RICHLY EXPERIENCED ... CONSISTENTLY LOYAL ... ALWAYS JUST ... NEVER DEFEATED

Real Democrats won't sell Sellers short!

Hundreds of thousands of loyal Texas Democrats remember that Grover Sellers is one man who has been consistently loyal to his party. These thinking Texans realize that the caliber of loyalty is indicative of the caliber of character essential in the man who is to govern the great State of Texas. Evidence of the people's confidence and faith in Grover Sellers is being materially manifested daily in all parts of the state by the great crowds who come and cheer when Grover Sellers speaks.

Yes, the biggest crowds come to applaud Grover Sellers for the people of Texas are determined to elect Grover Sellers Governer because they demand a progressive, high-type, executive of proved experience in the state's highest elective office.

GROVER SELLERS Candidate for Governor

Paid Political Adv.

And the people approve Grover Seller's Sound 9-Point Platform GROVER SELLERS ADVOCATES:

1. Adoption by the people in the November general election of a proposed constitutional amendment to set up a Veterans' Land Board and authorizing a fund to purchase land for resale, on long terms and at a low rate of interest, as farms and homesites for more than 100,000 ex-servicemen; legislation to make available to these veterans and other farmers the facilities of Texas A. & M. College for information and guidance, including "on-the-farm" training by the Extension De-

2. Amendment of the Workmen's Compensation Law to increase the current \$20 a-week ceiling to an amount sufficient to provide for workmen and their families during disability and to include disabled war veterans in its provisions.

3. Passage of a law that will guarantee to working women of Texas the same working conditions, the same hours and the same pay for the same service as men.

4. An immediate appropriation of funds to pay the full \$40 monthly for our aged, as provided by constitutional amendment; liberal interpretation of the term "neady" and removal of technicalities which would prevent the expressed will of the people from being carried out.

5. A four-year program to improve 40,000 miles of farm-to-market roads and laws to protect the products of the farm and ranch by honest and accurate weights, grades and prices.

6. Complete support of ALL measures to raise Texas educational standards, including substantial salary increases for teachers and increased per capita apportionment to Texas schools from the available school fund; equal educational apportunities for colored students, but preservation of constitutional provisions for segregation, with Prairie View being made a first class

7. Full cooperation in the expansion of rural electrification lines in Texas.

8. Adequate care for unfortunate children and the blind and adequate aid for state eleemosynary insti-

9. Establishment of State Health Department laboratorias to combat polio and other communicable diseases and an extensive plan for public preventive medicine, with ample funds for emergencies. Opposition to any form of socialized medicine.
