F. EE Instruction- Two interviews were held that did not work out. We are now working with Wolf Ridge to have a staff member or two provide EE for a 16 week period. They would work in a rotation just like Phy Ed, Music and Art. This is still a work in progress to see what Wolf Ridge is able to provide for us. The target is to have some grades start receiving EE the week of November 9. More information will follow once the details are worked out.

G. ELP Review - Grade levels are looking over their ELP goals. Goal one is the all school goal which can be done by hybrid and distance learners easily. Kristi will share the Outdoor learning log with teachers and give some directions on filling it out. Just track dates and numbers for now. Don't worry about totals at the end.
