INT. LIAM'S HOUSE - LIAM'S ROOM - NIGHT

CAROLINE

Hey

Liam looks away from his laptop and looks at his mom

LIAM

What's up?

CAROLINE

I'm heading out, won't be back
until late

LIAM

I know mom

CAROLINE

Love you, there's leftovers in the
fridge

LIAM

Love you too

Caroline closes the door, Liam sighs and stands up, he walks over to his window and sees his mom entering her car and leaving the driveway

Liam sighs and walks back over to his chair, he grabs his TV remote and turns it on, he clicks through the channels until he sees a news report, he stops and turns his TV up

NEWS REPORTER

Tomorrow marks the 25th anniversary
of the brutal murders that occurred
here in our small town, the
sheriff's department will be
holding a ceremony where--

Liam sighs and turns his TV off, he goes back to his laptop and continues typing, he stops when his phone starts to ring, he looks at it, seeing the UNKNOWN NUMBER, he picks it up

LIAM

Hello?

MAN'S VOICE

Hello, Liam

Liam sighs and hangs up, he gets up and leaves his room, entering his hallway, where the walls are covered with Christmas decorations, he goes downstairs and into the

INT. LIAM'S HOUSE - KITCHEN

He walks over to the fridge and grabs the leftovers, he walks over to a cabinet and grabs a plate, he hears his phone buzz and pulls it out, he sees that it's a message from his mom, saying "Make sure to feed the dog", Liam sighs as he grabs the food bowel from the floor and puts it on the counter, he grabs the dog food from the shelf and pours some into the bowel

He puts the dog food away and grabs the bowel, he goes towards the

EXT. LIAM'S HOUSE - BACK PATIO

Liam looks around the backyard, rustling the food bowel

LIAM

Come on Grover, time to eat

The dog doesn't show, Liam looks around

LIAM (CONT'D)

Grover, come on

The dog still doesn't show, Liam sighs and sets the bowel on the patio, he goes back inside and goes towards the counter when his phone rings once more, he picks it up

INT. LIAM'S HOUSE - KITCHEN

LIAM

Hello?

MAN'S VOICE

Why did you hang up on me?

LIAM

Well, it's kind of creepy that some random stranger has my number and is using a voice filter

MAN'S VOICE

I'm sorry, I just want to have a
little fun

LIAM

Well, there's plenty of other
numbers for that, bye now

Liam hangs up, he sets his phone on the counter, he unwraps his leftovers and puts them on the plate, he carries the plate over to the microwave and opens it, he sets the plate in there and closes the microwave door, he sets the timer for 2 minutes, Liam hears a phone ring again and sighs

LIAM (CONT'D)

Come on dude

Liam looks at his phone but he sees that no one is calling, he looks at the house phone and picks it up

LIAM (CONT'D)

Hello?

MAN'S VOICE

Why do you not want to talk to me?

Liam sighs

LIAM

How did you get this number? Better
yet, how did you get my number?

MAN'S VOICE

I have my ways

LIAM

Well, don't call here again, got
it?

Liam hangs up, he walks back over to the microwave when the house phone rings again, he groans as he picks it up

LIAM (CONT'D)

Dude, stop calling here

MAN'S VOICE

Listen here, you hang up on me
again, I'm going to make sure your
guts end up spilling all over the
floor

The music thuds, Liam's face grows dark, he looks around the house

LIAM

Who the hell are you?

MAN'S VOICE

It doesn't matter who I am, what matters is where will the cops find your body

LIAM

I'm not scared, people do these pranks every fucking year, enough with the games or I will call the cops

MAN'S VOICE

Call them, they won't be able to make it in time

Liam speedwalks over to his front door and locks it, he speedwalks over to his back door and locks it

MAN'S VOICE (CONT'D)

Locking me out isn't going to do anything, Liam

LIAM

Listen, whoever this is, you had your fun, now fuck off

MAN'S VOICE

That's not how this works Liam

LIAM

Whatever, I'm calling the cops

Liam hangs up the house phone and grabs his phone from the counter, he dials 911

DISPATCHER

911, what's your emergency?

LIAM

Yeah, hi, I think someone is messing with me but they were making threats towards me

DISPATCHER

Did you lock your doors?

LIAM

Yes, they're locked

DISPATCHER

Okay, we're sending someone over to check it out, we'll give you a call when they're about to arrive, sit tight

LIAM

Okay, thank you

He hangs up, Liam looks at the microwave and walks towards it, he opens it and grabs the plate, he sets it on the counter, his phone rings, he answers

LIAM (CONT'D)

That was fast

MAN'S VOICE

I told you calling the cops was a waste of time

Liam groans

LIAM

Come on man, I'm tired of this shit

MAN'S VOICE

When are you going to realize that this isn't a prank?

LIAM

Do you know how many people get the same exact calls? It's pretty much tradition if you live in this shit hole town

Liam walks towards the front door and looks through the window, he sees nothing, he sighs

MAN'S VOICE

I suppose you still can't find your dog

LIAM

How do you know that I even have a dog

MAN'S VOICE

Lucky guess

Suddenly, something crashes through the back door, Liam turns around and finds a disturbing sight

His dog, mangled and wrapped in blinking Christmas lights, Liam walks towards it, covering his mouth

LIAM
Oh my god, Grover

He looks at the busted back door to see GHOSTFACE, wearing an upgraded black robe, Liam backs up as Ghostface enters, Liam runs upstairs, with Ghostface following

he runs into his room and locks the door, he looks out his window and sees a cop car drive up, he opens his window

LIAM (CONT'D)
HEY, HEY, THERE'S SOMEONE IN THE
HOUSE

A deputy comes out of the vehicle, he looks around, he sighs

DEPUTY #1
Dispatch, there's no sign of anyone
here

The deputy walks up to the front door as Liam watches

LIAM
Fuck this

Liam crawls out of his window and onto a ledge, he slowly climbs down and drops to the ground, the deputy sees him

EXT. LIAM'S HOUSE - FRONT YARD

DEPUTY #1
Sir, are you alright?

Liam jumps up, facing the deputy

LIAM
You gotta help me, there's someone
in the house

DEPUTY #1
Okay, okay, sir, where is he?

LIAM
Upstairs, he most likely got in my
room already

DEPUTY #1
Okay, stay put, alright?

The deputy pulls out his gun as he walks towards the back of the house, he gets to the patio and sees the mangled dog

DEPUTY #1 (CONT'D)
Jesus....

He hears noise coming from inside the house

DEPUTY #1 (CONT'D)
Okeechobee County Sheriff's
department, make yourselves known

No answer, he walks into the house as it cuts back to Liam,
he sees the front door open

LIAM
Hey, did you find any--

He sees the deputy stumble out, his throat is slit, he falls
to the ground

LIAM (CONT'D)
Holy fuck

He looks back at the door to see Ghostface, he backs up into
the street as Ghostface stands there

LIAM (CONT'D)
Who the fuck are you??

Ghostface doesn't answer, but Liam hears a horn and is rammed
by a car, sending him over it, the car screeches to a halt,
Liam looks at his door, dazed, he doesn't see Ghostface as a
woman walks up to him

WOMAN
Oh my god, I'm so sorry

Liam grabs the lady's arm and looks at her

LIAM
Call for help, NOW

The woman looks at him, shocked, she stands up and turns
around to see the deceased deputy, she screams as it

Owen sits back in his chair, thinking about the question, he looks at Evan

OWEN

I say.....just tell them...

Evan looks at him, confused

EVAN

Really?

OWEN

Yeah, I'm sure whoever this girl's parents are will approve of this boy because it would be what's best for their daughter

So, it's that easy?

OWEN

Yeah, I don't see what the big deal is

EVAN

Well.... I'll make sure to tell her that

that kid last night?

LOLA

No, what happened?

KAYLA

Liam Calowitz was attacked and ran
over last night

LOLA

Jesus, did they know who did it?

KAYLA

Not that I know of, but they're
saying it was just an attempted
break-in

Lola and Kayla sit down at a table with the rest of their
friends, one girl looks at Lola

Nina Munderson, 17, an artsy type of girl, wearing a
backwards hat and an unbuttoned jersey with a undershirt

So, did you hear about what they're
saying on the news?

LOLA

Yeah, that's terrible with what
happened to Liam...

NINA

What? No, not that, they're saying
that Ghostface might be back

KAYLA

Seriously, Nina, again with this
Ghostface shit

NINA

What, I'm just relaying information
that I saw on the internet

A boy joins in on the conversation

Tyler Munderson, 16, Nina's brother, looks at his sister

TYLER

You need to stop believing
everything you see on the internet

NINA

Aw, I'm sorry little bro, did I
steal your thunder?

KAYLA

What's your deal with Ghostface?
You've been talking about him
nonstop lately

NINA

I just love learning about the
history, Kayla, is that a problem?

KAYLA

It is when the daughter of one of
our teachers is present

LOLA

It's fine, Kayla, it ain't like
anything she's saying is new
information

Evan comes up and sits next to her, Lola smiles at him

EVAN

Hey guys

LOLA

Hey

TYLER

Where were you?

EVAN

I had to finish up a quiz for Mr.
Atlas

Lola turns to him, Evan looks at her

LOLA

How'd you do?

EVAN

I did pretty good, and he
"approved" my score

a backwards baseball cap, he smiles

WALTER

What's up, dudes

TYLER

Aren't you supposed to be at
practice?

WALTER

Nah man, I was looking for you guys
because I have a question....

They all look at him, intrigued

NINA

What're you planning?

WALTER

Well, since today is the last day
before Christmas break, I
figured....why not throw an old
fashioned shin dig over at my place
tomorrow night?

EVAN

A party? Why?

WALTER

Why not? My parents are out of
town, this seems like the perfect
opportunity to just....let loose

TYLER

I mean....I'm down

NINA

I guess I'm in too

WALTER

Great, Evan and Lola?

LOLA

I might have to pass, my dad gets
antsy about that type of stuff....

WALTER

Understood, Evan?

Evan scratches his head, he looks at Lola

That's okay, you have a minor
concussion but it'll come back to
you

LIAM
Where's my mom?

OLIVIA

We tried calling her but there was
no answer

LIAM

Is there something you need, sir?

VINCE

I need you to talk to Liam....

Ricky, with a confused look on his face

RICKY

What?

VINCE

We need to have a statement from
him since the press wants to spread
rumors about this Ghostface
nonsense...

Ricky nods his head, Vince looks at him

VINCE (CONT'D)
Is that a problem for you?

OWEN (CONT'D)
I'm on my break....

The knock continues, Owen puts his pen down and walks over to the door to open it

OWEN (CONT'D)
I said I'm on my---

Owen sees that it's LOUIS CARTER, now a bit older, wearing a brown jacket with a buttoned up shirt under it tucked into black pants

LOUIS
How's it going, Owen

Owen looks at him, shocked

OWEN
Louis, hey (he hugs him) how goes it?

LOUIS
You know, same shit different day

They break off, Owen looks at Louis

OWEN

Sorry about that, I thought you
were one of my students

LOUIS

Yeah, I should've called but I
wanted to surprise you

OWEN

Well, consider me surprised, come
in

Owen lets Louis in and he closes the door, he walks back over
to his desk

OWEN (CONT'D)

So, what have you been up to?

LOUIS

Nothing much, things have been
great, I'm a detective now...

OWEN

That's great

Louis goes to the desk across from Owen and sits on top of it

LOUIS

What about you? How's Olivia and
Lola?

OWEN

They're great, Olivia started at
the hospital as a nurse, Lola is
almost finished with high school

LOUIS

That's great

OWEN

Yep, and I'm on my 3rd year of
teaching high school students

LOUIS

You know, when I first met you, I
wouldn't believe that you'd become
a teacher, hell, you told me about
wanting to become a deputy

OWEN

Trust me, I didn't either
but.....after the murders, I
realized that I wanted my life to
slow down and get away from that
sort of stuff, you know?

LOUIS

I know what you mean.....which is
why I needed to talk to you....

Owen looks at him, confused

OWEN

What do you mean?

LOUIS

Do you have a student named Liam
Calowitz?

OWEN

Yeah, he's in my third period
class, why?

LOUIS

Someone broke into his house last
night, Owen

Owen realizes, he sits back in his chair, looking at Louis

OWEN

Is the kid dead?

LOUIS

No, he managed to get away, but a
deputy was killed last night...

OWEN

So, you're saying that it's
happening again?

LOUIS

I'm not, but Owen... it can't be a
coincidence

OWEN

Don't you think you're overreacting
a little?

LOUIS

A kid was attacked, Owen.... A kid
that is in your class

OWEN

It was an attempted break-in,
Louis....

LOUIS

Look (he stands up) I know that
you've been through hell, but we
gotta figure out who did this
before---

Owen looks at him

OWEN

"We"? There's no we, Louis.....not
this time

LOUIS

Owen, you can't just brush this
aside....

OWEN

Yeah....yeah I can, I tried being a
hero, and look what happened..... I
got Riley, Natalie, Beth, and all
the others killed... I'm not doing
that again

LOUIS

What if whoever attacked Liam
attacked Lola, or Olivia....

OWEN

Don't do that, don't bring them
into this....

LOUIS

I'm just saying....what if, man?

Owen stands up, staring daggers into Louis, he opens his bag
and pulls out a gun, Louis looks at him, shocked

LOUIS (CONT'D)

Why do you have that?

Owen puts it away, he zips his bag back up and looks at Louis

OWEN

Protection, Louis... I carry it in case some crazy fucker tries to murder me or hurt my family, it may have been 11 years but that doesn't mean I still feel safe...granted, I never load it but it's just a little thing that doesn't make me feel threatened....

LOUIS

So, what are you going to do?

OWEN

I'm going to leave it to the professionals

Louis nods his head

LOUIS

I understand, see you around Owen

Ricky waves and Liam sighs, Ricky walks in and Olivia closes the door, they look at each other, it's a bit awkward

RICKY
Hey....

LIAM
Hey....

RICKY
Are you---

LIAM
I'm doing just fine

Ricky sighs, he looks at Liam

RICKY
Mom called me....she was worried

LIAM
Not worried enough to come see me

RICKY

Liam, I'm sorry....

LIAM

Don't be...

RICKY

But I am, man

Liam looks at him

LIAM

It was your choice to leave....

RICKY

I had to get out of the house, mom
would've never let me leave after
what happened with---

LIAM

Stop, don't even pull that shit,
you didn't care about what happened
with dad, you didn't even bother
going to his funeral....

Ouch, Ricky is hurt, he sighs and walks next to Liam's bed,
he looks at him

RICKY

Who attacked you, Liam?

LIAM

What?

RICKY

Who attacked you?

LIAM

Why does it matter to you?

RICKY

Vince sent me here to get your---

Liam scoffs

LIAM

Of course that's why you're here,
because Vince told you so....

RICKY

Liam, we're trying to find whoever
did this to you....

LIAM

Well, good luck because the dude
was wearing a mask so I don't know
what he looked like....

RICKY

(beat) I'm sorry for bothering you,
get well soon....

Ricky walks out, Liam watches as he walks through the door,
he sighs and walks off as it

INT. PHIL'S COFFEE SHOP - MOMENTS LATER

Owen is sitting at the coffee shop, thinking about what Louis
said, PHIL walks up to him, looking a lot older and a bit of
a bald head, he smiles

PHIL

It's a pleasure to see you, Owen...

OWEN

Hey Phil...

Phil looks at him, his smile fades

PHIL

Is something wrong?

OWEN

No, it's just.... everything that's
been going on today

PHIL

The anniversary...

OWEN

Yeah....

PHIL

Is there anything I can do to help?

OWEN

No....I wouldn't want to waste your
time

PHIL

Boy, I've known you since you were
a kid, and I've known you
dad.....I'm all ears

Phil sits down, eager to listen to Owen, he sighs

OWEN

I worry about things....a lot and I
try to forget about what happened
but it just seems to find some way
to come back into my life....

PHIL

Have you talked to Olivia about
this?

OWEN

No, I don't want her to worry about
me....

PHIL

What are you so afraid of?

OWEN

I'm worried that if someone were to
wear that fucking costume and come
after my daughter or Olivia, I'm
worried that I won't be able to
stop it....

PHIL

You don't have to be afraid, man

OWEN

I don't want to be, Phil, but with
everything that has happened, I
don't know if things will truly be
like they used to be....

Owen's phone rings, he looks at it and sighs, he gets up

OWEN (CONT'D)

I gotta go....

Owen pulls out a 20 but Phil stops him

PHIL

No need, kid, it's on the house

Owen looks at him, confused

OWEN

What?

PHIL

Yeah, it's the least that I could
do

Owen nods his head, he leaves as it

OWEN
Well, that was beautiful Lola

LOLA
Thanks.....are you okay?

OWEN

LOLA
You left early....you never do that

Owen sighs, he looks at his daughter

OWEN

I had a lot on my mind.....an old friend stopped by my room and....he just brought up stuff I don't want to talk about

LOLA

Okay.....well, I got a ride from Kayla....

OWEN

That's good.....

Owen begins to walk away but he stops, he looks at his daughter again

OWEN (CONT'D)

Evan told me about you guys.....

Lola turns around, looking at her dad

LOLA

I know.....

OWEN

He's a good kid, Lola

Lola thinks for a moment, she looks away from her dad and then looks back at him

LOLA

You really like him?

Owen smiles

OWEN

Yes, I do....

Lola smiles, she stands up and walks over to her dad and hugs him, he hugs back

LOLA

OWEN

No problem, Lola

They continue hugging as it

OLIVIA
Just give me a minute, I'll be
right with you....

Hey, Olivia

Olivia stops what she is doing and turns around to see Louis, she smiles, he smiles back

OLIVIA
Louis, hi....
(she gets up and comes
around to hug him)
How've you been?

LOUIS
Same old, same old, how about you?

They break off, she looks at him

OLIVIA
I've been keeping myself busy....

LOUIS
That's great

OLIVIA
So, what're you doing here?

LOUIS
I came by to see how you and Owen
were doing....

OLIVIA
We're doing great....for once in
our lives, it feels normal....

LOUIS
Funny.....Owen told me the same
thing

Olivia looks at him, confused

OLIVIA
You went to go see him?

LOUIS
Yeah....why?

OLIVIA

You wouldn't of happen to say anything about.....about the murders, right?

Louis looks away, Olivia sighs

OLIVIA (CONT'D)

What did you tell him?

LOUIS

I told him that.....that there may be a new killer....

OLIVIA

Oh my god, Louis....

LOUIS

I'm sorry, Olivia but the kid that was attacked is one of his students.....

OLIVIA

And you thought it was a message.... is that it?

LOUIS

Well, I didn't.....

Olivia looks at him, confused

OLIVIA

Than who did?

Sidney walks in, looking at Olivia

SIDNEY

Hey, Olivia.....

Olivia looks at Sidney, confused

OLIVIA

Sidney??

SIDNEY

We're sorry that we dropped by unannounced but we had to make sure that both you and Owen were safe....

OLIVIA

We are....because there is no killer...

LOUIS
Olivia, you can't be serious....

Olivia looks at Louis, pissed

OLIVIA
I am serious, what happened to that
kid was just bad luck....there is
no killer

SIDNEY
You don't know that....

OLIVIA
Look, Owen and I have been through
a lot, and it's bad enough that you
two went to him knowing damn well
that he doesn't like this shit....

LOUIS
Olivia---

OLIVIA
May I remind you that Owen's dad
was killed, or how about our
friends? Or Lilly.....

LOUIS
We just wanted to make sure that
you two are safe....

OLIVIA
We are safe, Louis, have been for
13 years....now, if you'll excuse
me, I'm going back to work...

Olivia walks back around into the front desk and sits down,
Louis and Sidney walk away as it

CUT TO:

INT. ATLAS-MOORE RESIDENCE - KITCHEN - MOMENTS LATER

Owen is sitting at the dinner table, on his laptop, he's
typing out something when his phone buzzes, he looks at it
and picks it up, he sees the caller ID that reads out "NICK",
he answers it

OWEN
Nick?

NICK (V.O)
Owen? Are you alright?

OWEN

Yeah, I'm fine....why do you ask?

NICK

I saw on the news about what
happened last night....

Owen realizes

OWEN

Oh yeah....that

NICK

Are you okay?

OWEN

Yeah Nick, I am, it was just a home
invasion....that's all

NICK

Oh.....well, since I got you on the
phone, how have you been?

Owen laughs a little

OWEN

You know me, man, I'm fine...

NICK

That's great, sorry that I don't
call more, things have been a bit
busy on set.....

Owen looks confused

OWEN

Set?

Nick realizes

NICK

Oh shit, I never told you.....a
studio picked up my script

OWEN

The one about the best friend and
zombie?

NICK

Yeah, I started filming a couple of
days ago....

Owen smiles, he seems proud of his friend

OWEN

That's great, congrats man

NICK

Thanks..... have you talked to
Christina recently?

OWEN

No, she hasn't reached out, have
you?

NICK

I tried, but she just keeps going
to voicemail...

OWEN

I'm sure she's keeping herself
busy....you know how she is

NICK

Yeah, but....she never goes to
voicemail, especially when I
call... and I can't go to her house
because I'm in LA

Owen thinks, he sighs

OWEN

Let me try her cell, I'll call you
back, alright?

NICK

Alright man....

Owen hangs up, he dials Christina's number and puts the phone
against his ear, it picks up

CHRISTINA (V.O)

Hello?

OWEN

Hey Christy, it's Owen

CHRISTINA

Owen? Hey, what's up?

OWEN

Nothing much, just curious what you
were doing?

Christina laughs a little, Owen is confused

OWEN (CONT'D)

What?

CHRISTINA

Nothing, it's just that....I'm at
your door....

Owen looks confused, he gets up and looks at the door, he sees her hand waving through the window, he laughs as he hangs up and opens the door, revealing CHRISTINA WILSON, now in her 30s, wearing her hair in a ponytail, a nice leather jacket with an under shirt, and blue pants, she smiles

CHRISTINA (CONT'D)

Surprise....

Owen goes in for a hug, she hugs back

OWEN

It's great to see you...

CHRISTINA

You too....

They break off and look at each other

OWEN

You look great

CHRISTINA

Yeah, so do you, it's
been...what?... 3 years since we've
seen each other

OWEN

I think it was at mine and Olivia's
wedding..... so yeah, 3 years....

CHRISTINA

Wow, crazy how time flies....

OWEN

Yeah....

Christina looks and sees Lola coming down the stairs, she's surprised as Lola looks at her

CHRISTINA

Lola?

Lola approaches the both of them, she looks at Christina

LOLA

Hey, Aunt Christy....

They both go in for a hug, they break off and look at each other

CHRISTINA
You've grown....like a lot

LOLA
Yeah, I was 14 and about
(she holds her hand up to
her waist)
This high when you last saw me...

Christina and Owen laugh, as does Lola, Owen looks at her

OWEN
So, what're you doing here?

CHRISTINA
I was honestly just wanting to see
you guys....

Owen laughs a little

OWEN
Well, you can come in if you want,
Olivia won't be home for another
hour...

Christina smiles and Owen lets her inside as it

NINA
Alright, last meeting of cinema
club before Christmas break is
officially in session, now, has
anyone seen any new movies
recently...

Kayla raises her hand, Nina points to her

NINA (CONT'D)
Yes, Kayla

KAYLA
I saw that new reboot of Halloween
last night...

The room fills with groans, Kayla looks around

KAYLA (CONT'D)

What?

TYLER

This is the fourth reboot they've done with that franchise...

KAYLA

But, this is the end of the franchise...

EVAN

That's what they said about the 2018 movie

NINA

And the H20 one...

KAYLA

Wow, has there really been that many reboots?

TYLER

You'd be surprised, there was also that shitty remake Rob Zombie made along with an even shittier sequel

NINA

I wouldn't shit on those movies, Tyler, you were named after the guy that played Michael...

Tyler looks at her, confused

TYLER

Really?

NINA (JOKINGLY)

Yeah, mom told me herself....

TYLER

I really don't know if you're fucking with me or not...

NINA

Look, the point is Kayla....the Halloween franchise sucks, it's nothing but a shadow of it's former self and while they say that this next movie will be "the last one" they always end up making another....

EVAN

Because of corporate assholes being
greedy...

NINA

Actually, this is a nice segway
into what we will be discussing
today...horror franchises that have
gone on for way too long...

TYLER

Actually, I gotta bounce Nina...

Nina looks at him, confused

NINA

What? Why?

TYLER

Dennis wants me to come in, Justin
called in sick again...

Nina sighs

NINA

Fine, but I'm coming to get you
later, got it?

TYLER

Yes, I know

Tyler gets up and walks out, Nina looks at the rest of the room

NINA

Anyways, where were we?

Christina stands up, looking at Olivia

CHRISTINA
Hey Olivia, long time no see

Olivia walks over and hugs Christina, she sighs

OWEN

OWEN
So, how are things with Nick?

CHRISTINA
They're great, he's finally making his film and I couldn't be anymore happier for him...

OLIVIA
That's great...

OWEN
You know... it's funny how he's had that idea since college

LOLA
What idea did he have?

CHRISTINA
He's making a film about a guy who's best friend turns into a zombie....

OWEN
That's all he ever told us

OLIVIA
I mean....I don't blame him, he probably didn't want people to steal his idea

Christina and Owen laugh a little, as does Lola

CHRISTINA
I honestly can't believe that he gets to make it...

OWEN

It's funny how this is the same guy
that didn't even want to attend
film class for the first couple
weeks...

CHRISTINA

Yeah.... Harriot's class
was....well, it was something else

Owen nods his head, agreeing with her

OLIVIA

I remember our first week of
college....Owen didn't even like
Nick at first...

CHRISTINA

Oh yeah, I also remember sitting
with you guys at lunch.... along
with...

OWEN

Pete and Riley...

Things go quiet, Lola looks around, confused

LOLA

Is everything alright?

Christina looks at Lola

CHRISTINA

Yeah....it's just that....we lost a
lot of friends

OWEN

Sorry for bringing it up

CHRISTINA

It's okay, Owen...let's just enjoy
the rest of the night....

They continue talking as it

FADE TO:

INT. ATLAS-MOORE RESIDENCE - KITCHEN - NIGHT

Olivia walks up behind him and leans onto the counter,
looking at him

OLIVIA

Can I talk to you about something?

OWEN

Yeah...

OLIVIA

Promise not to freak out?

OWEN

I promise....

Owen stops what he's doing, he wipes his hands and looks at Olivia

OWEN (CONT'D)

What's up?

OLIVIA

Did Louis come by to see you today?

OWEN

Uh....yeah, he did, why?

OLIVIA

Did he mention anything about what happened to that kid?

Owen scratches his head, looking at Olivia

OWEN

He did....he wanted me to help him figure out who did it....

OLIVIA

Oh my god

OWEN

I didn't agree to it

OLIVIA

He came by the hospital telling me the same thing....both him and Sidney....

OWEN

Why would they think that there's another Ghostface...

OLIVIA

I don't know but they know not to pull this shit...

OWEN

They are detectives, Olivia

OLIVIA

Why come straight to us?... We
shouldn't have to be involved with
every goddamn murder spree....

Owen walks up to her, putting his hands on her shoulders

OWEN

Hey, hey...it's okay, Olivia...just
breathe...alright?

Olivia breathes in and breathes out, she looks at Owen

OLIVIA

I'm sorry

OWEN

It's alright, I know you're just
upset...

OLIVIA

I'm not just upset, I'm furious
that Louis even thought to go to
you

OWEN

I know....but it's okay, alright?

Owen looks at Olivia and they kiss, he looks at her

OWEN (CONT'D)

I'm gonna take the trash out than
I'll be right up, okay?

Olivia nods her head, they kiss again as Owen walks over to
the trash can and pulls the bag out, he ties it and walks out
to the

EXT. ATLAS-MOORE RESIDENCE - FRONT YARD

Owen puts the bag in the trash bin and goes back on the front

Hello, Mr. Atlas...

Owen turns around, confused

OWEN

Hi....who are you?

MAN

My name is Sebastian Coleman...

OWEN

Okay....may I ask why you're at my
house Mr. Coleman?

Sebastian smiles, he looks at Owen

SEBASTIAN

I believe we have a common friend,
Mr. Atlas...

Owen walks down the steps, keeping his eyes on Sebastian

OWEN

I don't know what you're talking
about...

SEBASTIAN

Oh, of course you do....this friend
has been in a jail cell for 25
years... surely that'll ring a bell

Owen realizes, he balls his hand into a fist

OWEN

Who the hell are you?....

SEBASTIAN

I'm just the messenger...that's all

OWEN

What message?

Sebastian walks closer to Owen, he reaches into his jacket
pocket, Owen backs up

SEBASTIAN

Relax, Mr. Atlas (he pulls out a
card) here...

Owen grabs the card, he looks back at Sebastian, confused

OWEN

What the hell is this?

SEBASTIAN

My card....give me a call if
you...need to find what you're
looking for...

Owen looks at the card as Sebastian walks away, he goes back
inside as the camera follows Sebastian as he gets into a car

SEBASTIAN (CONT'D)
It's done, sir....

They drive off, as it...

CUT TO:

INT. MOVIE ROCKET - MOMENTS LATER

Tyler is at the cash register, he's scanning a stack of movies and putting them on a cart, he sees his coworker, Lance, walk up

LANCE
Hey, I'm going home, can you lock up?

Tyler looks at Lance and nods his head

TYLER
Yeah, sure

LANCE
Thanks man, see you tomorrow

TYLER
Good night

LANCE
Night

Lance heads out the door, Tyler sighs as he continues scanning movies, he hears the store phone ring, startling him, he answers

TYLER
Thanks for calling Movie Rocket,
this is Tyler speaking, how can I
help you?

MAN'S VOICE
Hello, Tyler

Tyler looks confused

TYLER
Yes, hi, how can I help you?

MAN'S VOICE
I'm looking for a movie.... A scary movie

TYLER

Okay, you're gonna have to be more specific, sir

MAN'S VOICE

I'm looking for a movie where the hopeless victim has no chance of living

TYLER

Uh....again, you're gonna have to be more specific, do you remember the name of the movie?

MAN'S VOICE

No, but I do know that it starts with an S

TYLER

Okay, is it a slasher?
Psychological thriller?...

MAN'S VOICE

Slasher...

TYLER

Alright, hold on for one moment

Tyler sets the phone down and walks over to the aisle with the letter S on it, he looks through a few options and picks out a couple, he returns to the register with 3 movies, he picks the phone up and holds it to his ear

TYLER (CONT'D)

Alright, I got Sleepaway Camp,
Silent Night Deadly Night and Stab-

-

MAN'S VOICE

Ah yes, STAB, that was the name of the movie

TYLER

is there anything else I can help you with, sir?

MAN'S VOICE

Yes, there is one more thing....

He hangs up, Tyler is confused

TYLER

Hello?? Sir?? Hellooo

He puts the phone back and sighs as he grabs the 3 movies and walks back over to the shelf, he puts them back as he hears something fall over a couple aisles away, he looks around

TYLER (CONT'D)
Hello? Is anyone in here?

Tyler walks towards an aisle and sees the cart of movies on the ground, he sighs

TYLER (CONT'D)
Dammit

Tyler picks the cart up and starts to put the movies back on it, he hears the sliding doors open

TYLER (CONT'D)
Welcome to Movie Rocket, I'll be
with you in just a second sir

In the background, we see Ghostface, staring at Tyler, he walks away when Tyler gets back up, Tyler turns around and sees nobody, he's confused

TYLER (TO HIMSELF) (CONT'D)
I could've sworn I heard the doors
open

Tyler walks back to the register, he picks up where he left off with the movies, the phone rings again, he picks it up

TYLER (CONT'D)
Hello, thanks for calling Movie
Rocket, this is Tyler, how can I
help you

MAN'S VOICE
Hello, again

Tyler recognizes the voice

TYLER
Oh, hey, did you need anything else
before the call dropped?

MAN'S VOICE
Yes, I needed to know if you left
the store doors unlocked

Tyler looks confused

TYLER
Why do you need to know that?

MAN'S VOICE

I mean, it's after hours, right?
Isn't it protocol to lock up?

TYLER

Yeah, but that's only when I'm
about to leave

MAN'S VOICE

So, why are you working late?

TYLER

My boss pays an extra \$10 if we
work overtime

MAN'S VOICE

Is it worth it?

TYLER

Well, yeah, I mean being paid \$8 an
hour sucks but it helps keep the
bills from being behind

MAN'S VOICE

Maybe I'll come work there
someday...

Tyler laughs

TYLER

You know, you made my night man,
but I gotta go

MAN'S VOICE

Why, we were just getting things
started

TYLER

Well, it's almost 1 am and I got
school tomorrow so I'm leaving,
have a good rest of your night

Tyler hangs up, he grabs the keys on the counter and goes to
the double sliding doors and locks them, a figure moves
around behind him before he turns around, he walks towards
the back exit before he hears something fall again, he looks
back

TYLER (CONT'D)

Hey, if someone is in here, we're
closed

No answer, Tyler sighs as he walks over to the cart, tipped
over again, he sighs

TYLER (CONT'D)
Forget it, this is lance's problem

Tyler turns around and sees Ghostface behind him, knife ready to strike, Tyler's eyes widen

TYLER (CONT'D)
Oh shit

Tyler dodges the knife swipe, he grabs a DVD case and smashes it over Ghostface's head, he stumbles back, Tyler runs towards the back door when Ghostface grabs his vest, pulling it off him, Tyler continues running towards the back door but it's jammed, he pushes on it

TYLER (CONT'D)
COME THE FUCK ON!!

He turns around and sees Ghostface running towards him, he dodges his knife and tries to run past him, Ghostface slashes his back and he falls down, he grunts in pain

TYLER (CONT'D)
Ah, fucking dammit

Tyler tries to get up but Ghostface stomps on his back, he falls to the ground again, Ghostface stomps on his back three times before standing over top of him, Tyler is whimpering in pain

TYLER (CONT'D)
Please, please don't kill me

Ghostface grabs Tyler's shirt and lifts him up slightly, he raises his knife and swings it into Tyler's neck, he takes it out as blood begins to pour out, Ghostface stabs him in the neck once more, he drops Tyler to the floor and leaves as he bleeds out

NINA
Tyler, I'm here, where are you?

Nina hangs up, she waits patiently for a few more minutes before she sighs

NINA (CONT'D)
Come on, man

OLIVIA
I can't get a hold of him, his
phone goes straight to
voicemail....

SIDNEY
Did he say where he was going?

LOLA
He didn't tell us that he was
leaving...

LOUIS
Olivia, what's going on???

Yeah, totally fine, I mean I have no fucking clue as to what's happening but other than that I'm fine

OWEN

Do you remember what happened before you got taken?....

Kathy thinks, she looks at Owen

KATHY

Someone knocked on my door, I opened it and it was this....guy

Owen looks at her, intrigued

OWEN

Guy?

KATHY

He was someone that I was talking to on a dating app...

OWEN

What?

PHIL
Embrace your fear...

OLIVIA
I don't understand...

PHIL
Look, when I was in the war, I did
some pretty terrible shit...but,
when I was down on my luck, I
reminded myself that even if it's
the worst day of my life, it's not
worse than what I did all those
years ago....

OLIVIA
But, what if I don't want to
embrace my fears?

PHIL
Than it'll eat you alive your whole
life, you can't let that happen....

Olivia thinks, Phil holds out his hand, she grabs it

PHIL (CONT'D)
You're a tough girl.... Both you
and Owen have been through the
ringer and yet...you didn't let
that control your life...don't let
fear ruin that now...

Olivia nods her head, she sighs

OLIVIA
You know, even if this was the
worst job to have as a teen, I got
a really great friend out of
it....thank you, Phil...
