Respondus LockDown Browser Required

This quiz requires Respondus LockDown Browser. Please launch Respondus LockDown Browser to take this quiz or view your quiz results.

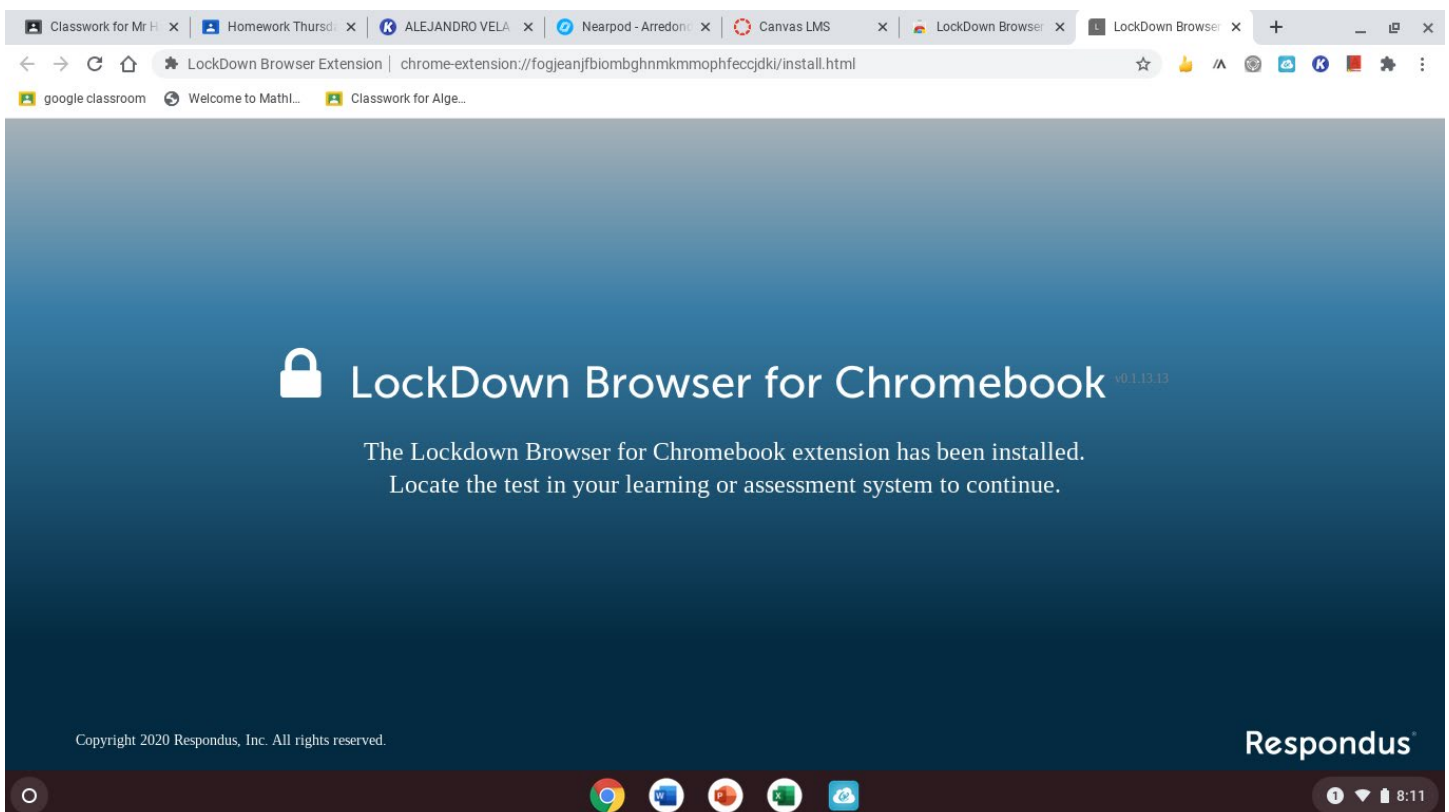

If you have not already installed the browser, please download it from here: [\[Download Respondus LockDown Browser\]](#)

Click the Link

5. The Chrome Web Store will open in a new tab. Click the blue **Add to Chrome** button.

6. When the LockDown Browser has finished installing, you will see a confirmation message. Close the tab on your browser and return to your exam in Canvas.

7. Click the blue **Take the Quiz** button.

The screenshot shows a web browser window with multiple tabs. The active tab is titled "test Quiz - Requires Respondus LockDown Browser + Webcam". The address bar shows the URL: laredo.instructure.com/courses/1495590/quizzes/2466965?module_item_id=19052879. The page header indicates the course is "Hannah Test Course (Academic)" and the quiz is "test Quiz - Requires Respondus LockDown Browser + Webcam". A sidebar on the left contains navigation links: Home, Account, Dashboard, Courses, Calendar, Inbox, Help, Quizzes, Modules, Conferences, Collaborations, Chat, Library, and Learning Center. The main content area displays the quiz details: "Due No due date", "Points 1", "Questions 1", and "Time Limit None". Below this, the "Instructions" section says "take the test". A blue button labeled "Take the Quiz" is prominently displayed, with a yellow arrow pointing to it. A "Next" button is visible at the bottom right of the main content area. The browser's taskbar at the bottom shows icons for Chrome, Word, PowerPoint, Excel, and OneDrive, along with system icons for network, battery, and time (8:10).

8. You will see a brief setup screen.

The screenshot shows a dark gray screen with the text "Please wait as we setup the exam..." in white. Below this text, a small black box contains the instruction "Press F11 to exit full screen". A small white dot is centered below the instruction box. At the bottom left of the screen, a small white box contains the text "Waiting for smc-service-cloud.respondus2.com...".

9. If your exam requires Respondus Monitor, you will begin the webcam setup process. Follow the steps.

Terms of Use

RESPONDUS MONITOR
STUDENT TERMS OF USE

These Terms of Use ("Terms"), which incorporate the [Respondus Help Center Terms of Use](#) ("Help Center Terms") included at the end of these Terms, are an agreement between you and Respondus, Inc. ("Respondus"), and between you and your learning institution, or your school ("your Institution"), regarding your use of Respondus Monitor®. By using Respondus Monitor, you agree to these Terms in full and that you are age 14 or older, or age 16 or older in the EEA.

Respondus Monitor is a cloud-based service ("Respondus Monitor Services") and software ("Respondus Monitor Software") (also collectively referred to in these Terms as "Respondus Monitor"), that work together to provide an online interactive database of video, audio, and other data captured during student assessment sessions for use in monitoring students.

The Respondus Help Center is a group of services ("Help Services") provided by Respondus, Inc. that enable users of LockDown Browser and Respondus Monitor to troubleshoot technical issues. The Help Services include, for example, a webcam check, system check, the ability to report an issue to Respondus, and links to a knowledge base and technical support.
