

FOGG Running To Congress

Hello **Constituents, Friends & Supporters** all across [America and around the world](#), observing my platform below.

I am [seeking your vote and/or contributions](#) not as a politician but as a **Political Activist** who will not be the same in our U.S. Congress like others present or past. I am a [proving warrior](#) who has **challenged major government wrongdoing and no other candidate for this office has done that!**

I testified In Annapolis MD. for legislation introduced by [Senator Jill P. Carter to hold Maryland police accountable to misconduct](#).

Our U.S. Congress is a known hostile environment **"for the people"** and we need to elect **Representatives who will cry loud and spare not, "for the people"!**

[Look at my historical background](#) and/or just **'Google'** my name and know that when elected my [platform will not lay dormant](#) like so many politicians who make empty promises!

BUT, I need your support with **votes and/or [monetary contributions](#)** no matter how small or large and/or, if you reside in my Maryland 4th District (Prince Georges & Anne Arundel Counties) **and/or elsewhere in these United States**.

Support Me And We Will Get The Job Done, Period! I Will Not Sit Back As A Freshman Representative and Wait While [Our Children Are Gunned Down While Crying & Calling 911 \(Uvalde, Texas\)](#) in Our Rural or Urban Schools & Neighborhood and our seniors ignored, we face skyrocketing taxes, crime and housing cost. I wrote a poem ["Who Else Do You Need"](#) that portrays my inner drive and peace!

[On 9/11, I spontaneously placed life and limb in grave danger](#) to save others in New York City at the [World Trade Centers](#) and I apprehended many of Americas Most Wanted Fugitives **AND** I promise you, I will represent every person on American soil the same, when elected to serve you in Congress!

My Platform Is Full Speed Ahead The Day I Am Elected! **End of Story!** Thanks and GOD BLESS YOU and YOUR support!
