He turns off his car and looks around the neighborhood, holding a phone to his ear.

AARON:  
Yes, mom I'm home

We hear a woman's voice on his phone, he nods his head in agreement

AARON: (CONT'D)  
I'm assuming dad won't be home til  
late then?

He walks up the steps and towards the door. He pulls out a set of keys and inserts it into the doorknob, unlocking it.

INT. AARON'S HOUSE - LIVING ROOM - CONTINUOUS

AARON:  
Well, I'll be here when you get  
home, love you

We hear the woman say "love you too" as Aaron pulls the phone away from his ear and hangs up.

His bedroom walls are covered with anime posters, his desk has papers scattered with his laptop at the center, he plops down on the bed as he hears his phone ring

he picks it up, it says "Johnny" and he answers it.

AARON:  
Hello?

JOHNNY(V.O):  
Hey man, what're you up to?

AARON:  
Nothing much, as usual my mom is  
working late and my dad is off  
somewhere

JOHNNY:  
Damn, want me to come over?

AARON:  
Nah, it's all good, my dad should  
be home in a little while and if  
he's not, I'll give you a call

JOHNNY:  
Alright man, let me know what  
happens

AARON:  
Alright

JOHNNY:  
Bye

AARON:  
Bye

Aaron hangs up, he gets back to editing when his phone rings  
again, he answers

AARON: (CONT'D)  
Johnny, seriously, I'm fin--

VOICE (V.O):  
Hello?

Aaron is confused

AARON:  
Oh sorry, I thought you were  
someone else

VOICE:  
It's alright, is Finn there?

AARON:  
Finn? My dad?

VOICE:  
Yeah, I'm one of his work buddies

AARON:  
Oh, he's not here right now but  
I'll tell him you called

VOICE:  
Wait, can I ask you a couple  
questions?

AARON:  
Ok, what kind of questions?

VOICE:  
Well, your dad always talks about  
how you're such a horror fan, mind  
if I test you?

AARON:  
Why?

VOICE:  
I mean.... You have nothing better  
to do right? What's a better way to  
past the time?

AARON:  
I guess I'll play along

VOICE:  
Goodie, alright question 1:what are  
the three most despised Horror  
movies?

AARON:  
That's easy, any of the Wrong Turn  
movies, Thankskilling 3, and Seed  
of Chucky

VOICE:  
Correct, good job Aaron, you might  
actually make it

Aaron catches that last bit, he sits up, intrigued.

AARON:  
What did you say?

VOICE:  
I said you just might win

AARON:  
That isn't what you said

VOICE:  
Question 2: What is the dumbest  
horror movie rule?

AARON:  
That's easy, never say I'll be  
right back

VOICE:  
Correct, now here's the final  
question: which window am I going  
to smash with your father's corpse

Aaron sits up from his bed, and looks out the window

AARON:  
Who are you

VOICE:  
Wrong answer

SMASH

Aaron hears the commotion right outside his room

His face darkens, he looks at his door and opens it, he looks  
around his house, and goes downstairs

INT. AARON'S HOUSE - LIVING ROOM - CONTINUOUS

Aaron looks around the living room, everything seems normal,  
he turns around to find the kitchen light off

INT. AARON'S HOUSE - KITCHEN - CONTINUOUS

He looks around and tries to turn the light back on but  
fails, he sees a figure on the ground

AARON:  
Who the hell are you?

VOICE:  
I'm the last person you'll ever see  
alive

Aaron hangs up and locks his front door, he bends down to  
turn the body over, he is stunned.

It's his father, Finn, stabbed multiple times and throat  
slit, Aaron jolts back in shock, trying not to vomit.

From behind, we see GHOSTFACE walk out of the closet and walks towards Aaron.

He lifts his blood-soaked knife in the air and right when he is close to Aaron, a creak in the floorboard is heard

Aaron turns around and sees Ghostface, he screams

AARON:

Oh fuck

Aaron dodges and just barely misses the blade, the knife gets stuck in the floor

AARON: (CONT'D)

What the fuck?

INT. AARON'S HOUSE - LIVING ROOM - CONTINUOUS

Aaron makes a run for it and goes for the back door but Ghostface grabs his hair and pulls him to the ground, stunning him.

Ghostface grabs the knife and goes towards Aaron, Aaron quickly gets up and throws a lamp at him, shattering on impact

AARON:

Fucker

Aaron runs upstairs and locks his bedroom door, he grabs his phone and dials 911.

DISPATCHER (V.O.):

911, what's your emergency?

AARON:

I need help, there is someone in my house and they murdered my dad

DISPATCHER:

Are you somewhere safe?

AARON:

I locked myself in my room but I don't know if the door will hold

DISPATCHER:

Sit tight, we're sending someone right away

AARON:

Please hurry

The dispatcher hangs up, Aaron looks around his  
 ngs up, Aaron looks around his room, looking for a weapon, as  
 he's doing that his ringtone blares from his phone.

Aaron picks it up and holds the phone against his ear.

AARON(TEARFULLY):  
 Please, stop, you made your point  
 now leave me alone

VOICE:  
 Oh Aaron, that isn't how this works

AARON:  
 Cops will be here any minute,  
 asshole

BANG, BANG BANG

Aaron hears Ghostface kicking in the door, Aaron looks around  
 desperately.

AARON: (CONT'D)  
 What do you want with me?

VOICE:  
 I want to make a statement

The voice hangs up. Aaron runs to his window and opens it.

he climbs out onto his balcony as Ghostface busts into the  
 room.

Hiding on the balcony, Ghostface looks around, breathing  
 heavily in the mask.

when sirens are heard, Ghostface seems to run away, relieving  
 Aaron.

Aaron runs towards the banister, trying to wave down the  
 police.

AARON:  
 PLEASE, HELP

From behind, Ghostface runs up and stabs Aaron several times  
 in the back, he turns him around.

Out of desperation, Aaron pulls the mask off, we don't see  
 the face but Aaron does, shock washes over his face

AARON: (CONT'D)  
 what... the ... fuck

Ghostface stabs him in the gut, blood pours out of Aaron's body as Ghostface throws him off of the balcony, the camera focuses on him falling

the impact kills him, the camera zooms in on his body as Ghostface leaves, leaving the mask behind.

INT. OWEN'S HOUSE - OWEN'S ROOM - NIGHT

OLIVIA:

Damn it

OWEN:

What?

OLIVIA:

I still can't figure out this equation

Owen laughs and looks at her book

OWEN:

Ok, if  $2f(x) + f(1 - X) = X^2$  for all  $X$ , then what is  $f(x)$ ?

Olivia looks at Owen, confused

OLIVIA:

I'm sorry, you lost me

Owen laughs

OWEN:

You just gotta work it out

OLIVIA:

I did and it is nowhere near the right answer

Owen looks at her paper, and laughs

OLIVIA: (CONT'D)

What? is it wrong?

OWEN:

No, you got the answer right

OLIVIA:

Oh

OWEN:  
Hey, at least you wanted to make  
sure

Owen and Olivia laugh, they hear a door open, it's Matt

MATT:  
Hey guys

OWEN:  
Hey Dad

OLIVIA:  
Hey

MATT:  
What are you two up to?

OWEN:  
Just studying

MATT:  
Cool, I'm gonna head to bed, I  
gotta go to an appointment out of  
town tomorrow so please keep the  
noise down

OWEN:  
When will you be back?

MATT:  
I'd say about two days, the guy  
said his car was in rough shape

OWEN:  
Alright, we'll wrap up

MATT:  
Thank you, good night you two

OWEN:  
Night dad

OLIVIA:  
Goodnight

Matt closes the door, Olivia closes her books and so does  
Owen, they both get up and walk to his door

OLIVIA: (CONT'D)  
Are you nervous?

OWEN:  
about?

OLIVIA:  
The test

OWEN:  
Not really

OLIVIA:  
Of course you're not

Owen laughs

OWEN:  
I'm guessing you're nervous?

OLIVIA:  
I mean....this is a pretty big  
test, Owen

OWEN:  
I know but I also know that you'll  
do great

Owen kisses Olivia, she opens the door

OLIVIA:  
Goodnight, Owen

OWEN:  
Goodnight

Olivia closes the door, Owen gets in his bed

SMASH TO:

INT. SCHOOL - SCHOOLYARD - MORNING

Johnny (18) and Ryan (18) are sitting together, Johnny  
notices something odd

JOHNNY:  
Where is Aaron? he was supposed to  
send me the podcast episode last  
night

RYAN:  
He probably slept in today

Owen and Olivia walk towards them

JOHNNY:  
Have you guys seen Aaron?

OWEN:  
No, he's not here?

JOHNNY:  
That's strange

OLIVIA:  
I'm sure he's around

JOHNNY:  
I don't know, I have a funny  
feeling

RYAN:  
We'll go by his house after school

OWEN:  
Huh, Louis is usually here

JOHNNY:  
Why

OLIVIA:  
he always watches over us on the  
anniversary

RYAN:  
Oh shit, I forgot about that, are  
you guys going to the ceremony

OWEN:  
We can't, Phil is making us work  
late and we're gonna be packed

JOHNNY:  
I'm surprised he's letting y'all  
work

OLIVIA:  
Why?

JOHNNY:  
Let's face it, you two are pretty  
much celebrities, I'm surprised  
that they're isn't a media circus  
surrounding you guys

As Johnny says that, a news van pulls up

OWEN:  
Spoke too soon

A woman approaches them with her cameraman, Owen turns around

OWEN: (CONT'D)  
Really? Come on, we're at school

WOMAN:  
I just want to ask a few questions

OWEN:  
If it makes you and your camera man  
happy, then sure but don't bother  
us for the rest of the day

WOMAN:  
You got it

OWEN:  
What's the first question

WOMAN:  
How do you feel about the murder of  
Aaron Matthews?

Owen's smug smile fades, Johnny eyes widen

OWEN:  
I'm--- I'm sorry?

WOMAN:  
Aaron Matthews was found dead this  
morning

JOHNNY:  
Really? you're stooping that low?

WOMAN:  
Wait, you guys didn't know?

Sheriff Louis pulls up in his car, approaching the group

LOUIS:  
I told you not to bother these kids

OLIVIA:  
Louis, what's going on?

LOUIS:  
I'm sorry you had to find out like  
this, your friend Aaron was found  
dead last night

JOHNNY:  
so it's true?

Multiple other news vans pull up and surround the school entrance, 2 deputies block off the entrance

The group watches on as Louis is helping the deputies keep the media out of the school

The bell rings and they go to their class

CUT TO:

INT. HIGH SCHOOL - NORRIS'S CLASS - CONTINUOUS

Mr. Norris is greeting kids as they file in the classroom, Olivia and Owen sit together

OLIVIA:  
I can't believe someone would kill  
Aaron

OWEN:  
Who would do something like that?

OLIVIA:  
I don't know

Norris closes the door but someone knocks on the door, Norris opens it to find Ian, (17), a goth kid that doesn't really care about anything

NORRIS:  
Ian, late again

IAN:  
Sorry, it wasn't exactly easy  
getting into school with all of the  
paparazzi out front

NORRIS:  
Well, that marks 5 tardies, which  
means you have detention for the  
rest of the week

IAN:  
Come on man

NORRIS:  
Sorry Ian, those are the rules

IAN:  
Whatever

Ian sits down angrily as Norris stands at the front of the class

NORRIS:

Now, I know that some of you are a bit on edge after recent events but we still got a test to do

The class except for Owen and Olivia groans as Ian puts on his headphones

CUT TO:

INT. HIGH SCHOOL - CAFETERIA - CONTINUOUS

Owen and Olivia sit with Johnny and Ryan, the cafeteria is littered with deputies

OWEN:

Hey guys

JOHNNY:

Hey Owen

RYAN:

Hey

OLIVIA:

How are you guys holding up?

JOHNNY:

Gotta be honest, this table feels empty without Aaron

OWEN:

Yeah, he always knew how to start the conversations

RYAN:

Well, how did you guys do on the test?

OWEN:

Honestly, I couldn't focus that much on the test

OLIVIA:

Neither could I

They hear a sound on the intercom, it's principal Mike Thomas

MIKE (V.O.):

Will Owen Atlas, Olivia Moore, Ryan Philips and Johnny Richards please report to my office immediately after lunch

OWEN:  
Wonder what's that all about

CUT TO:

INT. SCHOOL - PRINCIPAL'S OFFICE - AFTERNOON

The group is waiting outside of the office, Johnny is inside the office

RYAN:  
Who would want to kill Aaron?

OWEN:  
I don't know but whoever this is, they were sending a message

Olivia turns and looks at Owen

OLIVIA:  
What do you mean?

OWEN:  
Think about it, today is the 3 year anniversary, Aaron was our friend, that can't be a coincidence

OLIVIA:  
But why him?

OWEN:  
I don't know

Louis opens the door and Johnny exits the office, hands in his pockets

LOUIS:  
Your turn Owen

Owen gets up and walks towards Louis, Johnny sits next to Olivia

RYAN:  
What did they ask you?

Johnny turns to Ryan

JOHNNY:  
the usual how did you know him?  
where were you at that time?

OLIVIA:  
Wait, why did they ask you that?

JOHNNY:  
they're asking everyone that

CUT TO:

INT. SCHOOL - THOMAS'S OFFICE - CONTINUOUS

Mike Thomas is sitting at his desk while Sheriff Louis stands by him, Owen is sitting in front of them

OWEN:  
I don't know why me or Olivia are  
being questioned

LOUIS:  
We're questioning everyone, Owen

OWEN:  
Come on, Louis, you know me

MIKE:  
Just answer the questions then  
you'll be on your way

OWEN:  
Ok

LOUIS:  
Ok, where were you when the murder  
took place?

OWEN:  
I was at my house with Olivia

LOUIS:  
How did you know Aaron?

OWEN:  
He was a part of my friend group, I  
mainly knew him through Johnny and  
Ryan

LOUIS:  
Do you know anyone who would want  
to harm anyone?

OWEN:  
No

LOUIS:  
Did Aaron have any problems with  
somebody or was hanging out with  
the wrong crowd?

OWEN:

No, he only hung out with us and  
the only one who had a problem with  
him was Brad and he's fucking dead

Louis is shocked, Owen is clearly frustrated, he takes a deep  
breath and exhales

OWEN: (CONT'D)

Sorry, I'm---- I got a lot on my  
plate right now, with work,  
school, the anniversary, and now  
this, it's a lot to take in

MIKE:

Well, we're here to help, Owen

Owen looks at Mike

OWEN:

Don't take this the wrong way, but  
you weren't here when it happened

MIKE:

Yes, I'm aware but I'm here now and  
if you or any of your friends need  
to talk, I'm here

LOUIS:

Just one more question then you can  
go Owen, alright?

Owen sighs

OWEN:

Fine

Louis pulls out the Ghostface mask, now in a plastic bag, the  
blood still on the mask

LOUIS:

Do you recognize this mask?

OWEN:

Yeah, that's the Ghostface mask,  
they were recalled years ago after  
the Jill Roberts murder spree

Louis is intrigued, he puts the mask back down

LOUIS:

Ok, you can go now

Owen gets up and leaves the room, Louis looks at Mike

MIKE:

What?

Louis scoffs

LOUIS:

I told you he wouldn't like being questioned

MIKE:

Well, if we're questioning one person, we have to question them all, right?

LOUIS:

Look, I've known these kids since they started High School, they went through some rough shit

MIKE:

So what do we do about the media circus outside?

LOUIS:

We ignore it, I'll escort Owen and Olivia out the back to avoid them

CUT TO:

INT. SCHOOL - PARKING LOT - AFTERNOON

Owen and Olivia are heading to his car, Louis is watching them as they get inside and Owen starts his car but it doesn't start

OWEN:

Ah come on

Owen tries it again and it doesn't start

OLIVIA:

Didn't you just get this fixed?

OWEN:

I did

Owen smacks the dashboard and the car starts

OLIVIA:

you really gotta get a new car

OWEN:

I would if my dad would let me

Owen pulls out of the parking lot and they head to work,  
Louis heads back into the school

CUT TO:

INT. SCHOOL - THOMAS'S OFFICE - CONTINUOUS

Mike is reading a file as Louis walks in

LOUIS:  
What are you reading?

MIKE:  
Well, if I want to know what is  
going on, I thought it would be a  
good idea to read their file

LOUIS:  
Who's?

MIKE:  
Owen and Olivia's

LOUIS:  
Oh

MIKE:  
Yeah, this Brad kid really had it  
out for Owen, breaking his arm and  
leg

LOUIS:  
That's not the worse of it, there  
is some stuff we left out

MIKE:  
Like what?

LOUIS:  
Well, Olivia got shot by him and  
was put in the hospital

MIKE:  
Jesus

LOUIS:  
Yeah, this Brad kid was a  
trainwreck

MIKE:  
What do you mean "was"?

LOUIS:

Brad went after Owen and Olivia, he went to Owen's house and tried killing them, by the time I got there, Brad was on the ground with three rounds in his chest and Olivia was holding the gun

MIKE:

She killed her own brother?

LOUIS:

She had no choice, it was either her or him

MIKE:

Wow, that's fucked up

LOUIS:

I tell them to keep their head up and keep moving forward but every once in a while Olivia would show up at my house and we would talk about it

MIKE:

Wow

LOUIS:

Yeah, look I'm heading back to the station and I'm going to continue researching about this Ghostface costume

Louis exits the offices leaving Mike.

CUT TO:

she walks over and places them on each gravestone and she backs up

OWEN:  
Are you alright?

Olivia looks at Owen, and sighs

OLIVIA:  
Yeah, I am, it's just that even  
though it's been 3 years I still  
can't believe that they're gone

OWEN:  
Neither can I, to be honest

OLIVIA:  
We should probably head to work

Owen and Olivia walk away and get in the car

CUT TO:

EXT. COFFEE SHOP - PARKING LOT - AFTERNOON

Owen and Olivia get out of the car, wearing their uniform,  
Phil comes out of the shop

PHIL:

been?

OWEN:  
We got a little sidetracked, sorry  
Phil

PHIL:  
Well, come on, we are packed and  
Ben is working the register

OLIVIA:  
That's not good

PHIL:  
Tell me about it

Owen, Olivia, and Phil walk into the Shop, it is crowded with  
people

INT. COFFEE SHOP - CONTINUOUS

PHIL:  
Ok, Owen, you and Andi are on  
register and Olivia, you and Ben  
are in the kitchen

Owen and Olivia break off and a montage begins

Owen is taking orders and Olivia is making coffee, we watch as the shop empties and the line is getting shorter

Owen calls for the next customer, it's the woman from earlier

OWEN:

Oh, it's you

WOMAN:

I'm not here for an interview, I  
honestly didn't know you worked  
here

OWEN:

Well, uh, what would you like?

WOMAN:

just a black coffee with cream and  
two sugars

Owen writes down her order on a little notepad

OWEN:

Ok, and what is your name?

WOMAN:

Oh, uh Lilly

OWEN:

Ok, Lilly that'll be 7.30

Lilly pulls out her wallet, she hands him the money and he  
puts it in the register

LILLY:

Crazy day, huh?

OWEN:

You have no idea

She examines Owen, he notices the sarcasm in his voice

LILLY:

Are you alright, you seem kinda  
pissy

Owen looks up at her and sighs

OWEN:

Yeah, I'm fine, it's just.....been  
a long day

LILLY:  
I'm sorry to hear about your friend

OWEN:  
Thanks, your coffee will be ready  
in a couple minutes

Lilly walks off, and Owen hands the paper to Olivia

OWEN: (CONT'D)  
Black Coffee, with cream and two  
sugars

Olivia grabs the slip and begins making the coffee and puts  
it on the window

Owen hands Lilly the coffee

OWEN: (CONT'D)  
Here you go

LILLY:  
Thank you

OWEN:  
Can I ask you something?

LILLY:  
Sure

OWEN:  
Did you really not know I worked  
here?

LILLY:  
Yes

OWEN:  
So, why do you have a video camera  
in your bag?

Lilly sighs and turns the camera off, Owen scoffs and laughs

LILLY:  
How did you---

OWEN:  
A month after the Brad stuff, a  
reporter came to my house for a  
interview with me and Olivia, about  
a month later we see video footage  
on the news about said interview  
and the reporter's name was Lilly

LILLY:  
I'm sorry

OWEN:  
Now, I don't know why you think  
coming to my place of work, and try  
to spark a conversation about my  
friend was a good idea but you need  
to leave

Lilly exits the store, Owen feels proud of himself

CUT TO:

gather some of his friends to talk  
about all the memories they have  
together

LISA:  
As much as we would love that, we  
can't

JOHNNY:  
Why not?

IAN:  
We have plans, tonight is our movie  
night

RYAN:  
You can't be serious

LISA:

Look, Aaron was our friend, but we shouldn't have to put our lives on pause to be on a podcast that nobody listens to

Ian and Lisa get up from the couch

IAN:

Sorry guys

JOHNNY:

Just go

Ian and Lisa leave the house

RYAN:

So, what do we do now?

BRENNAN:

Was I interrupting something?

LOUIS:

No, what do you need?

BRENNAN:

Um, I was told to inform you that it's almost time for the town hall thing

Louis looks at his watch

LOUIS:  
Damn it, I'm late

Hey Olivia

She stops, she recognizes the voice, the figure comes into the light and is revealed to be Miles (18), a good-looking but mysterious person

OLIVIA:  
Miles? What are you doing back here?

MILES:  
I was just in the neighborhood and thought I'd stop by

OLIVIA:  
Not sure if you realized, but someone was murdered today

MILES:  
I know, which was why I was going to ask if you were ok

OLIVIA:  
I'm --- I'm fine

Things are awkward, Olivia still has the mace in hand

MILES:  
Olivia, I wanted to make amends and  
wanted a fresh start

OLIVIA:  
Miles, I'm with Owen, we can't--

MILES:  
So what if we just be friends?

Miles moves noticeably closer, Olivia backs up

OLIVIA:  
Miles.....you know we can't be  
friends... not after what happened  
between us

MILES:  
Come on Olivia

OLIVIA:  
I gotta get back to work

Olivia goes to turn around but Miles grabs her hand

MILES:  
Please, I'm really trying here

at him

OLIVIA: (CONT'D)  
Back up and let go

Miles backs up and let's go of her hand

MILES:  
Olivia, I'm--

OLIVIA:  
Just go Miles

The residents of Okeechobee are here, including Aaron's parents. Sheriff Louis is at the podium With Brennan next to him

LOUIS:

It has been 3 years since Brad Moore has disrupted the peace in Okeechobee, and since then he left a trail of bodies, but eventually, he was stopped and put down for good, and I just wanted to say that you shouldn't have to live in fear, which is why if anybody ever feels unsafe, my door is always open, thank you

The audience claps as Louis leaves the stage, Brennan follows him

BRENNAN:

That was a really nice speech, sir

LOUIS:

Thanks, hey, you transferred here from Woodsboro right?

BRENNAN:

Uh...yeah, I did actually, why? Is that a bad thing?

LOUIS(REASSURES):

No, no, I just need you in my office tomorrow morning, we gotta talk about something

BRENNAN:

Oh, ok, will do

Louis gets in his car, leaving Brennan as he forms a smile on his face

INT. COFFEE SHOP - NIGHT

PHIL:  
Good work tonight, guys, that  
might've been our best day in a  
while

OWEN:  
Too bad it's for the wrong reason,  
most of the people were here  
because of me and Olivia

PHIL:  
Yeah, speaking of that, who were  
you talking to, Owen?

OWEN:  
Just some reporter who wanted the  
scoop

PHIL:  
Anyway, I'm heading home, Andi, can  
you lock up the store?

ANDI:  
Yeah, I guess

Phil tosses the keys to Andi and he begins to leave

PHIL:  
Goodnight guys

ALL OF THEM (UNISON):  
Goodnight Phil

Phil leaves, the group is sitting, waiting for the last  
person to leave

BEN:  
So, what are the plans for tonight?

OWEN:  
Heading straight home so Louis  
doesn't freak out

Andi sees the person leave and she flips the OPEN sign to  
CLOSED

ANDI:  
alright, and we're officially  
closed

they all cheer

OLIVIA:  
We should probably get going, Owen

OWEN:  
Yeah, I'll see you guys tomorrow

BEN:  
I should get going too, my mom  
doesn't like when I come home late

ANDI:  
It's funny that all 3 of you pretty  
much have a curfew

OWEN:  
Well, not all of us are adults

BEN:  
At least not yet

Andi laughs as Owen and Olivia head out the back, followed by Ben.

Andi is alone in the shop, she cleans the counters and right when she's about to leave, she hears a noise coming from the bathroom

Hello?? is anybody in there?

No answer, she walks away when the door opens behind her.

Ghostface walks out and runs towards her, he grabs her and slams her on the ground

ANDI: (CONT'D)  
WHO THE FUCK ARE YOU????

Andi gets up but Ghostface pushes her against the wall and pulls out a knife

when he tries to stab her, Andi dodges and makes a run to the door, but right as she opens it, Ghostface pulls her back in

Screaming for help, Ghostface puts the knife against her neck and slits her throat

I couldn't get an interview with that Owen kid, he saw right through me

BRENNAN:

Did you try pulling a Gail Weathers?

Lilly nods her head, Brennan laughs

BRENNAN: (CONT'D)  
Honey, you can't just question them  
especially since one of their  
friends died last night

LILLY:  
I know....it's just I wanted to be  
more than a Gail Weathers knockoff

BRENNAN:  
And you are, you're a great  
reporter

LILLY:  
I just want to get a successful  
story that isn't about puppies or  
kittens

BRENNAN:  
Well..... you could always  
interview me

Owen looks at Olivia

OLIVIA:  
A lot

OWEN:  
Wanna talk about it?

OLIVIA:

I thought that after what we've been through, we would go back to our normal lives, but after the media frenzy, the constant speeches at school, Aaron's death, makes me wonder if our lives will ever be normal

OWEN:

it takes time, I'm sure that this whole thing will be forgotten in a week

Olivia looks at Owen

OLIVIA:

and if it doesn't?

OWEN:

then I don't know

Owen grabs Olivia's hand

OWEN: (CONT'D)

But I do know that I'll be by your side the whole way through

OWEN:

Well, we could do what we always do

Owen walks towards her

OWEN: (CONT'D)  
We could take a shower, eat dinner,  
and go to bed

OLIVIA:  
Or...

Olivia wraps her arms around Owen and she kisses him, they  
stare into each others eyes

JOHNNY:  
Yes, It's what Aaron would've  
wanted, this is going to be a  
tribute show and our last episode

Ryan looks at Johnny

JOHNNY: (CONT'D)  
Look, Aaron was our friend and a  
great co-host, we can't just  
replace him, and without him, the  
show won't be the same

RYAN:  
Yeah, you're right, let's do it,  
for him

Johnny smiles and fist bumps Ryan

JOHNNY:

I'm glad it ended on a good note

OLIVIA:

Me too

They both laugh as they hear a knock on the door

OWEN:

Huh, that's strange

Owen checks the time, it's 12:35 AM

OLIVIA:

Who would knock this late?

OWEN:

I don't know, I'll go see

Owen puts his plate down and gets up, he walks to the front  
door and opens it, it's Louis

Louis? Are you there?

LOUIS:  
Yeah dispatch?

DISPATCH:  
We just got a call at Phil's coffee  
shop, something about a murder

Louis and Owen both look intrigued

LOUIS:  
Copy that, I'm on my way

OWEN:  
Louis, what's happening?

LOUIS:  
I don't know but I'll go check it  
out

As Louis goes to leave, Owen calls out

OWEN:  
I'm coming too

LOUIS:  
No, you need to stay here

OWEN:  
Louis, that's where me and Olivia  
work

Louis looks at Owen, he sighs

LOUIS:  
Alright, but grab Olivia

Owen goes back inside and goes to his room

OWEN:  
We gotta go

OLIVIA:  
Why, what's wrong?

OWEN:  
Something happened at the shop

Olivia quickly gets up and they both put shoes on and head  
out the door

SMASH TO:

OWEN:

Ben, what happened?

Ben looks up at Owen

BEN:

I came back to the shop because I left my phone on the table, as I grabbed it, I noticed that there was blood on the floor near the bathrooms and when I opened I saw--

OLIVIA:

Andi

BEN:

Yeah

OWEN:

Jesus

Owen looks around and sees Louis talking to another deputy, he walks towards him

LOUIS( TO DEPUTY):

Alright, thank you

Louis notices Owen walking towards him

OWEN:

So, what happened?

LOUIS:

There was no sign of breaking in, one of my guys checked surveillance but it was wiped clean

Owen sees the paramedics carrying a body bag on a stretcher, Louis notices

LOUIS: (CONT'D)  
Did you know her?

OWEN:  
Yeah, we met her when we started  
working here last year, she was a  
pain in the ass but she was a good  
friend

LOUIS:  
I'm sorry for your-

Suddenly, Brennan runs out of the shop

BRENNAN:  
Sheriff, you're gonna want to see  
this

CUT TO:

INT. COFFEE SHOP - BATHROOM - CONTINUOUS

Louis and Owen walk into the bathroom, they both gasp as they  
see the words "Who's Next" written in Andi's blood on the  
wall

OWEN:  
Louis, what is going on?

LOUIS:  
I don't know but I want you and

Ryan stops the recording they sit there in silence

RYAN:

That was really nice of you, man

JOHNNY:

thank you

Johnny hears his phone buzz and so does Ryan, they both see a message from Owen

"Louis wants all of us and anyone who is associated with Aaron at the station tomorrow"

RYAN:

What do you think it's about

JOHNNY:

I have no idea but it probably isn't good

CUT TO:

EXT. OWEN'S HOUSE - DRIVEWAY- CONTINUOUS

Owen pulls into the driveway, he shuts off the car and sighs

OLIVIA:

We should've stayed back and help her close

OWEN:

No, we didn't know this would happen

OLIVIA:

Why would someone want to kill us?

OWEN:

I don't know, but they got our  
attention

Owen gets out of the car, Olivia follows, Owen goes to unlock  
the door but notices that it's already open

OLIVIA:

I thought you locked it

OWEN:

I did

Owen opens the door and turns the light on, he sees that it's  
the exact same, but they're still nervous

OWEN: (CONT'D)

Check the backdoor

Olivia goes to the backdoor, Owen checks several rooms and  
sees nothing is misplaced, he sighs and goes back in the  
living room, Olivia walks back in

OLIVIA:

Anything?

OWEN:

No, I guess we forgot to--

A phone rings, Owen looks around and notices their house  
phone ringing, Owen goes to answer it

OWEN: (CONT'D)

Hello?

MAN'S VOICE:

Hello Zachary

OWEN:

Who's this?

MAN'S VOICE:

Just the messenger

OLIVIA:

Who is it?

OWEN:

I don't know

MAN'S VOICE:

Put me on speaker, I would love to  
talk to you and Olivia

Owen puts the voice on speaker, he looks out of the window

MAN'S VOICE: (CONT'D)

Now that I have gotten your  
attention, I just wanted to say how  
big of a fan I am of you two

OWEN:

How flattering

Owen keeps looking around the house, Olivia checks the closet

MAN'S VOICE:

You'll never find me

OWEN:

Look, if you come out, we won't  
press charges and all of this will  
blow over, alright?

MAN'S VOICE:

Now why would I want to do that? It  
would ruin the fun

OWEN:

You and I have very different ways  
of having fun

Olivia swings open the closet door to find nothing, the voice  
laughs

MAN'S VOICE:

Try your bedroom

Owen goes towards his bedroom and opens the door, he doesn't  
see anything out of the ordinary until Ghostface closes the  
door and charges at him, Owen turns around just in time to  
catch the knife, Ghostface knocks Owen down on the bed as  
Olivia is trying to open the door

OLIVIA:

Owen, what's wrong?

Owen kicks Ghostface off him and tries to open the door, but  
Ghostface grabs him and slams him into the window, cracking  
it, Olivia calls 911

DISPATCHER:

911, what's your emergen---

OLIVIA:

MY BOYFRIEND IS BEING ATTACKED

Ghostface tries stabbing Owen once more, but Owen headbutts him and sends him into his desk, Owen grabs Ghostface and throws him into the window, putting him through it

Owen opens the door when Olivia hugs him

OLIVIA: (CONT'D)  
Oh my god, what happened?

OWEN:  
we gotta go

Owen and Olivia exit the house to find Miles, watching them

MILES:  
Jesus, what happened?

Olivia and Owen stop in their tracks, they stand off

MILES: (CONT'D)  
What's with the looks?

OWEN:  
What are you doing here?

MILES:  
Y'all do realize I live next door  
right?

OLIVIA:  
Get away from us, Miles

MILES:  
What is going on?

OWEN:  
You were just in my house trying to  
kill me

MILES:  
What, no I wasn't, I came over here  
because I heard a commotion, what's  
going on?

Multiple police vehicles drive up and Miles looks around as  
Louis gets out of his car

LOUIS:  
Down on the ground Miles

Miles looks at Louis

MILES:  
What did I do?

LOUIS:  
Get down on the ground

Miles gets down onto the ground, Louis approaches him and cuffs him

LOUIS: (CONT'D)  
You'll be going down to the station  
to answer some questions

A deputy grabs Miles and puts him in the cruiser, Louis faces Owen and Olivia

LOUIS: (CONT'D)  
Are you two alright?

OWEN:  
Yeah....I..uh... don't feel so good

Owen collapses on the ground

OLIVIA:  
Oh my god, OWEN

Olivia and Louis kneel down and check him, Louis finds blood coming out of his side

LOUIS:  
Jesus

OLIVIA:  
What? What's wrong?

LOUIS:  
He must've got stabbed without  
realizing, he's going into shock

Louis turns around, facing the other deputies

LOUIS: (CONT'D)  
Call an ambulance, hurry

OLIVIA:  
Come on Owen, stay with me

The camera pans up, a wide shot of the neighborhood as it

CUT TO:

INT. HOSPITAL - OWEN'S ROOM - MORNING

Owen wakes up, he takes a good look of his surroundings, it looks like the same room he has been in before, he turns to see Olivia sitting in the chair, she looks up from her phone

OLIVIA:  
Hey, you're awake

OWEN:  
What happened?

OLIVIA:  
After they arrested Miles, you collapsed on the ground, turns out that you got stabbed

OWEN:  
That explains the sharp pain

OLIVIA:  
But there is good news

OWEN:  
And that is?

OLIVIA:  
The doctor said that you would be able to leave in the afternoon

OWEN:  
That's great, have they called my dad?

OLIVIA:  
Louis has tried but there was no answer

OWEN:  
So, what about Miles?

OLIVIA:  
Louis is interviewing him right now

CUT TO:

INT. SHERIFF'S STATION - INTERROGATION ROOM - CONTINUOUS

We cut into the middle of the conversation, Louis and Brennan are sitting in chairs across from Miles, who is handcuffed to the table

LOUIS:

Alright Miles, why exactly were you at Owen's house last night?

MILES:

I already told you, I heard noise coming from his house and got worried so I went to go check it out

BRENNAN:

Ok, but what about the bruises on your arm?

MILES:

Easy, I fell at school

LOUIS:

But why did you visit Olivia at the coffee shop? A couple hours before Andi's murder?

MILES (STUTTERING):

I.....I...I don't know

LOUIS:

Look, we're gonna keep you in a holding cell for now but if any more murders come up, we'll know for sure that it wasn't you, got it?

Miles sighs

MILES:

Yeah, whatever

Louis and Brennan get up and leave the room

INT. SHERIFF'S STATION - HALLWAY - CONTINUOUS

Brennan begins to walk off but Louis stops him

LOUIS:

Brennan, can I talk with you for a moment?

Brennan turns around, confused

BRENNAN:

Is there a problem sir?

Louis shakes his head in a "no" motion

LOUIS:

No, not at all, but I would like to talk about your time at Woodsboro, specifically the murders that happened there over the years

BRENNAN:

Oh, I don't really know much....I was pretty much the coffee boy there, but I am aware about the history

LOUIS:

Ok, so this killer is wearing a Ghostface costume, a costume that got recalled after the 2011 murders, do you have any idea who would sell these costumes?

BRENNAN:

Sorry, I have no clue

Louis sighs

LOUIS:

Alright, when Miles goes into the holding cell, I want you to keep watch, alright?

Brennan is shocked but keeps his composure

BRENNAN:

Yeah, yes sir, will do

LOUIS:

Great, I'm counting on you, now I gotta round up Owen's friends

Louis walks off, Brennan looks at Miles as the camera

FADE TO:

INT. SHERIFF'S STATION - AFTERNOON

The Sheriff's station is rebuilt, has a fresh coat of paint and the kids are sitting in the station, consisting of Owen, Olivia, Johnny, Ryan, Ben, Ian, and Lisa

IAN:

I don't get why we have to be here,  
we aren't even friends with you  
guys

Owen looks at Ian

OWEN:

Look, whoever is doing this is  
attacking anyone that is associated  
with me or Olivia, our coworker  
Andi wasn't a part of our friend  
group but now she's dead

LISA:

So, how do we find out who's next?

OWEN:

That is the part I don't know

Sheriff Louis walks up and looks at Owen

LOUIS:

Is this everyone?

OWEN:

Yes

LOUIS:

Great, now, does anybody have any  
idea as to why someone would be  
attacking your friend group?

OLIVIA:

That's the thing, we have no idea  
as to who's doing this and why,  
Andi wasn't even a part of our  
friend group because only me, Owen,  
and Ben knew her

Ian injects himself into the conversation

IAN:  
Sheriff, do you mind if i give you  
my input?

LOUIS:  
Shoot

IAN:  
Ok, no offense to you two, but 2  
people are dead because they were a  
part of your friend group, one the  
rest of us haven't met

OWEN:  
Where are you getting at?

IAN:  
Maybe whoever is doing this is only  
targeting you two

OLIVIA:  
What?

LOUIS:  
Ok, so if they were being targeted,  
why not just kill them both to  
begin with?

IAN:  
Well, by serial killer logic, he or  
she wants to make them suffer  
first, kill the ones closest to  
them and then kill them last

Everyone looks at Ian

OWEN:  
How do we know if you're not the  
killer?

IAN:  
Look, all I'm trying to say, is get  
Owen and Olivia out of town and  
maybe, just maybe, nobody else ends  
up dead

OWEN:  
That's insane

LOUIS:  
As insane as that sounds, I think  
he has a point

Olivia and Owen look at Louis

OWEN:

Louis, come on

LOUIS:

Look, I know what happened with  
Brad wasn't your fault but with 2  
people dead, we can't take chances

OLIVIA:

So, what? we're supposed to leave  
town and hope for this fucker to  
follow us and potentially kill us

LOUIS:

well, let's not hope for that, but  
if things go south, it's gonna have  
to be that way, but for right now,  
we need a suspect list, anybody has  
any ideas?

OWEN:

Lilly

JOHNNY:

The reporter?

OWEN:

She came to the coffee shop  
yesterday and when Andi died, I saw  
her outside with her camera man,  
all ready to tell the story, that  
can't be a coincidence

LOUIS:

Ok, who else?

JOHNNY:

Ben

BEN:

Why me?

JOHNNY:

Well, you found Andi after she  
died, why were you at the shop in  
the first place?

Everyone is looking at Ben

BEN:

I left my phone on the counter, and  
I went to go back and grab it

JOHNNY:

I don't know, that's pretty suspicious

BEN:

Ok, since we're pointing fingers, what about you? We all know you had history with Andi

LOUIS:

What does he mean by that?

JOHNNY:

After I broke up with Abby, I met Andi and we started dating, but we never got serious

BEN:

And because of that, you broke up with her

JOHNNY:

She broke up with me, yeah I was mad but I wouldn't kill her because of it

BEN:

that's pretty suspicious, man

LOUIS:

Ok, so Lilly, Ben, and Johnny, anyone else?

RYAN:

What about Lisa?

LISA:

Why me?

RYAN:

You dated Aaron last year, and you broke up with him after meeting Ian in anime club

LISA:

He never wanted to get intimate, he was always awkward with the idea of kissing, yeah I dumped him for it but he never took it harshly

LOUIS:

Ok, that's 4, Johnny, where's Abby?

JOHNNY:  
She moved out of town last summer

LOUIS:  
Ok, Owen, where is your dad?

OWEN:  
he went out of town last night,  
why?

Owen sees Louis writing his name down on the notepad

OWEN: (CONT'D)  
Seriously?

LOUIS:  
We have to be sure

OWEN:  
Look, my dad may have been a drunk  
and would verbally abuse me when he  
got the chance but he wouldn't kill  
anyone

IAN:  
Wait a minute, I just realized  
something

LOUIS:  
What

IAN:  
Ok, who in this room has read about  
the Woodsboro incident that  
happened in the 90s?

everyone raises their hand except Ryan

RYAN:  
What's that?

IAN:  
Ok, so a girl and her friends were  
being killed one by one, when it  
came down to her, her boyfriend and  
his best friend were the killers

LOUIS:  
Ok, what's your point?

IAN:  
They tried to frame her father for  
the murders

OWEN:

So, what are you saying?

IAN:

How do you know if he's really out of town?

OWEN:

Because he told me and Olivia the night before that he wouldn't be back for two days

IAN:

I don't know, your dad leaves and all of a sudden people are being killed, that can't be a coincidence

OWEN:

What the hell is your problem, dude

IAN:

I don't have a problem, I'm just trying to connect the dots

OWEN:

Well, you should probably stop

Owen gets up and leave the station angrily

OLIVIA:

I'll go check on him

Olivia walks out of the station, everyone looks at Ian

IAN:

What? I was just trying to help

LOUIS:

Look, you kids need to get to school and be home by the curfew, you got it? Ian, I understand that you have detention today so deputies will be waiting for you outside of school

The group leaves and Louis goes back to his office

CUT TO:

EXT. POLICE STATION - FRONT ENTRANCE - CONTINUOUS

Olivia exits to find Owen, sitting on the stairs trying to call his dad

OLIVIA:  
Any luck?

OWEN:  
No, I keep getting sent straight to  
voicemail

Olivia sits next to him

OLIVIA:  
He'll call back

OWEN:  
I'm worried, Olivia, he never  
declines any of my calls, I'm  
worried Ian may be right

OLIVIA:  
Ian was just being a jackass, look  
we should just head home and wait  
until he calls back, alright?

Owen nods his head and he gets up, so does Olivia, they walk  
towards his car in the parking lot

CUT TO:

INT. SCHOOL - MR. NORRIS'S CLASSROOM - AFTERNOON

Ian is sitting alone, in front of Mr. Norris, he watches the  
clock ticking, timing the ticks with his tapping on the  
table, Mr. Norris is annoyed

NORRIS:  
Ian, can you please stop

Ian stops tapping

IAN:  
Sorry, can I use the bathroom?

Norris, eager to get Ian out of his class, nods his head in  
frustration, Ian walks to the door and turns around

IAN: (CONT'D)  
If you don't want me to be here,  
all you have to do is say I can  
leave

Ian walks out and walks down the hallway and enters the  
bathroom, he enters the stall

CUT TO:

INT. SHERIFF'S STATION - HOLDING CELL - MOMENTS LATER

Miles is sitting in the holding while Brennan is sitting in a chair watching him, Brennan walks up towards him

MILES:

Is there a reason why I'm here,  
officer?

Brennan turns his head a little to the side, looking at Miles

BRENNAN:

Well, I don't know if you've  
noticed but there has been 2  
murders and someone was attacked

MILES:

Ok, but what does that have to do  
with me?

BRENNAN:

You were at the house that someone  
got attacked at

MILES:

I am neighbors with Owen, I heard--

BRENNAN:

A commotion, yes I heard but you  
might wanna shut it until you get a  
lawyer

Miles sighs and sits on the bed

INT. SCHOOL - THOMAS'S OFFICE - CONTINUOUS

LOUIS:

Your friend Ian, the principal, his assistant and your teacher were all murdered

OLIVIA:

What?

LOUIS:

The deputies were waiting outside for him, when he never came, they went in and found their bodies

OLIVIA:

Jesus

OWEN:

Wait, so does that mean...

OLIVIA:

Miles isn't the killer

Owen sees Lilly, once again doing a report

OWEN:

Hang on, I'll be back

LOUIS:  
Don't do anything stupid, Owen

Owen walks towards Lilly

LILLY:  
Another murder has once again  
struck the small town of  
Okeechobee, Local Teen---

OWEN:  
What the hell are you doing here?

Lilly turns to Owen, signaling to turn the camera off

LILLY:  
I'm getting my story

OWEN:  
Why are you really here? because  
lately, you've been acting real  
suspicious

LILLY:  
what are you talking about?

OWEN:  
You were there when Andi died, now  
your here after 3 fucking people  
were killed

Louis and Olivia hear the commotion and walk towards him

LILLY:  
Look, if your accusing me of being  
the killer, that would be a pretty  
low bar even for you

OWEN:  
Your the one to talk about going  
low

Louis walks up, pulling on Owen's arm

LOUIS:  
Come on, Owen

OLIVIA:  
It's not worth it

Owen starts to walk away, until...

LILLY:  
If I were you, I would seek  
therapy, you and your girlfriend

Olivia turns around and suckerpunches Lilly, she falls to the  
ground, Louis pulls her away

LOUIS:  
That was uncalled for

Louis walks Owen and Olivia to Owen's car, they get in and  
drive off

Louis looks at Lilly, who is approaching him

LILLY:  
You're just going to let them walk

RYAN:  
What do we do now?

LISA:  
I'm going to get some beer, to help  
with the pain, anybody want one?

RYAN:  
Yeah, I'll have one

LISA:  
Great

Lisa gets off the couch and heads to the fridge

As Brennan goes to sit back down, Louis walks in and he  
immediately

LOUIS:

Let him out, Brennan

Brennan has a confused look on his face, as does Miles

BRENNAN:

Not to question your authority sir  
but why?

LOUIS:

Because after what happened with  
Ian, he couldn't possibly be our  
killer, so let him out

Brennan nods his head and grabs a set of keys out of his  
pocket, he turns around and unlocks the door, Miles gets up,  
he exits the cell and stands in front of Louis

MILES:

So, what do I do now?

LOUIS:

Go home, get some rest and stay out  
of trouble, got it?

Miles nods his head and he leaves the room, Brennan walks up to Louis

BRENNAN:  
Sir, you're just gonna let him go  
that easy?

LOUIS:  
Yes, because he's just a kid, not  
the run of the mill serial killer

BRENNAN:  
But sir--

LOUIS:  
Take the night off Brennan, you've  
earned it

Louis walks out, Brennan is baffled

Owen laughs and so does Olivia, Owen sighs

OWEN:  
It doesn't make any sense

OLIVIA:  
What?

OWEN:  
This....all of this....why is  
someone trying to kill us and why  
target our friends?

OLIVIA:  
I don't know

Owen hears his phone ringing, he picks it up and looks at the caller ID, saying "Dad", he answers

OWEN:

The voice chuckles sinisterly

OWEN:  
Where is he?

VOICE:  
He's in good hands, we're having our first time so I'll go easy on him

OWEN:  
The hell is that supposed to mean?

VOICE:  
Figure it out

The Voice hangs up, leaving Owen speechless

OLIVIA:  
What's wrong?

OWEN:  
That fucker has my dad

OLIVIA:  
Where?

OWEN:  
I don't know, he said he's having  
his first time

Olivia thinks for a moment, and realizes what he meant

OLIVIA:

stomp into it like a child

RYAN:  
Yeah, that sounds like Aaron

LISA:  
Yeah, a part of me wanted to get  
mad at him but the other part of me  
just laughed at him

RYAN:  
He always knew how to make us  
laugh, especially when we were  
doing a podcast

LISA:  
Really?

RYAN:  
Yeah, we have hours of him doing  
stupid shit that made us laugh  
nonstop

LISA:  
Can you show me?

Lisa and Ryan get up and go to his room, he opens the door  
and enters, Lisa closes it

sits next to her

RYAN: (CONT'D)

LISA:  
It's just....in a span of 2 days my  
ex and my boyfriend were killed and  
now I'm worried that I might be  
next

RYAN:  
Hey, you aren't going to die, not  
on my watch

Ryan grabs her hand, she looks at him and smiles

LISA:  
Is it ok if I stayed here for the

What happened?

LILLY:  
That little bitch Oliva punched the

Lilly

Brennan gets out of the car

Did you hear that?

LILLY:  
Hear what?

BRENNAN:  
Someone is in the backyard

Brennan pulls out his gun and walks around the house while Lilly stands there

LILLY:  
Brennan, stop playing around

BRENNAN:  
I swear I heard something

LILLY:  
It could've been a squirrel

BRENNAN:

Ghostface successfully stabs Brennan in the side but the knife doesn't pierce all the way through

LILLY:  
Hey asshole

Ghostface looks up and Lilly smacks him with the branch, knocking him down and off of Brennan, Lilly kneels down

LILLY: (CONT'D)  
Baby, are you ok?

BRENNAN:  
Yeah, I'm lucky I decided to wear  
the vest

Lilly helps Brennan up, Brennan looks around

BRENNAN: (CONT'D)  
Where did he go?

Lilly looks around and sees that Ghostface has vanished, they both panic and rush to the car

BRENNAN: (CONT'D)  
You have to drive, alright

Brennan hands Lilly the keys and she gets in the driver's seat, but as Brennan turns around

BAM

Brennan is shot in the shoulder, sending him backwards into the car, he slides down, blocking the door, preventing Lilly from getting out

LILLY:  
BRENNAN, BRENNAN talk to me, baby

Ghostface appears from the shadows, walking towards Brennan and Lilly

BRENNAN:

OLIVIA:

OWEN:

Owen goes into his car and grabs a gun, he loads it

OWEN: (CONT'D)

GHOSTFACE:

you're not going to kill me

Owen cocks the gun

OWEN:

Try me

GHOSTFACE:

Here's your choice, you can shoot  
me and save your dad but that would  
lead to someone else getting killed  
or you can put the gun down and we  
can talk

Owen is still aiming the gun towards him, Olivia whispers to  
him

OLIVIA:

Put the gun down Owen

Owen lowers the gun

GHOSTFACE:

Good boy

OWEN:

Let him go

GHOSTFACE:

Eh, fine

Ghostface unties Matt, he walks towards Owen and Olivia and  
they hug

OWEN:

Are you alright?

MATT:

Yeah, I'm ok, you shouldn't be here

OWEN:

I had to come save you

OLIVIA:

How'd you end up here?

MATT:

As I was leaving the house, someone  
jumped me and the next thing I know  
I'm in my trunk

The trio look at Ghostface, who lifts a knife

GHOSTFACE:

Looks like you made your choice

OLIVIA:

he grabs his phone and turns on his flashlight and looks  
around the dark house.

RYAN: (CONT'D)

Lisa, now's not the time for games

He looks in the kitchen and still can't find Lisa, he gives  
up and tries calling her, he hears her phone ring in the  
bathroom, he opens the door and tries to turn the light on,  
touching another hand

OLIVIA:  
Why would you do this?

BEN:  
Why? that's a great question, you see Olivia, this town needed more spice, Brad is old news, so I went out of my way to bring the town back to relevancy

OWEN:  
You killed our friends, you asshole

BEN:  
Yet you were the one that allowed me to be in the group, you guys were the perfect candidates for this cause

OLIVIA:  
You're fucking insane

BEN:  
Yeah, and so was your brother

OWEN:  
You're not getting away with this

BEN:

Oh, but I will, I don't think  
you've noticed, but you're the one  
holding the gun and I'm just the  
hopeless victim, you lured me here  
to reveal yourself as the masked  
killer, pulled out a gun and shot  
your father

Ben pulls out a gun and shoots Matt in the chest, he slides  
down on the wall to the floor

OWEN:

DAD!!!!

Owen kneels down to his father, he holds his hand

MATT

(weakly):

I....love...you

his head drops, he's dead, Owen cries, Ben starts laughing

BEN:

You really think that you could  
come in here and try to play a  
hero, well this is what happens  
when you play hero

Ben let's out another sinister laugh, Owen looks at Ben and  
gets up

OWEN:

You fucking asshole

Owen unloads an entire clip on Ben, he falls to the ground,

THERAPIST:

That's really good, how are things going at school?

OWEN:

Well, I'm able to graduate, so that's awesome

THERAPIST:

That's great, have you talked to your friends?

Owen sighs

OWEN:

No, I wanted to but everytime I'm on the phone with jacob or Lisa, I get this feeling that I would just put them in danger in some way

THERAPIST:

that's progress, Owen, at least your trying to call them and that's great

OWEN:

I guess that's a good thing

THERAPIST:

You just need to keep up with what you're doing and eventually, you'll be able to move on and enjoy your life

OWEN:

It was nice seeing you, doc

Owen gets up and leaves the room

CUT TO:

Olivia is waiting in the car, Owen gets in the passenger seat

FADE TO:

INT. COFFEE SHOP - AFTERNOON

Olivia is working at the register, she sees Johnny and Lisa walk in and they walk up to Olivia

OLIVIA:  
Hey guys

JOHNNY:  
Hey Olivia

LISA:  
Where's Owen?

OLIVIA:  
Louis is with him at the house

JOHNNY:  
How is he?

OLIVIA:  
He is doing better, he's actually  
eating and is sleeping a lot better

JOHNNY:  
That's great

OLIVIA:  
Yeah, but when I tried to ask him  
about graduation, he just sat  
there, which is normal

LISA:  
Are you coming to graduation?

OLIVIA:  
I don't know, if he's not going,  
then I'm just gonna stay home with  
him

JOHNNY:  
Damn, I was really hoping you guys  
would come to the after-party I'm  
hosting at my house

OLIVIA:  
Sounds fun

Olivia sees Lilly walk in

OLIVIA: (CONT'D)  
Excuse me

Olivia walks towards Lilly

OLIVIA: (CONT'D)  
Hey

Lilly looks at Olivia

LILLY:  
Hey

OLIVIA:  
I'm sorry about Brennan

Lilly sighs

LILLY:  
Why? You and Owen stopped the guy  
that killed him and that's all I  
need to know to keep going in my  
life

OLIVIA:  
Yeah, but that only happened  
because of..... you know

LILLY:  
Yeah, I'm sorry to hear about that

OLIVIA:  
So, what's your plan now?

Lilly sighs

LILLY:  
I'm probably gonna leave this town  
for good, now with Brennan gone, I  
don't really have a reason to be  
here

OLIVIA:  
Where are you gonna move to?

LILLY:  
Probably back to L.A

OLIVIA:  
Oh, well, I wish you luck

Olivia walks away but Lilly grabs her arm

LILLY:  
Wait

Olivia turns around

OLIVIA:  
What?

LILLY:  
Can I tell you something?

OLIVIA:  
Sure

Lilly looks around and looks back at Olivia

LILLY:  
So, I did some digging into some of  
the autopsy reports and..... I  
think there might be another killer

OLIVIA:  
How?

LILLY:

The day Ian and your principal died, the medical examiner saw two different stab wounds, one was small and the other was big, like it was from a different weapon

OLIVIA:

So, you think that the other killer is laying low?

LILLY:

It's likely

OLIVIA:

So, what do we do?

LILLY:

We act normal until something comes up, we don't tell anyone else, you never know who might be the killer

OLIVIA:

Ok, so, how do we know when he is going to strike?

LILLY:

Well, in the STAB movies, they always end at a big party

Olivia realizes

OLIVIA:

the graduation party

LILLY:

If I'm correct, then that's where he will strike next

OLIVIA:

So, what's the plan?

LILLY:

at the party, I'll keep watch and will call you if anything looks out of the ordinary

OLIVIA:

Ok, got it

Lilly leaves the shop, Olivia goes back to the register

like an easy night

A person bumps into them, Johnny turns around

JOHNNY: (CONT'D)  
Hey buddy, watch where you're--

He turns around to see Owen, he laughs

JOHNNY: (CONT'D)  
Oh, hey man

OWEN:  
Hey guys

LISA:  
How are you doing?

OWEN:  
I'm fine, just trying to kill some  
time while Louis shops

JOHNNY:  
I'm surprised you're out and about  
for once

Lisa nudges Johnny

JOHNNY: (CONT'D)  
Ow, what was that for?

LISA  
(whispering):  
That was insensitive

OWEN:  
Guys, it's fine, I'm still the same  
old me..... sort of

Louis signals for Owen and he notices

OWEN: (CONT'D)

JOHNNY:  
Yeah, see you tomorrow man

Owen walks away, letting out a deep breath

CUT TO:

Olivia, do you mind if I talk to  
you for a minute?

OLIVIA:

Louis and Olivia walk out of the room

OLIVIA: (CONT'D)  
What's up?

LOUIS:  
So, he talked to Johnny and Lisa

LOUIS:  
He really seems like his old self

OLIVIA:  
That's great

LOUIS:  
I gotta go, I'll see you guys  
tomorrow?

OLIVIA:  
Yeah, thanks for keeping an eye on  
him Louis

LOUIS:  
No problem, you take care alright?

Olivia nods her head and Louis leaves the house, she goes  
back in the living room and sits down on the couch

OLIVIA:  
What are you watching?

OWEN:  
I don't know, it's an old Adam  
Sandler movie

OLIVIA:  
Cool

Olivia looks around the room, and she looks back at Owen

OLIVIA: (CONT'D)  
Listen, if I ask you something,  
promise not to freak out?

Owen pauses the movie, and turns to Olivia

OWEN:  
If it's about graduation, I've been  
thinking about going

OLIVIA:  
Really?

OWEN:  
Yeah, I've been thinking about what  
my therapist said about making  
progress, I gotta make a giant leap  
and I think going to graduation  
will help, besides, it's a one time  
event right?

Olivia cracks a smile, this is the most he has heard him talk  
in months

OLIVIA:  
And what about Johnny's after  
party?

OWEN:  
Maybe, he talked to me about it  
earlier but he understood if i  
decided not to go

OLIVIA:  
That's good

OWEN:  
So, how was work?

OLIVIA:  
It was.....eventful

OWEN:  
What do you mean?

OLIVIA:  
It's.....nothing

OWEN:  
Ok

Owen unpauses the movie and Olivia puts her head on his shoulder

LILLY:  
Sheriff, I need to talk to you

LOUIS:  
What is it now?

Louis goes straight into his office, Lilly follows and she closes the door

LILLY:  
I think there was more than 1  
killer

LOUIS:  
Come on Lilly, not this again

LILLY:  
When they did an autopsy on Ian, it  
said that there were big stab  
wounds in his torso

LOUIS:  
Yeah, and?

LILLY:

Well, in Mike Thomas's report, his stab wounds were much more smaller

LOUIS:

What are you getting at, Lilly?

LILLY:

I think there were 2 killers in the school that day

LOUIS:

Ok, let's say there were, why stop now?

LILLY:

Well, maybe since his partner got killed, the other one laid low, waiting for the right opportunity to strike

LOUIS:

Wait, graduation day is next week

LILLY:

What are we going to do?

LOUIS:

I am going to keep watch of Owen and his friends, and if anybody looks out of the ordinary, I'll catch him or her and this will all be over

LILLY:

What about me?

LOUIS:

You stay away from them, Owen is already going through enough and you don't need to put yourself in danger

LILLY:

Come on louis, I want to catch this bastard and make him pay for what he did to Brennan

LOUIS:

Look, I know how you feel, believe me, I want to catch him just as much as you do, Brennan was one of the brightest deputies that I have ever met, but for right now you need to pump the breaks, now get out of here, please

Lilly leaves in a huff, Louis is rubbing his head, thinking about what to do next

OLIVIA:  
What's wrong?

OWEN:  
I....uh....started fine but my heart started pounding, my hands were shaking, I felt like I was about to faint

Olivia sits with him

OLIVIA:  
Yeah, that's called a panic attack and you handled it well

OWEN:  
Oh, I hope I didn't freak anybody out

OLIVIA:  
No, you didn't, everybody knows what you're going through, it's fine, wanna head back inside?

OWEN:  
Nah, you go, I'm gonna stay out here, clear my head

OLIVIA:  
Ok

Olivia kisses Owen on the cheek and she goes back inside

Owen is sitting there, he sees a person in black, standing under a street light, he breathes heavily, and closes his eyes

OWEN:  
It's not real, it's not real

Owen opens his eyes and the person is gone, he sighs and lays his head back on the wall, looking up into the night sky

CUT TO:

EXT. JOHNNY'S HOUSE - NIGHT

OWEN:  
Well, I didn't want to disappoint  
my best friend

Owen and Johnny do their little handshake, Owen cracks a smile

OLIVIA:  
It's great seeing you two together  
again

JOHNNY:  
Well, we're the dynamic duo

Johnny wraps his arm around Owen's shoulder and they walk to the house

Louis parks his car near the house, he looks at the party from afar, he sees Lilly park her car behind him, he turns around

LOUIS:  
Lilly, what are you doing here?

LILLY:  
I'm just .....looking for a story  
to write about?

LOUIS:  
Well, you won't find anything at a  
high school party other than drunk  
kids, go home

LILLY:

Look, you and I both know that something big might go down and if it does those kids are gonna need all the help they can get

LOUIS:

We don't know that, but since you're here, we might as well walk together

Lilly smiles

LILLY:

Yeah, I would like that

JOHNNY: (CONT'D)

I just want to propose a toast, to a new life and to being an adult

All the partygoers raise their cups and cheer, they all drink

JOHNNY: (CONT'D)

Alright, now can someone help me down from this table?

CUT TO:

Lilly and Louis are walking on the road

LOUIS:

How did you get into journalism?

LILLY:

Um, I always wanted to be a reporter, when I was a kid, I used to look up old reports from Gail Weathers, and that sparked my desire to become a journalist

LILLY: (CONT'D)  
How about you?

LOUIS:  
What

LILLY:  
Why did you want to become a  
sheriff?

LOUIS:  
It was a job that ran in the  
family, my old man was sheriff and  
when he retired, he passed the job  
onto me, when he found out about  
the Brad stuff, he actually wanted  
to take over but I stood my ground  
and convinced him that I could  
handle it

LILLY:  
I'm guessing he was jealous that  
you were getting all of the action

LOUIS:  
Oh yeah, he was never on the field  
that much and he was pretty pissed

LILLY:  
Is he still around?

LOUIS:  
No, he died last year, and one of  
the last things he said to me was  
that I am a better sheriff than him

LILLY:  
Did he mean it

LOUIS:  
I don't know, he was pretty loopy  
on medication but I like to think  
he did

RING RING RING

He looks at his phone to see an "Unknown Number" call him, he answers

MILES:

Hello Miles

Miles isn't phased by the voice, he laughs it off, thinking it's a joke

MILES:  
Who's this?

VOICE:  
That's not really your business

Miles scoffs while snooping through stuff

MILES:  
Ok...so what do you want?

VOICE:  
I just want to have a nice friendly chat, one that probably won't end with me spilling your guts with my knife

MILES:  
Ooh, scary, what else is new

VOICE:

Tell me Miles, are you enjoying the party?

MILES:

I mean.... it's not the best one I've been to, but it's alright

VOICE:

Is that why you're snooping through things that don't belong to you

Miles stops in his tracks, the camera focuses on Ghostface appearing in the background

MILES:

How did you know?

Ghostface rushes at Miles, pushing him into a shelf, knocking his phone out of his hand, Miles holds his hands up

JOHNNY:  
You two are so cute together  
(laughs hysterically)

Lisa walks in, with a case of beer

LISA:  
Wassup Bitches

The partygoers cheer as she walks through the house, Owen and Olivia walk up to her

OLIVIA:  
Where were you?

LISA:  
Well, I stopped at the store to  
grab beers but I forgot my "ID" so  
I had to improvise

she does a handjob gesture

OLIVIA:  
Jesus, Lisa

LISA:  
Relax, I'm just kidding, I had him  
pay for me

Lisa hands Owen and Olivia a beer, and they open them, they drink, Johnny walks in

Louis goes to open his door when his radio is torn to shreds

LOUIS: (CONT'D)  
Oh no

LILLY:  
What?

LOUIS:  
Well, whoever flatten our tires  
destroyed my radio

LILLY:  
Can't you call it in with your tiny  
one?

LOUIS:  
Nah, these things can't reach out  
here

LILLY:  
Well, we gotta tell the kids

LOUIS:  
No, we can't cause a panic, we just  
got to stay vigilant

LILLY:  
And what if someone dies?

LOUIS:  
Trust me, if this guy wanted to  
kill someone, he would've already  
done it

LISA:  
Yeah, I fucked a guy in your  
parents room

JOHNNY:  
Not surprised

LISA:  
You were the guy, dumbass

Owen, Olivia and Lisa laugh

LISA: (CONT'D)  
I'm going to get more beer

Lisa walks to the kitchen, leaving the trio

OWEN:

Louis? what are you--

blood comes out of his mouth and he falls to the floor, revealing the knife in his back, the trio stand up as Ghostface enters the house

OWEN: (CONT'D)

Is this real?

OLIVIA:

Yes, it's very real

Ghostface pulls out a gun and approaches them, Owen puts his hand behind his back and pulls out his gun

OWEN:

Not today, asshole

Owen fires three shots into Ghostface's chest, he falls to the floor

JOHNNY:

Holy shit

Owen keeps the gun pointed at Ghostface, his hand shaking

OLIVIA:

Owen, put the gun down

Olivia reaches for the gun and lowers his arm, Johnny approaches Ghostface's body, kicking it.

he kneels down to grab the mask and takes it off, IT'S LISA, Owen isn't surprised, Olivia and Johnny gasp

JOHNNY:

Well, shit

Owen notices that there isn't blood coming out of the bullet holes

OWEN:

That's weird, there's no blood

JOHNNY:

Yeah, I wonder why

Johnny grabs the gun and points it at Owen and Olivia, who are confused

OWEN:

Johnny, what are you doing?

JOHNNY:  
Wow, and I thought you would put  
two and two together

OLIVIA:  
You're the killer

JOHNNY:  
Surpriiiiise

Get up, it worked

Lisa opens her eyes, and jumps up, all joyful

LISA:  
We got them good, babe

JOHNNY:  
Damn right we did

Lisa and Johnny kiss, the gun still pointed at the couple

OWEN:  
Why?

JOHNNY:  
Well you see, after Abby broke up  
with me Sophomore Year, something  
awoken in me, I was filled with  
anger to the point where I finally  
snapped

OLIVIA:  
So you're the one that murdered  
Miles

JOHNNY:  
Damn right, and I was going to kill  
Abby but she decided to move which  
unbeknownst to her that was a  
really smart idea

OWEN:  
So what about her?

LISA:  
I wanted to be a part of the fun

OLIVIA:  
So what about Ben?

JOHNNY:  
We needed a guy to take the fall in  
case the plan goes wrong

OWEN:  
what about my dad? What about Ryan?  
They had nothing to do with this

JOHNNY:  
Actually, he decided to do that, we  
didn't know he was going to kill  
him, and as for Ryan, well let's  
just say I needed a new co-host

OLIVIA:  
So, all this time, you ran around  
town killing people.....for  
revenge?

JOHNNY:  
Yep

OWEN:  
So, what does all of this have to  
do with me and Olivia?

JOHNNY:  
Well, where do I begin?

Johnny laughs, Owen starts to form tears in his eyes

OWEN:  
You were my friend, I trusted you

JOHNNY:  
Well, sometimes you gotta sacrifice  
the ones you love

OLIVIA:  
You killed your friends

LISA:

Friends?? they were never our  
friends, before I met you, I was an  
outcast, and then I met Johnny, who  
had more to offer than that  
pathetic little weasel Ian

OWEN:

You two are fucking crazy

JOHNNY:

Yeah, we might be but crazy is what  
makes us mainstream and when all of  
this hits the news, it will be on  
every station, our names will be  
everywhere

Owen clenches his fist, a single tear slides down his cheek

JOHNNY: (CONT'D)

So, does that cover it?

LISA:

Yep

Owen notices the back door opening, it's Lilly, with a stab  
wound and is holding her gun, Owen pulls a pocket knife out  
of his pocket slowly

JOHNNY:

I gotta say, it sucks that it went  
down like this, I'm going to miss  
you guys

OLIVIA:

Rot in hell

Johnny goes to shoot them when he hears a floorboard creak,  
he turns around and sees Lilly, he goes to shoot her when  
Owen stabs him in the side with the pocket knife.

Back in the Living Room, Olivia and Lisa are fighting, Lisa is trying to stab her

LISA:

You should really just die

Olivia struggles to keep the knife away from her

OLIVIA:

Fuck you, bitch

Olivia headbutts Lisa, and unintentionally gets stabbed in the shoulder, Olivia screams and pulls the knife out

Back in the kitchen, Johnny is choking Owen out, his back is against the glass door

JOHNNY(TAUNTING):

You should really just give up,  
that's what you're dad would've  
wanted

Angry, Owen runs forward and slams himself and Johnny through the glass door, spilling out through the patio railing and onto the lawn

with both boys down, Owen coughs and Johnny spits up blood, both clearly exhausted

JOHNNY:

Where did you----Learn how to fight  
like that?

OWEN:

After the stuff with Brad, my dad  
put me in self defense classes

JOHNNY:

Really?

OWEN:

Yeah, I learned a few things

JOHNNY:

Damn

Owen lifts his head up and sees Johnny reaching for a shard of glass, when he tries to swing, Owen catches his arm and Johnny drops the shard.

Owen jumps on top of him and wails on him, Johnny's face gets bloodier and bloodier, Owen's face is filled with anger, with tears running down his face.

Each punch has flashes of them as kids, each one getting more recent

Owen doesn't stop, Johnny's face is covered in blood and Owen stops and falls next to him, exhausted

Back in the house, Lisa is choking Olivia out

LISA:

Just.... Fucking....Die

Olivia starts to faint, Lilly runs in and tackles Lisa, Olivia coughs

Lisa and Lilly fight for the gun, when Lisa is almost at the gun, Olivia grabs it and points it at her

Lisa goes on her knees, giving a deranged smile towards Olivia

LISA: (CONT'D)

Go ahead, shoot me

OLIVIA:

With pleasure

Olivia, with no hesitation, shoots her in the head, instantly dead, she falls to the ground, Olivia drops the gun and Lilly approaches her

LILLY:

Are you ok?

OLIVIA:

Yeah, where's Owen?

Lilly looks at the back door and they both run outside, seeing Owen and Johnny laying on the ground, Olivia runs to Owen and holds his head

OLIVIA: (CONT'D)

Owen, are you ok?

Owen looks at Olivia, with a tremendous amount of pain in his face

OWEN:

I think I broke my ribs

Olivia helps Owen up

Johnny wakes up and takes a deep breathe, Lilly points a gun at him

LILLY:

Don't even think about it, asshole

Johnny laughs and coughs, he gets on his knees and spreads his arms out

JOHNNY:

Go ahead, shoot me

As Lilly puts the gun against his head, Owen grabs the gun, Lilly looks at Owen

LILLY:

What are you doing?

OWEN:

He doesn't deserve to die

they walk away, Johnny jumps up and when he is about to run at them, Owen turns around and points the gun, it stops him in his tracks, they have a standoff

OWEN: (CONT'D)

It's over, Johnny

Owen, looking at his once best friend, hearing sirens in the distance

JOHNNY:

Even if I don't die, I'll still get what I want

OWEN:

That might be true, but you'll be behind bars, and that's all that I care about

Several deputies run into the backyard, Johnny raises his hands and puts them on his head, Owen puts the gun down and Johnny is put in handcuffs

FADE TO:

OLIVIA:  
It's gonna be ok, Owen

they overhear a paramedic

PARAMEDIC:  
WE HAVE A LIVE ONE

They see Louis being wheeled out in a stretcher, Lilly runs to him

LILLY:  
Oh my god, I thought you were dead

Lilly goes into the ambulance with Louis, leaving Owen and Olivia

OWEN:  
Can I ask you a question?

OLIVIA:  
Yeah?

OWEN:  
Can we please get the fuck out of this town?

OLIVIA:
