IV. New Business

A. Fall Scenario Discussion

Shelly shared parent survey results up to this point. 171 families have responded so far.  
Clarified items from the state - Elementary definition is Prek-grade 6,

Regional guidance team will be in place August 25

Committee talked through several situations about what the return to school could look like.

Shelly and Chad have gone through the building to make sure it is ready, and a consultant has been advising in the area of air quality.

Classes will spend as much time outside as possible.

Continue to look at K-3 using Seesaw and 4-6 Google Classroom for any distance learning.

Focus on Caring Classrooms to build relationships in classrooms.

Discussion held on ways to cover staff in the event someone gets sick or needs to quarantine.

MDH will provide training items and may look at contracting with a school nurse.

Grade levels will need to plan together to be prepared for switching between scenarios.

B. August PD

Teachers will be getting curriculum stipends to complete work in August. More information is coming soon on this.

We will hold BAS testing as planned
