D. Monday, Jan. 4 Staff Dev. Day

Cultural Sensitivity training? - There are new requirements for relicensure that include clock hours on this topic. Committee will look into options that would be approved training. We will keep this on the radar for future staff development days. There may be some options for people on Jan. 4th though if interested.

Individual training and submit hours to Sheri (between 1-6 hours can be submitted) - Staff can choose what their needs are and work on that this day.

If you are doing individual training for clock hours - turn in your hours to Sheri. Training can also happen over break if you want. An email will go out about this.

E. Distance Learning discussion- This is the plan IF we are still distance learning at the beginning of January.

Teachers should have all paper packets ready to go by Monday, January 4th for distribution that day. You would have materials for January 5-8 ready to go.

If you are not making your own copies, they need to be in the office by December 23rd at noon!!!!

Then on Wednesday, January 6 packets should be prepped and ready to go for the week of January 11-15. These will be distributed on Thursday, January 7.

We will focus on one week at a time.

Other - Make sure you scanned conference reports/report cards to parents.

F. Snow Days with different learning models - We will still have snow days if buses can't run for Tier 1 students. Chances are those teachers who are working from school would not be able to get to work either in this scenario.

G. Cancel Dec. 23 meeting? - We will leave it scheduled for now in case something comes up. If nothing does come up, it will be canceled by Friday, December 18 at 3:00pm.
