CASE NO: 2017-A-62

DA Chandler Harris told a jury that rock-solid child sex abuse allegations were a "red herring" distraction and that Austin Davis was an obsessed knight "in the mold costume of donkey hood" swinging at windmills-- as a "Mann Act" Federal crime cover-up proceeded brazen in a Tennessee Court.

STATE'S RESPONSE TO DEFENDANTS MOTION FOR NEW TRIAL

Comes now, the Office of the District Attorney General, prosecuting on behalf of the State of Tennessee to respectfully request this this honorable Court deny the defendant's "Motion for New Trial," and respectfully submits the following:

PROCEDURAL HISTORY

The defendant was arrested for the offense of Criminal Trespass on November 15, 2015. The defendant made bond, and his case was subsequently set three different times before it was bound over via preliminary hearing on April 20, 2016 before General Sessions Judge Casey Moreland. The Davidson County Grand Jury returned a true bill on charges of Aggravated Criminal Trespass on August 5, 2016 and the defendant was arraigned on August 24, 2016 in Division I Criminal Court in Davidson County. On January 30, 2017, the Davidson County Grand Jury returned a superseding indictment in case 2017-A-62 on charges of Aggravated Criminal Trespass. The defendant was represented by defense counsel Lauren Wills from General Session through his initial arraignment, his superseding indictment, and until March 10, 2017 where the defendant waived his right to counsel and elected to proceed pro se. Case 2017-A-62 was tried starting on September 11, 2017, and a jury returned a guilty verdict on September 12, 2017. The defendant was sentenced to 11 months and 29 days supervised probation and required to attend

How many cases did Casey Moreland assign to Lauren Wills?

Mr. Harris was provided exculpatory Covenant Board Minutes via Discovery. Judge Thomas Brothers provided DA Funk "Mann Act" evidence on Sept 27, 2018.

Judge Thomas Brothers acted swiftly to provide sworn trial testimony to DA Glenn Funk from a related \$2.1 million civil trial. A "Mann Act" Federal crime cover-up is still on-going before Tennessee Appellate and criminal courts.

SUBJECT: CONVICTION REVIEW UNIT

DATE:

Scott Troxel's unapproved "trespass" letter was based upon an alleged "threat" by Austin Davis. Judge Blackburn did not agree with Scott Troxel and Asst. DA Harris that Austin Davis was a potential mentally ill "mass shooter" threat. Judge Blackburn released Austin Davis from 18 days in jail the day after 26 people were murdered at Sutherland Springs Church in Texas on Nov 5, 2017.

The Conviction Review Unit (CRU) began operations December 29, 2016, as a part of the Davidson County District Attorney's Office. The Protocols developed by this office for the establishment and operation of the CRU are as follows:

Introduction

It is the prosecutor's duty to protect the innocent before, during and after trial. The prosecutor is to seek truth and justice, not merely obtain convictions. Tennessee Supreme Court Rule 3.8 sets forth the special responsibilities of a prosecutor and includes the following:

When a prosecutor knows of new, credible and material evidence creating a reasonable likelihood that a convicted defendant did not commit an offense of which the defendant was convicted, the prosecutor shall:

- (1) if the conviction was obtained outside the prosecutor's jurisdiction, promptly disclose that evidence to an appropriate authority, or
- (2) if the conviction was obtained in the prosecutor's jurisdiction, undertake further investigation, or make reasonable efforts to cause an investigation, to determine whether the defendant was convicted of an offense that the defendant did not commit.

When a prosecutor knows of clear and convincing evidence establishing that a defendant was convicted in the prosecutor's jurisdiction of an offense that the defendant did not commit, the prosecutor shall seek to remedy the conviction.

John "Free Pass" Perry

Asst. DA Chandler Harris taunted Austin Davis with a "GOTCHA" basketball illustration and mocked serious child sex abuse allegations as a "myth." Judge Cheryl Blackburn and Gov. Mike Huckabee do not agree with Scott Troxel's and Mr. Harris' assessment that Austin Davis is a potential mentally ill "threat."

Scott Troxel framed Austin Davis as a potential "mass shooter" threat to protect a child-molester.

Scott Troxel invoked the Sandy Hook mass shooting of elementary school children to further defame and wrongly convict Austin Davis. DA Harris also referred to the child sex abuse allegations as "myths", even though DA Harris heard Scott Troxel's sworn testimony that John Perry was a child-molester.

Per the sworn testimony of child sex abuse therapist, Caroline Post Cone, Covenant Pastor Larry Ferris knew John Perry was a child-molester in April 2008, about 90 days before Scott Troxel wrote his rogue, unapproved counterfeit "trespass" letter.

12 A. April.

16 do you know who it was in the church that called

18 A. One of the pastors.

19 Q. Do you remember who?

20 A. I believe it was Pastor Ferris.

21 Q. Pastor Larry Ferris? Pastor Larry Ferris

23 A. Yes, sir.

8 Q. (BY MR. DAVIS) Did you know other

12 Q. Yes, the safe house, and there were other
13 children, put back in his house, little girls,
14 small kids.

15 A. I did not know that.

16 Q. Yes. That was done in 2002 ---

3 Q. (BY MR. DAVIS) As a person that deals
4 with people who have been molested, is that a
5 concern to you?

6 A. That it was a safe house?

7 Q. No, that REDACTED had children that the

2027. MANN ACT

Cases arising under the Mann Act, 18 U.S.C. § 2421 et seq., are investigated by the Federal Bureau of Investigation... Sections 2421 to 2423 of the Act set forth several offenses including the offense of knowingly transporting any individual, male or female, in interstate or foreign commerce or in any territory or possession of the United States for the purpose of prostitution or sexual activity which is a criminal offense under the federal or state statute or local ordinance. Section 2423 is concerned solely with the transportation of minors under the age of 18 years and provides for an enhanced penalty. This section should generally be used when minors are victims, although the other two sections also cover minors ("any individual").

18 U.S. Code § 3283. Offenses against children

No statute of limitations that would otherwise preclude prosecution for an offense involving the sexual or physical abuse, or kidnaping, of a child under the age of 18 years shall preclude such prosecution during the life of the child, or for ten years after the offense, which ever is longer.

- 1 I know an RUF campus pastor who is currently ministering to seventeen students who were
2 victims of child sexual abuse. Not seventeen over the life of his ministry – seventeen current
3 students in his RUF chapter. Let that sink in for a minute.
4
5 I know two pastors who have had their daughters sexually assaulted in the PCA churches
6 they were serving at the time. One of my best friends knows a man who was found to be
7 serially molesting his own granddaughter. This man is a long-time PCA member and has
8 been a leader in Bible Study Fellowship. I could tell you many other stories of abuse from
9 people I know personally.
10
11 I know of multiple cases where the PCA church did not report the abuse. One of the two
12 PCA pastors I mentioned, the elders and the pastor at the time knew about the abuser was
13 guilty of child rape but did not call the authorities. When my friend was called to come
14 pastor the church he knew something was not right in the church, but before he could figure
15 it out his own young daughter was sexually assaulted by the same abuser.
16
17 Dr. Diane Langberg told me this story personally. Several years ago the then current head of
18 woman's ministry in the PCA was talking with Dr. Langberg about child sexual abuse. She
19 said to Dr. Langberg, "I'm so glad we don't have this in the PCA." Dr. Langberg told her at
20 her next women's ministry conference to list child sexual abuse as an issue faced by women
21 and see what happens. She said don't even mention it, just list it in one of the handouts. A
22 few months later the head of women's ministry called Dr. Langberg and said, "What do I
23 do? They are coming out of the woodwork!"

13 Q. Okay. At time was this letter 27

15 **LIE.** A. Yes, it was. In the last -- second to
16 last sentence it says, "Next Sunday would be an
17 appropriate time for six years of lies and slander to
18 come to an end".

19 Q. And do you recall what the
20 interpretation of that sentence was to the Session
21 back in 2008?

22 A. Well, we really didn't feel like we
could -- we had room to interpret it specifically.
But we had members of the body that were very
concerned about their safety, about their family's
safety. Because like I said, this letter didn't just 28
come to the Session, it went to everybody in the
church. **LIE.**

LIE. Scott Troxel wrote his unapproved letter on June 27, 2008. The police were used on the Davis family on July 2, 2008. The Session was finally told lies about Austin Davis on July 14, 2008. See Board Minutes and Police reports later in this link.

LIE. There was NO June Session meeting in 2008. Scott Troxel went "rogue" and lied to cover-up child sex abuse.

3 So there were parents that were
4 concerned about the safety of their children because
5 just -- you know, in 2008 as well as now there is
6 always concern as far as somebody taking a vendetta
7 to a violent end. We didn't think that would
8 ultimately be what would happen, but we didn't feel
9 like we could assume that and our members were asking
10 for us to make sure that they were going to be safe.

LIE. Pastor Jim Bachmann wore a bullet-proof vest but the children weren't provided protection?

11 Q. So there was a ground swell or a

LIE. The Deacons and most people new nothing about any letters or a secret armed security unit.

14 A. Yes.

15 Q. And I will ask you this: Are you aware,
16 was Mr. Davis a member of the church at the time this
17 letter was sent?

18 A. No.

19 Q. So he wasn't even attending there when
20 this happened?

21 A. Correct.

LIE. The Davis family attended on a regular basis.

Dear Catherine,

The Session of Covenant Presbyterian Church hereby provides notice that you are no longer allowed to attend our worship services or other church events. After many years of meetings, emails, and letters we regret that our differences are irreconcilable and your presence and accusations are no longer tolerable.

Because you have clearly stated that your purpose in attending is to hear a public apology from our senior pastor, and because no such apology is justified or forthcoming, we insist that you not return to the church property and worship elsewhere.

Sincerely,

Ronald P. Kimery, acting clerk of Session

Dear Catherine,

During the July meeting of the Session your recent communication requesting an apology was discussed. It is clear that your view of events and the Session's understanding of the same events are dramatically different. In one form or another you have had serious disagreement with the leadership of Covenant Presbyterian Church for over eight years. Over the course of those years you have voiced your disagreements, the Session has looked into them, and spent many hours discussing them with you and other family members. It has long been apparent that we have a fundamentally different perspective on the issues involved. After discussion of your latest request, the Session decided that we will no longer respond to communications from you, Austin, or other family members regarding past actions. Any communication in the future from you, letters, emails, etc., should be addressed to the Clerk of the Session.

Yours truly,

**Herb Kneeland
Clerk of the Session**

**HERB KNEELAND PROSECUTED A FALSE ARREST
TO COVER UP A MANN ACT FEDERAL CHILD SEX
ABUSE CRIME.**

PROSECUTOR: Herbert Kneeland
DEFENDANT: Willie A Davis
VICTIM: Covenant Presbyterian Church

STATE OF TENNESSEE, COUNTY OF DAVIDSON
AFFIDAVIT
AGGRAVATED CRIMINAL TRESPASSING
T.C.A. 39-14-406

Personally appeared before me, the undersigned, [Select one] ☒ Commissioner, ___ Metropolitan General Sessions Judge, the prosecutor named above and made oath in due form of law that [Select one] ☒ he ___ she [Select one] ___ personally observed ☒ has probable cause to believe that the defendant named above on 11/15/2015, in Davidson County unlawfully did enter or remain on the property of another knowing that he did not have the owner's effective consent to do so and the defendant intends, knows or is reckless about whether [Select one] ☒ his ___ her presence will cause fear for the safety of another and the offense was committed [Select one] ___ in a habitation ___ in a building of any hospital ☒ on the campus, property or facilities of any private or public school or ___ in any other type of property.
The probable cause is as follows:

ON 11/15/2015, OFFICERS RESPONDED TO A REPORT OF A TRESPASSER AT THE CHURCH AT 33 BURTON HILLS BLVD. OFFICERS MADE CONTACT WITH THE DEFENDANT AFTER HE HAD BEEN DETAINED BY **CHURCH SECURITY**. OFFICERS WERE PRESENT AT A PREVIOUS INCIDENT WHEN THE DEFENDANT WAS NOTIFIED THAT HE IS BANNED FROM CHURCH PROPERTY, AND CHURCH OFFICIALS ADVISED HIM THAT ONE OF THE REASONS FOR HIM BEING BANNED IS **PREVIOUS THREATS** THAT CAUSE CHURCHGOERS AND ADMINISTRATORS TO FEAR FOR THEIR SAFETY AND OTHERS. THE CHURCH ALSO HAS SENT THE DEFENDANT A WRITTEN NOTICE THAT HE IS BANNED FROM THE PROPERTY. BECAUSE OF PREVIOUS ISSUES, INCLUDING **THREATENING COMMUNICATIONS**, THE CHURCH WAS FORCED TO ADVISE ITS **SECURITY OFFICERS** TO NOTIFY POLICE IMMEDIATELY WHEN THE DEFENDANT COMES ON THE PROPERTY.

SGT. HOLLEY

THE DEFENDANT WENT TO MIDTOWN HILL POLICE PRECINCT TO SEE IF THE CHURCH HAD A TRESPASS WAIVER ON FILE BEFORE HE WENT TO THE CHURCH.

The two trespass notices were fake, and the "threatening" communications is a lie.

Prosecutor: Herbert Kneeland
