What happened to all the people

MIKE
Military evacuated this place, they
saw that the rest of the city was
overran and tried to get everyone
out of here...saying how they'll be
taken to a safe area...

MARTIN
safe area?

MIKE
it was bullshit...that "safe place"
turned out to be an execution spot,
they killed them...

LEO
how are you still here?

MIKE
I didn't answer my door...it helps
that I don't own a car and had that
for sale sign up for months...

MARTIN
so I reckon you don't have a
battery...

Mike looks at him, confused

MIKE
no, why?

Leo looks at him

LEO
we're trying to get to Texas...

MIKE

"sanctuary"

Leo nods, Mike laughs

MIKE (CONT'D)
kid, there's no sanctuary...and if
there was, I'd know about it

there somewhere and I have to find
them...

keep in contact with you...

MIKE
Leo, you're seriously considering
going to that "sanctuary"

LEO

us here...I'm doing what's best for
Cam now...

MARTIN
Leo, Mike's right...outside of
town, we have no clue what's out
there...

LEO

it... our house isn't going to last

MIKE
