

# SERMON OUTLINE

FIRM FOUNDATIONS

**June 6, 2021**

## **We dig down and build on the Bedrock**

When we listen to Jesus's teaching, we refuse to settle for just memorizing what He said. We ask why He said what He said and adjust ourselves until we see things His way.

**Judges 9:6-20, Psalm 78:1-4  
Proverbs 1:5-7, Luke 6:46-49  
Matthew 13:9, 7:24-28 & 8:23-27**

## **We learn to see through Jesus's eyes**

When we listen to Jesus's teaching, we refuse to settle for knowing what He said and whatever official "morals" the "experts" create for His stories. We ask why He said what He said and adjust ourselves until we see things His way.

**John 8:12,31-32; 1 John 2:3-6  
Luke 5:36-38  
(Matthew 9:16-17, Mark 2:21-22)**

## **We learn to live life Jesus's way**

When we follow Jesus's teaching, we refuse to keep stumbling around, guessing, hoping, and settling for whatever "truth" feels right at any given time. We walk in the light and invite others to join us.

**Matthew 21:28-32, 1 John 2:3-6**

**Luke 21:33**

**(Matthew 24:35, Mark 13:31)**

As always, we invite you to revisit these ideas and read all these scriptures yourself, later, in the translation of your choice. Give the Holy Spirit a chance to speak to you and help you live out these truths. There are study questions on the back to make this process even easier.
