SERVING FAITHFULLY

August 1, 2021

We must live purposefully

A clear sense of purpose shines through all the Kingdom stories, and Jesus made it clear that His followers live for Him and like Him. The individual purposes He gives us are always selfless and others-focused—never a selfish or self-idolatrous.

Luke 9:24 & 18:9-14

Matthew 21, Hebrews 11-12

We must serve faithfully

When we fully commit to Jesus and His Church, we find unity in our shared purpose. We are transformed as we work together, daily choosing to accomplish His will. Every person matters and every skill and resource is needed. The daily choice to keep going transforms us and forges powerful relationships that change their world.
