainant in the case. The Class A misdemeanors also each carry a fine of up to \$4,000. Frazier also intends to plead guilty to criminal mischief, a Class C misdemeanor, and will face a fine of \$500, Ramsay wrote.

Frazier did not respond to a text message Saturday afternoon. His attorney declined to comment. Ramsay did not immediately respond to a request for comment.

A Collin County grand jury [indicted Frazier in June 2022](#) after Paul Chabot, Frazier's opponent in the GOP runoff, reported to McKinney police that some of his campaign signs outside a Walmart were removed. Chabot has said store officials told him someone who said they were a McKinney code compliance officer asked them to tell Chabot his signs weren't in compliance.

Chabot has said a city manager later told him no code compliance officer had been to the store. One of his signs was taken from the area near the store days later.

Frazier has previously denied wrongdoing, calling the case a political stunt.

Frazier serves on the board of the Dallas Police Association and has been a law enforcement officer for about 28 years. Following the indictment, Dallas police placed him on administrative leave and launched an internal investigation. Dallas police spokeswoman Kristin Lowman said Saturday that the investigation is ongoing and Frazier is on approved leave without pay.

Chabot, a retired Navy commander and deputy sheriff reserve, told The News in a written statement Saturday that Frazier targeted his campaign nearly two years ago and did "incredible damage to himself, the office of a public figure and that of a law enforcement officer."

The first-term GOP lawmaker received the endorsement of former President Donald Trump ahead of the 2022 midterm election, [helping him win an election despite being under indictment](#).

But the Collin County representative was among the five area lawmakers who voted in May to impeach Attorney General Ken Paxton, who represented the North Texas county in the House and Senate and still lives there.

The Senate, however, acquitted Paxton of all charges — which accused him of sweeping abuses — in September. Since then, Paxton has campaigned against lawmakers who supported his removal. Paxton has endorsed Frazier's opponent, Chuck Branch, in the March 5 GOP primary election.

Texas Gov. Greg Abbott recently endorsed Frazier for reelection as the governor [threw his support behind 58 House Republicans](#) who supported creating education savings accounts — one of his top priorities in 2023. Abbott's campaign did not immediately respond to an email Saturday afternoon.

McKinney state Rep. Frazier pleads no contest to charges he impersonated a public servant

PATRICK SVITEX AND AYDEN RUNNELS
The Texas Tribune

McKINNEY — State Rep. Frederick Frazier, R-McKinney, on Tuesday pleaded no contest to two misdemeanor charges of trying to impersonate a public servant, part of a plea agreement stemming from allegations he targeted his primary runoff opponent's campaign signs over a year ago.

Frazier, a Dallas police officer who first ran for the House last year with the backing of former President Donald Trump, has also pleaded guilty to a misdemeanor charge of criminal mischief.

In pleading no contest to the first two charges, Frazier accepted a year of probation and a maximum \$4,000 fine for each offense.

Frazier separately pleaded guilty to the criminal mischief charge in McKinney municipal court, according to his lawyer, Robert Rogers. Rogers said Frazier paid a fine of less than \$500 for that offense.

Frazier is expected to leave the Dallas Police Department, where he has been on administrative leave amid an internal investigation. A department spokesperson, Kristin Lowman, said Tuesday morning Frazier "has submitted his intent to retire under investigation."

Frazier will be dishonorably discharged, according to a voicemail that assistant Chief Montique Alex left his former opponent, Paul Chabot, on Tuesday. Chabot provided the Tribune audio of the voicemail.

Lowman, the department spokesperson, declined to confirm Frazier will be dishonorably discharged.

Frazier appeared Tuesday morning in a Collin County courtroom to enter the no-contest pleas. In a statement afterward, Frazier called the case a "very long and ridiculous

process." "I am very happy to have this 2-year-old issue behind me," Frazier said. "At the end of the process, my record will remain clear. I remain committed to serving the people of Collin County."

By pleading guilty to the misdemeanor charge — instead of the felonies he was initially charged with — Frazier can continue serving in the House. Felons cannot serve in elected office in Texas in most cases.

Frazier is running for a second term and faces two primary challengers backed by Attorney General Ken Paxton, who is working to unseat House Republicans who voted to impeach him in May.

Chabot said he was vindicated by the plea deal.

"It's been nearly two years since

Mr. Frazier was first investigated for multiple crimes targeting my campaign," Chabot said in a statement. "Eventually, the truth came out — but not before he did incredible damage to himself, the office of a public figure, and that of a law enforcement officer using hundreds of thousands of dollars in mailers to lead voters to believe I was making up the criminal offenses."

Chabot called the plea agreement a "George Santos moment for Texas," referring to the former New York congressman who was indicted on allegations that he stole money from campaign donors. Chabot said the Texas House should expel Frazier, like the U.S. House booted Santos last week.

Frazier was indicted in June 2022 on two charges of impersonating a

public servant, which is a third-degree felony. The indictment accused Frazier of impersonating a McKinney city code enforcement employee on two occasions to instruct people to "remove campaign signage." Chabot said his signs were the ones targeted.

At the time, Frazier's campaign called Chabot a liar. He was indicted weeks after winning his runoff election in May.

Despite his legal woes, Frazier won the general election in November and was sworn in to the House in January of this year.

The case was repeatedly delayed this year as lawmakers went through a regular session and four special sessions. Frazier claimed multiple legislative continuances, which allow lawmakers to postpone cases they are involved in until 30 days after the Leg-

islature is done meeting.

Prior to the plea deal, the case was scheduled to finally go to trial on Dec. 11.

Frazier represents House District 61, a Republican-friendly seat in northern Collin County outside Dallas. He has long made clear he is seeking reelection despite the criminal case, announcing his bid for a second term months ago.

He is among the dozens of House Republicans that Paxton is working to defeat after the House impeached him on abuse-of-office allegations in May. The Senate acquitted him in September. Frazier has two primary challengers, Chuck Branch and Keresa Richardson, who have received Paxton's backing.

Gov. Greg Abbott recently backed Frazier for reelection as part of a blanket endorsement of dozens of House Republicans who sided with Abbott in favor of school vouchers.

Both of Frazier's primary challengers responded to the news of the plea deal by calling for his resignation.

"We do not need criminals in public office," Richardson said. "If Frazier was willing to lie to get into office, he cannot be trusted to tell the truth while in office. If Frazier was willing to destroy others' property to get into office, he cannot be trusted to protect our public property while in office. And if Frazier was willing to break the law to get into office, he cannot be trusted to uphold the law while in office."

State Rep. Frederick Frazier Enters Plea Agreement on Misdemeanor Charges

Frazier will reportedly avoid incarceration and instead pay fines and be placed on probation.

Frederick Frazier (Richardson Police Department)

Update

Frazier made a statement on his plea agreement after the time of publication.

A North Texas Republican lawmaker accused of criminally sabotaging his opponent's campaign in the 2022 primary election pleaded guilty to criminal mischief and entered no contest pleas on two misdemeanor counts of impersonating a public servant.

State Rep. Frederick Frazier (R-McKinney) is expected to be sentenced to one year of deferred adjudication probation in addition to a maximum \$4,000 fine on each impersonation charge, **according** to The Dallas Morning News. The criminal mischief count is a low-level misdemeanor punishable only by a maximum \$500 fine. He is also likely to relinquish his position with the Dallas Police Department.

During the 2022 campaign, Frazier **allegedly** impersonated a city enforcement worker to ask a Walmart employee to remove signs for his opponent, Paul Chabot, who ultimately **lost** to Fraizer in a runoff. Frazier was originally booked on third-degree felony charges that could have resulted in lengthy prison sentences.

Frazier commented on the plea agreement in a statement on Tuesday morning.

“This has been a very long and ridiculous process concerned with four signs that everyone acknowledges my opponent's campaign placed in violation of various ordinances and campaign finance rules. But I am ready to put this dispute aside,” Frazier said. “I am very happy to have this 2-year-old issue behind me. At the end of the process, my record will remain clear. I remain committed to serving the people of Collin County.”

In a statement on Tuesday, Chabot likened Frazier to disgraced former Congressman George Santos (R-NY-03), who last week became the first Republican to be expelled from the U.S. House of Representatives.

“It's been nearly two years since Mr. Frazier was first investigated for multiple crimes targeting my campaign,” Chabot said.

“Eventually, the truth came out — but not before he did incredible damage to himself, the office of a public figure, and that of a law enforcement officer using hundreds of thousands of dollars in mailers to lead voters to believe I was making up the criminal offenses.”

He added that he is starting an interest group called the Texas Integrity Political Action Committee so Texas does not become like a “third-world country where dirty cops and politicians rule the land.”

“The Texas we love, deserves our best to lead us, and we must demand it for our children’s sake, leading by example, with integrity.”

Frazier’s opponents in the upcoming GOP primary lambasted him and suggested he is unfit to continue in his legislative position.

“Frazier’s duties as a Dallas Police officer end on a note labeled with Illegal Actions. Our country is damaged by the mistrust of officers nationwide, and Frazier has lived up to that unfortunate reputation,” real estate developer and former McKinney City Councilman Chuck Branch said in a statement.

“The people of Collin County and I support law enforcement and understand that while some are negligent in their duties, almost all of them uphold and follow the law. His actions in the House represent the blue area where he served as officer. He voted with the Democrats more than the Republicans and changed his votes over 150 times to mask his Liberal voting record. Frazier has disgraced the Police, the People of Collin County, and The Republican party (sic). I call on him to resign immediately.”

Businesswoman Keresa Richardson also condemned Frazier’s actions and said public officials should be held to the “highest standard of integrity.”

She added, “We do not need criminals in public office. If Frazier was willing to lie to get into office, he cannot be trusted to tell the truth while in office. If Frazier was willing to destroy others property to get into office, he cannot be trusted to protect our public property while in office. And if Frazier was willing to break the law to get into office, he cannot be trusted to uphold the law while in office. For these very reasons, I call for Frederick Frazier to immediately resign from the Texas State House.”

Gov. Greg Abbott backed Frazier for re-election in a recent round of **endorsements** after the House defeated a school voucher proposal. Frazier was one of the Republicans who supported the plan.

However, Attorney General Ken Paxton endorsed Branch and Richardson. Frazier was one of 121 House members who voted to impeach Paxton earlier this year.

Frazier’s campaign had not yet released a statement by the time of publication.

Texas Legislators Delay Day in Court

Legislative continuances allow state lawmakers, and their clients, to postpone court proceedings.

1 min read

Erin Anderson | February 3, 2023

With the Texas Legislature in session, lawmakers are taking advantage of a perk known as legislative continuance to delay court proceeding for themselves and their clients.

One such lawmaker, freshman State Rep. **Frederick Frazier** (R–McKinney), is on leave from the Dallas Police Department after **alleged campaign sign shenanigans** during his March primary election resulted in **two felony charges against him** for impersonating a public servant.

Frazier was **indicted last June**.

The accusations didn't deter voters, or donors.

Raking in **\$1.3 million in campaign contributions**, Frazier won a May runoff against the opponent **whose signs he's accused of stealing** with 64 percent of the vote. He then defeated a Democrat in November to represent the solidly Republican House District 61.

Once elected, Frazier requested and received a **legislative continuance until June 29 of this year**.

Texas statutes allow lawmakers who are involved in legal proceedings to request that their cases be put on hold during the time period 30 days before a legislative session begins until 30 days after the Legislature adjourns.

Legislators aren't the only ones who benefit from the continuances.

About one-third of Texas lawmakers are also attorneys, and their clients can also take advantage of legislative continuances to postpone legal proceedings.

One of those clients is Dallas Cowboys owner Jerry Jones.

Jones got a court to delay hearings in a paternity suit against him after requesting a legislative continuance, since one of his attorneys is State Sen. **Royce West** (D–Dallas).

The current legislative session runs through May 29.

Legislative marathon delays criminal trial for North Texas House member charged with felony

Rep. Frederick Frazier was indicted over a year ago on two charges of impersonating a public servant. But the case has not gone to trial yet, partly because Frazier has been able to delay the case until the Legislature concludes its work.

As state lawmakers prepare for the third special session of 2023, the protracted year of lawmaking is having the unintended effect of delaying a House member's criminal trial.

Rep. Frederick Frazier, R-McKinney, was indicted over a year ago on two charges of impersonating a public servant, which is a third-degree felony. But the case has not gone to trial yet, partly because Frazier has applied for legislative continuances, which allow lawmakers to pause cases they are involved in until the Legislature concludes its business.

The trial is currently scheduled to begin Nov. 6. But with Gov. Greg Abbott planning to call a third special session that starts Oct. 9, Frazier is expected to seek another continuance, which would delay the trial until even later in the year.

Frazier's lawyers recently sought to postpone the trial until March 4, 2024 — a day before the Texas primary — citing their own scheduling conflicts. But a judge denied that.

Frazier announced he's running for reelection in late July, and he has not drawn any opposition yet.

The allegations date back to the 2022 primary, when Frazier, a Dallas police officer, was running for an open seat in House District 61, which includes parts of McKinney and Frisco, with the backing of big-name Republicans including former President Donald Trump. The

indictment accuses Frazier of impersonating a McKinney city code enforcement employee on two occasions to instruct people to "remove campaign signage."

Frazier's runoff opponent, Paul Chabot, alleged it was his signs that were targeted.

Frazier easily won the runoff, but a Collin County grand jury indicted him on the charges about a month later. Dallas police placed Frazier on administrative leave, and its Internal Affairs division has been investigating him. That investigation remains ongoing, according to a department spokesperson, Kristin Lowman.

At the time of the indictment, Frazier's campaign blamed the charges on "trumped up complaints" by Chabot and expressed confidence jurors would "see through Cabot's lies."

Frazier's campaign did not respond to a request for comment. Neither did his lawyer, Robert Rogers.

The Collin County district attorney's office recused itself from the case, and a special prosecutor, Will Ramsay, has been handling it. Ramsay, the 8th Judicial District Attorney, has not responded to multiple messages seeking information about the case.

While the Nov. 6 trial is likely to get delayed, court records show a flurry of activity by the state since the case resumed late this summer. Nearly two dozens subpoenas have been returned as of Monday.

The case has a visiting judge, Jim Pruitt, who is a Rockwall attorney, former mayor of the city and former Dallas County criminal court judge. Pruitt said he set the Nov. 6 trial date on Aug. 7.

"The case is still set for trial November 6," Pruitt wrote in an email. "If the Governor calls a special session, it may impact that trial date."

Abbott has informed the Legislature he plans to call the third special session of the year to begin Oct. 9.

Legislative continuances allow lawmakers to delay cases they are involved in until 30 days after the Legislature is done meeting. Frazier first got a legislative continuance in January, citing the regular session, which went until late May. He then received an extension of the continuance that paused the case until after the second special session was over in mid-July.

If the third special session takes a full 30 days, Frazier's case may not resume until early December. Furthermore, Abbott has openly threatened a fourth special session if lawmakers

cannot pass his long-gridlocked education agenda, which could push Frazier's case into 2024 — and closer to the March primary.

SUPPLEMENTAL DETAILS

S1 1.1 On 12/01/2021, the McKinney Police Department initiated an investigation and once it was discovered Frederick Frazier was involved, the McKinney Police Department consulted with the District Attorney who has requested assistance from the Texas Rangers. I met with Detective Jonathan Rouse, who originally initiated the investigation. Detective Rouse provided me with a copy of his investigative files. I have reviewed the files and videos related to three incidents occurring at Walmart, 7-Eleven and the Race Trac convenience stores.

1.2 On Wednesday 12/01/2021, at approximately 10:40 AM, Frederick Frazier enters the Walmart located at 3400 Virginia Pkwy. Frazier is wearing a blue polo shirt, that stated "City of McKinney Unique by Nature" on it. He then approaches the customer service desk and asked to speak to the manager. Walmart Manager Misty Crawford made contact with Frazier. Frazier told her he was with the City of McKinney Code Enforcement. Frazier asked her to come outside to look at the Chabot (Paul Chabot-opponent) political campaign sign posted on their property. He told Crawford that the sign was illegally placed and needed to be removed. Frazier then provided Chabot's personal cellular phone number (202-489-6656) to Crawford. He told her to call that number and they would come and remove the sign.

- 1.3** Crawford stated that she called the above number and advised them that a City of McKinney employee told her that his sign was illegally placed. On the same day 12/01/2021, Paul Chabot responded to the Walmart and asked to speak with Crawford. Crawford advised Chabot that a city employee told her that his sign was illegally placed. Crawford stated she never told Chabot that he had to remove his sign and gave him the phone number to Walmart Corporate. Chabot then called McKinney City Manager Paul Grimes, to verify if his sign was illegally placed. Grimes contacted Michael Quint, who is Executive Director of Development Services. Quint sent Crawford an email to clarify who this male subject was, due to there only being a female Code Enforcement Officer.
- 1.4** On Thursday 12/02/2021, at approximately 9:30 AM, Crawford stated that the sign was still at the same location. When she returned from her errands at 11:00 AM, the sign was gone. During that time period, Michael Quint made a phone call to Walmart at 3400 W. Virginia in an attempt to contact Crawford again. Quint spoke with Charlene Harris at 10:52 AM, and left a message with her for Crawford to call him back. Harris stated that Quint provided his name, phone number (972-547-7402) and stated it was in reference to the political sign.
- 1.5** On Friday 12/03/2021, at approximately 10:54 AM, Chabot reported to the McKinney Police Department that his political sign had been stolen from the northeast corner of Virginia Pkwy and Hardin Blvd, Walmart 3400 W. Virginia Pkwy. At this point, Crawford began her vacation which was from 12/03/2021 until her return on 12/07/2021.
- 1.6** On Tuesday 12/07/2021, at approximately 8:10 AM, Detective Rouse contacted Crawford at Walmart 3400 W. Virginia Pkwy. Detective Rouse reviewed surveillance camera footage from 12/01/2021, where the male claimed to be a City of McKinney Code Enforcement Officer. It was observed the male in the blue City of McKinney shirt was City Council Member Frederick Frazier. Frazier is observed entering the store at approximately 10:40 AM and proceed to the customer service desk. The footage shows Crawford meet with Frazier and they both walk out of the store at approximately 10:46 AM. Frazier can be seen speaking to Crawford and pointing in the direction of the political sign.

- 1.7** On Tuesday 12/07/2021, at approximately 2:27 PM, Crawford called Detective Rouse's desk phone to advise that a male called the Walmart customer service desk complaining of Chabot's campaign sign. Harris is the employee that took the phone call, while Crawford stood next to her. Crawford called Detective Rouse immediately after the phone call with the male.
- 1.8** The male stated that his name was John Roberts and he worked for the City of McKinney Code Enforcement. He stated that as he was driving around, he observed that Chabot had replaced his sign at the intersection of Virginia Pkwy and Hardin Blvd. He stated that the sign was placed there illegally and needed to be taken down. The caller also stated to Harris that he took the first sign down and would do it again. The caller did not provide his phone number, but Crawford and Harris observed the caller ID to be 214-549-4918.
- 1.9** Detective Rouse conducted a search through Accurint for the phone number 214-549-4918 and found it belonged to Frederick Frazier. Detective Rouse also checked McKinney Police Department's CAD system for that phone number. It was found that Frederick Frazier placed a call for service on 01/04/2019, for a Code Violation #2019000959 and gave his home address of 321 Bachman Creek Dr., McKinney, Tx 75072. CAD also showed that Frazier placed a call for service #2021111513 on 10/21/2021, at approximately 9:43 PM, with the same phone number above for a Mental OPC. This call was placed for the address at 329 Turtle Creek Dr., McKinney, Tx 75070. Statements were obtained from Crawford and Harris detailing the incident along with a photograph of the Customer Service phone caller ID. The last call came from the number provided above. Crawford stated that she believes she would recognize him if she saw him again.
- 1.10** On 12/10/2021, McKinney Police Department responded to the 7-Eleven convenience store located at 3100 Eldorado Parkway in reference to Criminal Mischief. Officers met with Chabot who reported the zip ties holding a campaign sign had been cut and the sign was found lying undamaged on the ground.
- 1.11** Detective Rouse obtained and reviewed the surveillance video of the incident. A silver in color possible Ford F-150, drives south on Hardin

and then turns west on Eldorado. The truck is then seen pulling into the 7-Eleven parking lot and stops next to Chabot's political sign. An unknown white male gets out of the driver side door and walks over to the sign. The male then cuts the zip ties and takes the sign down. After he throws it down on the ground, he enters the truck and leaves the parking lot continuing south on Hardin. Due to the distance and quality of the video, the person and the vehicle cannot be identified.

1.12 On 12/14/2021, McKinney Police Department responded to the RaceTrac convenience store located at 2152 Virginia parkway in reference to Criminal Mischief. Officers met with Chabot, who reported his campaign sign had been removed from the corner of Central Expressway SB and Virginia Parkway and cut into multiple pieces. Chabot further advised the damaged sign and one of his American flags had been thrown in the dumpster on the east side of the business. Chabot advised he had an additional American flag that had been stolen.

1.13 Detective Rouse reviewed the surveillance video from RaceTrac from the incident. Frederick Frazier is seen pulling into the parking lot with a light-colored extended cab Ford F-150 and enter the store. Frazier goes over to speak to the manager (Breauhna Smith) about the Paul Chabot sign placed on their property.

1.14 Smith stated that Frazier told her that the sign was illegally placed and was a traffic hazard. He also stated that he owned the property across the street, which would be the old Wysong campus. Frazier told Smith that Chabot had been placing his signs illegally all through town and that he had to even cut them down. Smith stated that she knew that RaceTrac had a policy against the posted sign. She then had Dallas Lutton, another RaceTrac employee, help her cut the sign down. They both are seen on camera taking the pieces of sign and throwing them in their dumpster.

1.15 Investigation continues.

- S2 2.1** On 02/09/2022, Frederick Frazier called TeaLatte Bar located at 7001 S. Custer Road, Suite 400, in McKinney in reference to a political sign being on property. Frazier left the following voicemail message.
- 2.2** “Hello John just got your number from one of your employees uh, over at Tealatte. City of McKinney and Frisco over here. You’ve got a sign on your, well I think it’s on the property owners, but trying to locate these property owners. Somebody put a big political sign on y’all’s property or are on the property. Trying to locate the owner to get them to come remove it or tear down or whatever, anyway (214) 549-4918, (214) 549-4918, thanks.” (See recorded voicemail for complete details).
- 2.3** On 02/09/2022, at approximately 3:28 PM, the manager of TeaLatte Bar, John Nguyen, sent a text message to (214) 549-4918 (Frazier).
- 2.4** “Hi I’m John with TeaLatte Bar. I will get the sign taken care of. Thank you.”
- 2.5** Frazier replied- “TY, I’m telling everyone to toss them in the trash.”
- 2.6** John asked- “What is your name so I can forward to land lord”?
- 2.7** Frazier replied- “Kerry Simpson.” (See screen shot of text messages).
- 2.8** On 02/10/2022, I met with Kerry Simpson, who is the code enforcement officer with the City of McKinney. Simpson shared a series of text messages she received from Frazier asking if he could talk with her and informing her of Paul Chabot political signs that he felt were in violation. Simpson informed Frazier in a written email that his and Chabot signs were in violation at the Stacey and East Bond location. On 02-09-2022, Frazier sent Simpson a picture of a Chabot sign (Lake Forest-Walmart) that he felt was almost in the road. (See

photos of text messages for complete details).

- 2.9** On 02/10/2022, at approximately 4:20 PM, I met with John Nguyen and verified the voicemail recording, text messages and emails he sent to the City of McKinney and City of Frisco Code Enforcement Offices. Nguyen sent me an email containing the screen shot of the text messages. (See emails for details). Nguyen stated he never met or spoke with Frazier personally.
- 2.10** On 02-10-2022, Det. Rouse shared emails with me of communication (Email threads) between the City of McKinney and the City of Frisco in reference to the complaint made by Frazier regarding Chabot signs at TeaLatte Bar. (See emails for complete details).
- S3 3.1** On 02/07/2022, I contacted the Collin County District Attorney's office and requested a Grand Jury subpoena for call detail records, to include subscriber information and incoming and outgoing calls made on 12/07/2021 from AT&T for cellular telephone number (214) 549-4918.
- 3.2** On 02/08/2022, I received the Grand Jury subpoena and emailed it to AT&T National Subpoena Compliance Center.
- 3.3** On 02/09/2022, I met Texas Department of Public Safety Criminal Investigation Division Special Agent (SA) Scott Meeks at the Wal-Mart Neighborhood Market in McKinney. Special Agent Meeks and I met with Misty Crawford and asked her if she would view a photo lineup to identify the individual (Frazier) that she spoke with on 12/01/2021.
- 3.4** Crawford agreed to view the photo lineup and met with SA Meeks privately in the manager's office. I was not present during the photo lineup viewing. After Crawford viewed all the photographs, she was not able to identify the individual (Frazier) she spoke with on 12/01/2021. SA Meeks audio and video recorded the viewing. (See video recording for complete details)

- 3.5** On 02/21/2022, I received a response from AT&T National Subpoena Compliance Center per the subpoena request. I reviewed the reports associated with cellular telephone number (214) 549-4918.
- 3.6** The wireless subscriber information is in the name of the Dallas Police Association, 1412 Griffin Street E, Dallas, TX 75215. The user information is listed as Frederick Frazier with a service start date of 02/08/2012.

On 02/14/2022, I received a telephone call from Attorney Zach Horn who informed me he was representing Frazier. The interview was cancelled until Horn could consult with Frazier and he would reschedule for the week of the 21st. I have not received communications from Frazier or attorney Zach Horn to reschedule the interview as of this supplement.
- 3.9** This investigation will be submitted to the Collin County District Attorney's Office.

S4 4.1 On 03/11/2022, at approximately 10:00 AM, I met with John Nguyen at the McKinney Police Department. Nguyen consented to his iPhone being downloaded to capture the original text messages and voicemail between him and Frazier on 02/09/2022. McKinney Police Department Criminal Investigation Division Sergeant Nolan Palmer performed the download to extract the text and voicemail message.

4.2 On 03/14/2022, I met with Sergeant Palmer at the McKinney Police Department and received a copy of Nguyen's iPhone download. The download contains the original text and voicemail messages. (See external hard drive for complete details).

S5 5.1 On 03/25/2022, at approximately 9:50 AM, I spoke with Frederick Frazier, who was accompanied by counsel. The following is a summary of the audio recorded interview (S5.P1). The summary does not contain all comments or statements, nor does it necessarily reflect the chronology.

5.2 WALMART 12/01/2021:

5.3 Frazier stated he had received several calls from landowners, property owners, folks that represent landowners commenting Paul Chabot campaign signs were all over the McKinney area and beyond. Frazier stated since he was a candidate, everyone wanted to know why Chabot was putting signs on private property and how was he getting access to put signs on there. Frazier stated he received three calls on the sign placed at Wal-Mart. Frazier further stated he has never seen a sign there on a Wal-Mart property and as far out as it was to the street. Frazier stated there is one corner that has always had political signs, this one never.

-

5.4 Frazier stated he "popped" in there and spoke with the manager, whom he did not previously know and pointed it out. Frazier stated he told the manager there was a sign out there on the street almost on the sidewalk. Part of it was on the sidewalk and he showed the manager. (Attached in the Wal-Mart file is a picture of where the sign was located).

-

5.5 Frazier stated he never represented himself other than a concerned person and never represented himself as a code person. Frazier stated he was letting the manager know and said the sign was almost sticking out in the roadway. Frazier further stated the manager had no idea about it. Frazier stated that was pretty much their conversation and he left. Frazier stated he did not think too much of it from that point. I asked Frazier if he was wearing a blue polo shirt with the City of McKinney insignia on it. Frazier stated, "I did." Frazier thinks it was a long sleeve shirt.

-

5.6 I asked Frazier if he reported his concerns about the Chabot sign to code enforcement. Frazier stated he was pretty sure that he did and that he spoke with Paul Sparkman or Kerry Simpson. Frazier further stated he spoke with them relentlessly over these signs showing up. I asked Frazier a second time, in this instance, did he reach out to them about this sign instead of going up to Wal-Mart and doing it himself. Frazier stated he had reached out to them a whole bunch of times, so he could not tell me if he reached out to them this time. Frazier stated he could have. He just did not remember if he did or not. I asked Frazier what his cell phone number was, and he provided (214) 549-4918.

-

5.7 Wal-Mart received a telephone call on December 7, 2021. I asked Frazier if he knew anything about the phone call. Frazier stated if there was a phone call and he called and said the sign is back, the sign was gone, nothing to do with the sign, how do you get a sign back in that location when you're not supposed to have a sign there in the first place. That's all the call was for.

-

5.8 I asked Frazier if during the phone call, did he say anything about being with code enforcement. Frazier stated he may have said something about code violations, about the sign being out by the sidewalk again. Frazier stated that's the only thing he would have said. I asked Frazier if he identified himself as someone different than who he is. Frazier stated he did not identify himself as Frederick Frazier he doesn't believe. Frazier stated he just left a message. I reminded Frazier he actually spoke to someone. Frazier asked me if it was on the phone and I told him yes. Frazier stated he could have, he was not trying to skate the truth, there could have been a couple of calls. Frazier stated it kept going on back and

forth.

-

- 5.9** I asked Frazier again if he called and identified himself other than himself and talk about the sign. I asked Frazier if he stated he was code enforcement. Frazier stated, "Oh no, I had no intentions of being code enforcement."

-

5.10 7-Eleven 12/10/2021:

- 5.11** I asked Frazier about the incident where he could be seen on video driving into the parking lot and removing a Paul Chabot campaign sign. Frazier stated the sign is the one in front that was over the sidewalk. Frazier stated he spoke to the manager and asked if he could put up a campaign sign. Frazier stated the manager informed him she had already spoke with Chabot and told him to remove the sign. Frazier explained that he pulled up and took down a Chabot sign and left. I told Frazier that was considered criminal mischief and he replied his intention was that sign, he had already had this conversation 20 times, that sign is on the busiest road (Eldorado), just like all the others, putting them all over the sidewalks in town. Frazier further stated the kids walk there and that morning that sign was supposed to have already been down and it wasn't. He said this is just nonsense.

- 5.12** I asked Frazier if he had reached out to code enforcement on that particular sign. Frazier stated he was sure he had talked to code enforcement on those signs as well. Counsel asked Frazier on that specific day before he took the sign down, did he speak to code enforcement? Frazier stated, "No sir, it was ridiculous that the sign was there."

5.13 RaceTrac 12/14/2021:

- 5.14** Frazier stated that sign was on 75 and the service road, it showed up and he received two calls on it. Frazier stated he was coming from downtown and said to himself "you got to be kidding me." Frazier stated, "Where you pull out and pull into the RaceTrac, you can't see because the damn sign's in the way." Frazier stated he went inside to tell the lady. He asked her if she knew someone put a sign there. Frazier stated the lady asked who, and he told her that guys putting

them up all over the place and they were blocking when folks enter and exit. Frazier stated she asked who, and he told her a guy running for office and that's it and left.

-

5.15 I asked Frazier if he notified code enforcement. I told Frazier he was taking it upon himself to talk to property owners about the signs. I asked him if he was doing it in the capacity of being on the city council. Frazier replied, "No, no." I asked if he called code enforcement, or he could take the people's names and call code enforcement on their behalf. Frazier replied he had done that a bunch of times.

-

5.16 Counsel asked Frazier if they were calling him because he was on the city council or because he was a candidate. Frazier stated they were calling him because he was the candidate and a lot of them had reached out to Paul Sparkman to get him to remove them. There's still signs he's been asked to remove over and over. Frazier stated he has been called to take the signs and he has told the callers "No." Frazier further stated it's over, over and over this has been happening. Frazier stated this has been a running theme since this started, same thing when he was in California, "out them up and don't care, then make a big deal about it when they get taken down." It's been the same theme over, over and over. He will put them on private property, not care without asking anybody. Frazier stated he has passed Chabot's number along; he can't tell you how many times he's talked to code.

-

5.17 TeaLatte 02/09/2022:

5.18 Frazier stated he received a call that a Paul Chabot sign is blocking the business sign that lists all the businesses on it for the strip mall. Frazier stated he was coming back from serving warrants. He drove up and there it was. Counsel clarified he was serving warrants. Frazier stated he went in at 4:00 AM, and served several murder warrants that morning and was coming back and there's another one of those signs. Frazier stated it was put up probably in the middle of the night. That seems to be the theme of how they go up. Frazier stated it was covering the deal and he went inside of the bank on the corner to ask who the owner was for the strip mall.

-

5.19 Frazier stated he was told the people at TeaLatte knew. Frazier stated he spoke to a 16-year-old girl and a second girl was in the back. Frazier stated he spoke to her, and she did not know "what the hell is going on there." Frazier stated he got the number to call for someone who knew the owner. Frazier stated he called the number and could not remember if he talked to someone or left a message about a sign on their business.

-

5.20 Frazier stated he received a text message back and he responded to the text message. Frazier stated he voice texted them back, he thought they asked who they contact, and he replied, Kerry Simpson. Frazier stated that's private property there, but it was out of code. Frazier further stated he was wearing Frazier stuff and not wearing anything like he was code enforcement. Frazier stated he was wearing his "Frazier" vest he wore it when he got back in the truck, because he was about to go switch cars and go do his job.

-

5.21 I showed Frazier a copy of the text thread between him and the manager, John Nguyen. I told Frazier any layman that read the text thread would think he was impersonating Kerry Simpson. Frazier stated his interpretation of what Nguyen was asking was who did he need to speak to. I asked Frazier how anyone could mistake "what is your name?" and he replied: Kerry Simpson. Frazier stated that is what he read. Frazier further stated he was driving and doing a million other things. Frazier stated when he sent that, he thought Nguyen was asking who he asks for or what is the name you ask for.

-

5.22 Frazier stated after reviewing the texts with counsel, he put his head down on the desk and said that's not what his intention was, his intention was, and he did it with voice text to talk with Kerry Simpson. Frazier stated there's no ill will to being Kerry Simpson, that's not the intention of that text message. I asked Frazier during any of the incidents, did he represent himself as code enforcement at any time. Frazier stated, "No sir." Frazier stated he was getting calls consistently on what to do about these signs. That's been a consistent battle. Counsel asked for clarity as the candidate and not the city council. Frazier stated as the candidate. (See recorded interview for complete details).

☐ **OTHER:**

3. **Jury Trial:** You are entitled to have a jury determine whether you are guilty or not guilty, and if guilty, to assess your punishment.
4. **Indictment:** You do not have to stand trial until a grand jury has returned an indictment against you. When an indictment is returned you will be given at least ten days to consult with your attorney before trial. If your attorney is appointed and has not been appointed for more than ten days, you have a right to have him take ten full days from the date of his appointment to allow him to prepare for trial. You may waive this right and proceed to trial today. You may request that the indictment be read and explained to you in open court. You are not obligated to give evidence against yourself. Once the Court has accepted your plea, you cannot withdraw your plea without permission from the Court.
6. **No Plea Agreement:** If you have pled guilty without benefit of a plea agreement, the plea proceeding is your trial. Should the Court find you guilty, your punishment can be set anywhere within the range of punishment prescribed by law for the offense. If you are eligible you may receive deferred adjudication or community supervision, but there is no

assurance that you will. Once the Court has accepted your plea, you cannot withdraw your plea without permission from the Court.

7. Permission to Appeal: If the punishment assessed does not exceed the punishment recommended by the prosecutor and agreed to by you and your attorney, you must obtain permission of the Court before you can prosecute an appeal on any matter in the case, except for matters raised by written motion filed and decided prior to trial. This Court seldom consents to an appeal where conviction is based upon a guilty plea.
8. Citizenship: If you are not a citizen of the United States of America, a plea of guilty or nolo contendere for this offense may result in deportation, the exclusion from admission to this country, or the denial of naturalization under federal law.
9. Deferred Adjudication: Should the Court defer adjudicating your guilt and place you on community supervision, upon violation of any imposed condition, you may be arrested and detained as provided by the law. You will then be entitled to a hearing limited to the determination by the Court, without a jury, whether to proceed with an adjudication of your guilt upon the original charge. No appeal may be taken from this determination. Upon adjudication of your guilt, the Court may assess your punishment anywhere within the range provided by law for this offense. After adjudication of guilt, all proceedings including assessment of punishment, pronouncement of sentence, granting of community supervision and your right to appeal continue as if adjudication of guilt had not been deferred.

If you are receiving deferred adjudication for an offense described by Art. 42.12 sec.13B(b), Code of Criminal Procedure, the Court finds that placing you on community supervision is in the best interest of the victim and that you have not before had community supervision for such an offense.

10. Community Supervision: If the Court grants you community supervision as opposed to deferred adjudication, upon violation of any imposed condition, you may be arrested and detained as provided by law. You will then be entitled to a hearing limited to the determination by the Court, without a jury, whether to revoke your community supervision and sentence you to confinement for a period of time not to exceed that originally assessed by the Court at the time you were found guilty. If you receive community supervision in more than one case, future revocations resulting in confinement in I.D.D.C.J. or S.J.D.D.C.J. may be cumulated.
11. Terms of Supervision: If the Court grants you deferred adjudication probation or community supervision probation, the Court has the right to amend the conditions of probation.
12. Sex Offender Registration Requirement: If you receive a conviction or a deferred adjudication for a sexual offense listed in Chapter 62, Code of Criminal Procedure, you will be required to meet the sexual offender registration requirements set out in that Chapter. You will also be subject to the drivers license application procedure listed in Art. 42.016, Code of Criminal Procedure.
13. Parole: Neither the Court nor your attorney makes any promises or representation about the amount of actual time you will serve on a sentence of incarceration in the Institutional Division of the Texas Department of Criminal Justice. Neither the Court nor your attorney makes any representation about the disposition of any parole revocation hearing.
14. Ineligibility to Possess Firearm or Ammunition: In accordance with Texas Administrative Code §176.1, the Court hereby admonishes you of the following:
 1. You are likely, by entry of order or judgment, ineligible under Texas law to possess a firearm or ammunition.
 2. Beginning now, if you possess a firearm or ammunition it could lead to charges against you. If you have questions about how long you will be ineligible to possess a firearm or ammunition, you should consult an attorney.

3. Under Texas Penal Code §46.01(3):

- a. "Firearm" means any device designed, made, or adapted to expel a projectile through a barrel by using the energy generated by an explosion or burning substance or any device readily convertible to that use.
- b. "Firearm" does not include a firearm that may have as an integral part, a folding knife blade or other characteristics of weapons made illegal by Penal Code Chapter 46 and that is (1) an antique or curio firearm manufactured before 1899 or (2) a replica of an antique or curio firearm manufactured before 1899 but only if the replica does not use rim fire or center fire ammunition.

The statutes listed below are a starting point for ineligibility to possess a firearm or ammunition. For more information about the laws that make you ineligible to possess a firearm or ammunition, or for more information on how long your ineligibility to possess a firearm or ammunition lasts, the Court recommends you contact an attorney.

- Code of Criminal Procedure Article 17.292 – Magistrate's Order for Emergency Protection
- Code of Criminal Procedure Article 42.0131 - Notice for Persons Convicted of Misdemeanors Involving Family Violence
- Penal Code §46.02 – Unlawful Carrying Weapons
- Penal Code §46.04 – Unlawful Possession of Firearm
- Penal Code §25.07 – Violation of Certain Court Orders or Conditions of Bond in a Family Violence, Child Abuse or Neglect, Sexual Assault or Abuse, Indecent Assault, Stalking, or Trafficking Case
- Family Code §85.026 – Warning on Protective Order

15. Victim Impact Statement: If a victim impact statement has been returned to the prosecutor under Art. 26.13, Code of Criminal Procedure, the Court will review the report at the appropriate point in the proceedings.

16. Consent to the Disposition of Evidence: The Defendant hereby consents to the destruction, forfeiture to the State, or return of property to its rightful owner of any evidence seized in connection with his/her arrest and prosecution. The Defendant understands that destruction of such evidence, unless prohibited by law, may prevent any future request for additional testing or the presentation of new evidence or defenses or a claim of innocence based on such evidence. The Defendant also understands by signing this document, the investigating agency will make the sole determination as to whether the seized evidence will be destroyed, forfeited to the State or returned to a civilian. The Defendant waives any required notice, whether written or otherwise, prior to the disposition of evidence seized in connection with his/her arrest and prosecution.

These admonishments were given to this Defendant on the above-noted date.

North Texas state lawmaker to be dishonorably discharged from DPD after ‘no contest’ plea

McKinney GOP Rep. Frederick Frazier appeared in the Collin County Courthouse to plead no contest to misdemeanor charges of attempting to impersonate a public servant.

By [Kelli Smith](#) and [Aarón Torres](#)

4:41 PM on Dec 4, 2023 — Updated at 4:51 PM on Dec 5, 2023

McKINNEY — McKinney GOP Rep. Frederick Frazier pleaded no contest Tuesday to two misdemeanor charges of attempting to impersonate a public servant.

Frazier, a Dallas police officer and freshman lawmaker, appeared in the Collin County Courthouse in a suit and orange tie around 10 a.m. to enter his plea. In the plea deal, he was given one year of deferred adjudication probation and two fines of about \$4,000 each, the maximum penalty for the Class A misdemeanors.

After the proceedings, Frazier briskly left the courtroom with his attorney and entered a conference room, where he appeared to be meeting with a probation officer. He did not come out to speak with reporters. Instead, he issued a written statement later saying the process has been “long and ridiculous” and revolved around four signs his opponent placed “in violation of various ordinances.”

“I am ready to put this dispute aside,” Frazier said. “I am very happy to have this 2-year-old issue behind me. At the end of the process, my record will remain clear. I remain committed to serving the people of Collin County.”

The proceedings happened one day after Dallas police confirmed Frazier submitted his intent to retire while under investigation from the department. The retirement would be made official if approved by his chain of command.

Dallas police Assistant Chief Monique Alex, one of the department’s highest ranking officials, left a voicemail to the complainant in the case stating Frazier would receive a dishonorable discharge because he chose to retire while under investigation, according to a recording of the message.

His attorney Robert Rogers said the calls for Frazier to resign are “stupid.” Frazier filed for re-election last month.

“He’s not resigning,” Rogers told reporters after the proceedings. “This is a blip on the radar screen. This whole thing started as politics. They want to make it politics. We’re putting it to bed.

“This was a distraction. At the end of the day, Fred didn’t need this distraction and he’s ready to move on.”

Gretchen Grigsby, a spokeswoman for the Texas Commission on Law Enforcement, said in an email that a dishonorable discharge is visible to a subsequent agency when making hiring decisions. A second such discharge could result in more serious consequences for Frazier’s law enforcement license.

Prosecutors have said Frazier also intended to plead guilty to criminal mischief, a Class C misdemeanor, and will face a fine of about \$500. Rogers said they handled that case and paid a fee online.

A Collin County grand jury indicted Frazier on two third-degree felony charges in June 2022 after Paul Chabot, Frazier’s opponent in the GOP runoff, reported to McKinney police that some of his campaign signs outside a Walmart were removed. Chabot has said store officials told him someone who said they were a McKinney code compliance officer asked them to tell Chabot his signs weren’t in compliance.

Chabot has said a city manager later told him no code compliance officer had been to the store. One of his signs was taken from the area near the store days later.

Frazier has previously denied wrongdoing, calling the case a political stunt. Rogers said Tuesday they still assert to this day that Frazier never said he was a code enforcement officer and there was “a miscommunication.”

Chabot, who sat in the courtroom gallery Tuesday, released a written statement calling for Frazier to be expelled from the Texas House of Representatives. He called the case the “George Santos moment for Texas,” referencing the New York Republican recently expelled from the U.S. House as the lies he offered to win his seat unraveled.

“The Texas we love deserves our best to lead us, and we must demand it for our children’s sake, leading by example with integrity,” Chabot said in the statement.

Two challengers for Frazier’s seat, Keresa Richardson and Chuck Branch, also appeared at the courthouse for the proceedings. Someone held up a sign outside the courthouse with Frazier’s name crossed out.

Frazier serves on the board of the Dallas Police Association and has been a law enforcement officer for about 28 years. Following the indictment, Dallas police placed him on administrative

leave and launched an internal investigation. A Dallas police spokesperson said Saturday the investigation was ongoing and Frazier has been on approved leave without pay. Frazier must step down from the Dallas Police Association board on his last day of active status with the department, said Sgt. Mike Mata, president of the association.

The first-term GOP lawmaker received the endorsement of former President Donald Trump ahead of the 2022 midterm election, helping him win an election despite being under indictment.

The Collin County representative was among the five area lawmakers who voted in May to impeach Attorney General Ken Paxton, who represented the North Texas county in the House and Senate and still lives there.

The Senate, however, acquitted Paxton of all charges — which accused him of sweeping abuses — in September. Since then, Paxton has campaigned against lawmakers who supported his removal. Paxton endorsed Frazier's opponent, Chuck Branch, in the March 5 GOP primary election.

Texas Gov. Greg Abbott recently endorsed Frazier for reelection when he threw his support behind 58 House Republicans who supported creating education savings accounts — one of his top priorities in 2023.

Abbott's campaign did not immediately respond to an email asking if the governor still supports Frazier for reelection.

North Texas state representative will be dishonorably discharged from Dallas Police Department; pleads 'no contest' to misdemeanor charges

Rep. Fred Frazier (R, McKinney) plead no contest to Class A misdemeanor charges of attempting to impersonate a public servant.

COLLIN COUNTY, Texas — Republican [State Representative Frederick Frazier](#) of McKinney [pleaded no contest](#) Tuesday to two Class A misdemeanor charges of attempting to impersonate a public servant.

Frazier also pleaded guilty to a Class C misdemeanor charge of criminal mischief. His attorneys said the case had been handled and the fee was paid online.

Frazier, a 28-year Dallas police officer and freshman lawmaker in the Texas House, appeared in the Collin County Courthouse Tuesday morning to enter his plea. The plea deal he was given includes one year of deferred adjudication probation and one fine of \$4,000, another of \$3,922, and restitution of \$78 for the Class A misdemeanor charges.

The plea comes one day after Frazier filed to retire from the Dallas Police Department. Deputy Police Chief Monique Alex confirmed to WFAA that because Frazier is retiring while under investigation, he will be released with a dishonorable discharge. This means he cannot work as a law enforcement officer in Texas again.

Frazier can continue to serve the Texas House of Representatives with a misdemeanor. Had he been convicted of a felony, Frazier would have faced expulsion.

In June 2022, [Frazier was indicted for impersonating a code enforcement officer](#) after Dr. Paul Chabot, Frazier's then-opponent in the GOP runoff, reported his campaign signs began "disappearing," including from an area Walmart.

According to Chabot, he was told by the city manager that his signs "were fine." Chabot said a Walmart store manager told him a person claiming to be a code compliance officer ordered the signs be removed because they were out of compliance.

That person was later determined to be Frazier.

The Texas Rangers began an investigation into Frazier after Chabot filed a police report after some of his signs were allegedly stolen.

Frazier did not speak with media Tuesday, but his attorney, [Robert Rogers](#), spoke on his behalf. Rogers called the Walmart encounter a miscommunication.

"To this day, [Frazier] denies that he ever specifically said he was a code compliance officer," Rogers said. "He's just pointing out these signs are in the wrong place."

Rogers called the case against Frazier a political ploy that he's happy to put to rest.

"Mr. Chabot is a sore loser," Rogers said. "He's obsessed with trying to take form [Frazier] because he couldn't do it legitimately."

Chabot said he is glad to see Frazier exposed for having his signs unlawfully removed.

"Frazier is the George Santos of Texas," Chabot said, calling Frazier a liar. "I looked at a coward today who has no business being in public office."

Chabot called on constituents, House Speaker Dade Phelan, Lieutenant Governor Dan Patrick, and Governor Greg Abbott to pull their support from Frazier. Gov. Abbott recently endorsed Frazier for reelection when he threw his support behind House Republicans who supported creating education savings accounts, his top priority of the regular and special legislative sessions.

Meanwhile, two challengers for Frazier's seat, Keresa Richardson and Chuck Branch, also appeared at the courthouse for the proceedings. Outside, supporters of both held signs calling for Frazier's resignation.

Rogers called the calls for the resignation "stupid."

Frazier filed for re-election last month.

"This whole thing started as politics. They want to make it politics. We're putting it to bed," Rogers said. "This was a distraction. At the end of the day, [Frazier] didn't need this distraction and he's ready to move on."

Frazier's new job as a lawmaker comes as he faces another setback to his police career.

The Dallas County District Attorney Office has notified the police department that it placed Frazier on its Brady List of officers accused of or found guilty of wrongdoing, according to police officials.

Being on the Brady List could complicate future criminal cases brought by Frazier because his past misconduct must be disclosed to defense lawyers.

A campaign spokesman said late Wednesday that Frazier did not know he was placed on the list and questioned whether it was a "misunderstanding."

ALLEGATIONS DEVELOPED

1. It is alleged on December 10, 2021, Senior Corporal Frederick Frazier, #7324, engaged in the act of criminal mischief.
2. It is alleged on June 24, 2022, Senior Corporal Frederick Frazier, #7324, brought discredit to the department when he was arrested for impersonating a public servant.
3. It is alleged between December 1, 2021, and February 9, 2022, Senior Corporal Frederick Frazier, #7324, caused multiple police incidents to his discredit.

CONFIDENTIAL

INVESTIGATION

COMPLAINANT TESTIMONY

Mr. Paul Chabot (Emailed Complaint Letter dated March 30, 2022, and Voluntary Statement given to the McKinney Police Department dated December 31, 2021)

On March 30, 2022, Mr. Chabot informed the Internal Affairs Division that Senior Corporal Frazier was under investigation by the Texas Rangers for a felony offense. The case was sent to a special prosecutor. Mr. Chabot alleged Senior Corporal Frazier violated Departmental policy for not reporting that he was under investigation to the Department.

Mr. Chabot was a candidate for Texas House Representative. A campaign sign of Mr. Chabot's was stolen from the northeast corner of Hardin Boulevard and Virginia Parkway sometime between 6:00 p.m., December 2, 2021, and 8:00 a.m., December 3, 2021. The store manager of a Neighborhood Walmart advised Mr. Chabot they did not remove the sign. On the morning of December 1, 2021, Mr. Chabot received a call from the Walmart store manager, Ms. Misty Crawford. She informed Mr. Chabot that a white male advised her to call him to have a sign removed. Mr. Chabot then met with the McKinney City Manager, Mr. Paul Grimes, who assured Mr. Chabot no city employee is permitted to make such a request. Mr. Grimes and Mr. Chabot believed this person was not a city employee.

Ms. Crawford advised there was video footage of the subject claiming to be a city employee. The "city employee" was described as wearing a "City of McKinney" shirt.

OFFICER TESTIMONY

Senior Corporal Frederick Frazier, #7324, Intelligence Division (Audio Recorded Statement dated March 25, 2022, Internal Statement dated November 17, 2022 and Supplemental Statement dated August 1, 2023)

In the spring of 2022, Senior Corporal Frazier began to hear rumors regarding sign issues surrounding his political opponent, Mr. Chabot. In June of 2022, Senior Corporal Frazier was notified of the grand jury investigation for impersonating a code enforcement officer. He then notified his Dallas Police Association representative, Sergeant Michael Mata, #7313, Tactical Operations Division, and Sergeant Sheldon Smith, #7065, Intelligence Division.

On December 1, 2021, Senior Corporal Frazier entered the Neighborhood Walmart after receiving dozens of calls from citizens about the giant "Paul Chabot" sign on the Neighborhood Walmart property. The sign was close to the street, causing the sidewalk viewpoint to be impaired. Senior Corporal Frazier approached the customer service desk and asked to speak with a manager. He was wearing a long sleeve shirt or vest with the McKinney emblem on the chest. This is not an official shirt or vest, as it is sold to the public. Senior Corporal Frazier spoke with the manager and told her about the sign on the property. She had no idea what he was talking about, so they walked outside to the parking lot, where he showed her the sign from a distance. She informed Senior Corporal Frazier that the sign was not allowed to be there. Senior Corporal Frazier explained to her how it was happening all over the city. He then gave her Mr. Chabot's number and left the location. At no time did Senior Corporal Frazier identify himself as a code enforcement officer or anyone from the City of McKinney.

On February 9, 2022, Senior Corporal Frazier stopped at a business on Custer Road after receiving more calls regarding another "Paul Chabot" sign. Senior Corporal Frazier walked into a bank on the corner, asking if they had contact information for the landlord of the strip center. He was referred to the TeaLatte Bar, a few doors down. Senior Corporal Frazier spoke with two teenage girls who gave him the number of whom he believed to be the landlord. Senior

CONFIDENTIAL

Corporal Frazier was wearing his "Frazier for Texas" vest. He called the number and left a voice message about the sign on the property. Shortly after leaving a voice message, Senior Corporal Frazier received a text saying, "Thanks." He responded to a second message that he had misread due to him driving at the time. Senior Corporal Frazier's response was only to refer them to Ms. Kerry Simpson, who was over code enforcement. Senior Corporal Frazier defined a public servant as someone working in the government. At no time did he identify as a code enforcement officer.

Sometime after the Walmart sign was removed, Senior Corporal Frazier was made aware the sign was back. He called the Neighborhood Walmart to speak with customer service and identified himself as "John Roberts." He never stated he was anyone in authority, and he only used the name to be a "John Doe" citizen. Senior Corporal Frazier never identified himself as a code enforcement officer, nor did he make any reference to having ever removed the sign himself. He never touched the sign at the Neighborhood Walmart.

On December 10, 2021, Senior Corporal Frazier was driving a silver Ford F-150 truck issued to him by the United States Marshals Service. He was on his way to work a warrant on a wanted fugitive. While driving, he observed a sign at the 7-Eleven on the corner of Eldorado Parkway and Hardin Boulevard. This sign was impeding the sidewalk, like many of the other signs. Days before this, Senior Corporal Frazier and others witnessed children almost have a head-on collision with a bicycle rider and children who were walking at that busy intersection. Senior Corporal Frazier contacted the owner or the person he believed to be the owner, who informed him that she had informed Mr. Chabot and corporate to remove it. Senior Corporal Frazier then simply cut six zip ties, moved the sign from the corner and laid it behind its post so it would not obstruct the view of pedestrians or vehicles. He even offered to pay restitution to the owner for the cost of the six zip ties.

The multiple incidents in which police were called to respond were not caused by any malicious acts on Senior Corporal Frazier's part, but rather the complete disregard to the rights of property owners and public safety by his opponent. Senior Corporal Frazier felt he was being a proactive citizen who fielded hundreds of complaints regarding sign issues from his opponent. He

CONFIDENTIAL

often worked with McKinney code enforcement on these issues. At no time did Senior Corporal Frazier say or use any position to be a code enforcement officer. He would never want to bring discredit to this profession or to the department he loves.

Sergeant Sheldon Smith, #7065, Intelligence Division (Internal Statement dated October 3, 2022)

Senior Corporal Frazier notified Sergeant Smith via a phone call that he was under criminal investigation in McKinney, Texas. Sergeant Smith does not recall the date or time he was notified.

WITNESS TESTIMONY

Ms. Misty Crawford (Voluntary Statement given to the McKinney Police Department dated December 7, 2021)

Ms. Crawford was the Manager of the Neighborhood Walmart at the time of this incident.

On December 1, 2021, at approximately 10:40 a.m., a City of McKinney employee came to the store and asked for a manager at the service desk. Ms. Crawford met with the city employee who asked her to walk with him outside. Upon going outside, he showed Ms. Crawford a sign on the corner of Harden Boulevard and Virginia Parkway and stated it needed to be removed. He further stated the signs were illegally placed and a safety hazard. Ms. Crawford believed he said he was with the City of McKinney Code Enforcement. He then informed her the signs were being placed incorrectly around the city and he had the gentleman's (Mr. Chabot) number and could give it to her. All Ms. Crawford had to do was call him and he would return and remove it.

Ms. Crawford called the number given to her and stated that the sign was not supposed to be there. The person answered and sounded confused but said he would take care of it. About an hour later, Mr. Chabot arrived at the store asking to speak with Ms. Crawford. Ms. Crawford was not present, so another

CONFIDENTIAL

associate spoke with him instead. Mr. Chabot informed the associate that he and Ms. Crawford had talked over the phone, and wanted to know where his sign was located, the identity of the city official, and if they took the sign. Ms. Crawford later returned to the store and talked to Mr. Chabot. He informed her that he spoke with the City Manager and was told the city did not send anyone out. He then asked where his sign was located. Ms. Crawford informed him it was on the corner, and the sign was there when he asked. He seemed to be referring to another sign that had been taken down. Mr. Chabot asked Ms. Crawford to describe the city employee and began taking notes. He asked if the City Manager could review the surveillance video. Ms. Crawford informed him of their policy, explaining he would have to file a police report and only the police could review the video if they chose to. The next day Walmart received several calls from an unknown woman complaining that the sign was still there. When Ms. Crawford drove by the store at 9:30 a.m., the sign was there, but when she returned to the store at 11:00 a.m., the sign was gone.

On December 7, 2021, the service desk received a call from a "John Roberts". He stated he was with the City of McKinney Code Enforcement and a sign that he once removed was posted again on the property illegally. After the phone call, Ms. Crawford took down the number that "John Roberts" called from and called Detective Jonathan Rouse, #114, McKinney Police Department, to give him the information.

Ms. Mary Harris (Voluntary Statement given to the McKinney Police Department dated December 9, 2021)

Ms. Harris worked at the Neighborhood Walmart at the time of this incident.

On December 2, 2021, Ms. Harris answered the service desk phone around 10:50 a.m. and took a message from Mr. Michael Quint regarding the political signs in front of the store. Earlier that day, a lady called about the giant political sign on the property and did not think they wanted it there. Those messages were sent to Ms. Crawford. On December 3, 2021, Mr. Chabot called asking to speak with the store manager, Ms. Crawford, who was not present. Mr. Chabot had called regarding his missing campaign sign from in

CONFIDENTIAL

front of the store. He wanted to know if the store removed his sign or if it was stolen. Ms. Harris told him that the store did not remove his sign.

On a later date, Ms. Harris took a phone call from a man identifying himself as "John Roberts" with the City of McKinney Code Enforcement. He asked to speak with a manager regarding the placement of a campaign sign in front of the store. He informed Ms. Harris they had permission to pull the sign and dispose of it, which they did not. Ms. Harris asked for a contact number, and he told her he was driving around locating the more than 50 signs that were put out and to call the City of McKinney Code Department if they had any questions. Ms. Harris relayed the information to Misty Crawford.

Ms. Breauhna Smith (Voluntary Statement given to the McKinney Police Department dated December 20, 2021)

Ms. Smith was a manager at RaceTrac at the time of this incident

On December 15, 2021, a guest (Mr. Frazier) entered the store, angry about a posted sign on their lot. He looked to be in his late 40s, around six feet tall, well put together, wearing boots and a button-down shirt. He wanted to speak with a manager, so Ms. Smith addressed his concerns. He informed her the campaign sign was blocking traffic and the guy who posted the sign was not supposed to. He also informed Ms. Smith that he had been cutting the signs down and that Walmart had as well. He informed her that Walmart had a civil suit against the guy. The guest kept trying to get Ms. Smith to take the sign down. He got into a gray F-150 and waited until Ms. Smith and a coworker took the sign down. After they trashed the sign, he drove off.

Mr. Dallas Luton (Voluntary Statement given to the McKinney Police Department dated December 20, 2021)

Mr. Luton worked at RaceTrac at the time of this incident.

An older white male (Mr. Frazier) came into the store and looked upset. He asked to speak with the manager, and Mr. Luton pointed her out. The white male and the manager then walked outside. The manager came back inside

CONFIDENTIAL

requesting Mr. Luton's help to take the sign down. The white male looked to be in his 50s and was tall. He was driving a newer Ford F-150, black in color.

- On December 1, 2021, at approximately 10:40 a.m., Senior Corporal Frazier enters the Neighborhood Walmart located at 3400 Virginia Parkway, McKinney, Texas, wearing a blue "City of McKinney Unique by Nature" polo shirt. Senior Corporal Frazier identified himself as City of McKinney Code Enforcement to the manager. Senior Corporal Frazier tells the manager that a sign was illegally placed and needed to be removed. Both Senior Corporal Frazier and the manager walk outside to view the sign. Senior Corporal Frazier then provides Mr. Chabot's personal number for the manager to call and have the sign removed.
- On December 1, 2021, Mr. Chabot responded to the Neighborhood Walmart and spoke with the manager. Mr. Chabot was advised by the manager his sign was illegally placed. Mr. Chabot then called the McKinney City Manager, Mr. Grimes, to verify if his sign was illegally placed. Mr. Grimes contacted Mr. Quint, who is the Executive Director of Development Services. Mr. Quint sent the Neighborhood Walmart manager an email to clarify who this male subject was, as their only Code Enforcement Officer was a female.

TEXAS HOUSE of REPRESENTATIVES

TONY TINDERHOLT
DISTRICT 94

The Honorable Andrew Murr
Chairman of the House General Investigating Committee
P.O. Box 2910
Austin, TX 78768

**RE: Requesting Investigation by the House General Investigating
Committee Into Representative Frederick Frazier**

Chairman Murr and Members of the General Investigating Committee,

Last month, the public and members of the Texas House of Representatives learned Representative Frederick Frazier pleaded no contest to two Class A misdemeanors of impersonating a public servant and pleaded guilty to a Class C misdemeanor of criminal mischief.

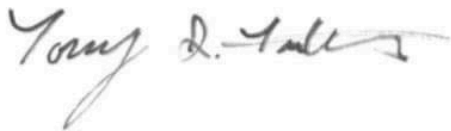

Following his plea, Mr. Frazier was dishonorably discharged from the Dallas Police Department. According to news reports, these serious and criminal charges stem from Frazier's actions during his campaign for the Texas House. I watched the video of Mr. Frazier cutting his opponent's signs down and listened to the audio of his meeting with Texas Rangers and the phone call where he seemed to impersonate a public servant.

As elected officials, our integrity must always be above reproach. I cannot imagine having a member who was dishonorably discharged as a police officer making decisions on behalf of up to 205,000 constituents and 30 million Texans and having the ability to serve on the Public Safety Committee which oversees law enforcement and TCOLE licensing across the state.

Therefore, I formally request that the House General Investigating Committee initiate an investigation to determine whether Mr. Frazier's behavior is becoming of a legislator in the Texas House.

If you have already started an investigation concerning these issues, I respectfully request that you update the Texas House immediately. If you have chosen not to do so, I would ask that you share your reasoning with the members and 30 million Texans.

Thank You,

Demand for Retractions

Frederick Frazier
321 Bachman Creek Drive
McKinney, TX 75070

To Mr. Frederick Frazier,

My name is Dr. Paul Chabot. I was a candidate for Texas State Representative in the 2022 Primary and 2022 Runoff Elections. I am writing this letter to demand that you retract false and defamatory statements about me. Further, you imply that I am lying, which in fact is defamatory.

On or about May 10th, your mailer arrived at voters mailing addresses in Texas House District 61 titled, *"Paul Chabot Very Dishonest,"* attached as Exhibit A (2 pages).

The following is false, misleading, and defamatory, "Paul Chabot is Very Dishonest." The truth is, "This statement is false because it follows with additional false statements I (Frederick Frazier) made on the same mailer about Paul Chabot which are also not true, and therefore this heading is false."

The following is false, misleading, and defamatory, "Chabot falsely claims he is now with the Navy stationed in Forth Worth." The truth is, "Chabot was and continues to be stationed with the Navy in Fort Worth."

The following is false, misleading, and defamatory because it directly implies, I am lying when you stated in the heading *"Paul Chabot Very Dishonest"* whereas your statement reads, *"In 2017, Chabot claimed he was a '100% disabled veteran' on a form to apply for 100% exemption from Texas property taxes."* **The truth is, "Paul Chabot is a 100% Disabled Veteran, and lawfully complies with the 100% exemption from Texas property taxes, which is certified by Collin County based on evidence from the United States Department of Veteran Affairs."**

The following is false, misleading, and defamatory, "Chabot applied for \$2.1 Million in state and federal grants claiming to be a drug counseling expert." The truth is, "Chabot did not apply for \$2.1 Million in state and federal grants. Rather, a corporation he works for, part-time, applied for the federal and state grants, and these two grants employ a number of people. Secondly, Paul Chabot has extensive experience and training in youth drug prevention dating back to his service beginning in 1999 in the White House Office of National Drug Control Policy where he traveled the nation and lectured about the Drug Free Communities Grant Program, D.A.R.E, Drug Endangered Children's Program, the President's National Drug Control Strategy, among others."

On or about May 11th, 2022, your mailer arrived at voters mailing addresses in Texas House District 61 titled, *"Paul Chabot has told a lot of tall tales since he ran from California to Texas, but he can't outrun the truth,"* attached as Exhibit B (2 pages).

The following is false, misleading, and defamatory, *"Paul Chabot has told a lot of tall tales since he ran from California to Texas, but he can't outrun the truth,"* **The truth is,** *"This statement is false because it follows with additional false statements I (Frederick Frazier) made within this same mailer about Paul Chabot which are also not true, and therefore this heading is false."*

The following is false, misleading, and defamatory, *"In 2017, Chabot said he was a 100% disabled veteran" to be exempt from his property taxes."* **The truth is,** *"Paul Chabot is a 100% Disabled Veteran, and lawfully complies with the 100% exemption from Texas property taxes, which is certified by Collin County based on evidence from the United States Office of Veteran Affairs."*

The following is false, misleading, and defamatory, *"Chabot claims he is now with the navy stationed in Fort Worth. The Navy says he is not."* **The truth is,** *"Chabot was and continues to be stationed with the Navy in Fort Worth."*

The following is false, misleading, and defamatory, further, what you (Frederick Frazier) have implied to the reader is, additionally, that I am criminally breaking the law, dishonest, and acting in Stolen Valor fashion in regard to VA Disability/Military Records, *"Definition of 100% disabled from the Military. A 100 percent disability rating, or total disability rating, is the highest percentage that can be given for service-connected compensation purposes. This rating is reserved for veterans with extremely debilitating service-connected conditions that typically make them unable to work and mostly unable to care for themselves. Is Chabot really 100% disabled or was he just trying to get out of paying property taxes. He has a government grant for a job. He walks door-to-door daily for his campaign. If he comes to your door, ask him!"* **The truth is,** *"Paul Chabot is a 100% Disabled Veteran discharged from Service in Iraq, in 2009, with an Honorable Discharge, then rejoined his Navy Reserve Unit. 100% disabled is not very rare and percentages that add up to 100% disabled vary on each service member's medical condition, with some service members disabilities ratings exceeding 200%. Further, Chabot was and continues to serve in the U.S. Navy Reserves, and therefore, yes, 100% disabled and active is the truth, and the Department of Defense and the Department of Navy retain countless service members with disability ratings from the VA. Paul Chabot lawfully complies with the 100% exemption from Texas property taxes, which is certified by Collin County. According to the VA, a Service Member can receive 100% disability rating for a number of injuries, which the VA computes based on thorough medical evaluations, and the injuries as in all health records of citizens, is personal and confidential. Either a Veteran has one service-connected condition that meets the 100% rating criteria specified for that condition, or the veteran has multiple service-connected conditions whose individual disability ratings combine to 100%. Further, there are 4 types of 100% disabled veterans and the Frederick Frazier mail piece lumped Paul Chabot into what they refer to as 'most severe,' with no evidence. In truth, the four types of 100% ratings, according to the Department of Veterans*

Affairs Code 3.3.40 include Service-Connected; Total Disability/Individual Unemployability; Temporary 100 Percent Disability Rating; Permanent and Total."

The following is false, misleading, and defamatory, *"Chabot says he is a drug counseling expert based on his own experience as a drug addict."* **The truth is,** *"Paul Chabot has extensive experience and training in youth drug prevention dating back to his service beginning in 1999 in the White House Office of National Drug Control Policy where he traveled the nation and lectured about the Drug Free Communities Grant Program, D.A.R.E, Drug Endangered Children's Program, the President's National Drug Control Strategy, and simply because he went through drug rehab as a child was wrong of me (Frederick Frazier) to mislead you into believing that Paul Chabot 'says' he is a drug counseling expert based (solely) on his own experience as a drug addict."*

The following is false, misleading, and defamatory, *"Recently, he applied for and received a \$2.1 million state/federal grant."* **The truth is,** *"Chabot did not apply for \$2.1 Million in state and federal grants. Rather, a corporation he works for, part-time, applied for the federal and state grants."*

On or about May 12th, 2022, your mailer arrived at voters mailing addresses in Texas House District 61 titled, *"Pop Quiz Which Paul Chabot Statement is a Lie,"* attached as Exhibit C (2 pages).

The following is false, misleading, and defamatory, *"Pop Quiz Which Paul Chabot Statement is a Lie,"* **The truth is,** *"This statement/heading is false because it follows with additional false statements I (Frederick Frazier) made on the same mailer about Paul Chabot which are also not true, and therefore this heading is false."*

The following is false, misleading, and defamatory, *"(check marked circle) All of the above Yes!!!"*. **The truth is,** *"This statement is false because it precedes with additional false statements I (Frederick Frazier) made on the same mailer about Paul Chabot which are also not true, and therefore this heading is false."*

The following is false, misleading, and defamatory, *"I am a 100% disabled veteran and qualify for zero property taxes. Chabot made this claim to Collin County Tax Assessor"* **The truth is,** *"Paul Chabot is a 100% Disabled Veteran, and lawfully complies with the 100% exemption from Texas property taxes, which is certified by Collin County based on evidence from the United States Department of Veteran Affairs."*

The following is false, misleading, and defamatory, *"I am stationed at the Navy Base in Fort Worth."* **The truth is,** *"Chabot was and continues to be stationed with the Navy in Fort Worth."*

The following is false, misleading, and defamatory, *"Give me \$2.1 million in grants and I will provide drug awareness for 750 kids. (Promise to State and Federal Officials when he recently applied for a grant."* **The truth is,** *"Paul Chabot never made this statement."*

On or about May 20th, 2022, your mailer arrived at voters mailing addresses in Texas House District 61 titled, "Professionally Frederick Frazier:" attached as Exhibit D (2 pages).

The following is false, misleading, and defamatory, *"PAUL CHABOT Claimed 100% Veteran Disability to eliminate property taxes,"* **The truth is,** *"Paul Chabot is a 100% Disabled Veteran, and lawfully complies with the 100% exemption from Texas property taxes, which is certified by Collin County based on evidence from the United States Department of Veteran Affairs."*

The following is false, misleading, and defamatory, *"PAUL CHABOT got federal anti-drug grants then did not do the work."* **The truth is,** *"Paul Chabot did not get federal anti-drug grants. Rather, a corporation he works for did receive a federal grant, and Paul Chabot is not an employee associated with the federal grant and has not received any compensation from this federal grant."*

The following is false, misleading, and defamatory, *"VOTER ALERT: While involved in California politics Paul Chabot filed false criminal allegations about a political opponent. The charges were dismissed. Don't believe Chabot's lies about Frederick Frazier."* **The truth is,** *"Paul Chabot did not file false criminal allegations about a political opponent and chargers were not dismissed. Further, Paul Chabot is not lying about Frederick Frazier, the Texas Rangers did, indeed complete an investigation regarding felony crimes related to Frederick Frazier, and Mr. Frazier has since been felony indicted twice on those initial allegations."*

Demand is hereby made that within 30 days you will: mail a retraction letter to every household that received Exhibit A, B, C and D. You will state that you made false statements regarding me (listing the false statement), followed by the corrections listed above (the truth is...). Further, you will provide proof of the mailing by sending me the following via certified mail, a) copy of retraction letter/mailer b) USPS receipt identifying number of pieces mailed, cost, method, date, payment showing "paid" c) addresses mailed, and send to my address listed on page 1, via certified mail.

Exodus 23:1 *"The Lord continued, "Never spread false rumors. Don't join forces with wicked people by giving false testimony."*

"Since a good name and a person's good reputation is such a valuable thing that can be ruined through slanderous lips, God considers it evil, and he hates it. According to James 3:15-16, the practice of slander is demonic. People who engage in slandering other people are being led by demons—not the Spirit of God." – Josh Buice, Pastor

Re: Cease and Desist from Defamation of Representative Frederick Frazier

Mr. Chabot:

This letter is a demand that you immediately cease and desist your defamation of Representative Frederick Frazier ("Rep. Frazier").

You have published emails and other messages, often forwards of defamatory statements from the Collin County Citizens for Integrity PAC, indicating that Rep. Frazier has been 'convicted' and is 'dishonorably discharged'. These statements are of course incorrect and are defamatory to Rep. Frazier.

The indisputable facts in this matter are that all criminal charges that were pending in Collin County District Court against Rep. Frazier have been dismissed. Rep. Frazier is not dishonorably discharged and is eligible for rehire as a law enforcement officer.

We demand that you immediately retract and remove, as applicable, all emails, mailers, signs, advertisements, and other materials containing these defamatory statements. Further, we demand that you issue a public retraction and correction in the same medium and manner as your defamatory statements were made. Failure to take both of these corrective measures will result in legal action being taken against you personally and anyone else that is spreading these defamatory statements.

Sincerely,

Joseph E. Legere

Attorney for Frederick Frazier
