

# Quick Start Guide

## Get the App

New users are required to complete a simple, one-time registration process. Once you complete the initial registration process, only your user name and password are required for future visits.

To begin, go to your phone's app store and search for "WhichWay". Install the app and you'll be on your way!

## Register with WhichWay

Once you have the app installed, you'll need to register with WhichWay. On the following screens, you will be prompted to fill out:

- First & last name
- Date of birth
- Email address\*
- Password

\*Your email must match what WhichWay has on file.

# Verify Your Email

With the in-app registration complete, all that is left to do is verify your email.

Open your email inbox and click the link to make it official. Your email will serve as your user name, so make sure to remember this along with the password you input earlier.
