Get Help From StudyGrader As A Student

Below are the simple steps you can follow to get your homework and assignments efficiently done.

Register Or Login

If you have never used their services before, the very first thing to do is to create an online account with them. During account creation, they will require you to provide them with the individual details that will help them uniquely identify you as their customer. Do not fear to share your details with them. They keep them private and confidential, and they will not leak any piece of your personal information. If you already have an account with them, simply login to the account to access their services.

Post Your Homework Or Assignment

Provide them with a brief but comprehensive narrative of the requirements of your task. At this stage, select the subject and also set the time frame for your homework.

Choose A Tutor To Handle Your Work.

They give their clients the privilege of selecting the expert the clients wish to handle their work. All they do is to provide you with a list of tried experts that match your area of specialization

Get The Help You Desire.

Their policy is to ensure complete engagement with their customers. As a learner who needs help, StudyGrader gives you an avenue to directly reach your tutor for clarifications. Here, you can review the assignment until you are fully satisfied.

Do You Have The Skills And Want To Make Some Extra Cash? Register As A Tutor

StudyGrader also allows applications for tutoring positions. Their recruitment process is very free and fair. They subject their shortlisted candidates to a series of thorough assessments and evaluations to ensure they get the best of the best. They will require the applicants to attach copies of their academic qualifications as well as other relevant testimonials. Their site prefers native English speakers and writers for the best quality work for their clients.
