

INTRODUCING COMMUNITY GARDEN BY TOWER GARDEN®

Community Gardens are perfect for those wishing to supply fresh herbs, leafy greens, and vegetables in larger quantities. Community Organizations, churches, neighborhood associations, restaurants, schools, workplace cafes, food banks, and many more, could benefit from the experience of growing a large garden.

Community Garden

- 12 Tower Gardens and Extension Kits—336 total growing ports
- A Gravity Feed System for keeping reservoirs full and bulk growing supplies will be available.

(Community Garden Flyer for Customers with pricing is available on your Virtual Office in Forms and Resources.)
