

SERMON OUTLINE

COUNTING THE COST

July 25, 2021

Everything belongs to Jesus

When He tells us to count the cost, He's making sure we understand that we are surrendering *every* part of our lives. Jesus expects His disciples to leave *everything* to follow Him.

Matthew 13:44-46, Luke 14:25-33

We must submit to His control

God loves to answer His people's prayers, but He rarely answers them our way or on our timetable. Truly wise people choose to submit to God. They do this no matter the cost, and no matter what they think or feel.

Luke 16:1-13 & 18:18-30
