

God lives in Heaven...He is a supernatural spiritual being. He created all things.

Everything in Heaven and on earth, and all creatures in them...Angels, humans, animals, flowers, trees, stars, moon, sun...**EVERYTHING.**

God created the Most Beautiful Angel in Heaven ...His name was Lucifer.

God gave Lucifer power and beauty in Heaven.

Lucifer then became full of pride and ego.

He started thinking he could be like God....He wanted to be God!

So He started going around Heaven telling all the Angels that he was going to become God and he would give them power too.

1/3 of all the angels in Heaven believed him.

God saw all of this.

But He waited to see who would betray Him.

When they all made their choice...God threw them all out of Heaven on a strike of lightning!

He sent them into the atmosphere of Earth.

But we, and all humans beings were not on Earth yet.

We all lived in Heaven...but we were spirits, without a physical body.

Lucifer and all the angels knew us....and they knew God was planning to create us in His image with a

Free Will and ability to create like Him,

and that we would have power and authority over the angels including Lucifer.

Are you listening?

So God decided to create Earth and He was going to send our spirits to earth to have a physical life..

But He also knew that Lucifer...who became Satan, because he turned evil and rebelled against God,

would tempt Eve in the garden of Eden on Earth.

God had a plan for this....

He knew sin would enter the world through Satan, and though Eve's sin---this is why we live in a sinful

fallen world...with hate, murder, poverty, etc...It's the curse of sin caused by Satan.

Listen. This is very important. God wants you to know so you can be saved.

Satan and the other fallen angels still live in Earth's atmosphere.

They are invisible to us, because they are spiritual, but they are all around us in this world.

They whisper in people's ears....Murder him, yell at her, do this and do that....Very bad things.

They get men to create false religions to lead people away from the true God. The GOD of the Bible.

But God gave each of us a special Guardian Angel when He sent your spirit to Earth.

You have an Angel that is with you all the time.

The devil will try to attack you...He will say things into your mind that are lies.

The devil wants all humans to be sad, in pain, and angry...so they will not turn to God and have the peace of God protecting them.

Satan hates you and all humans because He knows how special you are to God.

Because of the curse of sin, God made a plan to free you from the curse.

Because life is in the blood, God requires a sacrifice of life, in order to atone for the sin.

Now I will tell you about Jesus.....then you will know the whole truth.

Jesus lived in Heaven when God created Heaven and Earth.

Before He left Heaven to come to earth he was not a man.

He was a spiritual being....The all knowing creative force of GOD(life) called The Word.

Angels in Heaven still call Jesus The Word.

When GOD spoke..."Let there be light".....Jesus(The Word) created it all with supernatural powers.

From the Bible, "In the beginning was the Word, and the Word was with God, and the Word was God."

John 1:1

GOD, is a Holy Trinity....Father, Son(TheWord,Jesus) and Holy Spirit

Holy Spirit is the powerful Voice of God, and His Holy presence in the Earth.

When you know are in close relationship with God, the Holy Spirit will come to be with you all the time.

You can only have access to GOD and His Holy Spirit, but knowing this, and accepting Jesus who came from Heaven to die for your sins, to free you from the curse of sin, as Your LORD and Savior of your soul.

Jesus was not a man or a prophet man...He was GOD in flesh, fulfilling God's Salvation plan for all of His children. He is the Father of all spirits. He is the Father of us all.

Do you understand this?

Jesus was crucified...Then His spirit went to Satan, and took his power from him...Satan lost all his power when Jesus died for us. Then 3 days after Jesus, became Eternal Spirit again....ALIVE!

All of us, who understand this and believe in Jesus, and love and thank Jesus for doing this for us, will also receive Eternal Life...and we can return to Heaven to be with GOD our true Father forever.

Heaven is a real place...

You will eat, and play, and dance and sing...You will have millions of best friends....All animals are kind and friendly.....It is a pure place with no evil, no sadness, nothing bad of any kind. You will never age or die. You will live in this perfect place for all eternity with unending happiness.

Only if you accept what Jesus did for you...If you believe that He died for your sins...and because He died for your sins, you are forgiven...and then you can enter Heaven, and be protected by God now, on Earth until your time comes to die.

You must pray to God with all your heart this prayer.

If you truly believe, you will be saved and Holy Spirit will come to be with you now.

GOD Bless You. Jesus loves you. He told me today to share this with you for this purpose.

Here is **Jesus**.
