

**SCREAM 4: A NEW BEGINNING**

**Written By**

**Zachary Rosemann**

STARTED ON: 08/16/23  
FINISHED ON: 11/6/23

**OPEN ON:**

**EXT. MYERS HOUSE - NIGHT - ESTABLISHING**

A nice house, it has a big yard and a black metal fence around it, the camera cuts to a room, filled with Ghostface stuff and STAB movie posters, we see a man on his laptop, talking into a microphone

**INT. MYERS HOUSE - BART'S ROOM - NIGHT - CONTINUOUS**

this is **BART MYERS**, (mid-40s), bushy beard and a bit of a beer gut

BART

folks, I've talked about this a lot on this show but I just can't seem to get over the fact that we got a modern day Ghostface murder spree and there's still no announcement for a new STAB trilogy. like, what gives with that man?

Bart picks up a can of beer and sips it, he puts it down

BART (CONT'D)

like, you'd think the studios would jump at the opportunity to have those movies made but, then again, they probably don't want a lawsuit from the Atlas's....but hell, if i had to pick a director, I'd pick Zack Snyder, now that guy could do the story justice....

Bart takes another swig of his beer, he wipes his mouth, pushing the foam into his beard

BART (CONT'D)

and, to think that Owen Atlas has still not responded to my texts about coming on the show is just insane, the guy should be craving for publicity.....

Bart checks the time, he sighs

BART (CONT'D)

alright, folks, now is the time for any callers that want to get in on the convo---

He stops as his phone rings, he looks at it, confused

BART (CONT'D)  
well, it looks like we got our  
first caller (he answers the phone)  
you're on Stab In The Past, state  
your name, caller....

THE VOICE  
Hello, Bart....

Bart looks confused, he sees that it's an unknown caller

BART  
Hi, what's your name?

THE VOICE  
I go by so many names, it's hard to  
say.....

BART  
Okay.....how long have you been  
listening to the show?

THE VOICE  
I've been listening for a while  
now, and I must say, you talk a lot  
of trash about Ghostface.....

BART  
Well, I'm just giving my opinion,  
it's nothing personal.....

THE VOICE  
oh, but it is, Bart, you shouldn't  
talk bad about people, you never  
know who's listening.....

Bart looks confused, he hangs up, looking at his camera

BART  
Folks, I'm afraid that I'm out of  
time for tonight, make sure to like  
and subscribe for more.....

Bart sees that his phone is ringing again, his breath starts  
to shake

BART (CONT'D)  
Content....

Bart ends his stream and answers the phone, he gets up

BART (CONT'D)

Tom, I swear if this is you fucking around, I'm gonna kill you....

THE VOICE

this isn't Tom.....

BART

then who the hell is this?

THE VOICE

it doesn't matter who I am, Bart, especially not to some fat loser who can't even leave his house without eating a piece of pizza or sipping on a beer....

BART

I'm calling the cops, this is harassment....

THE VOICE

they're not going to make it in time....

Suddenly, Bart's office door bursts open to reveal **GHOSTFACE**, in its normal mask and robe. it lunges at Bart, stabbing him in the gut several times, Bart tries to push him off but it throws him to the ground, it stands over Bart's bloodied corpse and plunges the knife through his neck. Bart lays on the floor, bleeding to death as Ghostface watches, he takes his knife out and leaves the room

**EXT. BART'S HOUSE - DRIVEWAY - MOMENTS LATER**

Ghostface is seen running towards his car, he takes off his mask to reveal a man, **STEPHEN DAVIDSON**, (mid-20s), he drives off

**EXT. NEW HAVEN COLLEGE - DORM PARKING LOT - MOMENTS LATER**

Stephen pulls into his parking space, he takes the costume off and puts it in a bag, he gets out of his car and zips up his backpack, he walks along the sidewalk and heads into the dorm building, he heads up the stairs and bumps into a girl, he stops and looks at her

**INT. NEW HAVEN COLLEGE DORM BUILDING - STAIRWELL**

STEPHEN

Oh shit, I'm sorry....

WOMAN  
it's fine....

the man recognizes her, he puts on a smile

STEPHEN  
wait, you're.... Lola, right?

The woman looks at him, we get a clear view of her face

**LOLA ATLAS**, (21), wearing her hair in a ponytail and a blue hoodie with the college logo on the front, she looks at the man

LOLA  
Yeah.... Luke, right?

STEPHEN  
No, I'm his brother, Stephen

LOLA  
Oh, my bad

STEPHEN  
not a problem, people get us mixed  
up all the time, just something  
that comes with being twins

LOLA  
so, what've you been up to?

STEPHEN  
nothing much, just had to finish up  
in the theater, you?

LOLA  
just had to help Kat study, I'm  
actually heading back to my  
apartment....

STEPHEN  
well I won't hold you up, see you  
around Lola

LOLA  
bye....

Stephen watches Lola leave, his smile fades and he continues walking up the stairs, where his phone rings, it's an UNKNOWN NUMBER, he answers, confused

STEPHEN  
Hello?

MAN'S VOICE  
Hello Stephen

Stephen looks confused, he looks around the stairwell

STEPHEN  
who is this?

MAN'S VOICE  
take a guess....

STEPHEN  
Well, it sure as hell isn't  
Ghostface, that voice app is  
horrible...

MAN'S VOICE  
More like an improvement...

Stephen shakes his head as he hangs up, he goes up the stairs  
and goes through a door

**INT. NEW HAVEN COLLEGE DORM BUILDING - HALLWAY**

Stephen reaches his dorm, he puts the key in and enters, we  
take a look around the room, one side is filled with theater  
works, most notably Hamilton, In The Heights, and Sweeney  
Todd, while the other side has horror posters, it's the usual  
stuff; STAB, Halloween (2018), and Texas Chain Saw Massacre,  
he puts his bag down and hears his phone ring again, he looks  
at it and answers

**INT. NEW HAVEN COLLEGE DORM BUILDING - STEPHEN'S DORM**

STEPHEN  
look, whoever this is, I don't have  
time for games

MAN'S VOICE  
tell me, Stephen, what gave you the  
idea to kill Bart?

Stephen stops what he's doing, his eyes widen

STEPHEN  
What?

MAN'S VOICE  
Oh, don't play dumb, you can tell  
me, your secret is safe with me....

STEPHEN  
what do you want?

MAN'S VOICE  
I want to get in on the action....

STEPHEN  
what?

MAN'S VOICE  
I want to.... let's say team up

STEPHEN  
I'm not looking for a partner....

MAN'S VOICE  
well, why not?

STEPHEN  
because, I think this Ghostface  
shit is easier alone, and I was  
supposed to have a partner tonight  
but he bailed on me last  
minute.....

MAN'S VOICE  
what makes you think I'll bail on  
you? or better yet.....what makes  
you think I'll betray you?

STEPHEN  
well, for one thing, you're using  
that stupid voice filter.....

MAN'S VOICE  
it's for my safety, Stephen, you  
know how it is

STEPHEN  
whatever man.....

MAN'S VOICE  
you know what, I know what I can do  
to convince you....

suddenly, there's a knock on the door, Stephen is startled,  
he looks at the door

STEPHEN  
you're seriously at my door?

MAN'S VOICE  
I could be, it's up to you to find  
out....

Stephen hangs up, he cautiously goes to the door and SWINGS IT OPEN, revealing a man, Stephen sighs as **TOM MCKINLEY**, (mid 20s), wearing a buttoned up shirt with a white undershirt

STEPHEN  
You asshole....

TOM  
Sorry, didn't mean to scare you, I forgot my room key

Stephen thinks, he pulls the man into the room, shutting the door, he holds him against the wall

TOM (CONT'D)  
dude, what is your problem?

STEPHEN  
are you fucking with me?

TOM  
What're you talking about?

STEPHEN  
someone was on the phone with me using that goddamn voice filter and you just so happen to be by the door....

TOM  
look, if this is because I bailed on you, I'm sorry but I didn't call you, you can even check my call history

Stephen sighs, he lets Tom go, Tom looks at him

TOM (CONT'D)  
I take it that killing Bart went well?

STEPHEN  
Yeah, but it would've been better if you actually showed up

TOM  
Yes, I'm sorry for bailing last minute but I promise you it was worth it

Stephen looks at him, intrigued

STEPHEN

What did you do?

TOM

I found out that Lola will be working in the music room alone tomorrow, which gives us the perfect opportunity to strike....

STEPHEN

holy shit.

TOM

holy shit is right my friend

STEPHEN

so, what's the plan?

TOM

that is something that me and you are gonna have to come up together.....right after I take a shower

Stephen laughs as Tom grabs his clothes and heads into the bathroom, leaving his phone on the desk, as Tom closes the door, Stephen goes out of the dorm room and heads to the

**EXT. NEW HAVEN COLLEGE DORM BUILDING - ROOFTOP - CONTINUOUS**

Stephen looks out into the city of Seattle, looking at the passing traffic while finishing his cigarette, he suddenly hears his phone ring and almost immediately answers

STEPHEN

Yeah?

MAN'S VOICE

You never did answer my question, Stephen....

Stephen sighs, he looks at the Caller ID that reads "Tom", he laughs a little

STEPHEN

Ah, you used your actual phone to call me this time? Well played Tom.... I'll play along....

MAN'S VOICE

So, what was it like?

Stephen flicks his cigarette and leans onto the railing, looking up into the night sky

STEPHEN

It was... honestly  
refreshing...that asshole spent day  
and night talking about those  
murders that...it literally made me  
want to murder him...

MAN'S VOICE

So, why go after Lola?

Stephen thinks, he sighs

STEPHEN

I don't know man, it's mainly  
because I want to fuck with her,  
messing with people's heads is  
pretty much the only thing I'm good  
at...

MAN'S VOICE

You know, we could kill that dimwit  
Liam tonight....

STEPHEN

Nah, we have to lay low because  
once they find Bart's body, this  
city is going to be swarming with  
police...

MAN'S VOICE

Okay...how about I kill you?

Stephen looks confused, behind him arises a figure wearing a different mask, it's the BRANDON JAMES MASK, Stephen turns around as the killer lunges at him, plunging the knife through his gut, they rip it out and Stephen staggers towards the door, the killer stabs Stephen again in the back, lifting the knife, he falls to the ground and the killer turns him over, he looks shocked as blood comes out his mouth

STEPHEN

Who....who...who are you?

The killer doesn't answer, they plunge the knife through his chest, killing him, the killer admires his work before walking away

**INT. NEW HAVEN COLLEGE DORM BUILDING - STEPHEN AND TOM'S DORM  
- MOMENTS LATER**

the door opens to their dorm, the killer enters as the camera cuts to Tom getting out of the shower, he wraps a towel around his waist and rubs his hair with another towel, he opens the bathroom door to see the killer, before he could react, the killer plunges a knife through his eye, he pulls it out and Tom falls to the ground, the killer stands with the blood soaked knife and wipes it as it

**SMASH TO:**

**SCREAM 4: A NEW BEGINNING**

**OPEN ON:**

**INT. APARTMENT COMPLEX - HALLWAY - MOMENTS LATER**

Lola is walking down the hall, books in hand, we get a look at the hallway, it's a nice but not fancy setting, red and black carpet runs up and down the halls, lights are bright and sometimes flicker, various artwork is on the wall

she stops at her door and pulls out her keys but drops them, a man picks them up for her, she looks at him

**MARK ANDREWS, (mid-30s)**, wearing a nice white shirt along with blue pants, he smiles as he sticks the key into the door and opens it

LOLA  
thanks Mark....

MARK  
not a problem....

he goes back to his apartment but he stops, he turns around

MARK (CONT'D)  
uh, hey, Lola....

LOLA  
yeah?

MARK  
I was wondering if you maybe wanted  
to go out with me sometime?....

Lola looks baffled, but she keeps a smile

LOLA  
that's really nice of you, Mark,  
but...I can't right now....

Mark looks devastated but he nods his head

MARK  
oh.... I'm sorry

LOLA  
it's okay..... I'll see you  
around....

Lola goes into her apartment and closes the door, it's a tidy living space, only a picture of a flower hangs on the blue-colored wall, the floor is wood but a carpet is laid out under the couch

she sighs and puts her keys on the table, she rounds the corner to see **TIFFANY LEE-ANN, (20s)**, wears glasses and is writing in her books, she looks at Lola

TIFFANY (PLAYFULLY)

I THINK HE LIKES YOU.

Lola laughs a little, she puts her books down

LOLA  
what've you been up to?

TIFFANY  
Not much, just been studying all  
night

LOLA  
sounds fun....

Lola goes into her room, it's a nice variation from before, most of her old posters are hung up on the wall, a guitar is up against the wall along with her Casio piano, a picture of her parents sits on her desk along with her laptop

she hears her phone ring, she pulls it out and sees the Caller ID name that reads "Dad", she sighs and answers it, closing her door

LOLA (CONT'D)  
Hey Dad, what's up?

OWEN (O.S)  
hey, I was just checking in on you,  
seeing how you were doing.....

LOLA  
I'm doing great, Dad, how's mom?

OWEN (O.S)  
she's great, misses you a lot....

Lola laughs a little, as does Owen

LOLA  
I promise, I'll be down for summer  
break in a few months.

OWEN (O.S)  
I know that, dear, (we hear a small  
commotion going on) okay, I gotta  
go, bye Lola

LOLA  
bye dad.

Lola hangs up, she puts her phone onto her bed and sighs, she  
looks out the window, slowly zoning out, she gets startled by  
a knock on her door, she turns around to see Tiffany

TIFFANY  
you alright?

LOLA  
yeah, I was just thinking.....do  
you maybe wanna get a drink or  
something?

TIFFANY  
what? why?

LOLA  
I don't know, I just want to get  
out of the apartment, and let loose  
for a little while

TIFFANY  
really?

LOLA  
yeah, why not?

Lola goes into the bathroom to get changed, Tiffany nods her  
head, smiling as she shuts the door

**CUT TO:**

RICKY  
So, what's been happening?

Liam shrugs his shoulders

LIAM  
Nothing much...I started classes a month ago, my roommate Nate started working at the pizza place across from our building, but other than that, it's pretty chill...

RICKY  
How is Lola doing?

Liam glances at him, he shrugs his shoulders once more

LIAM  
She's...doing fine...

RICKY  
And has anything been going on between you two?

Liam sighs

LIAM  
Come on man, no...

Liam looks at him, he sighs

LIAM

it's nothing, this happens on a  
daily basis....

RICKY

what exactly happens?

LIAM  
she had a panic attack...or some  
kind of combination between a panic  
attack and PTSD, but every now and  
then she sees...things

RICKY  
what kind of things, Liam?

LIAM  
from the way she explained it, she  
sees you know who

Lola comes in, wearing night clothes

LOLA  
I know you guys are talking about  
me..

Liam and Ricky look at Lola, they smile

RICKY  
sorry Lola, I just want to know  
what's been going on with you,  
that's all..

LOLA  
it's fine...how was your flight?

RICKY  
eh, it was okay, I was more excited  
to see you guys than being on that  
tin can...

LIAM  
yeah, you're fine sleeping on the  
couch, right?

RICKY  
yeah, of course... do you know when  
your roommate will be back, Lola?

LOLA  
who knows, last I saw her, she was  
talking to some guy..

LIAM  
we should probably get going,  
Ricky.

RICKY  
alright, take care Lola.....

LOLA  
you too, Ricky, see you tomorrow..

Ricky walks out the door, Liam looks at Lola a bit longer

LIAM  
give me a call if you need  
anything..

LOLA  
you know it...and, thanks for  
bringing me back..

LIAM  
it's no problem...goodnight  
Lola.....

LOLA  
Goodnight..

Liam leaves and closes the door, Lola sighs as it cuts to  
Liam and Ricky

**INT. APARTMENT COMPLEX - HALLWAY - CONTINUOUS**

RICKY (PLAYFULLY)  
I think she likes you...

Liam laughs a little

LIAM  
shut up, man

Liam and Ricky go to Liam's apartment door, they go in and  
Liam shuts the door, it cuts back to Lola, who lays on her  
bed, she turns to the wall and falls asleep as it

**MATCH CUT TO:**

**INT. APARTMENT COMPLEX - LOLA'S ROOM - MORNING**

Lola is awoken by a knock on her door, she checks the time;  
it reads **10:30am**, she gets up and leaves her room and walks  
to the door, she opens it to find Liam and Ricky, who look  
worried

LOLA  
hey... what's up?

LIAM  
we got a bit of a problem...

Lola looks at them both, confused

**INT. APARTMENT COMPLEX - LIVING ROOM - MOMENTS LATER**

a news broadcast is on TV, a reporter is in front of the college

REPORTER  
Last Night, local college students  
Stephen Davidson and Tom McKinley  
were murdered in their dorms, the  
FBI are currently looking into who  
murdered them but could it be  
connected to the murder of popular  
influencer Bart Myers?----

Liam turns the TV off, he sighs as Lola sits, thinking, Ricky  
sighs

RICKY  
wasn't that Bart guy doing videos  
on your dad?

LIAM  
Ricky.

RICKY  
what?

LOLA  
he was...who the hell would want to  
murder Stephen and Tom?...

LIAM  
I don't know, but weren't you at  
the college?

LOLA  
Yeah, helping Kat study...why?

RICKY  
oh shit..

Lola looks at Ricky, confused

LOLA  
what?

LIAM  
Lola...that makes you a suspect..

Lola looks at Liam, she thinks as it

**CUT TO:**

**INT. NEW HAVEN COLLEGE DORM BUILDING - HALLWAY**

Detective **EMMA DUVAL**, (50s), wearing a grey pant suit, is walking down the hallway, she stops at Stephen and Tom's dorm and goes in, she approaches an officer with her badge

EMMA

Detective Duval, FBI, what happened here?

OFFICER #1

two boys were murdered, one on the roof, other in the bathroom

EMMA

how were they found?

OFFICER #1

one of the victim's brother knocked on the door, after he heard nothing, he came in and found the guy dead on the floor.....

EMMA

and the other?

OFFICER #1

one of our officers, he looked up there out of curiosity and found him.

Emma nods her head, she sees Stephen's open backpack, she thinks

EMMA

mind if I look in that bag?

OFFICER #1

knock yourself out..

the officer hands her gloves and she puts them on, she picks up the bag and opens it, finding the blood-stained Ghostface mask, she looks at the officer

EMMA

I'm going to run this down to forensics and see if I can get anything...

Emma takes the bag and leaves

**INT. APARTMENT COMPLEX - LOLA'S APARTMENT - MOMENTS LATER**

Lola and Liam are sitting on the couch while Ricky is standing in front of them, he sighs

RICKY  
how could this be happening again?  
Jonathan is dead...

LIAM  
we don't know for sure if it's  
happening again

LOLA  
Stephen and Tom were our  
classmates, Bart was doing videos  
on my dad, it seems like this is  
happening again...

RICKY  
so, why not just call Owen?

LOLA  
No, absolutely not...

RICKY  
why not? he could help us.....

LIAM  
Owen doesn't need to be dragged  
into this shit again..

RICKY  
well, we gotta do something----

Suddenly, there's a knock on the door, they all look at the door, Lola sighs

LOLA  
that's probably Tiff..

LIAM  
she didn't come back last night?

LOLA  
I guess not..

Lola gets up and goes towards the door, she opens it to reveal **LUKE DAVIDSON (20s)**, Stephen's twin brother that is a theatre major at New Haven, along with **KAT WILLIAMS (early 20s)**, Liam and Lola's friend, and a film student at New Haven, and Tiffany

LOLA (CONT'D)

Luke, I'm so sorry about Stephen..

LUKE

thank you, I can't believe he's gone...

KAT

we were both rushed out the building due to cops being all over the place

Lola lets them in and as she closes the door, a person sticks their foot into the crack, Lola opens it to reveal **NATE ROBINSON, (20s)**, Liam's Roommate, sporting a nice unbuttoned blue collared shirt with a t-shirt under it, he smiles

NATE

sorry, had trouble parking.

LOLA

no problem, come in...

Nate comes in and Lola closes the door, she walks into the living room and sees everyone, she sighs

LOLA (CONT'D)

I'm assuming you're all here because of what happened last night?

LUKE

yeah...and they canceled classes for today so we have no where else to be..

KAT

it was kind of my idea to come here.

LOLA

great...

Lola walks over to the counter, Liam looks at her as Tiffany looks at them

TIFFANY

Who'd want to kill Stephen and Tom,  
those dudes didn't do anything to  
anyone.....

NATE

I mean...Kat, you're in their  
building, right?

KAT

what? why would I kill them?

LUKE

no one is saying you did..

NATE

didn't they lock you out of the  
building?

KAT

yeah, on accident, doesn't mean  
that I'd kill them for it

Liam looks at the group

LIAM

look, stop arguing..

The group looks at Liam, he sighs

LIAM (CONT'D)

Now, I know that you're scared, we  
all are, but there is nothing to  
worry about...

RICKY

Liam's right, we can't jump to  
conclusions about who killed  
who....

KAT

Could it be possible that this guy  
is connected to you guys in some  
way....

LUKE

She's right....you guys ARE  
survivors of the past massacre and  
Bart was making videos about Lola's  
dad

TIFFANY

And Stephen and Tom were our  
classmates....

Lola sighs, she walks over to the group and looks at them

LOLA  
Look, let's get one thing clear, if  
it is happening again, it IS NOT  
because of me, or Liam, or Ricky so  
don't even try to make that a  
fucking theory...

Lola walks towards her room, slamming the door, Ricky looks  
at at Liam

RICKY  
Wanna go talk to her?

LIAM  
Give her a few to cool off

Nate checks his watch, he sighs

NATE  
I gotta go to work....

Nate gets up and leaves, Luke gets up

LUKE  
I gotta go as well, my folks are  
probably expecting me to come  
over....

Luke leaves, Liam looks at Kat

LIAM  
You're sticking around?

KAT  
Yeah, I got no where else to be

TIFFANY  
I'm actually going to run a few  
errands, are you guys staying with  
Lola?

Ricky and Liam nod their heads as Tiffany grabs her keys and  
leaves, they sit on the couch as it

CUT TO:

**INT. FEDERAL OFFICE OF SEATTLE - EMMA'S DESK**

Emma is seen at her desk when a man walks up with papers

**NOAH FOSTER, (50)**, Longtime friend of Emma, wearing his normal work attire with slicked back hair

NOAH  
you got a minute?

Emma looks at Noah, nodding her head

EMMA  
what's up?

Noah hands her the report

NOAH  
got the papers back from forensics,  
you're never going to believe who's  
blood they found on the mask....

Emma looks at the report, she's shocked as she looks back at Noah

EMMA  
Bart Myers?

NOAH  
yeah, which makes me guess that our  
two victims murdered our first...

Emma nods her head, she thinks and looks back at him

EMMA  
thanks for the update..

NOAH  
no problem, Em

Noah walks away, Emma looks at her computer and sighs

**INT. Apartment Complex - Lola's Apartment - Night**

Lola is looking out her window to the streets of Seattle, she looks into an alleyway and sees a figure standing in the darkness

she looks on as it approaches into the light to reveal Evan, she backs up from her window before she hears a knock on her door, startling her

LOLA  
who is it?

LIAM  
it's Liam, mind if I come in?

Lola sighs

LOLA  
yeah....

Liam comes in, he notices that Lola is startled

LIAM  
did I scare you?....

LOLA  
no, of course not....it was  
just.... I saw him again....

Liam closes the door, he looks at Lola

LIAM  
was he out your window this time?

Lola nods her head and she sits on her bed as her phone  
begins to buzz on the desk, Liam looks to see "Dad" calling,  
he looks at Lola

LIAM (CONT'D)  
it's your dad....

LOLA  
I know, he's been calling for the  
last hour now....

LIAM  
why not answer him?

LOLA  
Because I know that he's going to  
try and convince me to just go back  
to Okeechobee and... I don't want  
to do that

Liam nods his head, Lola sighs and looks at him

LOLA (CONT'D)  
I don't know what to do anymore,  
Liam

LIAM  
what do you mean?

LOLA

I try to live my life, go to college, be happy, but I still see Evan..... I went to therapy but I still see him..... I took medication and I still kept seeing him....

Lola puts her head in her hands, Liam sits next to her

LIAM

Lola, I couldn't possibly imagine what you're going through....but, just know.... that you have friends that want to help....

Lola looks at Liam, she sighs

LOLA

why do you put up with me, Liam?

LIAM

what do you mean?

LOLA

you follow me to Seattle, live in an apartment next to mine, make sure I'm okay every time I go through something.....why?

LIAM

because I care, Lola, we may have not known each other in high school but after what happened...I knew that you needed someone that you could trust by your side....

LOLA

but, aren't you afraid that I'll just....hurt you?

LIAM

no.... I'm not....

Lola looks at him as he grabs her hand, they look at each other, Liam leans in but Lola pulls away, she sighs

LOLA

Liam, I really appreciate everything you do for me...but, I just can't.....

Liam nods his head, he stands up

LIAM  
I'm.... I'm sorry

Liam walks out, Lola watches as he closes the door, she lays on her bed and looks at the ceiling, trying not to cry

**EXT. APARTMENT COMPLEX - MOMENTS LATER**

Tiffany is walking towards the apartment complex, grocery bags in hand, she approaches the door when her phone rings, she answers

TIFFANY  
Hello?

MAN'S VOICE  
hello, Tiffany..

Tiffany looks confused, she looks around the empty street

TIFFANY  
Who's this?

MAN'S VOICE  
Just someone that's dying to  
ask..... what's your favorite scary  
movie?

TIFFANY  
it depends who's asking?

MAN'S VOICE  
I don't usually like giving out my  
identity....

TIFFANY  
Well, then maybe call someone else

Tiffany hangs up, she's just about to open the door when she hears something, she walks towards the alley and sees a trash can knocked over, she walks up and inspects it, looking around before her phone rings, startling her, she answers

TIFFANY (CONT'D)  
Hello?

MAN'S VOICE  
you never answered my question,  
Tiffany.....

Tiffany looks around, she sighs

TIFFANY  
 answer mine and I'll answer yours?  
 who is this?

MAN'S VOICE  
 I'm the last thing you're ever  
 going to see alive.....

Tiffany's eyes widen, she hangs up and starts to walk out of the alley when there's another noise, she turns back to find nothing and turns to see THE KILLER, wearing the Brandon James mask, he stabs Tiffany in the gut, she looks shocked and pushes off him, Ghostface follows her as she walks further into the alley, he stabs her again in the back and pushes her up against the wall, stabbing her gut several times, she slides down as Ghostface goes for the final slash, slicing her throat, he picks up her purse and looks through to find her keys, he picks them up and goes out of the alley and into the apartment complex

**INT. APARTMENT COMPLEX - HALLWAY - MOMENTS LATER**

The Killer walks down the hall, approaching the door when Mark opens his door, getting ready to leave, he sees The Killer

MARK  
 ay, if you're one of those fanboys,  
 leave Lola alone, she's been  
 through---

The Killer turns around, Mark looks into his black eyes

**INT. APARTMENT COMPLEX - LOLA'S APARTMENT - CONTINUOUS**

Lola, Kat, Liam and Ricky are in the living room when they hear banging on the front door, they get up and look as it continues, Liam approaches the door when it flies open, Mark and The Killer are on the ground, the group looks shocked as Mark is narrowly avoiding getting stabbed, Liam pulls The Killer off but gets his arm slashed, Ricky pulls Liam and Lola towards her room as Mark kicks The Killer and takes Kat into Tiffany's room

**INT. APARTMENT COMPLEX - LOLA'S ROOM - CONTINUOUS**

LIAM  
 What do we do?

LOLA  
 block off the door

Lola goes to her dresser, Ricky follows, Liam looks as Mark and Kat come through the joint bathroom

LIAM  
Where were y'all?!

MARK  
in the other room..

LIAM  
did you lock the---

Suddenly, The Killer is at the bathroom door, Liam runs and shuts the bathroom door, Mark helps, Ricky looks at Lola

RICKY  
Lola, isn't there a fire escape?

LOLA  
Yeah, at my window

Lola goes and opens her window, she looks at Ricky

LOLA (CONT'D)  
you and Kat go first..

RICKY  
What? I'm not leaving you guys..

LOLA  
you have to, we'll block off the  
bathroom door and go down....go NOW

Ricky nods his head and goes out to the fire escape, he descends down and jumps off the last platform, he looks at Tiffany's body, eyes widen, he looks up

RICKY (YELLING)  
Hurry up guys!

Lola and Kat walk over to her desk, they push it over towards the bathroom door, Liam and Mark move out of the way and they block off the door, Lola looks at Mark and Liam

LOLA  
you two head down, now

LIAM  
you first..

LOLA  
Liam, just go..

LIAM

I'm not leaving until I know you're  
safe....

KAT

you two just stop, don't forget  
that there's a fucking killer in  
the apartment

Liam looks at Lola, she reluctantly goes down the fire  
escape, meeting Ricky

Inside, Mark and Liam go down the fire escape, leaving Kat in  
the room, she goes down right before Ghostface busts into the  
room, he runs at her but Kat closes the window before he  
could get to her, rushing her way down the fire escape

the group watches as she makes it to the last platform, she  
looks at the group when The Killer jumps down behind her,  
they look in horror as she turns around and is stabbed in the  
gut, she falls off the platform but Mark catches her, they  
look at The Killer as police arrive on the scene, making them  
disappear, the group look at Kat as it

CUT TO:

**INT. HOSPITAL - WAITING ROOM - MORNING**

Lola, Mark, Ricky, and Liam, who's now wearing a bandage on  
his arm, are sitting in the waiting room when Emma and Noah  
walk in

EMMA

Lola Atlas?

Lola looks at them, confused

LOLA

um...that's me...who are you?

EMMA

I'm Detective Duval, this is  
Detective Foster..

LOLA

okay...and what can I do for you  
two?

NOAH

we were wondering if you could come  
with us....just for a little chat

LOLA  
no offense, but I'm not sure if I  
should trust you guys....

Emma sighs, she pulls out her badge and Noah pulls out his,  
Lola looks

EMMA  
I know you have problems trusting  
people right now but we're working  
on this case and we really need  
your cooperation....

LOLA  
okay...what do you need to talk to  
me about?

EMMA  
I think we should go somewhere  
private....

Lola sighs as Emma and Noah start walking, she follows as it  
focuses on Ricky and Liam, Ricky nudges him

RICKY  
you alright?

Liam looks at him, he sighs

LIAM  
yeah, I've been through worse,  
getting sliced in the arm is  
somehow less painful than getting  
hit by a car...

RICKY  
I'm not talking about that..

Liam realizes, he sighs again

LIAM  
I don't know honestly... I want  
something to work between us but  
she just.... doesn't want to have  
it happen

MARK  
you're not the only one she does  
that to...

Liam and Ricky look at Mark, confused

LIAM  
what do you mean?....

MARK  
the other night... I tried asking  
her out and...she closed down...

RICKY  
and at what time did this happen?

Mark looks at Ricky, confused

MARK  
at around 9, why?

RICKY

NO REASON

Mark realizes, he sits back in his chair

MARK  
do you really believe that I'm the  
killer

LIAM  
no one is saying that...

RICKY  
I am...

MARK  
I was attacked last night...same as  
you guys

RICKY  
and yet.....Kat gets stabbed and my  
brother's arm gets sliced.... while  
you, come out unscaved

MARK  
well, by that logic, that should  
make you a suspect too....

RICKY  
no, because I'm Liam's brother and  
I already survived something like  
this before and I got the stab  
wound to prove it...

MARK  
and yet, you somehow came into town  
at the same time a murder took  
place? seems pretty suspicious

LIAM

I picked him up from the airport...so, no, he's not a suspect

RICKY

why are you even at the hospital, Mark? you're not friends with me or Liam and you barely know Lola and Kat

MARK

I was worried about Kat, is that a crime?

RICKY

it is if you only came here because it would support your case, if you didn't come, you'd still get accused of being the killer, so you did, which means the feds aren't on your trail

Mark stands up, furious

MARK

I'm not the fucking killer...

Mark grabs his coat and leaves, Ricky laughs as Liam looks at him

LIAM

what the hell was that for?

Ricky looks at Liam

RICKY

he gave me a weird vibe..

LIAM

what happened to not accusing people?

RICKY

you can never be too sure, Liam...those STAB movies have taught me that anytime a new character is with the new group, they're usually the killer

Liam looks at him, he sighs as we go to the

**INT. HOSPITAL - MEETING ROOM - MOMENTS LATER**

Lola sits in front of Noah and Emma, they look at her

EMMA  
can you tell us where you were at  
two nights ago? before the murders?

LOLA  
at my friend's dorm, helping her  
study

EMMA  
When exactly did you leave?

LOLA  
right around when Stephen came  
in...we talked in the hallway,  
chatted, and went our separate  
ways....

NOAH  
great song by Journey...

EMMA  
Noah....

NOAH  
Sorry....

EMMA  
did he tell you about...what he  
did?....

Lola looks at Emma, confused

LOLA  
no...why?

NOAH  
Stephen killed Bart Myers...

Emma glances at him, with a "really" look, Noah looks at her

NOAH (CONT'D)  
What? we had to tell her

LOLA  
Stephen killed Bart?

Emma looks at her, she sighs

EMMA

Yes, and we have reasons to believe  
that he was planning a murder spree  
just like this one...

NOAH

but, was murdered by someone afraid  
that his thunder would be stolen

Emma looks at Noah with a "not helping" look, he sits back in  
his chair, she looks back at Lola

EMMA

I know it's a lot to take in. But,  
do you have any clue---

LOLA

no, I don't...but, I do know that  
this killer... isn't wearing the  
Ghostface mask

Noah and Emma look at her, intrigued

NOAH

what were they wearing?

LOLA

it was like the Ghostface  
mask.....but it  
looked...off....like it looked more  
like a surgical mask...

that rings a bell in Emma's head, she pulls out her phone,  
pulling up a picture, showing it to Lola

EMMA

did it look like this?

Lola looks to see the Brandon James mask, she nods her head,  
Emma puts her phone back in her pocket, standing up

EMMA (CONT'D)

we appreciate your cooperation, Ms.  
Atlas, you take care...

Emma and Noah leave, Lola looks confused and follows them out

**INT. HOSPITAL - HALLWAY - CONTINUOUS**

LOLA

so, that's it? that's all I had to  
tell you?

Emma and Noah turn around, she sighs

EMMA  
only if you have more  
information...if not, then yeah,  
we're done

Emma and Noah walk away, Lola turns around and runs straight  
into Liam, she backs up and he looks at her

LIAM  
sorry, I was checking up on Kat...

Lola crosses her arms, looking at Liam

LOLA  
how is she?

LIAM  
she's hurt...but she'll  
manage...are you alright?

LOLA  
yeah, I'm just shaken up, that's  
all

LIAM  
oh...

they look at each other awkwardly

LIAM (CONT'D)  
Lola, I wanted to apologize for  
last night....

LOLA  
it's fine, Liam, trust me, that  
wasn't the worst thing to happen  
last night.....

LIAM  
I know...but, still, it wasn't cool  
for me to even try something like  
that...especially since you're  
still...

LOLA  
Liam.

LIAM  
I just didn't want it to come  
across that I was only here for  
you...

Lola looks at Liam, looking to say something as Ricky walks up behind her

RICKY

Um....Lola? there's someone here to see you...

Lola turns around, looking at Ricky, she sighs

LOLA

please tell me it's not....

RICKY

no, it's not Owen..

Lola looks confused, they walk back to the waiting room to find **NICK SANCHEZ (30s)**, wearing a t-shirt with a blue flannel over it, the trio looks at him

LOLA

Nick?

NICK

hey Lola, longtime no see...

Lola approaches him and they hug, she looks at him

LOLA

What are you doing here?

NICK

Owen called me, wanted me to check on you....

Lola laughs a little. "Of course he did", Liam walks up, looking at Nick

LIAM

Who's this?

Nick looks at Liam

NICK

I'm...

Suddenly, Nate and Luke come in, Nate forms a smile on his face

NATE

Holy shit, Nick Sanchez....

They walk up to him, he smiles

NATE (CONT'D)  
I absolutely loved My Best Friend  
Is a Zombie....

NICK  
always a pleasure to meet a fan.,..

Nick holds his hand out, Liam is skeptical as Nate shakes his hand, Lola looks at Luke

LOLA  
How're you holdin up?

LUKE  
I'm doing good, are you alright?  
heard about what happened...

LOLA  
you can say that

Luke nods his head as Ricky walks up to them

RICKY  
Nick, this is Nate and that's Luke  
Davidson....

LUKE  
Stephen's twin brother....

Nick nods his head, looking at Luke

NICK  
I knew that you looked familiar,  
seeing as I've seen your brother  
all over the news...sorry for your  
loss...

Luke nods his head, Nick looks at Lola

NICK (CONT'D)  
did you get a phone call?

Lola shakes her head "no"

LOLA  
whoever this guy is...they aren't  
wearing the Ghostface mask

Nick, Nate, and Luke look at her, confused

LUKE  
what mask was he wearing...

EMMA

It was a mask that belonged to  
Brandon James

The group looks at Emma and Noah, she sighs as it

**CUT TO:**

**INT. DINER - MOMENTS LATER**

The group, including Emma and Noah, are sitting at the diner

EMMA

in 1994, a boy named Brandon James  
murdered a bunch of kids, with my  
dad being the only survivor, he  
wore a mask that covered his  
disfigured face..

NOAH

Brandon was ultimately shot and killed when he met with  
Daisy, who happened to be Emma's mom...

EMMA

in 2015, my half sister wore the  
mask and killed my friends...but I  
killed her

NOAH

then, the next year, Emma's  
boyfriend wore the mask and  
revealed that he was Piper's  
accomplice, and he murdered a bunch  
of people, including our friends  
Jake and... Zoe...

EMMA

and just when we thought it was  
over, Kieran was killed in a jail  
cell by another person wearing the  
mask, we never found out who...

NOAH

don't forget about that one dude  
that tried murdering us on the  
island

NATE

What?

NOAH

Yeah, real nutcase, wanted Emma all  
for himself, all that jazz

LOLA

so, they never found out who did  
it?

EMMA

yes, but after Kieran, there was  
never a murder in Lakewood again,  
it felt safe...

LIAM

so, whoever's doing this is wearing  
the same mask that your hometown  
serial killer wore?

NOAH

yes, and that means... we're most  
likely the next targets

EMMA

let's not get ahead of our selves,  
Noah

NOAH

Em, it's the same mask..

EMMA

that doesn't mean anything

Lola zones out, she gets up and walks away and goes into the  
bathroom, she turns on the sink and watches the water flow as  
memories come back

It's flashes of Lola and Evan, from their first kiss to  
ending on her killing him, she looks into the mirror and sees  
his corpse again, she turns around, eyes widen

EVAN

you can never forget me, Lola

LOLA

leave me alone....

EVAN

you can never forget me.....

Lola covers her ears

LOLA

leave me alone..

she slides down the wall as Evan continuously mutters "you can never forget" Lola closes her eyes before being touched, startling her, she sees that it's Emma, she calms down

EMMA

Lola, relax, okay? take a deep breath

Lola takes a deep breath and breathes out, she looks at Emma

LOLA

sorry..

EMMA

What happened?

LOLA

I..I saw my ex...he was one of the killers last time and I shot him.....now, every once in a while, i get--

EMMA

Hallucinations of him?

Lola looks at her, nodding her head in confusion

EMMA (CONT'D)

I saw my boyfriend get cut in half, it was...the most horrifying thing I ever saw in my life...and everywhere I went, I saw visions of him, almost as a reminder that..he died because of me.....

LOLA

how did you get over it?

Emma sighs

EMMA

that's the thing, Lola, some things aren't that easy to get over.....it took years for me to stop seeing him...but, I didn't let that ruin my life...and you can't let it ruin yours....

LOLA

I don't want it to, but after what Evan did to me and my family... I just don't know if I'll ever trust anyone the same way.....

EMMA

I get it, I do, but...wanna know  
the best way to get over it?

Lola nods her head

EMMA (CONT'D)

keep good friends close to you... I  
don't know where I would be without  
my friends, hell, one of them took  
a job in forensics because I was  
going to be a detective.....

Lola thinks as Emma gets up, holding her hand out, Lola grabs  
it and pulls herself on her feet, Emma smiles, they walk out  
of the restroom together

**CUT TO:**

**INT. HOSPITAL - KAT'S ROOM - NIGHT**

Kat wakes up, vision is a bit blurry, she looks as a figure  
in black appears next to her bed. her vision clears and she  
looks at THE KILLER

KAT

What the---

suddenly it covers her mouth and stabs her in the throat, she  
starts to gurgle on her own blood before it rips the knife  
out, she falls out of her bed and Ghostface stands over her  
body before planting his knife in her back several times

**SMASH TO:**

**INT. APARTMENT COMPLEX - LIAM'S ROOM - LATER**

we get a good look at Liam's room, he has little action  
figures sitting on his dresser, his laptop on his desk along  
with a lamp, posters on the wall, consisting of Ted, Three  
Days Grace, and a Family Guy poster

Lola is sitting on Liam's bed, he comes in, he closes the  
door and looks at her

LOLA

are you sure I can just take your  
bed?

LIAM

Yeah, I'm fine with sleeping on the floor and let's be honest, you probably don't want to go in your crime scene of an apartment....

Lola laughs half heartedly, Liam sits in a chair across from her, she looks at him

LOLA

I really appreciate what you do for me....

LIAM

it's not a problem Lola, really...

Lola nods, she looks at Liam

LOLA

I'll be honest, I know I'm a mess..... I thought that if I just forgot about what happened it would just go away but.... I realized that in order for things to move on...I have to keep my friends close to me..

Lola grabs Liam's hand, they look at each other

LOLA (CONT'D)

I don't want to push you away, Liam...

LIAM

I know...

Lola leans in and kisses Liam softly, they look at each other

LIAM (CONT'D)

I love you, Lola...

Lola smiles, she pulls him in and they hug as it cuts to Nate and Ricky on the couch, watching TV, Ricky is holding a beer

NATE

so.. you also went through that massacre a couple years ago, right?

Ricky takes a swig of his beer, he looks at Nate

RICKY

yep

NATE  
how'd you find out who the killers  
were?

RICKY  
I walked into a barn and saw them  
holding Owen, Olivia, Lola, and  
Louis hostage, I was also stabbed  
in the back both literally and  
figuratively...

NATE  
how come?

RICKY  
my boss...the sheriff...was in on  
the murders, helped that prick  
Jonathan bust out of jail...and  
some dude just stabbed me in the  
back...I let my guard down...which,  
I can promise this, it won't happen  
again

Nate nods his head as they continue watching TV

**CUT TO:**

**INT. APARTMENT COMPLEX - LIAM'S ROOM - MORNING**

Liam wakes up, as does Lola, they smile at each other before  
Nate knocks on the door

NATE  
Liam, Lola, you guys might want to  
come out here...

Liam and Lola get up, they come out to the living room to see  
the news of Kat's death on the TV

NEWS REPORTER  
Another murder arises as 21 year  
old Kat Williams was found with  
several stab wounds in her back,  
Kat was in the hospital due to an  
attack at her apartment complex  
along with survivors Lola Atlas and  
Liam Calowitz----

Lola sees her phone ringing, it reads "Unknown Number", she  
sighs and looks at Liam

LOLA  
I gotta take this, I'll be back...

Lola walks out of the room, she answers it

LOLA (CONT'D)  
what the fuck do you want?

MAN'S VOICE  
my, my, Lola, is that the way to  
greet me?

LOLA  
what do you want from me? fame?  
revenge?

MAN'S VOICE  
try.....publicity

LOLA  
oh.....of course you're one of  
those psychos....

MAN'S VOICE  
you should be thanking me, Lola,  
had I not kill Stephen and Tom, you  
would've been dead by now.....

LOLA  
Yeah...whatever, just cut to the  
fucking chase, we both know how  
these movies end.....

MAN'S VOICE  
oh, but that's where you're  
wrong... I'm changing the  
ending.....

Lola looks confused

LOLA  
what're you talking about?

MAN'S VOICE  
you'll see soon enough, Lola, it's  
only a matter of time...but, for  
now, sit back and watch the  
bloodshed....

he hangs up, Lola goes back out to the others, Liam looks at  
her

LIAM  
what's wrong?

Lola looks at Liam, she sighs

LOLA  
we gotta go to Nick...

**CUT TO:**

**INT. EMMA'S CAR - MOMENTS LATER**

Emma is driving down the street, she stops at a stop sign when her phone rings, she answers

EMMA  
this is Detective Duval...

MAN'S VOICE  
hello, Emma

Emma looks at her phone, realizing it's an unknown number, she recognizes the voice, it's the one that terrorized her all those years ago

EMMA  
who is this?

MAN'S VOICE  
a ghost from your past.....

EMMA  
last I checked, my ghosts are six feet under.... what do you want?

MAN'S VOICE  
I want to play a game, Emma

EMMA  
what kind of game?

MAN'S VOICE  
one that will end with another life taken...

Emma uses her phone to track the call, she looks at the location and realizes, her face darkens

EMMA  
if you hurt him, I swear I'll....

MAN'S VOICE  
you'll what, Emma? kill me and save him? you couldn't kill Kieran and you sure as hell couldn't save Will...

Emma hangs up, she turns her car around and speeds off as it

**CUT TO:**

**INT. NOAH'S HOUSE - LIVING ROOM - MOMENTS LATER**

Noah is sitting on his couch, eating cereal when he hears a knock on the door, he sets his bowl down and gets up, looking towards the door

NOAH  
who is it?...

no answer, he sees a notification on his phone, it's the RING app, he opens it to find the GHOSTFACE mask on his feed, he goes to his drawer and pulls out his gun, loading it, he points it towards the door, standing his ground

NOAH (CONT'D)  
whoever you are, just know I'm  
armed...

Noah hears his doorknob jiggle and opens fire, he slowly approaches it and opens the door, revealing EMMA, on the ground, holding her shoulder, she looks at the wound only to see that her vest caught the bullet, Noah looks at the Ring doorbell to see the mask, he runs to Emma

**EXT. NOAH'S HOUSE - FRONT PORCH**

NOAH  
Em, I'm so so sorry

EMMA (GRITTING HER TEETH)  
Noah...killer...is...here

NOAH  
Where?

Emma sees The Killer behind him, holding a crowbar, her eyes widen

EMMA  
Noah, watch out!!!

Noah turns to get hit with the crowbar, getting knocked out, Emma tries to point her gun but The Killer stomps on her hand, she looks into the black eyes

EMMA (CONT'D)  
I'm not afraid of you...

Ghostface tilts his head and whacks her with the crowbar, smashing to black

**OPEN ON:**

**INT. NICK'S APARTMENT - LIVING ROOM - AFTERNOON**

Lola, Liam, Nate, and Ricky are sitting on the couch, Nick sits in the chair across from them, he sighs

NICK  
so, you got a call from the killer?

LOLA  
yeah, and he was saying something about changing the ending...any ideas?

NICK  
no clue, it just sounds like the same cryptic shit these guys always seem to do

NATE  
maybe he thinks he'll win?

LIAM  
that isn't going to happen, we're going to stop this fucker before he kills anyone else

LOLA  
how are we supposed to do that when we don't even know what he's planning?

RICKY  
she has a point

suddenly, everyone except Nick gets a message on their phones

NICK  
what is it?

LOLA  
a link to a livestream...

Lola clicks on the livestream, a shocked look begins to form on her face

LOLA (CONT'D)  
oh my god...

NICK  
what is it?

Lola shows her phone to Nick, his eyes widen  
it's Emma and Noah, sitting back to back, tied down in chairs

**INT. WAREHOUSE - SAME TIME**

Emma stirs awake, she looks around the empty warehouse, she sees that her hands are tied to the arms of the chair, she breathes heavily

EMMA  
Noah?...Noah, wake up...

Noah wakes up, blood is on the side of his head, he looks around

NOAH  
Emma? wha-what's going on?

EMMA  
I don't know, we gotta get out of here before--

suddenly, a door is slid open, it's The Killer, they're holding what looks to be a device and helmet, they walk over to Noah, looking at him, Noah looks angry but terrified

NOAH  
what do you want with us, you fucking psycho...

The Killer puts the device down, they put the helmet on Noah's head and strap it on, The Killer kneels down and presses the on button, the helmet shocks Noah, he screams before The Killer turns it off, Noah breathes heavily

EMMA  
Leave Him Alone!

The Killer stands up, they walk towards Emma, tilting their head, they lift their hand and presses an invisible button below their mask, a red light glows from the mouth part, they pull out a phone and dial a number as it

**CUT TO:**

**INT. NICK'S APARTMENT - LIVING ROOM - CONTINUOUS**

the group is watching it all on their phones when Lola's phone starts to ring, she sighs as she reads the caller ID; "Detective Duval"

LOLA  
he's calling me...

NICK  
answer it..

Lola sighs as she slides the green button across the screen, she puts it on speaker

LOLA  
What?

THE VOICE  
welcome to my show, Lola, are you  
enjoying with what you're seeing?

LOLA  
fuck you...

THE VOICE  
ooh, someone's angry...

LIAM  
what do you want?

THE VOICE  
it's fairly simple, Liam, I want  
you to play my game, it's really  
simple

NICK  
what makes you think we're going to  
play?

THE VOICE  
watch and find out...

they look at their phone screens and sees The Killer turning the machine back on, shocking Noah, he screams bloody murder, Lola looks at her phone

LOLA  
ALRIGHT, we'll play, just turn it  
off...

The Killer turns it off, it looks at the camera, holding the phone to their head

THE VOICE

here's what's going to happen, you  
have an hour to find them, no cops,  
no shenanigans, if you don't find  
them in time...well, I think you  
already know...

The Voice hangs up, Lola looks around the room, she glances  
at Nate

LOLA

you can locate the stream, right?

Nate looks at her, he scratches his head

NATE

I could, but I don't have my  
computer...

NICK

will the one in my office work?

Nate looks at him, mildly excited, he nods

NATE

yeah... it's going to take some  
time though...

Nate gets up as Nick guides him to his office, Lola gets up

LIAM

what're you doing?

LOLA (TO LIAM)

calling my dad...

**EXT. NICK'S APARTMENT - STAIRWELL - CONTINUOUS**

Lola walks out of the apartment, she goes down and sits on  
the stairs, she dials Owen's number and puts the phone to her  
ear as it rings

OWEN (O.S)

Lola, thank god, I've been trying  
to call you for---

LOLA

I know, I know, and I'm sorry...a  
lot of stuff has been happening...

OWEN (O.S)

I know, are you alright?

Lola looks around, tears fill her eyes, her breath shakes

LOLA  
no dad, I'm not... nothing about  
this is alright...my roommate is  
dead, I can't trust anyone that  
isn't Liam, Nick and Ricky...and,  
I'm just...so fucking scared right  
now

Lola cries, she rubs her eyes with the sleeve of her  
sweatshirt

OWEN (O.S)  
Lola... I'm coming up there...

Lola shakes her head "no"

LOLA  
dad, I don't want you up here,  
you'll just get hurt...

OWEN (O.S)  
it's better for me to get hurt than  
to just sit here and let my  
daughter get hurt... I'll be on the  
next plane tonight...

Lola nods her head, she holds her head

OWEN, (O.S)  
please promise me that you'll stay  
put until I get there?...

Lola shakes her head in a "no" motion

LOLA  
of course...

Owen sighs in relief

OWEN (O.S)  
okay, I'll hopefully see you  
tomorrow...love you

LOLA  
love you too...

They hang up, Lola looks around, she breathes in deeply  
before Liam comes out, looking over the banister

LIAM  
Hey...

Lola looks at him

LIAM (CONT'D)  
Nate found it

Lola smiles a little as she gets up

**INT. NICK'S APARTMENT - NICK'S OFFICE - MOMENTS LATER**

Liam and Lola come into the room, where Ricky and Nick are standing next to Nate, who's sitting at the computer, typing away before he hits enter

NATE  
okay, it looks like the place where the livestream is happening is an old abandoned warehouse, which by the way, what kind of killer just doesn't encrypt a livestream?

RICKY  
Nate, focus...

Nate nods

NATE  
sorry...anyway, it's only a 30 minute drive from here

NICK  
why the hell would he take those detectives to an abandoned warehouse...

LOLA  
he wants us in one place... looks like we're in the final act

RICKY  
well, we got exactly (checking his watch) 45 minutes so we better get over there...

they all leave the room, Nick stops for a minute

NICK  
do I even have to come? I'm not even a part of it...

ALL OF THEM  
YES!!

Nick nods

NICK  
alright, alright...

He leaves the room as it

**CUT TO:**

**EXT. ABANDONED WAREHOUSE - PARKING LOT - EVENING**

Ricky and Nick's cars pull into the parking lot of the abandoned warehouse, Ricky opens the glove box and pulls out his gun, he gets out of the car, Liam glances at him

LIAM  
you seriously brought your gun?

Ricky looks at him

RICKY  
I always bring it with me, for  
protection...

Liam nods, they gather at the entrance, Lola checks the feed, seeing that Emma and Noah are still alive, she sighs

LOLA (TO RICKY)  
alright, me, Liam and Nick will  
search the left while you and Nate  
search the right...

NATE  
are you sure it's a good idea to  
split up? that doesn't usually go  
well in the movies....

RICKY  
let's be lucky that this isn't a  
movie then...

Ricky loads the gun and cocks it, they enter the

**INT. ABANDONED WAREHOUSE - FRONT ENTRANCE - ESTABLISHING**

it's a big warehouse with hallways on each side of the building, the group turns on their flashlights on their phones as they split off and looks around, the camera follows Lola, Liam and Nick

**INT. ABANDONED WAREHOUSE - HALL A - CONTINUOUS**

Liam looks at Lola, he scratches his head

LIAM  
So...how did the things go with  
your dad?

Lola shrugs

LOLA  
he's just worried about me... I  
mean, who wouldn't at this point

NICK  
Your dad was exactly like you  
during the second spree...

Lola and Liam look at Nick

LOLA  
he was?

NICK  
yeah... Michelle and Jackson fucked  
with his head...killed his friends  
in front of him, taunted him on the  
phone...only reason he didn't snap  
was because of your mom...they  
stuck together despite being broken  
up...

LOLA  
what's your point, Nick?

Nick turns around, looking at the both of them

NICK  
you guys have that, no matter what  
happens, you two will have each  
other...

LIAM  
but, we're not---

NICK  
don't give me that, I seen the way  
you two looked at each other at the  
apartment...

Liam and Lola look at each other, Nick smiles

NICK (CONT'D)  
now, do you two like each other?

they both nod, Nick nods

NICK (CONT'D)  
then you can get through anything  
together... now, let's go find the  
detective...

They continue walking as it cuts to

**INT. ABANDONED WAREHOUSE - HALL B - CONTINUOUS**

Ricky holds his phone in one hand and his gun in the other,  
Nate looks around

NATE  
how long is this hallway?

Ricky laughs a little

RICKY  
glad someone said it, you'd think a  
warehouse like this would be one  
big area

NATE  
I think this used to be a school  
before they just turned it into a  
warehouse...

Ricky raises his eyebrow, he turns around, looking at Nate

NATE (CONT'D)  
what?

RICKY  
it just hit me...you mentioned  
earlier about the killer not  
encrypting the livestream...

NATE  
yeah... what's your point?

RICKY  
that's not how encryption works...

Nate looks confused, he backs up

NATE  
I know what you're thinking, but  
I'm not--

RICKY  
one of the killers? yeah, no, I  
just don't believe that...

NATE  
come on man, I was literally at  
work when y'all were attacked in  
Lola's apartment...

Ricky looks at him, he nods

RICKY  
that's funny... because, I called  
the pizza place before the  
attack...they said there wasn't a  
Nate working there...

Nate widens his eyes, Ricky nods his head

RICKY (CONT'D)  
why? why go after Liam and Lola?...

NATE  
Ricky, I promise you, I'm not---

Nate looks past Ricky, he sees The Killer, his eyes widen

NATE (CONT'D)  
oh my god...

Ricky turns around, he points the gun at The Killer

RICKY  
put your hands in the---

Suddenly, Nate SLAMS Ricky's head into the wall several  
times, he falls to the ground, Nate stands over him as The  
Killer looks at him

NATE  
we need to hurry, I think they're  
about to find the detective....

**INT. ABANDONED WAREHOUSE - HALL A - CONTINUOUS**

Liam, Lola, and Nick come up to a sliding door, Liam opens it  
to reveal Emma and Noah, they look relieved until Nick walks  
up to Noah, who's throat is slit, Lola kneels down to Emma,  
who's unconscious

LOLA  
Detective Duval?

Lola shakes her until she springs awake, she looks at Lola

EMMA

Lola? what're you doing here?

LOLA

the killer was livestreaming you  
guys...

EMMA

Lola, we gotta get out of  
here...they took my vest...is Noah  
okay?

Lola looks over, she shakes her head "no", Emma keeps her  
composure and nods as Lola unties her before they hear  
screaming, she looks at Liam and Nick

LOLA

that sounded like Nate

Liam widens his eyes

LIAM

Ricky....

Liam and Nick run out as Lola helps Emma

# **INT. ABANDONED WAREHOUSE - HALLWAY B - MOMENTS LATER**

Liam and Nick run until they see a horrific sight

Nate, stabbed in the shoulder, backing up as The Killer has  
Ricky on his knees, holding his hair, Nick helps Nate up as  
Liam looks at the killer

LIAM

let him go, fucker...

The Killer tilts his head, they put their blood soaked knife  
up against his throat, Liam steps forward

LIAM (CONT'D)

Don't....

The Killer suddenly slits Ricky's throat and throws him down,  
Liam screams as The Killer runs away, Liam kneels down  
towards Ricky, holding his throat, Lola and Emma catch up,  
Lola is shocked

LIAM (CRYING) (CONT'D)

Ricky, no, no, no....

Ricky looks at Liam, choking on his blood

RICKY (STRUGGLING)  
killer...killer...is...

Ricky tilts his head to the side, dead, Liam cries, Lola runs up and hugs him as it

**CUT TO:**

**EXT. ABANDONED WAREHOUSE - PARKING LOT - MORNING**

Liam and Lola are sitting on Ricky's car, Liam's hands are soaked with blood, Nate is on the ambulance, getting worked on, Nick is getting his statement taken by a deputy, Mark and Luke walk up, looking at Liam and Lola, Liam gets up

MARK  
what the hell happen---

suddenly, Liam punches Mark and slams Luke up against a car, he's PISSED

LIAM  
where THE FUCK were you?

LUKE  
What? in my dorm...

LIAM  
bullshit, you said you were with  
your folks...

Mark tries to intervene, putting his hand in front of Liam

MARK  
Liam, you need to calm down...

LIAM  
don't fucking tell me to calm down,  
Mark, MY BROTHER IS DEAD, WHERE THE  
FUCK WERE YOU TWO???

Lola steps up, she looks at Liam

LOLA  
Liam, please...

Liam pushes Lola's hand away, he starts to walk away

MAN (O.S)  
Liam...

Liam turns around, as does Lola, she looks surprised

**OWEN ATLAS (mid 30s)**, in the flesh, clean shaven, wearing a brown leather jacket and blue shirt, with black pants, his hair is slicked back, Liam is taken aback as Owen walks up to him, Nate sees him and his eyes widen

LIAM  
Mr. Atlas?...

Owen brings Liam in for a hug, Liam embraces it, they break off

OWEN  
I am so sorry about Ricky...

Liam nods, he wipes his eyes, Lola walks up to Owen

LOLA  
you said you were going to be here  
tomorrow...

OWEN (TO LOLA)  
I hopped on an early flight...

LOLA  
is mom...

OWEN  
she's with Louis, they're safe...

Emma, with her head wrapped, walks up to Owen, they meet face to face

EMMA  
Mr. Atlas...

Owen looks at her, he smiles

OWEN  
Mr. Atlas was my father, call me  
Owen...

EMMA  
my name is Emma Duval, you have a  
lot to catch up on...

Owen nods as we go to

**INT. LIAM'S APARTMENT - LIVING ROOM - AFTERNOON**

Owen is sitting on the couch next to Liam and Lola. Nick, Nate, Luke, and Mark are sitting in dining room chairs, Emma is in front of the room, it seems like they're all caught up, Owen sighs

OWEN

Okay...so, this guy is wearing another mask that was apart of another massacre that happened 8 years before mine?

EMMA

I know it's confusing but...yeah

Owen nods his head, he thinks

OWEN

Okay... so, what is this guy's deal? is he just recreating another movie?

EMMA

we don't know, Noah was pretty much our movie expert...

Nick scoffs

NICK

always gotta have one in these things...

Luke stands up, slightly raising his hand

LUKE

detective, if I may, I might have a theory as to why this is happening...

Emma looks at Luke, she sighs

EMMA

okay, shoot...we can take anything...

Luke nods, he gets up and goes in front of the room

LUKE

okay, this is going to be long winded but stay with me... I have a reason to believe that this guy is trying to make his own movie...

The group looks confused, Nate scratches his head, Luke nods

LUKE (CONT'D)

I know how it sounds but hear me out...The first victim was Bart, a guy that was making videos on Mr Atlas and his whole ordeal with Ghostface and whatnot

Owen groans

OWEN

yeah, I remember that guy, wouldn't stop calling me...

LUKE

right, and then it was my brother Stephen and his roommate Tom, who were working together to kill us but when I went to the station to get interviewed, I passed a room that was looking at bodycam footage....

EMMA

they were looking at an officer's bodycams?

LUKE

it wasn't an officer's...it was MY brother's bodycam, he filmed Bart's death and was probably going to post it online...

LIAM

you bring a good point but...what about the other's?

LUKE

Tiffany was killed in the alleyway, right?...

LOLA

that alleyway is in front of a street camera...

LUKE

exactly, which proves my point, we're in the midst of a goddamn STAB movie...

the group looks shocked, except for Owen, Liam, and Lola, Owen looks at Luke

OWEN

So...if we are in a STAB movie,  
this would be the fourth one  
right?...which means all bets are  
off and anyone can die...do I got  
that right?

Luke nods

LUKE

pretty much...

Owen nods as Lola's phone goes off, she picks it up, seeing  
it's an unknown number, she sighs

LOLA

it's him...

Owen holds his hand out and Lola gives him the phone, he  
answers it, putting it on speaker

OWEN

What?

MAN'S VOICE

Hello, Owen...

Owen looks confused, he looks around

OWEN

the voice...is different...

EMMA

it's the one he used to screw with  
me...

Owen nods, he sighs

OWEN

look, I don't care what kind of BS  
you have prepared, I'd rather if we  
cut to the chase and you tell us  
where you are...

MAN'S VOICE

oh, come on, Owen, you know it  
better than anyone that it doesn't  
work that way...

OWEN

look buddy, you can do your cryptic  
shit but just know this...when I  
find you...and trust me, I will  
find you... I'm going to put a  
bullet in between your eyes...

The voice laughs

MAN'S VOICE

alright, you win... I'm at a  
construction site...come and find  
me... I'll be waiting...

The caller hangs up, Owen nods, he looks at the others,  
standing up as he hands Lola her phone

OWEN

alright, we got a place...all we  
gotta do is figure out how to  
corner this guy

EMMA

well, there's eight of us and one  
of him, so I say we block each exit  
and make sure he doesn't get out

NATE

I could go with Mark...

Emma looks at Nate, she nods

EMMA

that'll work, Liam and Lola, you'll  
go together, Owen and I will go  
together...

LUKE

what about me?

Emma looks at Luke, she thinks

EMMA

you stay put on the outside with  
Nick and make sure no one else  
comes in, we don't know who else  
he's working with...

Luke nods, Nate looks at Lola but snaps out of it as Emma  
looks around

EMMA

alright.... let's do this...

They all leave the apartment, Nate stays behind, he goes into the kitchen and grabs a kitchen knife from the rack, he puts it in his back pocket and exits as it

**CUT TO:**

**EXT. ABANDONED CONSTRUCTION SITE - EVENING - ESTABLISHING**

the sun is setting, Owen and Emma park their respective cars, they all get out, looking at each other

NICK  
this the place?

Owen looks around

OWEN  
abandoned construction site, no one  
else around...yep, this is it...

Owen pulls out his gun, he looks at the others

OWEN (CONT'D)  
if anyone sees anything, don't be  
afraid to yell out...alright?

everyone except Emma nods, Owen looks at Emma

OWEN (CONT'D)  
detective...

Emma nods

EMMA  
Lola and Liam, there's an entrance  
on the right side, go to that one,  
Luke and Nick will look after this  
one...Nate and Mark, there's a back  
entrance, me and Owen will go  
inside and scope it out...

They all nod, they begin to walk towards their assigned areas  
as Nick and Luke stay at the cars

**CUT TO:**

**EXT. ABANDONED CONSTRUCTION SITE - RIGHT ENTRANCE - MOMENTS LATER**

Liam and Lola sit on separate sides of the entrance, she looks at him

LOLA  
how're you holding up?

Liam looks at her, he shrugs

LIAM  
I'm still here...

Lola nods

LOLA  
you know... I've been thinking...

Liam looks at her, intrigued, a small smile grows on his face

LIAM  
what?..

LOLA  
when this is over...and once we get  
a shit ton of therapy... would you  
maybe want to...go on a date?...

Liam looks at her, he smiles as he nods

LIAM  
that...that would be nice...

Lola smiles, she nods her head as we go to the

**INT. ABANDONED CONSTRUCTION SITE - SECOND FLOOR - CONTINUOUS**

second floor of the abandoned site, it's almost empty, there's a slim metal pipe sticking out of the floor, Emma and Owen look around with their phones as flashlights, he looks at her

OWEN  
so...I know it's a bad time to say  
this but...you were a huge  
inspiration to me in middle  
school...

Emma looks at him, confused

EMMA  
what?

Owen looks at her, he stops walking

OWEN

I read about what happened in Lakewood...it was fucked...but, I read a lot of articles about how you managed to power through it and... I guess I idolized that... especially after what happened in 2023...

Emma smiles a little, she looks at him

EMMA

funny... because when I was first starting out in the FBI, it was around when those murders started happening... I saw an article with you and...

Emma thinks, Owen realizes

OWEN

Olivia...

Emma nods

EMMA

yeah, and it was about how you two overcame those guys and...gotta admit, you handled it a lot better than me...

Owen smiles a little

OWEN

I couldn't have done it without Olivia...which is ironic because here I am stopping a psycho without her...

Emma laughs a little, she smiles before they both hear a noise, they look towards it

OWEN (CONT'D)

you heard that too?

EMMA

yep... let's check it out...

Emma and Owen walk towards it as we go to

**EXT. ABANDONED CONSTRUCTION SITE - BACK ENTRANCE - MOMENTS  
LATER**

Mark and Nate are standing on each side of the back entrance,  
Mark looks at Nate

MARK  
So... here's something I'm not  
understanding...

NATE  
about?

MARK  
what happened to you and Ricky...

Nate sighs

NATE  
simple, killer attacked us, stabbed  
me in the shoulder and killed  
Ricky...

MARK  
yeah, I get that but... why would  
the killer stab you in the  
shoulder...

NATE  
why does it matter, Mark? are you  
also accusing me of being the  
killer?

Nate gets closer to Mark, looking at him

MARK  
no... I'm just saying... it's  
unlikely that the killer would  
intentionally stab you in the  
shoulder... especially since---

Mark realizes, he looks at Nate, Nate looks at him

NATE (MENACING  
what's wrong, Mark?

MARK  
you're... you're the---

Suddenly, Mark is STABBED in the gut by Nate, his demeanor is  
more sinister, he smiles

NATE (MENACING)  
killer? yeah, I know...took you  
long enough, you fucking  
meathead...

Nate slides the knife up, blood and entrails fall out, Mark falls to the ground as Nate looks at him, he pulls out his phone

**EXT. ABANDONED CONSTRUCTION SITE - FRONT ENTRANCE -  
CONTINUOUS**

Nick is resting up against the car, he glances over at Luke, who's texting on his phone, he looks at the message

"I killed Mark, kill Nick and let's go"

Luke looks at Nick, he gets off of the car

NICK  
Luke... let's talk about this...

Suddenly, Luke punches Nick, he slams him up against the car and slams his head on the side of the vehicle several times, Nick's head starts bleeding, he lays on the ground as Luke walks away

**INT. ABANDONED CONSTRUCTION SITE - THIRD FLOOR - CONTINUOUS**

Emma and Owen look around, they see THE KILLER pop out of the shadows, a red glow is seen on the mouth, they raise their guns

EMMA  
enough games...

THE VOICE  
but, Detective...we were just about  
to start...

The Killer raises a phone next to their mouth

THE VOICE & MAN'S VOICE (CONT'D)  
and besides... I'm not the only one  
wearing a mask...

Owen looks confused

OWEN  
what the hell are you talking  
about...

The Killer throws away the phone, they take off the hood, they pull off the mask to reveal NOAH, alive and well, wearing a sadistic smile, Emma is shocked, her mouth agape

EMMA

Noah?...

Owen looks confused, glancing at Emma

OWEN

this the movie guy?...

Noah looks at Owen

NOAH

correction... I'm the goddamn  
mastermind...

Owen looks at Noah, he points his gun at him

OWEN

news reports said you were dead...

NOAH

Yeah, I know, it's amazing what a  
little prosthetic and fake blood  
can do...

EMMA

What about the electrocution thing  
on your head?

NOAH

Sound effect, all I had to do was  
scream my lungs out...

Emma backs up, Noah smiles, pacing back and forth

NOAH (CONT'D)

now, let me explain exactly why  
this is all happening...but first,  
you need to lose the guns...

Emma looks distraught, Owen continues pointing his gun at him

OWEN

we're not doing that...

LUKE (O.S)

you might want to...

Owen and Emma turn around, they see Nate, holding a knife to Liam's throat and Luke, holding Lola at gunpoint, Owen widens his eyes

OWEN  
you two?... seriously?...

LUKE  
me and my brother must think  
alike...now, drop the fucking guns  
or I blow her brains out...

Emma drops her gun, as does Owen, Nate and Luke throw Lola and Liam towards Owen and Emma, they walk towards Noah and stand beside him, Liam looks at them

LIAM  
why...why the fuck would you do  
this?

Noah looks at Nate, he smiles

NOAH  
wanna take it from here?

Nate smiles

NATE  
gladly...you see Liam, we want to  
finish what Jonathan Richards  
started, but, since the Ghostface  
costume is outlawed, and  
admittedly, outdated, we decided  
that we needed something  
different...which is how we came  
into contact with Detective  
Foster...

Noah looks at the survivors, still holding a smile

NOAH  
you have no idea how long I've been  
holding onto this thing...hell, I  
was going to throw it out until I  
got an email one day from these two  
asking if they wanted me to join  
the fun...and I said yes...

Emma realizes

EMMA  
you killed Kieran?...

Noah nods

NOAH  
damn right I did...and I was going  
to kill the rest of our "friends"  
before Owen here drove all the  
publicity towards HIM...

Owen looks at him, confused

OWEN  
The fuck are you talking about?

NOAH  
When that whole thing with Brad  
Moore happened, it drove all of the  
publicity away from Lakewood, so it  
wouldn't of mattered if I did  
commit another killing spree...it  
was all focused on the next small  
town dump...for 25 FUCKING YEARS...

OWEN  
So you go after my daughter?...to  
get back in a spotlight you were  
never in?...

NOAH  
You say that now, but wait until  
the fucking headlines; Noah Foster,  
one of the three survivors of the  
Seattle massacre...ooh, I can see  
it now...

Owen looks at him

OWEN  
You're fucking crazy...

LOLA  
what about Stephen and Tom? what  
about Bart?

LUKE (TO LOLA)  
I caught wind of Stephen and Tom  
planning to kill Bart, I convinced  
Stephen to let me in on the plan  
and he told me the whole  
thing...which involved killing you  
and Liam...and I couldn't let that  
happen...so they both had to die...

OWEN  
what about the bodycam footage? the  
livestream?

NOAH (TO OWEN)  
we're going to use it as a way to  
make this spree mainstream...  
everyone will see the amount of  
bodies we dropped and who  
knows...maybe it'll convince people  
to actually commit some  
themselves...

Emma looks disgusted, Liam steps up

LIAM  
what about my brother?

Nate steps up, looking Liam in the eyes

NATE  
your brother got too close, he  
figured me out and so... Luke and I  
had to kill him...

Nate smiles sadistically, Liam is livid as Nate backs up

LIAM  
you're dead... both of you fuckers  
are dead...

NOAH (TO LIAM)  
appreciate the enthusiasm, but...

Suddenly, Noah pulls out a gun, pointing it at Liam

NOAH (CONT'D)  
you're not going to see the end of  
this movie...

Noah cocks the gun, Emma thinks

EMMA  
NO!

Emma gets in front of Liam as Noah pulls the trigger,  
shooting her in the abdomen, she falls to the ground, Owen  
rushes to her aid

OWEN  
Emma...
