OWEN:

What's up

They do a little handshake before Ryan Philips walks up to them, a hefty but strong kid

RYAN:

Long time no see guys

OWEN:

just started middle school

OWEN:  
Yeah, It feels like a fresh start,  
you know?

JOHNNY:  
I thought so too

Brad walks past the trio, heading straight towards the

RYAN:  
He made our lives hell in Middle  
School

JOHNNY:  
Well, let's just stay out of his  
way and hope for the best, who  
knows, he might've changed over the  
summer

we should probably head to class

Any idea where the teacher is?

or he just doesn't want to be here

OWEN:  
I don't blame him

Olivia laughs, and so does Owen

OWEN: (CONT'D)  
I'm Owen

Owen extends his hand

OLIVIA:  
I'm Olivia

She shakes his hand, but not long enough for it to become awkward

OLIVIA: (CONT'D)  
So, what grade are you in?

OWEN:  
I'm a freshman

OLIVIA:  
A freshman? Taking an AP class? How  
does that work?

OWEN:  
Well, when you have an higher IQ  
than the average person, people  
take you for granted

Olivia is stunned

and I wanted to challenge myself

OLIVIA:  
that's great

RYAN:  
That's great---wait, Her?

OWEN:

surprising hearing that you of all  
people is talking to girls

OWEN(SARCASTICALLY):  
Oh ha ha, very funny

Behind them, Brad is seen cutting through the line and goes  
right in front of Owen and Ryan

OWEN:

Brad turns around

BRAD:

RYAN:  
just let it go

OWEN:

BRAD:  
you better be real smart with the  
words that come out your mouth  
next, Atlas

RYAN:  
Leave him alone Brad

Brad ignores Ryan, staring daggers at Owen

BRAD:  
So what is it gonna be?

Owen is clearly terrified of Brad, he doesn't say a word

BRAD: (CONT'D)  
Yeah, that's what I thought, stay  
out of my way and I'll gladly stay  
out of yours

Brad walks off, Lunch in hand, which relieves Owen

JOHNNY:

Johnny hangs up, leaving Owen with his thoughts, he gets up and walks towards his desk and opens his computer and opens up a message from Olivia saying "hey" and he laughs

AARON:  
Oh

Aaron flushes the toilet and comes out, he goes to the sink  
and washes his hands, Johnny looks at him

JOHNNY:  
So, Kansas? What is that place

JOHNNY:  
If this is supposed to be  
threatening, it's not working

BRAD:  
Oh, that's right, you and that Ryan

Olivia, sitting all alone

have been talking to Olivia

OWEN:  
Wait, Olivia is your sister?

BRAD:  
yep, and it is my duty to make sure  
she has a good freshman year  
without some guy drooling over her

OWEN:  
To be fair, we never really talked  
in middle school and he doesn't  
really like me all that much

Owen glances at Brad, who is looking at him

OLIVIA:  
So, what did I miss in the first  
period?

OWEN:  
Uh, we have to study for a test for  
next week and that's mainly it

OLIVIA:  
Great, another thing I got to study  
for

OWEN:

OWEN:

considering who her brother is?

OWEN:  
I'm not worried about Brad

JOHNNY:  
I don't know, he isn't the same kid  
we knew in elementary, Owen

Owen laughs as he continues putting books in his locker

happened in middle school?  
(MORE)

JOHNNY: (CONT'D)  
He pummeled that kid to the point  
where he was unconscious

he didn't want me to date Olivia,  
I'm simply helping her as a friend,  
there is a difference

JOHNNY:  
just watch your back, man, you  
never know what he will do

OWEN:  
Trust me, if he was going to do  
something, he would've already done  
it

Hi, Mr. Moore, I'm a friend of  
Olivia's and I was wondering if I  
could talk to her?

There is a REALLY awkward silence between the two

ELI:  
Yeah, let me go get her

OWEN:  
Ok

Eli closes the door and Owen waits, he examines the yard,  
it's nice and neat, grass is a bright green and he notices a  
really nice car in the driveway before Olivia opens the door  
and Owen turns around

OLIVIA:  
Oh, what are you doing here?

OWEN:  
I'm.....uh..... Sorry that i  
couldn't make it to the library the  
other day

OLIVIA:  
it's fine

OWEN:  
Really?

OLIVIA(SARCASTICALLY):  
yeah, I'm sure whatever you had to  
do was more important, it's no big  
deal

OWEN:  
If I told you why, you probably  
wouldn't believe me

OLIVIA:  
Try me

OWEN:  
Ok, when i was walking to my car  
the other day, my window was  
smashed and it was completely  
trashed

OLIVIA:  
and this stopped you because?

OWEN:

I think that Brad might've did it

Olivia is shocked, but not completely shocked, meaning she has been through this once before

OLIVIA:

That little asshole

OWEN:

Well that wasn't the reaction I was expecting

OLIVIA:

He's a bad guy Olivia

OLIVIA:

How exactly?

BRAD:

You didn't know him in elementary, the kid was evil

OLIVIA:

That was elementary, grow the fuck up

BRAD:

He is just gonna hurt you, exactly  
like the other guys you have been  
"friends" with

Eli walks in, curious as to what's happening

ELI:

What is going on here?

OLIVIA(TO ELI):

Brad broke into Owen's car

ELI(TO BRAD):

Brad, why would you do that?

BRAD:

Dad, I'm just trying to protect  
Olivia

ELI:

So breaking into someone's car is  
protecting her?

BRAD:

He isn't good enough for Olivia

OLIVIA:

you don't get to decide who i can  
and can't hang out with

Olivia storms out and heads back downstairs

ELI:

From now on, leave Owen alone and  
if something like this happens  
again, you will be grounded but for  
now, you will be paying for the  
damages

BRAD:

How do you suggest I do that?

ELI:

I don't know, get a job, for god  
sakes Brad your almost an adult  
start acting like it

BRAD:

You know, if mom was here, she  
wouldn't have-

Eli snaps, he grabs Brad by the throat and throws him against  
the wall

ELI:  
You either pay for the damages or  
you're out of here, got it?

How?

OWEN:  
He is a brother just looking after  
his sister, even if he takes things  
a little too far

OLIVIA:  
You know, we can still study if you  
want?

OWEN:  
I wish I could, but I got a few  
errands to run

OLIVIA:  
Oh

OWEN:  
But, you can come over to my house  
tonight and we can study, only if  
you want to?

OLIVIA:  
Considering that my brother  
probably hates me, I would like to  
get out of the house for a few

OWEN:

Sounds great, I just have to run it  
by my dad

OLIVIA:

just text me the address and if

ridiculed by everyone in school

AARON:

What is going to be our name?

JOHNNY:

EPISODE 5

FADE IN:

INT. OWEN'S ROOM - NIGHT

it is now night, Owen and Olivia are sitting at his desk, studying

OLIVIA:  
Why does Geometry have to be so  
hard?

Owen laughs

OWEN:  
What are you having trouble with?

OLIVIA:  
I don't get it, how can you divide  
fractions and turn it into a  
decimal?

OWEN:

Oh, that's easy, The easiest way to convert a fraction to a decimal is to divide the numerator (the top of the fraction) by the denominator (the bottom of the fraction) by using a calculator. The resulting answer will be the value of the fraction expressed as a decimal number.

OLIVIA:

You know, sometimes I wonder if you're just secretly a robot

OWEN(ROBOTIC):

How did you know?

They both laugh, and smile at each other, Olivia leans closer to Owen and just as their about to kiss, Owen pulls away

OLIVIA:

What's wrong?

Owen scratches his head

OWEN:

I, uh... never really kissed anyone before

OLIVIA:

Oh

OWEN:

Yeah, that's usually the big turn off about me, you probably find that embarrassing

OLIVIA (REASSURES):

No, No, No, that isn't embarrassing at all

OWEN:

Really?

OLIVIA:

Yeah, it's perfectly normal, it's what makes us human

OWEN:

well, this got a little less awkward

Olivia laughs, and grabs his hand

OLIVIA:  
I understand if you're not ready  
for this type of relationship yet  
and it's ok to be nervous

OWEN:  
But what if I don't live up to your  
expectations?

OLIVIA:  
Let's find out

Olivia pulls Owen in and kisses him, she pulls away, he is  
speechless

OLIVIA: (CONT'D)  
That was.....really good

OWEN:  
Really?

OLIVIA:

They both smile, Olivia reaches for her phone and checks the  
time: it's 9:45

OLIVIA (CONT'D):

be home by 10

OWEN:  
I'll grab my keys

OWEN:  
Is this like an official thing?

Olivia laughs

OLIVIA:  
Only if you want it to be

Olivia enters her house and closes the door, Owen begins to pull out, smiling and drives off, she turns to find Brad on the stairs waiting for her, she jumps a little

OLIVIA: (CONT'D)  
Jesus, you scared me

BRAD:  
I just wanted to talk

OLIVIA:

BRAD:  
I went overboard and I wanted to apologize

OLIVIA:  
There's no need

BRAD:

OWEN:

OLIVIA:

Yeah, when you dropped me off the other night, he was waiting on the stairs and he... Looked happy

OWEN:

Maybe he changed his mind about us

OLIVIA:

I don't know, he just seemed off

OWEN:

I wouldn't really worry about it, it's not like he can do anything about it

Mr. Norris walks up and puts his key in the door and opens it, Owen turns around

Owen nods and follows the Hall Monitor down the hallway

OWEN:  
So why am I needed?

The hall monitor stops and two boys grab and pull Owen into the bathroom, where Brad is waiting

INT. SCHOOL BATHROOM - SAME

OWEN:  
What the fuck

BRAD:  
Wanna know what happens when you  
fuck with somebody like me?

OWEN:  
Brad, come on, can we just talk  
about this?

BRAD:  
Too late for that

Brad runs and kicks Owen's leg and a loud SNAP happens

Owen falls to the floor, in agony, Brad bends down

BRAD: (CONT'D)  
That's just the beginning

Brad picks Owen up and throws him against the wall, punching him several times and throws him back on the floor

Owen, now bleeding on the side of his head tries to crawl but Brad puts his foot on his broken leg

BRAD: (CONT'D)  
Grab his arm

BOY #1:  
What?

BRAD:  
Just do it

Boy #1 holds Owen's arm up and Brad grabs it

OWEN:  
Brad, please stop

SMASH TO:

INT. HOSPITAL ROOM - AFTERNOON

OWEN:

Dad

Matt looks up, and a smile forms on his face

MATT:

Hey buddy, you're awake

OWEN:

Where am i?

MATT:

Do you not remember?

Owen shakes his head no

MATT (CONT'D):

You were stretchered out of school after Johnny found you in the bathroom

OWEN:

What day is it?

MATT:

Wednesday

OWEN:

oh, thank god

MATT:

Owen, you were out for 2 weeks

OWEN:

What?

MATT:  
They said if Johnny never found  
you, you could've died

Owen sits there, trying to hold tears back, his dad gets up  
and hugs him

MATT: (CONT'D)  
It's going to be alright, Owen,  
we'll find whoever did this to you

Suddenly, Olivia knocks on the door and Matt opens it, Owen  
forms a smile on his face

OLIVIA:  
Hey, you're up

She goes to hug Owen and sits in the chair

MATT:  
I'll be right outside

Matt exits and closes the door

OWEN:  
I'm so glad to see you

OLIVIA:  
I'm just glad you're alive

OWEN:  
your probably gonna hate me for  
what I'm about to say

OLIVIA:  
What is it?

OWEN:  
The day that i was attacked, it was  
Brad

OLIVIA:  
What?

OWEN:  
Brad attacked me

OLIVIA:  
Oh my god

Olivia gets up, Owen is confused

OWEN:  
Where are you going?

OLIVIA:  
I'm putting an end to all of this  
nonsense

Olivia marches out the door, Matt comes back in

MATT:  
What happened?

CUT TO:

INT. POLICE DEPARTMENT - AFTERNOON

Sheriff Louis Carter is sitting at his desk, sipping a cup of coffee, reading the paper when a deputy barges in

DEPUTY:  
Sheriff

LOUIS:  
What is it Daniels?

DANIELS:  
A girl knows something about that  
school fight

Louis looks up, concerned

LOUIS:  
Bring her in

Olivia walks in, and sits down in a chair

LOUIS: (CONT'D)  
What do you know?

OLIVIA:  
I know who did it, Sheriff

LOUIS:  
Who?

OLIVIA:  
Brad Moore

Louis looks up in disbelief, he seems surprised

LOUIS:  
Brad Moore?

OLIVIA:  
I know how it sounds but it's true

LOUIS:  
Well, who is your source?

OLIVIA:  
Owen Atlas

Louis is shocked

LOUIS:  
The kid is awake?

OLIVIA:  
Yes, and he told me everything that  
happened, now you have to arrest  
Brad

Louis sighs, he leans back in his chair

LOUIS:  
I can't just arrest Brad

Olivia is shocked

OLIVIA:  
Why not?

LOUIS:  
Well, first of all, I can't take  
your word for it, and second of  
all, there's no proof that he did  
it

OLIVIA:  
Look, you can ask him yourself,  
he'll tell you what happened

LOUIS:  
Ms. Moore, I can't go off of your  
or your boyfriend's word, I need  
solid evidence

Olivia stands up, she opens the door, Louis is confused

LOUIS: (CONT'D)  
Where are you going?

Olivia looks at Louis

OLIVIA:  
To get evidence

Olivia leaves the office, Louis is baffled as he resumes what  
he was doing, he stops

LOUIS:  
Eh, fuck it, might as well go  
interview the kid

Louis gets up and grabs his coat as it

CUT TO:

INT. HOSPITAL - OWEN'S ROOM - CONTINUOUS

Owen is staring at the ceiling, he's all alone in the room,  
he hears a knock on the door, he sighs

OWEN:  
Come in

The door opens, it's Matt, he enters the room

OWEN: (CONT'D)  
Shouldn't you be at work, dad?

MATT:  
And leave you here by yourself?

OWEN:  
I wasn't really by myself until  
Olivia left

Matt sighs as he sits down on the chair, he takes his hat off

MATT:  
Look, I know I'm almost never at  
the house because of work but I  
want to change that, Owen

Owen looks at Matt

OWEN:  
Last time you wanted to change  
that, you accepted the first call  
after only being out of work for a  
day

MATT:  
Yes, and I'm sorry Owen

OWEN:  
Anytime we try to hang out, you're  
always busy or you have to go to  
work

MATT:  
But I'm here now, aren't I?

OWEN:  
Yeah, only because I'm in the  
fucking hospital

Matt is shocked, he sits back as the room fills with silence,  
Owen sighs

OWEN: (CONT'D)  
I'm sorry

MATT:  
It's alright, I get that you're  
angry

OWEN:  
It's not just that, every time we  
try to have a conversation, you  
always find a way to avoid talking  
to me, why?

Matt sighs

MATT:  
I was afraid, after your mom died,  
it was my job to take care of you,  
something that was a little  
underwhelming, I was alone and  
scared, which is why I started  
drinking, but when you got older, I  
needed to step up and make sure you  
had a better life, so I started  
working day and night just to make  
sure you were taken care of

OWEN:  
But, why avoid me now?

MATT:  
I'm not trying to avoid you, I just  
can't muster up the strength to  
talk to you because I feel like I  
failed as a father, especially when  
I got the call about what happened

Owen is silent, trying not to cry, Matt sighs

MATT: (CONT'D)  
So yeah, there's the truth

Owen sighs and looks at his dad

OWEN:

If it makes you feel any better, I  
never thought you failed as a  
father

Matt looks at Owen and smiles as it

CUT TO:

INT. HIGH SCHOOL - HALLWAY - CONTINUOUS

Brad is at his locker, putting books in when he sees Olivia  
walking towards him

Brad:

Olivia? What are you-

BAM

Olivia slaps him across the face, he looks at her in  
confusion

BRAD:

What was that for?

OLIVIA:

You're the one that put Owen in the  
hospital, aren't you?

Brad looks around, several bystanders are looking at them

BRAD:

I didn't do anything, Olivia

OLIVIA:

Bullshit, you're the only one that  
has a problem with Owen

BRAD:

I didn't hurt your stupid boyfriend

Brad slams his locker closes, caving it in, the loud noise  
startles the entire hallway, including Olivia, Brad looks at  
her

BRAD: (CONT'D)

I suggest you drop it, or else  
something bad will happen to you  
Olivia

Johnny walks over, standing next to Olivia

JOHNNY:  
You're not going to do shit, Brad

Brad looks at Johnny

BRAD:  
Or what? You're gonna fight me?

JOHNNY:  
No, but I suggest you walk away

BRAD:  
Whatever

Brad puts his backpack on and leaves, intentionally bumping into Johnny, Olivia looks at Johnny

OLIVIA:  
Thanks

JOHNNY:  
No problem, someone has to stand up to that prick

OLIVIA:  
Look, I know it sounds crazy, but i think that-

JOHNNY:  
Brad attacked Owen?

OLIVIA:  
Yeah, why? Would you believe me?

JOHNNY:  
Uh, yeah, I watched Brad come out of the bathroom, he 100% did it

OLIVIA:  
So how do we prove that he did it?

JOHNNY:  
The hallway leading to that bathroom has a security camera in the corner, if we can look back at the footage-

OLIVIA:  
That'll prove that Brad did it

JOHNNY:  
Exactly

OLIVIA:  
So, how do we get access to the  
feed?

JOHNNY:  
I think I can help with that, can  
you meet me in the library after  
lunch?

OLIVIA:  
Sure, but how are you going to -

JOHNNY:  
I'll explain later, alright?

OLIVIA:  
Alright

They split off and it

CUT TO:

INT. HOSPITAL - OWEN'S ROOM - CONTINUOUS

Owen is on his phone, him and his dad hear a knock on the  
door, Matt gets up and opens it, it's Louis, Matt let's him  
in

LOUIS:  
Owen Atlas?

Owen looks up and sees Louis, he puts his phone down

OWEN:  
That's me

LOUIS:  
My name is Sheriff Louis Carter and  
I'm here to talk about the recent  
events that happened at the school

OWEN:  
Ok

MATT:  
Do you want me to step out or  
something?

Louis turns to Matt and nods, Matt opens the door and steps  
out, Louis pulls up a chair and sits across from Owen, he  
takes his hat off and pulls out a notepad

LOUIS:

Ok, do you remember anything that happened before the incident?

Owen sighs

OWEN:

All I remember is that I was pushed into a bathroom and I saw... I saw Brad standing right in front of me, everything is a bit of a blur after that

LOUIS:

Are you sure that Brad is the one that attacked you? Could it have been someone else?

OWEN:

Look, Brad had it out for me since the first day of school, all because I was talking to his sister, so yeah, I'm positive that he did this to me

Louis is surprised, he closes his notebook and puts it back in his pouch, he gets up and sighs

LOUIS:

You rest easy now, alright

Louis turns to walk away, Owen is confused

OWEN:

That's it?

LOUIS:

Yeah, pretty much

OWEN:

you believe me though, right?

Louis sighs and turns around

LOUIS:

Look, I can't just go off on your word, there has to be some sort of evidence

OWEN:

Some sort of evidence? Fucking look at me, I AM evidence, what do I have to do to make it more clear to you

Louis looks at Owen, who is clearly stressed, he sighs

LOUIS:  
I'll talk with Brad and whoever  
else involved, including your  
friend, alright?

Owen sighs

OWEN:  
Thank you

LOUIS:  
But if his story doesn't match up  
with what your saying, then I have  
no other choice but to move on

Louis opens the door and leaves, shutting it behind him, Owen  
sighs and lays his head back

CUT TO:

INT. HIGH SCHOOL - LIBRARY - MOMENTS LATER

Johnny and Olivia are sitting together at the back of the  
library, talking

OLIVIA:  
How do we get access to the  
security cameras?

JOHNNY:  
The school has a computer that runs  
the feed, luckily, the computer  
happens to be in here

OLIVIA:  
Ok, that's great

JOHNNY:  
But, we got to wait until the  
librarian goes on lunch and leaves  
her office, which so happens to be  
right about....now

Johnny and Olivia look on as the librarian leaves her room  
and goes out of the library, Johnny sighs

JOHNNY: (CONT'D)  
Alright, let's go

Johnny and Olivia get up and quickly head to the room, Johnny manages to catch the door before it closes and Olivia stands guard as Johnny goes inside

INT. HIGH SCHOOL - LIBRARIANS OFFICE

Johnny gets on the laptop and starts clacking keys

JOHNNY:  
Alright, let's see what we're  
working with

Johnny clicks on a folder and looks through video files, he spots one that is labeled Monday, he grins

JOHNNY: (CONT'D)  
There you are

He reaches into his pocket and pulls out a hard drive he plugs it in

JOHNNY: (CONT'D)  
Alright, move that to there and bam

A window for the hard drive pulls up on the computer screen, with a processing bar, it goes from 0% to 50% to 100%, he exclaims in excitement when the process is done, he pulls the hard drive out and puts the normal feed back up, he leaves the room, facing Olivia

INT. HIGH SCHOOL - LIBRARY

OLIVIA:  
Did you get it?

JOHNNY:  
Yeah (he holds up the hard drive),  
let's go

Olivia and Johnny grab their stuff and leave the library

CUT TO:

INT. HIGH SCHOOL - CLASSROOM - CONTINUOUS

Brad is writing in his notebook, there's a knock on the door and the teacher gets up and opens it, it's Sheriff Louis, he walks in, the entire class looks at him, including Brad

LOUIS:  
Sorry to interrupt, but I'm looking  
for a Brad Moore?

Brad gets up, confused

BRAD:  
That would be me

LOUIS:  
Can I speak with you?

BRAD:  
Is it important?

LOUIS:  
Yeah, it's pretty important

Brad walks towards Louis and they leave the classroom

INT. HIGH SCHOOL - HALLWAY

Brad and Louis face each other, Louis sighs while putting on  
a smile

BRAD:  
Am I in trouble or something?

LOUIS:  
It depends on what the answers to  
my questions are

BRAD:  
Ok, what are your questions?

LOUIS:  
Where were you the day Owen was  
attacked?

Louis drops his smiles, his demeanor is more serious, Brad  
doesn't seem fazed by it

BRAD:  
In class, up until the bell rang, I  
was no where near Owen

LOUIS:  
That's funny, because Owen said you  
were the last thing he saw before  
he was attacked, so either your  
lying or he's crazy

BRAD:  
The dude is delusional

LOUIS:  
Is that why you try to keep him  
away from your sister?

BRAD:  
Olivia doesn't need to be in a  
relationship with a guy like him

LOUIS:  
Well, that's not what Olivia seems  
to think, she's hellbent on finding  
any sort of evidence proving that  
you did it

BRAD:  
Well, she's not going to find  
anything because I didn't do it

Louis sighs, he has nothing left

LOUIS:  
You can go back to class

Louis walks away, Brad knocks on the door and enters the  
classroom

OLIVIA:  
We have your proof

Johnny flips the laptop over where Louis can see it, he sighs  
and looks

LOUIS:  
What am I looking at here?

JOHNNY:  
This was right after Owen was  
attacked

OLIVIA:  
And who do you see exiting the  
bathroom?

Louis looks closer and is shocked, he sees Brad, he sighs

LOUIS:  
Holy shit

OLIVIA:  
Now do you believe us?

INT. OLIVIA'S KITCHEN - SAME

OWEN(CONT'D):  
What's all this?

ELI:  
Olivia told me that you guys

OWEN:  
You put this all together?

distant

only 3, leaving me and my brother

OWEN:  
I'm sorry, I didn't mean.....

OLIVIA:  
No, no it's fine, i never really  
knew her

Olivia comes out in pink pajamas brushing her hair(it's a  
little wet, meaning she just got out of the shower) and  
stands in front of Owen

OLIVIA (CONT'D):  
If you don't mind me asking, what  
about you?

Olivia sits next to Owen

OWEN:  
She um ..... died when i was  
little

OLIVIA:  
Oh, I'm sorry

OWEN:  
No, don't be, I asked you first so  
it's only fair

OLIVIA:  
Did that mess things up with your  
dad?

Owen Sighs

OWEN:  
for a good while, he always blamed  
me for her death, but that was only  
because he was shitfaced

OLIVIA:  
Did he ever....?

OWEN:  
No, he was a dick but he never hit  
me

OLIVIA:  
How are you on good terms with him  
now?

OWEN:  
He got sober, we talked it out and  
we went to therapy for a year and  
even though things are still a  
little rocky, we're working through  
them

OLIVIA:  
That's good

OWEN:  
So, what do we do after this? our  
lives can't fully go back to normal

OLIVIA:  
I don't know, honestly, I'm just  
surprised that my dad is calm about  
this whole situation

Owen turns to Olivia, smiling

OLIVIA (CONT'D):  
What?

OWEN:  
Nothing, I just love watching you

Olivia laughs

OLIVIA:  
That was really corny

Owen laughs also

OWEN:  
yeah, i know

They both laugh, Owen leans in and kisses Olivia, she kisses back, when she tries to climb on top of him, he stops her

OLIVIA:  
What's wrong?

OWEN:  
I uh... don't know if I'm ready

OLIVIA:  
Oh, I'm sorry

OWEN:  
No, it's fine

Olivia sits next to Owen

OLIVIA:  
You know, if you aren't ready, we  
can always wait

OWEN:  
it's just that..... with everything  
that went down today, i feel like  
we should take things one step at a  
time, you know?

OLIVIA:  
What do we do now?

OWEN:  
We could talk, if you want?

Olivia looks at him and smiles

OLIVIA:  
Yeah, I would love that

sky as it fades to black

AARON:

Seriously?

JOHNNY:

Look, I can't just beg him to come  
on the podcast and talk about  
something that put him in the

OWEN:  
These guys made a podcast a while  
back and they wanted me to get on  
there to talk about the stuff with  
Brad

BRAD:  
Ok, what's the question?

ELI:  
Why did you attack Owen?

BRAD:  
I was trying to----

ELI:  
You weren't trying to protect  
Olivia, that ship has sailed

BRAD:  
Well, I don't know, maybe I just  
didn't like him

ELI:  
So you break his arm and leg?

BRAD:  
I was trying to make a point

ELI:  
well, look where that got ya, your  
sitting here

BRAD:  
What is this really about?

ELI:  
(Sighs) when you eventually get out  
of here, don't come back to the  
house, don't contact Owen, Olivia,  
or me ever again and if you do go  
anywhere near Olivia or Owen, I'll

OWEN:  
Sometimes

OLIVIA:  
My brother wouldn't be in jail,  
your arm and leg wouldn't be broken

OWEN:  
But we wouldn't be right here right  
now having this conversation

OLIVIA:

Exactly

OWEN:

if you told me, that at the  
beginning of the school year i  
would meet a beautiful, smart girl  
and would end up dating her, i  
would tell you that you're crazy

Olivia turns her head towards Owen

OLIVIA:

Do you regret any of it?

Owen turns his head

OWEN:

not a single moment

Olivia smiles and rubs her hand on his face, They both fall  
asleep

Hours later, Matt walks in the house and opens Owen's door to  
see him and Olivia sleeping and he quietly closes the door  
and goes to his room, a narration is heard

OWEN(V.O):

It's a crazy thing, one day I was  
just a normal everyday kid, now I'm  
the talk of the town

The camera cuts to Owen, sitting at a desk across from Johnny

OWEN:

It seems that what I went through  
put a spark into this town, it  
hasn't seen this much publicity in  
years

JOHNNY:

Well, this town is finally known  
for something, and you are  
considered a hero to many people

Owen laughs

OWEN:

I'm not a hero, I'm just a guy that  
got caught in a bad place

The camera cuts to Brad in a prison cell, staring out of the  
window

The camera zooms out as the screen fades to black

we'll never forget part is the same  
night where we--- well you know

OWEN:  
I love it, Thank you

DOCTOR:  
How long has it been since the incident?

OWEN:  
about 5 months now

DOCTOR:  
That's good, we're going to take a couple x-rays and determine whether it's time to take the cast and brace off

CUT TO:

INT. SCHOOLYARD

Johnny, Ryan, Aaron and Olivia are sitting together

JOHNNY:  
Where's Owen?

OLIVIA:  
he's getting his casts off today

RYAN:  
That's great

JOHNNY:  
He's lucky to have you

OLIVIA:  
Why do you say that?

JOHNNY:

Well, throughout the years I've known him, he's never really had a girlfriend, and when you two started dating, he's a completely different person in a good way

OLIVIA:

Aw, that's so sweet

The bell rings and they go to class

CUT TO:

INT. DOCTOR'S OFFICE

Owen and Matt are waiting for the x-ray results, Owen is texting Olivia

OWEN:

I have to start thinking about what to get her for Christmas

MATT:

Well, what does she like?

OWEN:

She likes a lot of things, if I narrow it down enough, I'll know just what to get her

The doctor knocks on the door and walks in

DOCTOR:

Hello, Owen

OWEN:

Hello

DOCTOR:

so here we have an x-ray of your leg after the incident

shows the bone out of place

DOCTOR: (CONT'D)

and here's the x-ray now

Bone is straightened

DOCTOR: (CONT'D)

Now with your arm, it's a bit different

OWEN:  
Just how different?

DOCTOR:  
Well, here's after the incident

Shows arm bone cracked

DOCTOR: (CONT'D)  
And here's now

Show bone straightened but still chipped

OWEN:  
Does that mean I still have to wear  
the cast?

DOCTOR:  
Thankfully, no, we'll take that off  
today, the chipped part is nothing  
to worry about

OWEN:  
Well, I'm ready, Doc

CUT TO:

INT. LUNCH ROOM - AFTERNOON

dating, Abby, this is Ryan, Aaron  
and Olivia

ABBY:

Nice to meet you guys finally,  
Johnny talks about you guys all the  
time

pulls out scissors

Alright Owen, just lay your arm  
flat on the table and I'll start  
cutting the cast

cast, it's a quick process and he breaks the cast open and  
Owen pulls his arm out

OWEN:

Wow, my arm looks smaller than I  
remember

DOCTOR:

That's normal, it'll take a few  
days for it to recover all your  
muscle mass, take off the leg brace  
please

Owen takes off the leg brace and puts it on the table, the  
doctor walks over and starts to cut the cast off enough for  
Owen to slide his leg out

DOCTOR (CONT'D):

And we're done, just wash both with

INT. OWEN'S ROOM - NIGHT

OWEN:  
so they said that it will take a  
couple days for all the muscle mass  
to come back into my arm and leg

OLIVIA (V.O):  
That's great news

OWEN:  
Yeah, are you and your dad still  
coming over for Thanksgiving next  
week?

OLIVIA:  
I talked to him about it earlier,  
he said that sounds like a good  
time

OWEN:  
So what did I miss at school?

OLIVIA:  
well, Johnny has a girlfriend now

OWEN:  
Really?

OLIVIA:  
Yeah, she just came out of nowhere  
and they started kissing

OWEN:  
That sounds a lot like us

Olivia laughs

OLIVIA:  
It does

Owen laughs

OWEN:  
I'll see you tomorrow, ok?

OLIVIA:  
Alright, love you

OWEN:

You know, I was thinking about  
something recently

Olivia looks at Owen

OLIVIA:  
What?

OWEN:  
What are we gonna do when your  
brother eventually gets out?

Olivia sits up

OLIVIA:  
We'll stay together and that's  
something he's gonna have to live  
with

OWEN:  
But what if he goes after me again  
or hell what if he hurts you?

OLIVIA:  
well, we have a whole another year

Gus, 25, is a small, black, smart guy who is Terry's right hand man

BRAD:  
What do you want?

TERRY:  
What are you in for?

BRAD:  
I broke a kid's leg and arm because  
he was dating my sister

GUS:  
that's gnarly

BRAD:  
Am I supposed to ask what are you  
two in here for?

TERRY:  
We robbed a store

BRAD:  
Is that it?

GUS:  
Mind if we sit?

Brad nods his head and they sit down across from him

BRAD:  
What are your names?

TERRY:  
I'm Terry, this is Gus, you?

BRAD:  
I'm Brad, Brad Moore

They shake each others hands , the music rises as Brad continues eating

SMASH TO:

INT. OWEN'S HOUSE - NIGHT

It is the next day, Thanksgiving Night, Owen, Olivia, Eli, and Matt sitting around the table eating

MATT:  
So, how is it?

OLIVIA:  
It's terrific

OWEN:  
You really outdone yourself, Dad

MATT:  
Please, it was a team effort, if it wasn't for Eli, the turkey wouldn't have came out good

ELI:  
I wasn't at the top of my cooking class for nothing

OWEN:  
Cooking class?

ELI:  
Oh yeah, in high school I took several classes to impress a girl, didn't work out but I did manage to make a cake which was cool

MATT:  
Me and Eli actually went to high school together

OLIVIA:  
You did?

ELI:

Oh yeah, he was the captain of the football team while I was a bookworm

OWEN( TO MATT):

I never knew you were the captain of the football team

MATT( TO OWEN):

Yeah, it's not really something I casually bring up

ELI( TO OWEN):

Your dad led the team to several victories, where eventually-

MATT( TO ELI):

That's enough, Eli

OLIVIA( TO MATT):

Wait, what happened?

OWEN( TO MATT):

Yeah, did something go wrong or-

MATT( TO OWEN):

Nothing went wrong, it's just that- it's something I just don't want to talk about

ELI:

Sorry, Matt

MATT( TO ELI):

It's fine, Eli, let's just talk about something else please

CUT TO:

EXT. OWEN'S HOUSE

Some time goes by and they are all outside, Owen hugs Olivia as Eli shakes hands with Matt

Eli and Olivia get in the car and drive off, Owen and Matt go back inside

INT. OWEN'S HOUSE

OWEN:

That went well

MATT:  
We should probably go to bed

OWEN:  
So, are we not just gonna talk  
about what happened?

MATT:  
Owen, please...

OWEN:  
Dad, you snapped at Eli, over  
bringing up something from high  
school

MATT:  
I know and I'm sorry

OWEN:  
What happened in high school, Dad?

MATT:  
Why does it matter?

OWEN:  
It must be something bad if you  
freaked out

Matt sighs

MATT:  
I wasn't a good guy in high school,  
Owen, I was not only doing a lot of  
drug enhancers, but I was awful to  
everyone around me, to the point  
where my girlfriend at the time  
broke up with me and it wasn't  
until she called me and told me  
that she was pregnant that we got  
back together

OWEN:  
Was that...

MATT:  
Yes, she wanted me off the drugs  
and get my act together and I did,  
but I was kicked off of the team  
because we started losing games,  
and do you want to know what I did  
the night you were born?

Owen nods his head

Matt's eyes begin to tear up

MATT: (CONT'D)

I wasn't at the hospital, I was out, partying with friends while your mother was giving birth to you and it wasn't until the next day I found out and when I arrived...they told me she died

OWEN:

So, that's why you were mad at me?

MATT:

No, god no, Owen, when the doctors wanted me to put you up for adoption, I refused. I dropped out of school and took care of you, but...I was drunk every hour of the damn day and one day... I just couldn't take it, I put you in my car and drove to the nearest adoption center but....I couldn't bring myself to do it, when I looked at you in the car seat, you were sleeping, after wailing for 3 days straight, I couldn't believe it, that's when I decided to fully sober up and finally be a good parent to you

Owen's eyes are full of tears and so are Matt's

OWEN:

You never told me that you were in high school when I was born

MATT:

I know, I know and I'm sorry and I know I've been a shitty dad, but look at the life you have, unlike me, you have people that care about you, Owen, people that actually help you through tough shit

Owen rubs his eyes and walks over to his dad, he looks him in the eye

OWEN:

I care about you, Dad

Owen wraps his arms around his dad and hugs him, Matt hugs him back for a solid minute

MATT:  
I love you, son

OWEN:  
I love you too, Dad

They still stand there, hugging each other, as it

FADE IN:

INT. PRISON VISITING ROOM - MORNING

We pick up right where we left off last episode, Olivia is sitting across from Brad, who is still shocked

BRAD:  
Why are you here?

OLIVIA:  
I just wanted to catch up, how are things?

BRAD:  
They could be better, how are  
things between you and Owen?

OLIVIA:  
Like you care, you nearly killed  
him

BRAD:  
Please, I genuinely want to know

Olivia can sense the sincerity in his voice, she lightens up

OLIVIA:  
Things are great, he's a really  
great guy

BRAD:  
Look, what i did that day was a  
little out of line---

Olivia:

A little? You almost killed him? And for what? So you can  
"protect" me

Brad:

If this leads to you saying "stay away from me" don't bother,  
Dad came a couple months ago and told me i wasn't allowed to  
go near you, Owen, or him

OLIVIA:  
And if you do?

BRAD:  
He was gonna make sure I stayed in  
here a whole lot longer than 2  
years

OLIVIA:  
Here's something I don't get, what  
were you trying to accomplish by  
attacking Owen?

Brad doesn't answer, he looks at the wall

OLIVIA: (CONT'D)  
that's what I thought

Olivia stands up and leaves the room

CUT TO:

EXT. PRISON

Olivia walks to Owen's car, she gets in and he looks at her

OWEN:  
I'm guessing it didn't go well?

OLIVIA:  
No it didn't, we should probably  
head to school

Owen nods and drives off

CUT TO:

INT. CHEMISTRY CLASS - AFTERNOON

Owen is sitting with Johnny, who is also sitting with Abby

OWEN:  
I took Olivia to see Brad this  
morning

JOHNNY:  
How did it go?

OWEN:  
Well, she came out crying so I'm  
guessing not well

JOHNNY:  
Damn, it's that bad huh?

OWEN:  
She has been distant lately, and we  
barely have had a full conversation  
together

ABBY:  
She just needs space, give her  
some time, she'll come around

OWEN:  
I know that, it's just.... I feel  
like all of this is all my fault,  
sometimes I think if I never walked  
up to her on the first day of  
school, none of this would be  
happening

JOHNNY:

None of this is your fault Owen,  
you didn't ask to get attacked by  
Brad that day, he brought it onto  
himself

OWEN:

I guess you're right

JOHNNY:

Besides, if you never started  
dating Olivia, I wouldn't of met  
Abby at your party

Owen laughs

OWEN:

Yeah, yeah, you're right

The bell rings and everyone leaves to go to the parking lot

Owen is walking down the hallway, when he bumps into Ben, who  
doesn't realize it's Owen

BEN:

Hey, watch where you're--

He realizes it's Owen

BEN(CONT'D):

Oh, sorry man

OWEN:

It's fine

BEN:

You alright?

OWEN:

Yeah, are you?

BEN:

Yeah, I see you finally got those  
casts off

OWEN:

Yeah, it feels good to be able to  
walk on my own again

BEN:

You seem like you have a lot on  
your mind, want to talk about it?

OWEN:  
No offense, but I don't really know  
you that well

BEN:  
Come on man, I want to help and it  
seems like all your friends are  
busy

OWEN:  
Eh, What the hell, let's talk

BEN:  
Cool, where are you heading?

CUT TO:

INT. OLIVIA'S HOUSE - AFTERNOON

Olivia arrives at her house, notices her dad is home and  
approaches him in the kitchen

ELI:  
Oh, Olivia, I thought you were with  
Owen?

OLIVIA:  
No, I wanted to spend time with  
you today

ELI:  
Well what's on your mind, honey?

OLIVIA:  
I went to go visit Brad this  
morning

Eli turns around, shocked

ELI:  
Why?

OLIVIA:  
I wanted an answer as to why he did  
what he did

ELI:  
What did he tell you?

OLIVIA:  
Nothing, he said the same thing he  
always says, to protect me

ELI:  
I'm sorry sweetie

OLIVIA:  
I just want answers

Olivia starts to cry, Eli hugs her and she buries her head into his shoulder

ELI:  
Is this why you're not with Owen,  
honey?

Olivia lifts her head and nods

OLIVIA:  
I love him, dad but every time I'm  
near him I get this sense that I  
was the reason he ended up half  
dead in a bathroom

ELI:  
Olivia, what happened that day  
wasn't yours or Owen's fault, now i  
don't know why Brad did what he did  
but I do know that you don't need  
to blame yourself for what happened  
and neither does Owen

Olivia rubs her eyes

OLIVIA:  
Your right, I'm gonna go call Owen  
and tell him to meet me at the  
boardwalk

Olivia walks off, she opens the door and leaves the house,  
Eli sighs and rubs his head

CUT TO:

INT. COFFEE SHOP - EVENING

Ben and Owen are sitting at a table, drinking coffee

OWEN:  
She told me right before we pulled  
into school that she needed some  
time to think after school and like  
a good boyfriend I'm giving her  
space

BEN:

She has been through a lot, Owen,  
and so have you, maybe it's a good  
thing that both of you need space  
and have some time to think about  
some things

OWEN:

Ben, it's just-- I don't want to do  
that to her because what if she  
thinks I'm ghosting her or don't  
want anything to do with her?

BEN:

Well, I don't know anything about  
that but I do know--

Owen's phone rings, it's Olivia

OWEN:

Speaking of, mind if I take this?

BEN:

Yeah, no problem

Owen gets up and walks outside and answers the phone

EXT. COFFEE SHOP

OWEN:

Hey, What's up?

OLIVIA (V.O.):

Hey, do you think you can meet me  
at the boardwalk, like now?

OWEN:

Yeah, I'll be there

OLIVIA:

Ok

OWEN:

I love you

OLIVIA:

I love you too

She hangs up and he walks back inside

INT. COFFEE SHOP

Owen puts down 20 dollars, grabs his jacket and leaves, Ben  
is baffled

CUT TO:

the parking lot of the pier, he gets out of his car and walks  
up to see Olivia, staring out into the ocean, she turns  
around and sees Owen walking up

INT. BOARDWALK - NIGHT

OWEN:  
Hi

OLIVIA:  
Hi

OWEN:  
How did you get here?

OLIVIA:  
I walked here

OWEN:  
So, why are we out here?

OLIVIA:  
I did some thinking

OWEN:  
What were you thinking about?

OLIVIA:  
Us

OWEN:  
What about us?

OLIVIA:  
I realized that I can't push you  
away when I need someone to talk to

Olivia grabs Owen's shirt, she begins to cry

OWEN:

Olivia, I'm here, okay, and I'll be  
here for you as long as you want me  
to be

Owen wraps his arms around Olivia, she buries her face into  
his shoulder

She finally let's it out, months of frustration and Owen  
hugs her tighter

OLIVIA:

I'm so scared, Owen

OWEN:

It's ok, as long as I'm here, I  
won't let anyone hurt you

Owen kisses the top of her head and she looks up at him

OLIVIA:

Can I stay with you tonight?

OWEN:

Of course

She smiles and kisses him softly

FADE TO:

INT. BRAD'S CELL - NIGHT

BRAD:

I am now

GUS:

Listen, me and Terry are planning  
something big and we need a third  
man, are you interested?

BRAD:

It depends, What's the plan?

GUS:

We're busting out of here

The camera focuses on Brad, thinking about his answer as it smashes to black

(End Of Episode 12)

EPISODE 13

FADE IN:

INT. PRISON LUNCHROOM - AFTERNOON

Brad, Terry, and Gus are sitting together, discussing their escape plans

TERRY:

Ok, Brad since you have been here a lot longer, what do you know about the guard's schedule

BRAD:

I know that they switch every 5 hours, and they only have 3 guards monitoring this section at night, so that would be the best time to--  
--

Brad sees a guard walk by, he quickly changes the subject

BRAD: (CONT'D)

So, do you guys want to play cards?

he waits until the guard leaves to continue talking

BRAD(CONT'D):

Anyway, that would be the best time to enact the plan

TERRY:

alright, but how are we gonna get the cells open

BRAD:

That's easy, some cells have a faulty door system where it leaves a crack open but the bad thing is that it triggers an alarm if you leave the cell

GUS:

Ok, how do we shut it off?

Brad points to the box by the security office

BRAD:

If we cut the cord to that box, it  
will disable the alarm

TERRY:

But how do we cut it without  
getting caught?

BRAD:

We start a riot

GUS:

How do we do that?

BRAD:

There are two meatheads in the cell  
next to me that likes to fight a  
lot, if we convince those two to  
start a fight, that can give us our  
opening

TERRY:

So if the alarm is disabled, what  
do we do about actually escaping?

BRAD:

as far as I know, there is only one  
way out and that is through the  
security office

GUS:

Those doors only open if you have a  
keycard, how are we gonna get one?

BRAD:

I have an idea

Brad gets up and walks over to a security guard

BRAD: (CONT'D)

Hey, Carl

CARL:

What do you want, Moore?

BRAD:

I just want to ask a couple  
questions

CARL:

Ok, what?

BRAD:

What is today's date?

CARL:  
December 6th, 2019

BRAD:  
Ok, What time is it?

as Carl turns around to look at the clock above him, Brad signals Terry to come to him

CARL:  
2:30 pm, why do you wanna know?

Terry walks towards him and Carl notices

CARL: (CONT'D)  
Go back to your seat, Inmate

Terry keeps coming, Carl grabs his taser and pushes Brad out of the way and tases Terry, with his back turned to Brad, he swipes his keycard from his belt and puts it in his pocket, and mouths "sorry" to Terry and he sits back down as guards take Terry back to his cell

GUS:  
What the fuck was that?

BRAD(WHISPERING):  
Don't worry, they just took him back to his cell, good news is we got a keycard

GUS:  
So what do we do about the alarm?

Before Brad can answer, they hear a buzz meaning it's time to go back to their cells

INT. BRAD'S CELL - NIGHT

Brad sits at the window, staring at the stars, Gus is laying on his bed

GUS:  
Hey Brad

Brad turns and looks at Gus

BRAD:  
Yeah

GUS:  
What are you gonna do when you get out?

Brad thinks long and hard and scratches his head

BRAD:

I don't know, I don't really have a home to go back to, what about you?

GUS:

I'm gonna see my girl, before I was arrested, she was due any day, I let her down when I robbed that store

BRAD:

Why did you rob a store?

GUS:

A week before we did it, I was laid off, I couldn't support my family so I got desperate and I decided to rob a store, Terry agreed to help because he's my best friend and wanted to help out

BRAD:

That sucks to hear, man

GUS:

I let down my girl, my daughter and my family because of one stupid decision

BRAD:

I know what that is like

GUS:

So, why come up with this breakout plan? we would make things a whole lot worse for us and my family

BRAD:

I screwed things up with my sister, her boyfriend and my dad, I want to make things right, even if that means breaking out of here

GUS:

So what's the plan for tomorrow?

BRAD:

We deal with that alarm, we'll be home free

Brad gets up and lays on his bed and goes to sleep

"The Next Day"

INT. PRISON YARD - MORNING

The prison yard only has a couple inmates at a time, Brad walks up to two inmates

One of them is muscular and covered in tattoos while the other is small and kind of fat

BRAD:  
Hello, Gentlemen

INMATE #1:  
What do you want, pretty boy?,  
can't you see we're busy

BRAD:  
I only need a minute of your time,  
it's all I'm asking for

INMATE #2:  
You have 5 minutes

BRAD:  
Great, I need you two to cause a  
fight in the lunchroom today

INMATE #1:  
Now why would we do that?

BRAD:  
Me and a couple of other people are  
planning to escape, we're gonna  
cut the wire to the alarm system so  
we can open our cells

INMATE #2:  
And what do we get in return?

BRAD:  
if the plan works out, you can come  
with us, both of you can

INMATE #1:  
that isn't a really bad idea, we're  
in

They shake hands

CUT TO:

INT. PRISON LUNCHROOM - AFTERNOON

Brad, Terry, and Gus are all sitting at a table, waiting for the distraction to happen, Brad sees the two inmates get up

INMATE #1:  
Get the fuck away from me, man

INMATE #2:  
You took my fuckin tater tots

Inmate #1 punches Inmate #2 in the face and they start brawling

The guards surround the two inmates and Brad gets up

He walks over and kneels down to the cord of the alarm and rips it out

the cord sparks a little bit and he puts it back and sits back down to see the two inmates be taken to separate cells

CUT TO:

INT. BRAD'S CELL - NIGHT

Brad is waiting for the guards to pass by, Gus is sitting by the window and Brad calls out for a guard

BRAD:  
Guard, I need something

A guard walks to the cell and gets unreasonably close to the door

GUARD:  
What do you want?

Brad pulls the Guard into the cell door and knocks him out, he opens the cell door and him and Gus go to Terry's cell and open his door

TERRY:  
Can't believe this is going to work

BRAD:  
We're not out yet

Brad, Gus, and Terry walk to the security office and see three guards

BRAD: (CONT'D)  
Shit

GUS:  
What do we do now?

BRAD:  
We have to take them out

TERRY:  
how?

BRAD:  
We lure them out and knock them out  
one by one

GUS:  
And if that doesn't work?

BRAD:  
one of us is gonna have to  
sacrifice ourselves

Brad, Terry, and Gus look at each other, Terry sighs

TERRY:  
Go hide

Terry walks forward

GUS:  
Terry, what are you doing?

TERRY:  
Gus, you have to trust me, go hide

Gus and Brad nod their heads and Terry walks to the security office and bangs on the window

TERRY (YELLING):  
HEY, I BROKEN OUT AND I KNOCKED OUT  
A SECURITY GUARD, COME ON

The Three security guards open the door and charge at Terry, he puts up a fight but after a kick to the leg, he is knocked down and tazed several times, Brad and Gus open the security door and go inside, Brad breaks the lock

BRAD:  
I'm sorry about Terry

GUS:  
Let's just get out of here

## INT. SECURITY OFFICE

Brad and Gus search the area for a weapon and Brad spots a gun, he picks it up along with another keycard to open the next door

They approach the next door and Brad opens it, and a guard is waiting for them and when he tries to draw his weapon, Brad TACKLES him and punches him repeatedly until he is unconscious

GUS:

Jesus

BRAD:

let's go before more come

They run to the exit of the facility and barge through the door where several guard dogs chase them

## EXT. PRISON

Brad and Gus make a run for the fence and when Gus trips, Brad reluctantly goes back to help him up

Brad and Gus reach the gate and he helps Gus over first before climbing over

GUS:

Brad, come on

Brad is almost over the fence when his shirt gets stuck, he jumps off the fence, letting the shirt rip and him and Gus run in the forest, successfully escaping the prison

How did he escape?

Owen turns off the TV and turns to Olivia

JOHNNY:  
Guys, are you still there?

OWEN:  
Yeah, look I have to go

Owen hangs up and turns to Olivia

OLIVIA:  
What do we do?

OWEN:  
We're going to Sheriff Louis

Olivia runs off to get dressed

CUT TO:

EXT. FOREST - MORNING

Brad and Gus are just now waking up when he sees a couple hound dogs coming towards them

BRAD:  
Run

Brad and Gus run further into the forest and hide behind a tree

Brad picks up a rock and throws it far, tricking the dogs into running in the opposite direction

GUS:  
Can't believe that worked

BRAD:  
Neither can I

GUS:  
What's the plan now?

BRAD:  
We find a way out of this forest,  
then we lay low for a while

CUT TO:

INT. SHERIFF'S STATION

Owen and Olivia are walking with Sheriff Louis

OWEN:  
How the hell does a teenager  
overpower "highly trained"  
security officers and manage to  
escape?

LOUIS:  
Look, I understand that you're a  
little on edge but you don't have  
to worry about anything, we got it  
handled

OWEN:

That's funny, the last time I  
didn't worry about it, I ended up  
in the hospital with a broken leg  
and arm

Louis turns to Owen and Olivia

LOUIS:

I understand that you and your  
girlfriend are scared but what you  
need to do is go back home before  
the roads close and lock your doors  
and stay inside, alright?

OWEN(SCOFFS):

Come on Olivia

Owen and Olivia leave the station and get back in the car

INT. OWEN'S CAR

Owen is frustrated, he slaps the steering wheel out of rage  
and lays his head down on it

OLIVIA:

I've never seen you like this

Owen lifts his head up and sighs

OWEN:

I'm sorry, just he escaped and they don't give a single shit  
about it

OLIVIA:

It's going to be alright, Owen

Owen's phone rings again but he doesn't look

OLIVIA (CONT'D):

Want me to answer it?

Owen hands her the phone

OWEN:

That would be great

Olivia grabs the phone and looks at the Caller ID, it's Matt,  
Olivia answers

OLIVIA:

Hello?

MATT (V.O):  
Olivia? Where's Owen?

Olivia looks at Owen, he still has his head on the wheel

OLIVIA:  
He's not in the mood to talk,  
what's up?

MATT:  
Have you heard the news?

OLIVIA:  
yeah, we heard

MATT:  
Are you guys alright?

OLIVIA:  
Yeah, we're fine

MATT:  
Listen, you guys need to head back  
to the house, I don't know when  
I'll be there

OLIVIA:  
We're going now

MATT:  
Alright, be safe please

OLIVIA:  
We will

MATT:  
Bye

He hangs up, Olivia hands Owen back the phone

OLIVIA:  
Want me to drive?

Owen looks at Olivia and nods

They switch seats and drive off

CUT TO:

Brad and Gus are walking in the forest, trying to find a way  
out

GUS:  
I'm getting tired of this forest  
shit

BRAD:  
We have to keep going

GUS:  
Do you know where you're even  
going?

BRAD:  
I have an idea

Brad and Gus see a house up ahead, they run towards it, it's a familiar looking house, Brad tries the back door and it is open, they walk inside and it's so familiar, Brad glances at a photo and it's Owen AND HIS DAD

INT. OWEN'S HOUSE - AFTERNOON

BRAD:  
Oh Shit

GUS:  
What?

BRAD:  
We got to get out of here

Brad goes to open the front door but through the window, he sees Owen's car pull in, him and Gus go hide in the closet as Owen and Olivia enter the house

Owen closes the door and locks it as Olivia locks the backdoor but she looks down and notices dirty footprints

OLIVIA(WHISPERING):  
Owen, come over here

Owen walks over to her

OWEN:  
What

Olivia points at the dirty footprints and Owen's eyes widen

OLIVIA (WHISPERING):  
He's in the house

Owen walks to the dresser by the front door and grabs a gun and loads it

Brad watches this from the closet and slowly grabs the gun from his pants

Owen searches around the house, opening every door but finds nothing

He approaches the closet door Brad is in and points the gun towards it

OWEN:  
Come on out, Brad

Brad slowly opens the door and they both come out

OWEN: (CONT'D)  
Who are you?

GUS:  
I'm Gus

OWEN:  
Drop the gun Brad

Brad puts down the gun and kicks it towards him

OWEN (TO OLIVIA):  
Olivia call the police

BRAD:  
Can i just--

OWEN:  
No, you can't, Olivia call them

Olivia pulls out her phone and dials 911

BRAD:  
Owen, I'm---

OWEN:  
You're what? Sorry? We're way past that, you put me in the hospital for an entire month

OLIVIA (ON THE PHONE):  
Yes, hi, we found Brad Moore and someone else, they are in the house

OWEN:  
You nearly killed me and almost got away with it, did he tell you that part Gus?

GUS:  
No, he didn't

BRAD:  
I was stupid, I didn't know what i  
was doing

OWEN:  
Yet you successfully managed to  
plan out an escape, but what was  
your end goal?

GUS:  
The escape was my idea

Brad turns to Gus

BRAD(TO GUS):  
Not helping

Olivia walks in

OLIVIA:  
Police are on their way

OWEN:  
That's terrific, your done Brad,  
you just fucked yourself even more

BRAD:  
Owen, please just let me explain---

The front door gets a knock, Olivia opens it, It's Matt, Owen  
turns around

MATT:  
What the hell is going on here

From behind, Gus pushes Owen and makes him drop the gun, Brad  
picks up the other gun and makes a run for it, but Owen pulls  
his foot and climbs on top of him

as they wrestle for the gun, Gus tries to get the other gun  
but Matt tackles him and plants him on the ground

Owen and Brad wrestle for the gun but as Owen grabs the gun,  
Brad's hand slips and pulls the trigger

BANG

Owen looks down but there is no bullet hole, they both look  
over at Olivia and she looks down to reveal SHE HAS BEEN SHOT  
IN THE STOMACH, she falls to the ground and Owen bolts  
towards her, he holds her head up

OWEN:

Olivia, Olivia, no, no, no

Owen takes his jacket off and holds it against her wound, he starts to tear up

OLIVIA:

Am I.....am I dying?

OWEN:

No, no, you're going to be fine,  
ok, everything will be ok

Olivia looks at Owen, she coughs up blood and holds his hand tight

OWEN(CONT'D):

please, stay with me, Olivia

He hears sirens from the distance, smiles

OWEN:

They're almost here, everything is  
going to be ok, alright

She smiles but it quickly begins to fade, her grip loosening, she turns her head and closes her eyes

OWEN: (CONT'D)

Olivia? Olivia wake up, wake up  
please, please wake up

The police arrive with an ambulance

GUS:

Brad, we have to go, man

Brad, still stunned by what he did, snaps out of it and runs out of the house

Owen, still holding Olivia

OWEN:

In here, HELP PLEASE

Paramedics enter the house and check on Olivia as Matt pulls Owen away

PARAMEDIC #1:

She's lost a lot of blood

PARAMEDIC #2:

We need to go to the ER Fast

The paramedics put her on the stretcher and apply a tourniquet to the wound

Owen follows as they load her into the ambulance, A paramedic stops him

PARAMEDIC #1:  
Sorry sir, you can't ride

OWEN:

Please, she's my girlfriend and I'm the only one she has right now

Paramedic #1 looks at Paramedic #2, he sighs

PARAMEDIC #2:  
Let him on

Owen gets in the ambulance with the paramedic and they close the doors

INT. AMBULANCE

Owen holds Olivia's hand as the paramedic checks for a pulse

PARAMEDIC #2:  
She has a weak pulse, and she's  
going into shock

The paramedic puts her on a breathing machine

PARAMEDIC #2: (CONT'D)  
What's your name, kid?

OWEN:  
Owen

PARAMEDIC #2:  
Ok, Owen I need you to keep  
applying pressure on the wound

The paramedic puts several wires on her chest and checks her heartbeat

PARAMEDIC #2: (CONT'D)  
Ok, her heartbeat is weak but  
steady, your doing great kid

Owen wipes tears away and keeps applying pressure

CUT TO:

INT. FOREST

Brad and Gus are running from the cops, Gus finds a cave and they hide in it

they sit down and wait out the cops

GUS:  
What's the plan now?

Brad doesn't answer, he is still in shock

GUS: (CONT'D)  
Brad, don't go quiet on me now

BRAD:  
I shot my sister

GUS:  
I know but you need to stay  
focused, we'll worry about that  
later

BRAD:  
you're right, but what do we do  
now?

GUS:  
Well, when that whole thing  
happened, I managed to snag the  
dude's phone so at least we have  
something

BRAD:  
You were right

GUS:  
about?

BRAD:  
Escaping the prison, and how it  
would affect our families, I just  
shot my sister and she might be  
dead because of me

GUS:  
Hey, what happened was an accident,  
and besides, considering that the  
ambulance arrived just in time, she  
might still be alive

BRAD:  
I hope your right

CUT TO:

INT. HOSPITAL - EVENING

The paramedics along with Owen barge in, several doctors surround Olivia, they take her in the back and when Owen tries to follow, a doctor holds him back

DOCTOR:  
I'm sorry sir, but you have to stay  
out here

OWEN:  
Please, that's my girlfriend

DOCTOR:  
I'm sorry sir, but please stay out  
here

Owen looks at the blood on his hands and on his clothes, he looks towards the nurse

OWEN:  
Where's the bathroom?

NURSE:  
Down the hall, first door on the  
left

Owen walks down the hall and enters the bathroom, he locks the door and starts to wash his hands, the blood is barely coming off, filling the sink with red water, he stops and looks around, tears form in his eyes, he slides down the wall and sobs

Several hours go by, Owen has been sitting there, wearing new clothes, waiting for any updates, his dad arrived at some point, Eli busts through the door

ELI:  
Where is my daughter?

Owen stands up

OWEN:  
Mr. Moore, I'm so sorry, I didn't  
mean for any of this to happen

ELI:  
Is Olivia ok?

OWEN:

They put her in surgery right when  
we got here

ELI:

How did this happen?

OWEN:

Brad broke into our house, his  
friend knocked me down and me and  
Brad were fighting for the gun, the  
gun fired and.....Olivia got caught  
in the crossfire

Eli sits down in shock, Owen sits next to him

OWEN: (CONT'D)

I'm so sorry, Mr Moore

ELI:

It's ok, Owen, did they catch Brad?

MATT:

No, they ran away during all of the  
commotion

A nurse walks out and stands at the door

NURSE:

Owen?

Owen raises his hand and walks towards the nurse

OWEN:

That's me

NURSE:

Olivia is in recovery, would you  
like to sit with her

Owen turns towards Matt and Eli

ELI:

Go ahead, we'll be waiting

Owen walks to the back with the nurse

OWEN:

How is she?

NURSE:

luckily, the bullet didn't go all  
the way through and didn't puncture  
any important arteries

OWEN:  
That's terrific

NURSE:  
She's right here

OWEN:  
Thank you

Owen opens the door and closes it behind him, he recognizes the room, it's the same one he was in, he pulls a chair towards Olivia's bed and sits down

INT. HOSPITAL ROOM - NIGHT

Owen begins to cry again, he puts his head in his hands, he looks at Olivia's face and holds her hand

FADE IN:

INT. HOSPITAL ROOM - MORNING

Owen is sleeping in the chair and he wakes up, Olivia is still asleep, mirroring the opening from the previous episode, he hears a knock on the door and it opens, it's Sheriff Louis

LOUIS:  
Can we talk outside for a minute?

Owen nods his head and follows him out the room

LOUIS: (CONT'D)  
Look, I'm really sorry about what happened to Olivia

BAM

Owen punches Louis, he stumbles back a bit but isn't angry, Owen on the other hand is livid

OWEN:  
We told you that we didn't feel safe and what did you do?  
(MORE)

OWEN: (CONT'D)  
oh that's right, you told us to go  
home and lock the doors, well  
Sheriff, look where that got us, my  
girlfriend got shot and almost died

LOUIS:  
we're trying our best to find Brad  
and his friend

OWEN:  
Want to know something that I  
promised Olivia what I would do? I  
promised her that as long as I'm  
around, she will be safe and i  
failed to keep that promise, if she  
died I would've--

Sheriff Louis hugs Owen, he starts to cry

OWEN: (CONT'D)  
I've never been so scared in my  
entire life

LOUIS:  
It's ok, it's ok

CUT TO:

INT. CAVE - MORNING

Brad wakes up and crawls out of the cave and takes in the  
fresh air, he wakes up Gus

BRAD:  
Come on man, we have to move

Gus wakes up and Brad helps him out of the cave

GUS:  
What the hell is our next move?

Brad stops and thinks

BRAD:  
I don't know

GUS:  
That's not much of a plan

Brad and Gus continue walking, Gus stops Brad

GUS: (CONT'D)  
Did you really almost kill that  
kid?

Brad doesn't answer, he pushes Gus out of the way

BRAD:  
We don't have time for this

Gus just stands there, baffled, Brad turns around, confused

BRAD: (CONT'D)  
Gus, let's go

GUS:  
Remember the night before we  
escaped? I was honest with you  
about how I ended up in there, but  
you still haven't told me the full  
story of how you ended up in there

BRAD:  
that's because I don't remember,  
all I remember from that day was  
leaving the bathroom, the rest is  
just a blur

GUS:  
Look, one way or another, this is  
going to end with one of us in  
handcuffs or hell both of us in  
handcuffs

Focus on Brad's face as it fades to the hospital

INT. HOSPITAL ROOM - AFTERNOON

Owen is still sitting there, waiting for Olivia to wake up,  
he's in a fresh pair of clothes, staring off into space,  
closeup on a hand twitching, Owen looks over at Olivia and  
she slowly wakes up

OLIVIA (WEAKLY):  
Owen?

Owen leans over towards her, tears start to form in his eyes

OWEN:  
Yeah, yeah, I'm here

He grabs her hand and holds it

Olivia looks over at Owen

OLIVIA (WEAKLY):  
What..... happened?

Owen wipes the tears away, struggling to find an answer

OWEN:  
You were.....um.....caught in  
the crossfire and got shot, you  
nearly died

OLIVIA (WEAKLY):  
that explains the sharp pain in my  
stomach

Owen kind of laughs, but stops himself

Olivia opens her eyes more and speaks more clearly

OLIVIA:  
Are you ok?

Owen clears his throat

OWEN:  
I am now

They both smile

OLIVIA:  
I'm sorry, Owen

OWEN:  
What are you sorry for?

OLIVIA:  
I shouldn't have been in the way,  
I----

OWEN:  
Hey, hey, hey....none of this is  
your fault, if anything, it's my  
fault for trying to take the gun  
away from Brad

OLIVIA:  
What do we do now?

OWEN:  
We let the police do their job and  
hopefully Brad and his friend gets  
caught, but all I know is that I'm  
not leaving your side

He holds Olivia's hand, she lays her head down and goes back to sleep, Owen still sits there with her hand in his

Brad quickly stands up when a deputy approaches them, gun drawn to them

GUS:

Oh shit

DEPUTY:

Both of you stay right there,  
you're under arrest

BRAD:

Look, just let us go

DEPUTY:

not going to happen

The deputy calls it in on his radio, Gus slowly pulls out a knife, Brad looks over to him

BRAD (WHISPERING):

What are you doing?

GUS:

Just trust me

The deputy walks towards them and goes to handcuff Gus when  
HE'S STABBED IN THE GUT WITH A KNIFE

Gus pulls the knife upwards and the deputy spits up blood, he drops his gun and Gus slowly puts him on the ground, Brad stands there, in shock, as the deputy looks over to him, and dies

BRAD:

What the actual fuck?

GUS:

We had no choice, he was going to  
arrest us

BRAD:  
Killing him shouldn't have been an  
option

Gus grabs the knife and wipes the blood off it and hands it  
to Brad as he grabs the deputy's gun and radio

BRAD: (CONT'D)  
What do we do about the body?

GUS:  
We leave it

Gus walks off and Brad follows but not before closing the  
deputy's eyes

BRAD:  
I'm sorry

Brad walks off, the camera focuses on the Deputy's corpse

SMASH TO:

INT. HOSPITAL ROOM - AFTERNOON

Owen is still sitting by Olivia's side, waiting for her to  
wake up, he looks over at the door and sees BRAD, Owen stands  
up

OWEN:  
How the hell did you---

Without any hesitation, Brad shoots Owen in the chest, the  
camera cuts to Owen WAKING UP, gasping for air, it's night,  
he sees Olivia still sleeping, and looks down at his chest,  
no bullet hole, it was just a dream, a terrible one, he gets  
up and leaves the room and goes to the bathroom

INT. BATHROOM - NIGHT

Owen splashes water on his face, looking into the mirror,  
reaching over to turn the water off, his hand is still  
shaking, he tries to calm his nerves and he exits the  
bathroom and goes into Olivia's room and sits back down

INT. HOSPITAL ROOM

Owen is sitting, his knee shaking nervously, Olivia turns her  
head and opens her eyes

OLIVIA:  
Rough night?

OWEN:  
Yeah

OLIVIA:  
What happened?

OWEN:  
Bad dream, how are you holding up?

OLIVIA:  
I'm here

Owen leans over and holds her hand

OWEN:  
And so am I

There's a knock on the door, it's Sheriff Louis, he comes in

LOUIS:  
Owen, we have to talk

Owen looks at Louis

OWEN:  
Is it important?

LOUIS:  
It's either I tell you or you find  
out on the news

Owen looks back at Olivia and stands up

OWEN:  
I'll be right back, ok?

Olivia smiles

OLIVIA:  
Ok

Owen and Louis step outside and Louis shuts the door

OWEN:  
What's wrong?

LOUIS:  
One of my deputies found Brad and  
his friend this afternoon

OWEN:  
That's great

LOUIS:  
No it's not, because he was found  
dead in the the forest with his gun  
and radio missing

OWEN:  
Oh my god

LOUIS:  
I wanted to tell Olivia, but she  
has been through enough for one  
week

OWEN:  
We both have

LOUIS:  
The problem is, we now have no idea  
what they're going to do next

CUT TO:

Brad and Gus are on the streets, navigating through alleys,  
looking for a safe place for the night, they find an  
abandoned house and go inside, it has no power but it's good  
for the night

INT. ABANDONED HOUSE - NIGHT

Gus sets the gun and radio on the table, he also sets Matt's  
phone down and sits

BRAD:  
What are we going to do when we  
eventually run out of places to  
hide?

GUS:  
We make the most of what we got

BRAD:  
We can't keep this up for much  
longer, we're eventually going to  
have to give ourselves up

GUS:

I don't know if you noticed, but considering that I killed a cop, we ain't gonna go to county, we're going straight to the state penitentiary

BRAD:

Speaking of killing the cop, where did you get the knife?

GUS:

I saw it on the counter at that kid's house and when shit went down, I snagged it

BRAD:

You're a completely different person than when I met you

GUS:

Here's a life lesson kid, when you got to survive, you have to do everything in your power to stay alive

BRAD:

but when it comes to taking another person's life, is that something you want on your conscience?

GUS:

This is coming from the guy who nearly killed a kid for dating your sister

BRAD:

I didn't kill Owen

GUS:

Yeah, but you put him in the hospital

BRAD:

Gus, you killed a cop, and now the entire town is coming for our heads, if anything, all of this is your fault

GUS:

My fault? You're the one that wanted to escape and "make things right" with your family

BRAD:

Yeah, and I'm starting to regret it  
because I just made things worse

Brad sits down and puts his head in his hands, Gus sighs

GUS:

Look, we have to get some rest,  
we're going to go into town and  
find a way to get out of here and  
lay low for a little while

BRAD:

You're right, you go to sleep, I'll  
keep watch

Gus gets up and lays on the floor, making himself  
comfortable, Brad is sitting in the chair, watching him go to  
sleep

He pulls out the knife and stares at it and looks at Gus

Where did that boy go?

He goes over to the table and finds the gun and phone  
missing, Gus laughs

GUS: (CONT'D)

That little shit left me

Brad RUNS BEHIND HIM AND STABS HIM IN THE BACK, Gus turns  
around, he is shocked

BRAD:

You know, you were right

he pushes Gus into the wall, pushing the knife further into his back

BRAD (CONT'D):  
when you got to survive, you have  
to do everything in your power to  
stay alive

Gus falls to the floor, dead, Brad stands over him, he pulls the knife out of his back and leaves the house, the camera focuses on Gus's corpse

INT. HOSPITAL HALLWAY

OWEN:  
Johnny, hey

JOHNNY (V.O):  
Oh thank god, I've been trying to  
call you for 3 DAYS man

OWEN:  
Sorry, a lot of shit went down,  
I've been a little busy

JOHNNY:  
Yeah, I saw on the news, how is  
Olivia?

OWEN:  
She's doing a lot better, waking up  
more frequently

JOHNNY:  
Thank god

OWEN:  
Hey, can you do me a favor?

JOHNNY:  
Yeah, buddy?

OWEN:  
Is it possible to track my dad's  
phone?

JOHNNY:  
Why?

OWEN:

After Olivia got shot, my dad lost his phone and thinks Brad might've took it

JOHNNY:

and you want me to track it?

OWEN:

Yes

JOHNNY:

I can try but it might take me a couple days

OWEN:

Thanks man

JOHNNY:

Wait, why do you want me to track it?

OWEN:

Because I'm going to find Brad, and make sure he gets what's coming to him

JOHNNY:

I don't think revenge is the best option, man

OWEN:

You weren't there, man, when Olivia got shot, it felt like I lost my world, I know how weird that sounds

JOHNNY:

Yeah, but revenge? that isn't like you, Owen

OWEN:

Look around you, man, the police still haven't caught him, Olivia got shot and a deputy got killed, it's time to end this, my way

JOHNNY:

Ok, I'll track it and if I find anything useful, I'll report to you

OWEN:

Thanks man

JOHNNY:  
No problem

They hang up, Owen enters Olivia's room, he sees her waking up, he closes the door and sits back down

INT. HOSPITAL ROOM

OLIVIA:  
Where did you go?

OWEN:  
Johnny called, I didn't want to wake you

OLIVIA:  
What time is it?

Owen looks at his phone, it reads : 10:35 am

OWEN:  
10:35

Olivia rubs her eyes

OLIVIA:  
Shouldn't you be at school?

OWEN:  
I'm not worried about school,  
You're more important than that

Olivia giggles, Owen looks confused, lets out a little confused laugh

OWEN: (CONT'D)  
What?

OLIVIA:  
That was really cheesy

Owen laughs and nods his head

OWEN:  
Yeah, it was

for the first time in what seems like months, they make each other laugh, almost forgetting about what's happening around them

Owen reaches over and grabs Olivia's hand

OWEN: (CONT'D)  
I got a serious question

OLIVIA:  
What?

OWEN:  
When all of this is over, would you  
maybe wanna have dinner together?

Olivia smiles

OLIVIA:  
Yes

Owen smiles and leans over and kisses Olivia on the cheek

CUT TO:

Brad is in town, has a hoodie over his head, he is in a parking lot, examining everyone who leaves and enters their cars, he notices a woman getting out of her car, when he goes to try and steal it, she pulls out a baby, this stops him in his tracks, he may be desperate, but he isn't that desperate

He notices a deputy exiting the store, Brad turns around and walks the opposite direction

Brad enters a gas station, he notices 3 cameras; one in the front entrance, one in the back area, and one that's disabled, which is usually pointed at the cashier

This is the opportunity Brad was looking for, he sees a customer leaving the store, he approaches the cashier, and reads her nameplate: Andi, he puts a bag of chips on the counter

BRAD:  
Hi

ANDI:  
Hi, is there anything else you  
would like?

BRAD:  
Yes

Brad pulls out the gun and keeps it below his waist, Andi eyes widen

BRAD: (CONT'D)  
I don't want to hurt you, just  
empty the register, can you do  
that?

Andi nods and opens the register, she starts putting the money in the bag, she hands Brad the money

BRAD: (CONT'D)  
Do you have a car?

Andi nods and tosses him the keys

ANDI:  
It's in the back

BRAD:  
Thank you for cooperating

As Brad walks to the back, Andi's coworker Ben comes out of the bathroom

BEN:  
Andi, did we get those new---

he turns the corner and sees Brad, who freezes in place, they have a standoff

BEN: (CONT'D)  
Brad?

BRAD:  
Hey, Ben

BEN:  
Andi, call the police

Brad turns to Andi

BRAD:  
Andi, don't do that

BEN:  
Andi, push the button

Andi pushes the button and Brad tries to run, Ben tackles him, which makes Brad drop the gun and it slides towards Andi

The boys have a tussle before Brad pulls out the knife and holds it to Ben's neck, which stops him in his tracks

Brad gets up and holds Ben hostage

BRAD:  
Now, I don't want to hurt anyone,  
just let me go and we can all live  
to see another day

Andi and Ben nod, and Brad pushes him away and bolts out of the back door, Andi walks towards Ben

ANDI:  
Are you ok?

BEN:  
I need to talk to someone

INT. HOSPITAL ROOM - AFTERNOON

Olivia is sleeping, Owen is sitting in the chair, working on something on his phone that we don't see, he gets a call, it's an unknown number, he steps out and answers it

INT. HOSPITAL HALLWAY

OWEN:  
Hello?

VOICE:  
Owen?

OWEN:  
Yeah, who is this?

VOICE:  
It's Ben

OWEN:  
Oh shit, sorry man, what's up?

BEN:  
We got robbed

OWEN:  
What do you mean?

BEN:  
Someone came into my work and robbed us

OWEN:  
Who did it?

BEN:  
You might already know

Owen realizes who it was, he looks around so nobody can hear what he says

OWEN:  
Ben, where did he go?

BEN:  
He took my coworkers car, he didn't  
tell us where he was going

OWEN:  
Does it have a tracker of any kind?

BEN:  
Yeah, but only the dealership can  
track it, why?

OWEN:  
No reason, stay safe, alright?

BEN:  
I will

They hang up, Owen scrolls through his contacts and stops at  
Sheriff Louis

CUT TO:

Sheriff Louis is in his office, looking at past reports, he  
notices his phone rings and picks it up and answers

INT. LOUIS'S OFFICE

LOUIS:  
This is Louis

the camera cuts back and forth during the conversation

OWEN:  
Sheriff, my friend was robbed at  
his work

LOUIS:  
Yes, I know

OWEN:  
Did he tell you who did it?

LOUIS:  
No, he was shaken up and we didn't  
want to question him yet, why?

OWEN:  
Sheriff, it was Brad

Louis rubs his head

LOUIS:  
How do you know?

OWEN:  
Ben called me and told me  
everything about the robbery

LOUIS:  
What else did he tell you?

OWEN:  
he told me that Brad took his co-  
worker's car

Louis writes this down on a paper

OWEN (CONT'D):  
He also told me that the dealership  
she got it from put a tracker in  
the car

Louis finishes writing it down

LOUIS:  
Is that all?

OWEN:  
That's all he told me

LOUIS:  
This really helps, kid, thanks

OWEN:  
No problem

LOUIS:  
You know, when you get out of  
school, you should join the  
academy, we could really use  
someone like you

OWEN:  
I really appreciate the offer, I  
might just take you up on that

Louis laughs, so does Owen

LOUIS:  
Alright kid, take care

They hang up, Owen is a little proud of himself, he dials  
Johnny

CUT TO:

INT. JOHNNY'S ROOM

Johnny is on his computer, we see that he is almost done tracking Matt's phone, he sees Owen is calling, he answers

JOHNNY:

Yeah

The camera also switches back and forth during the conversation

OWEN:

How is the tracking coming along?

JOHNNY:

Well, for starters, it was pretty easy considering your dad doesn't have a password on the thing

Owen laughs

OWEN:

He doesn't know how to put it on there

Johnny laughs

JOHNNY:

Anyways, I was able to track him and his last location was at a store in the middle of town, then he started moving

OWEN:

That's when he robbed the store and took the car

JOHNNY:

Now, he's--- Wait, he stole a fucking car? How do you know that?

OWEN:

Johnny, back on track please

JOHNNY:

Sorry, he stopped at a house just outside of town

OWEN:

Ok, thanks

JOHNNY:

No problem, hey Owen?

OWEN:

Yeah?

Johnny pauses for a moment

JOHNNY:

Be careful, man, I don't want to  
see another friend in the Hospital

Owen nods

OWEN:

I'll try, man

They hang up and Owen thinks for a moment, he goes back into  
Olivia's Room, who is awake now

INT. HOSPITAL ROOM

OLIVIA:

He called again?

OWEN:

No, it was someone else, actually a  
couple people

Olivia examines Owen as he sits down, he notices her staring

OWEN: (CONT'D)

What?

OLIVIA:

What are you not telling me, Owen?

OWEN:

What do you mean?

OLIVIA:

Come on Owen, I know that look,  
what are you not telling me?

Owen sighs and turns to Olivia

OWEN:

Promise not to get mad?

OLIVIA:

Depending on what it is, yes

Owen takes a deep breath

OWEN:

The day you got shot..... when all of that was happening, Brad and his friend ran off with my dad's phone

OLIVIA:

Ok

OWEN:

So, I asked Johnny if he could track it

OLIVIA:

Ok, did he?

OWEN:

Yes, and a little while later, a store was robbed in the middle of town, it was Brad

Olivia gasps

OWEN (CONT'D):

But what he didn't know is that the car has a tracker in it and Sheriff Louis is working on finding it

OLIVIA:

Is that all?

OWEN:

No, as I was coming back in here, Johnny called me back and told me he finished tracking the phone

OLIVIA:

Where is he now?

OWEN:

he stopped outside of town

OLIVIA:

and did you tell Sheriff Louis?

Owen shakes his head in a "no" motion

OWEN:

I didn't tell him that my friend was helping me track him

OLIVIA:

Owen, you have to tell him

OWEN:  
Olivia, I can't

OLIVIA:  
Why not?

OWEN:  
Because if I told him and if he  
asks how I got that information, I  
would be arrested

OLIVIA:  
What happened to letting the police  
do their job?

OWEN:  
Sometimes, you just have to take  
matters into your own hands

OLIVIA:  
That's not good, Owen

OWEN:  
I know

OLIVIA:  
So what are you going to do?

OWEN:  
I'm going to end this

OLIVIA:  
Owen, think about what your saying,  
there has to be a better way of  
handling this

Owen doesn't respond, his face lightens up, like a light bulb  
turned on in his head

OWEN:  
I have an idea

He pulls out his phone and calls Sheriff Louis, Olivia ease's  
up a little

OLIVIA:  
What are you going to do?

OWEN:  
The right thing

Olivia smiles and Owen holds the phone to his ear

LOUIS (V.O):  
This is Louis

OWEN:  
Hey Sheriff

LOUIS:  
Oh, hey Owen

OWEN:  
Um, I wasn't completely honest with  
you

INT. LOUIS'S OFFICE - AFTERNOON

Owen is sitting in the chair, Louis is pacing around his  
desk, clearly upset

LOUIS:  
Let me get this straight, you and  
your friend were tracking Brad  
Moore without telling anyone

OWEN:  
Sir, I-

LOUIS:  
I'm not done, you illegally tracked  
down a wanted criminal and instead  
of telling me, you wanted to play  
hero and finish this by yourself

OWEN:  
I'm sorry

Louis sits down, he takes a deep breath

LOUIS:  
Look, I get that you want justice,  
but doing this is going to get you  
killed, or worse it'll get someone  
else killed and what happens then?

OWEN:

If dying means putting Brad behind  
bars for many more years than I  
would say it's worth it

Louis sighs

LOUIS:

What would Olivia think?

Owen doesn't answer, he looks down

LOUIS: (CONT'D)

Yeah, that's what I thought

Owen sighs

OWEN:

So what do you want me to do?

LOUIS:

I want you to go back to Olivia and  
stay there, I will have two of my  
guys watching you and if you think  
about even leaving the room, I will  
have you and your friend arrested  
for interfering with police work,  
you got that?

Owen nods his head

LOUIS: (CONT'D)

Alright, get out of here

Owen gets up and exits the station, his dad is waiting for  
him

he gets into Matt's car and rubs his head

INT. MATT'S CAR

MATT:

What happened?

Owen looks at his dad

OWEN:

I think I just made things worse

JOHNNY:  
Where are you off to now, Brad

CUT TO:

Brad is getting in the car, putting the gun, knife and money in the back

He sits in the car, thinking about what to do next

BRAD (TALKING TO HIMSELF):  
come on Brad, think

He taps his finger on the wheel, he wants to get out of town but something is stopping him

it finally hits him, he starts the car and heads back into town

CUT TO:

Johnny sees that he's coming back to town, he looks confused

JOHNNY:  
Brad, what are you doing? just

## INT. HOSPITAL ROOM

Owen is once again sitting with Olivia, a deputy is standing in the corner, Owen turns to him

OWEN:  
Excuse me, do you mind stepping out  
for a minute?

The deputy nods his head and steps out, Owen turns to Olivia

OLIVIA:  
You did the right thing

OWEN:  
It doesn't feel like that

OLIVIA:  
So, what are they going to do now?

OWEN:  
I wish I knew

Owen sighs and Olivia's phone rings on the table, she tries to reach for it but fails

OLIVIA:  
Do you mind getting it?

OWEN:  
Of course

He walks over and picks up the phone, it says unknown but Owen recognizes the number

OWEN: (CONT'D)  
It's my dad's number

Owen hands the phone to Olivia and she puts it on speaker

OLIVIA:  
Hello?

BRAD (V.O)(SAD TONE):  
Hey, sis

Olivia's eyes widen, Owen looks out the window to see if anyone is out there

OLIVIA:  
Hey

BRAD:  
How are you?

Olivia mouths "call Louis" to Owen

OLIVIA:  
Well, considering the  
circumstances, I've been better

BRAD:  
I just wanted to say that I'm  
sorry, for everything

Olivia stops Owen, she wants to hear this

BRAD: (CONT'D)

I'm sorry for always yelling at you, chasing away every guy that wanted to date you, and Owen, I know you're there, I'm sorry for what happened that day, I know that might not mean anything but I just wanted to get that off my chest

Olivia starts to tear up, she can tell that her brother really means it

OLIVIA:

Brad, you have to turn yourself in

BRAD:

I- I wish I could

OWEN:

it's not too late, Brad

BRAD:

Yes, I'm afraid it is

OLIVIA:

Brad...What are you planning?

Brad sighs

BRAD:

I'm finishing what I started

Brad hangs up, Olivia starts to cry and Owen is standing, speechless by what he just heard

OWEN:

What does he mean by that?

Olivia wipes her eyes

OLIVIA:

I don't know

Owen hugs her as a deputy comes back in the room, he senses the tension in the room

CUT TO:

Brad parks the car and approaches a house, HIS HOUSE and he puts the knife in his pants

he walks to the side of the house and climbs to his room and opens the window

he opens it and enters, his room is the same way as he left it, he walks in the hallway and goes downstairs, his breathe is trembling, hands shaking, he rounds the corner to see his dad on the couch, drinking

INT. LIVING ROOM - AFTERNOON

BRAD:  
Since when did you drink?

Eli lifts his head, clearly out of it

ELI:  
Ever since your mother left, I didn't know how to deal with you and Olivia, so I drank but when you got older, I quit because you both needed a stable father

BRAD:  
Well, that turned out great didn't it?

Eli nods and sighs

ELI:  
What are you doing here?

BRAD:  
I just wanted to see you

Eli laughs and stands up

ELI:  
You know, you were always a pain in my ass when you were a kid

BRAD:  
you don't know what you're saying

ELI:  
Oh, but I do, you see, your sister was better than you because she listened but you? You were just another thorn in my side that no matter how long it took to take out, you'll always stick right back on

BRAD:  
What are you saying?

ELI:

the day you went to jail was one of the happiest days of my life, there was finally some sort of peace in this house, Olivia was happy, I was happy

Brad, almost baffled by what his father is saying

ELI: (CONT'D)

But, when you broke out, I felt a sudden dread come upon me, I wasn't afraid you were gonna hurt someone until I got the call about Olivia

Brad is clenching the knife behind his back, ready to strike

ELI: (CONT'D)

Then when I saw on the news that a deputy was killed, I was baffled. What happened to the annoying little shit that was a jackass to everyone he knew?

Brad grabs the knife from his pants and STABS HIS FATHER IN THE STOMACH

BRAD (YELLING):

He grew up

Brad pushes the knife deeper, his father is shocked, Eli drops the glass cup and his knees buckle as Brad pulls the knife out and stabs him again

Eli, looking his deranged son in his eyes, coughing up blood

ELI:

That's...my...boy

Eli puts his head down, he's dead, Brad pulls the knife out and kicks his father to the ground, his eye twitches

Brad walks out of the house, covered in his father's blood and he gets in the car and drives off

She turns it up

NEWS REPORTER:

## INT. ABANDONED HOUSE - NIGHT

Brad is standing in the bathroom, observing himself in the mirror, he turns on the sink to wash the blood off his hands, when he bends down to wash his face, he looks back in the mirror to see GUS, covered in blood, pale as a ghost

GUS:

What are you still doing here?

BRAD:

just leave me alone

GUS:  
They're going to find you, Brad,  
and they're probably going to kill  
you

BRAD:

shards and Gus is gone, blood is dripping from his hand, and  
he sits down, rocking back and forth

CUT TO:

INT. HOSPITAL ROOM - NIGHT

It's Midnight, both Owen and Olivia are still awake, Owen  
looks tired while Olivia is wide awake, she notices that Owen  
is drowsy

OLIVIA:  
You can go to bed, Owen

OWEN:  
No, No, I'm fine

OLIVIA:  
Owen....

OWEN:  
I'm fine, Olivia, how are you  
holding up?

OLIVIA:  
I'm still here

OWEN:  
It's going to be ok, Olivia

Olivia starts to tear up

OLIVIA:  
I just don't know how I'm going to  
live without him, Owen

OWEN:  
I don't know if this will help, but  
when my mom died, my dad would tell  
me stories about her after he got  
drunk

OLIVIA:  
How does that help?

OWEN:

What I'm trying to say is---- the best way to cope with death is to think about the happy moments, how that person impacted your life or how they influenced you to become the person you are today, that's what my dad told me after he got out of rehab, never really knew what he meant until now

OLIVIA:

What do you mean?

OWEN:

The day you got shot, when I saw you drop to the floor, I was terrified, I felt like my whole world just vanished in front of me

Owen starts to cry

OWEN: (CONT'D)

And when they wouldn't let me see you, I assumed the worst

Olivia rubs away her tears, as does Owen

OWEN: (CONT'D)

and since then, I promised myself to never leave your side until you got out of here, sitting here, waiting for you to wake up, that was my way of coping

OLIVIA:

So, what happens when I get out of here? I don't have anywhere to live

Owen grabs Olivia's hand

OWEN:

We'll figure that out together

Olivia smiles as it fades to the sheriff's station

## INT. SHERIFF'S OFFICE - NIGHT

Louis is working through files, the department is empty, he hears noises coming from the front entrance, he gets up and pulls out his gun, he goes to the front entrance and sees that the glass door is smashed, he turns around and sees a figure running into his office, he cautiously walks to the door, he opens it and finds nobody in there

he puts his gun back and right when he goes to sit back down, the figure lunges out of the closet and charges at Louis, wearing a white mask

Louis throws him into the wall and to the other side of the room, the figure tries to stab him but Louis catches it's arm and breaks it, the figure screams and Louis throws him into the window and it falls to the ground

when the figure tries to grab the knife, Louis kicks it away and turns the figure around on his back

LOUIS:

You have two seconds to tell me who  
the hell you are

The figure pulls off his mask, IT'S BRAD

LOUIS: (CONT'D)

What the hell?

BRAD:

I couldn't control it, he just  
comes out

Louis is confused, he doesn't know if he should trust Brad or just kick his teeth in

LOUIS:

What are you talking about?

BRAD:

The voice in my head, he told me  
that I was weak and that he was the  
superior one

LOUIS:

You're not making any sense

BRAD:

Please, I'll turn myself in and  
I'll tell you everything you want  
to know

Louis is baffled, he picks Brad up and takes him to the interrogation room

CUT TO:

INT. HOSPITAL ROOM - MORNING

The Doctor walks in and sees Owen and Olivia sleeping, she nudges Owen and he wakes up

DOCTOR:  
Sorry to wake you

OWEN:  
No, No, it's fine, I'm just glad  
she's asleep

DOCTOR:  
Do you mind if I speak to you  
outside?

Owen nods and follows the doctor outside, she closes the door behind her

OWEN:  
What did you want to talk about,  
doc?

DOCTOR:  
I just wanted to let you know that  
Olivia will be able to leave the  
hospital today

OWEN:  
That's great

DOCTOR:  
I know it's none of my business,  
but does she have a place to stay?

OWEN:  
Yeah, she does

DOCTOR:  
That's great, you two can leave  
whenever she wakes up

OWEN:  
Thanks, doc

DOCTOR:  
Please, call me Carol

Owen enters Olivia's Room and sits down

CUT TO:

INT. INTERROGATION ROOM - MORNING

Brad is sitting at the table, Louis is sitting across from him, sipping a coffee

LOUIS:  
so, what do you mean by the voice  
in your head?

BRAD:  
It's hard to explain, every time I  
try to control it, I just hear  
yelling and it's like I get  
possessed by something

LOUIS:  
So, the voice in your head, killed  
your father

BRAD:  
I know it sounds crazy, but you  
have to believe me, I went to  
therapy for years and it did  
nothing but made it worse

LOUIS:  
I can't put that in a report, Brad,  
I need something else

BRAD:  
I don't know what you want me to  
do, I can't just prove it

LOUIS:  
What usually triggers it?

BRAD:  
I wish I knew, when I get angry, I  
black out and wake up the next day  
not remembering a damn thing

Louis realizes and scoffs

LOUIS:  
That is a bunch of bullshit, if you  
ask me

BRAD:  
What?

LOUIS:  
you're telling me that the reason  
why you ruined your life was  
because you have a voice in your  
fucking head? come on dude

BRAD:  
I'm telling you the truth

LOUIS:  
you're blaming everything on a  
figment of your imagination

Brad feels a tingle, his hand is shaking

BRAD:  
Please stop

LOUIS:  
Why? Is that little voice gonna  
come out and kill me too? well come  
right out I'm waiting

Brad faints and Louis waits, Brad lifts his head and has a  
smile on his face, he starts laughing hysterically

LOUIS: (CONT'D)  
So, you're that little voice

BRAD:  
The name is Kevin

LOUIS:  
Ok, Kevin, did you kill Brad's  
father?

KEVIN:  
Yes, Brad was too much of a pussy  
to do it himself so I took matters  
into my own hands

LOUIS:  
And why would you do this?

KEVIN:  
It's fun, I love seeing people  
suffer, it's hilarious

LOUIS:  
So, why come here?

KEVIN:

Brad was going to turn himself in,  
and I couldn't let that happen, so  
I decided to do some reconstruction

A big EXPLOSION happens, Louis falls out of the chair as  
Kevin drops the button, he breaks through the handcuffs and  
walks up to Louis, who is dazed

KEVIN: (CONT'D)

Don't worry, Sheriff, I'll make  
sure you get a hero's death

Kevin kicks Louis in the face, knocking him out

Brad, what are you doing?

KEVIN:  
Brad is on vacation, I'm Kevin,  
it's a pleasure to meet you

OWEN:  
What do you want from us?

KEVIN:  
I'm glad you asked, it's real  
simple, I want to finish what that  
little shit started

OLIVIA:  
You killed dad

KEVIN:  
Eh, he killed himself, the things  
he said didn't make me very happy

Kevin gets closer to the pair, they back up

OWEN:  
What did you do to my dad?

KEVIN:  
Relax, he's just taking a little  
nap

Olivia notices a knife on the counter, she slowly grabs it,  
Owen notices it

KEVIN: (CONT'D)  
For years, your father tried making  
Brad believe that I was a figment  
of his fucking imagination, but I  
was really a lost soul

OWEN:  
The hell does that mean?

Kevin pulls out a gun

KEVIN:

This

he shoots Owen in the leg, he falls to the ground screaming, Olivia goes to move but Kevin points the gun at Owen's head

KEVIN: (CONT'D)

Try anything, I'll blow his fucking  
brains out, and drop the knife

Olivia drops the knife, Kevin walks towards her and gets up close

KEVIN: (CONT'D)

You know, Brad really loved you,  
you were the light in his dark  
heart until I convinced him  
otherwise

Kevin puts the gun up against Olivia's chin

OLIVIA:

Brad, I know you're in there, you  
have to fight it

KEVIN:

It's gonna take a whole lot more  
than begging to make him come out

OWEN:

How about this?

Owen grabs the knife and SLAMS it into Kevin's leg, Olivia pushes him down, which makes him drop the gun, she jumps on top of him and punches his face

OLIVIA:

You fucking asshole

Kevin's wince of pain turns to laughter, he grabs her head and headbutts her, which knocks her back

OWEN:

OLIVIA!!!

Kevin pulls the knife out of his leg and throws it away, he gets up and walks towards Owen

KEVIN:

it's a shame you have to watch your  
girlfriend die

as Kevin turns his back, Owen grabs his leg and digs his finger into the knife wound, he knocks Kevin down and stands up, he stands over Kevin

OWEN:  
Fuck you, asshole

Owen kicks Kevin's leg, hurting him, Owen grabs the gun and points it at Kevin, Kevin thinks quick

KEVIN:  
Wait, wait, wait, Owen, it's me

Owen is confused, he doesn't know what to think

OWEN:  
Brad?

Olivia starts to get up, but she is still on the ground

KEVIN:  
Please, you got to help me, put the gun down

Owen doesn't stop aiming the gun at him

OWEN:  
How do I really know it's you?

KEVIN:  
Because you let your guard down

Kevin jumps up and tackles Owen through the kitchen table, they are both down

Olivia notices the gun on the floor, she crawls to it and grabs it

Kevin struggles to get up, he notices the knife and grabs it

Olivia points the gun at him while Kevin gets up, it's a standoff

OLIVIA:  
You ruined my life

KEVIN:  
You really are starting to piss me off

Louis comes through the door, his gun targeted at Kevin

LOUIS:  
Put the knife down, Kevin

As Kevin turns his head, Olivia unloads 3 shots into his chest, he falls next to Owen

Olivia drops the gun, she runs to Owen and kneels down

OLIVIA:  
Owen, are you ok?

Owen wakes up, coughing, Olivia helps him up, Kevin wakes up and is now Brad

BRAD:  
Oli- Olivia

Olivia looks at Brad, she kneels down next to him

OLIVIA:  
Is this Brad? or Kevin?

BRAD:  
It's me (coughs)

OLIVIA:  
I'm sorry

Brad coughs up blood, he doesn't have long

BRAD:  
I'm....Sorry

OLIVIA:  
It's ok

Brad is crying, he holds his sister's hand and turns his head towards Owen

BRAD:  
Please.....take care of her

OWEN:  
I will man

BRAD:  
If things ended up differently, we probably would've been the best of friends

Owen gives a soft laugh and so does Brad, but his smile fades, he turns his head to the side, his eyes close, he's gone, Olivia sobs over his corpse, Owen kneels down and hugs her while Louis calls the police, sirens can be heard in the distance as it fades to black
