We see **CARTER JAMES**, (16), in bed, sleeping before a pillow is thrown at him, he jumps up to see his brother.

**JASON JAMES**, (16), wearing his normal school clothes; a blue collared shirt with black pants, Carter rubs his eyes

CARTER  
The hell was that for, man?

JASON  
I've been waiting for an hour,  
we're gonna be late...

Carter looks at the time; 6:40 AM, he jumps up

CARTER  
Shit...

Jason nods before walking out as it

**CUT TO:**

VIVIAN  
You're late...

Carter nods

CARTER  
I know...alarm clock didn't go off  
this morning...

Vivian nods

VIVIAN  
In other words, Jason tried waking  
you up and you didn't until he  
threw a pillow at you...

Carter looks at her, he smiles as he closes his locker

CARTER  
So why aren't you in class?

Vivian shrugs, she sighs

VIVIAN  
Mr. Bradley called out sick, there  
was a sub so I thought that...why  
not instead of going to class, I  
spend first period with my  
boyfriend...

Carter laughs a little, as does Vivian before they kiss, they  
walk away together before it

Where were you this morning?

Jason sighs

JASON  
Carter wouldn't wake up...took a  
damn pillow to his head to wake  
him...

MATT  
Why?

JASON

He was with Vivian again last night...just like every other night...and I covered for him...

MATT

You could've just taken a bus...

JASON

I was tempted...but riding with Carter is faster AND cheaper...just wish he wasn't so hard headed...

MATT

Don't you have a license?

JASON

I'm still studying for the test...but trust me, as soon as I pass, I'm getting a car the first chance I get...

Matt nods, Jason continues writing in his notebook as it

TERRY

What's up guys?

VIVIAN

Hey Terry...

BARB

So, did you hear about the party?

Carter looks at her, confused

CARTER

What party?

TERRY

It's something that we're throwing at the abandoned construction site...

VIVIAN

Okay...why?

TERRY

It's just a little something to  
celebrate the last day of  
school...nothing big...

CARTER

How come I haven't heard anything  
about it?

BARB

One, your dad is the sheriff and  
two, we all know exactly you'd tell  
about it..

Carter looks at Barb, he sighs

CARTER

Okay, I get my dad, but you  
seriously didn't tell me because of  
Jason...

TERRY

Carter, no offense, but your  
brother doesn't exactly like  
anything fun...

CARTER

That isn't true...

VIVIAN

I don't want to say this but he has  
a point, Carter... remember when we  
went roller skating...

Carter looks at her, he sighs

CARTER

True...but I can prove that he can  
be fun...

TERRY

Okay...I bet you a hundred bucks  
that you can't get him to agree to  
come with you to the party  
tonight...

Carter nods

CARTER

Done...

Carter sees Jason and Matt sitting a few tables from them, he gets up

CARTER (CONT'D)  
Get that money ready...

Carter walks over to Jason and Matt, he sits across from them, flashing a smile

CARTER (CONT'D)  
Hey bro...

Jason looks at him, confused

JASON  
Hey...what's up?

CARTER  
I need a favor...

Jason nods

JASON  
Of course...

CARTER  
Would you be up for a party tonight?

Jason thinks, he scratches his head

JASON  
Uh...me and Matt were actually going to be at the house tonight...

Carter sighs

CARTER  
Come on, man...

JASON  
Sorry, Carter, I just don't like parties...they're pointless...

CARTER  
If you go, I'll do your laundry for a month...

Jason looks at him, intrigued

JASON  
Really?

Carter nods

CARTER  
I'll even fold them...

Jason nods

JASON  
Alright, you sold me, I'll go...

Carter smiles, he gets up

CARTER  
Thanks bro, you won't regret it, I  
swear...and Matt, you can come too  
if you want...

Jason nods as Carter walks back over to his table, he looks  
at Terry

CARTER (CONT'D)  
Pay up...

Terry sighs as he gives Carter \$100 as it

**CUT TO:**

CARTER  
We go to the party, have a few  
drinks and hopefully don't get  
busted by dad...

Jason checks his watch

JASON  
Did he already leave for work?

CARTER  
His car wasn't out front so i guess  
so...

Jason nods, he thinks

JASON  
Actually...I wanted to talk to you  
about last night...

Carter looks at him, confused

CARTER  
What about last night?

JASON  
You didn't come back until late and  
I can't keep covering for you...

CARTER  
If this is about being late for  
school, I'm sorry man, but if  
anything, you could've took the  
bus...

JASON  
That's not the point, Carter... I  
get that you and Viv are in a  
relationship but seeing her every  
night is just not doable...

Carter nods, he looks at his brother

CARTER  
Dad got on your ass about it last  
night...

Jason sighs

JASON  
Yeah...

Carter nods, he pats his brother on his shoulder

CARTER  
I promise...after tonight...I'll  
stop sneaking out...

Jason nods

JASON  
Thank you, Carter...

CARTER  
No problem, bro...we should get  
ready...

Carter walks to his room, Jason checks his phone and nods as  
it

MATT

So...explain to me that out of all the a abandoned places, why did they pick this place?

CARTER

It's so they don't get busted by our dad...

MATT

Ah, that explains why we're at a place that hasn't been used for 3 years...

JASON

I tried telling ya before we got here...

Matt looks at Jason, he nods, Carter checks his phone

CARTER

We should head in, Viv is waiting...

JASON (JOKINGLY)

For us or for you?...

Carter looks at him

Jason looks at them, he stands in front of them

JASON  
Alright, you lovebirds...

VIVIAN  
Oh, Jason...you jealous?...

JASON  
Jealous?...please...  
it's just tiring to see you do this  
EVERYWHERE...

Vivian laughs, as does Jason as Carter lightly pushes him out of the way, Vivian looks at Matt

VIVIAN  
Oh...you must be Matt...nice to  
meet you...

Matt nods as they shake hands

MATT  
Nice to meet you...

Vivian nods, she looks at Carter

VIVIAN  
We should go to Terry and Barb...

Carter nods as him and Vivian start to walk away, Matt looks at Jason

MATT  
Isn't Terry the asshole you keep  
complaining about?...

JASON  
Yeah...but, let's not mention that  
around them...alright?

Matt laughs a little, he nods as they go to the others

We see Terry and Barb, still wearing their school clothes,  
standing with Carter and Vivian, they see Jason

TERRY

Ah, Jason, otherwise known as the  
non popular brother...

Jason fake laughs, he sighs

JASON

Hey, Terry...already drunk?

TERRY

Nope...just slightly buzzed...who's  
this?

Terry looks at Matt, Carter looks at him

CARTER

That's Matt...go easy on him...

Terry nods, Barb looks at Matt

BARB

Nice meeting you, Matt...want a  
beer?

MATT

No thanks, I don't really drink...

Barb nods her head, Terry looks at him, confused but shakes  
it off, she hands Carter and Jason beers and they open them,  
Terry lifts his in the air, as does the rest of the group  
except Matt

TERRY

To our last summer as teens and to  
our final step to getting out of

BARB

Well, It's only us graduating next  
year, babe...

Right...but still, cheers

They all cheers and drink, Vivian grabs Carter and pulls him

CARTER

Well...Jason goes to film camp in a couple weeks, and my dad will take more shifts since it's the summer...which should mean...I'd have the house to myself...

Vivian smiles, she kisses him before they look at each other again

VIVIAN

Maybe I'll come over sometime...

CARTER

I'd like that... especially since Jason wants me to stop sneaking out...

VIVIAN

I mean...can you blame him...

Carter laughs a little

CARTER

No...

He leans in and they kiss again before it

sighs

JASON  
I've been here several times...and  
each time, I'm still blown away by  
this view...

Matt nods

MATT  
It is nice...

Jason looks at him, he sighs

JASON  
I'm also up here to get away from  
Terry...

Matt nods

MATT  
I figured...he's definitely gotten  
drunker...

JASON  
I have too, honestly...

Matt looks at him, confused

Seriously?

Jason nods

JASON  
Yeah...

Jason and Matt look on towards the city, Jason glances at  
Matt, he sighs

JASON (CONT'D)  
Hey, could I ask you something?...

MATT  
Yeah?...

JASON  
Can you help me down?

Matt looks at him, he laughs

MATT  
Sure...

Matt gets up, Jason scoots away from the edge and Matt helps him up, but he stumbles into the wall, taking Matt with him, they laugh before looking at each other

JASON  
Is it bad that I kind of want to  
kiss you?...

Matt laughs a little

MATT  
Is that you or the alcohol talking?

Jason thinks, he looks at Matt

JASON  
Por qué no los dos?

Matt laughs a little, he sighs

MATT  
Go for it...

Jason kisses Matt, they break off and look at each other, confused but they smile before hearing laughter, they both look to see Terry and Barb, who's holding her phone

TERRY  
Oh, this is priceless...

Jason stands on his own, he walks to Terry and Barb

JASON  
Terry, come on, man, delete that...

BARB  
What? You crazy? The whole school  
is going to see this...

JASON  
Guys, this isn't funny...

TERRY  
You know, Jay, I didn't take you  
for a queer...must be easier than  
talking to girls...

Jason clenches his fist, Matt walks up

MATT  
Terry, stop dude...

Jason suddenly tackles Terry into a wall, he punches him,  
Barb looks shocked

BARB  
Terry!!

MATT  
Jason, stop...

Jason doesn't listen, he goes to punch Terry again, but he  
blocks, he backs Jason up before throwing him up against the  
wall, causing a brick to fall and hit Jason in the head, he  
slides down against the wall, Terry backs up, shocked, as are  
Barb and Matt, Carter and Vivian come up, shocked, he attends  
to Jason, he looks at Terry and Barb

CARTER  
What the fuck happened?

TERRY  
I...I don't know, he was stumbling  
towards us and he fell on the wall  
and all of a sudden, a brick  
fell...

MATT  
What? No, he didn't, he--

VIVIAN  
Guys, it doesn't matter right  
now...we gotta get him to a  
hospital

Carter notices blood gushing out of Jason's head, Terry looks  
at Vivian

TERRY  
We can't...if you're dad finds out,  
we'll be doing community service

VIVIAN  
Jason...do you know what happened...

Jason looks at her, he thinks

JASON (SLURRING)  
Terry...Matt...I don't know...

VIVIAN  
What're you talking about?

Jason looks at Carter, he looks out the window before his eyes become dim, he dies, Vivian looks shocked, tears fill her eyes

VIVIAN (CONT'D)  
Carter...

CARTER  
Hang on, we're almost there...

VIVIAN

Carter looks in the back seat, he pulls over and gets out, opening Jason's side, he looks at him, confused, Vivian gets out

CARTER  
Jason...Jason, come on...

VIVIAN

Carter...

Carter shakes Jason but no life comes from him, Vivian pulls Carter away

Viv...we have to help him...

VIVIAN

He's gone, Carter...

on an arrest you made last  
night...I think it was a drug  
dealer...

Mike nods

MIKE

It was...what about it?

TOM

This guy wasn't in our  
database...like at all...and yet  
you arrested this guy that was  
smuggling drugs in his car before  
ever checking the vehicle...how'd  
you know?

Mike thinks, he looks at Tom

MIKE

I have a keen eye for guilty  
people, I guess...when I look into  
someone's eyes, I can just see  
their guilt washing over them...and  
he was hiding a bag before I even  
walked up...

Tom laughs lightly, he sighs

TOM

Okay, that's all I wanted to know,  
deputy...you're dismissed...

Terry scoffs

TERRY

Maybe you're not remembering it right...but if he didn't throw the first punch, that never would've happened...

shortcut...

Carter looks at her, he nods

CARTER  
Get in...

Vivian nods, she gets in the passenger seat, he looks at her

Weird how?

VIVIAN  
I mean...not in a bad sense but it  
just felt like a slow day...only  
reason I went because they want me  
on a float for the parade  
tomorrow...

Carter glances at her

CARTER

Why?

VIVIAN

I think it was for class president,  
but I'm not really sure...

Carter nods, Vivian glances at the back seat, she looks at

You alright, Carter?

they've seen a ghost or  
something...

Vivian looks at him, he glances at her

CARTER (CONT'D)

Sorry...

VIVIAN

No, No, it's fine...I wish I can  
say that I know how you feel  
but...I don't...

Carter nods as he pulls into her driveway, he parks and looks  
at her, she looks at him, flashes a small smile

VIVIAN (CONT'D)

I appreciate the ride...

Carter nods

CARTER

No problem, Viv...

Vivian nods, she grabs her bag from the back, she looks at  
Carter

VIVIAN

I don't know if it'll help...but I  
never saw you as a ghost...I saw  
you as Carter...

Carter looks at her, he nods as Vivian gets out, Carter thinks, he rolls down his window

CARTER  
Hey Viv?...

Vivian turns around, she looks at him

VIVIAN  
Yeah?

CARTER  
Do you...do you mind coming over  
later?...

Vivian looks at him, he sighs

CARTER (CONT'D)  
My dad is working late tonight  
and...I really don't feel  
comfortable being at the house  
alone tonight...

Vivian thinks, she nods

VIVIAN  
Yeah...I'll be over...

Carter nods, he pulls out of the driveway as Vivian looks on, she smiles a little before it

MATT  
Hello? Mom?

No answer, he goes back into his room and rips the note, he tosses it into his trash and sits down, he opens his laptop as he cracks open his soda, he looks on his laptop, not noticing The Fisherman coming out of the closet behind him, Matt hears the floorboard creak and he turns around, seeing the fisherman, shocked before getting an ice hook THROUGH HIS JAW

CUE: **"THE FISHERMAN KILLS"** (THE COLLISON)" BY JOHN DEBNEY

The Fisherman grabs Matt and SLAMS his head onto the desk several times, they turn Matt around, his jaw now broken, he grabs the hook and YANKS it out, blood splatters onto the laptop as it

He wipes his eyes as Tom walks up to the room, Carter looks at him

CARTER

Hey, I thought you were gone...

TOM

I was...I just wanted to stop by and talk to you...

Carter nods, he puts the picture down and gets up

CARTER

What's up?...

TOM

I just wanted to see how you were doing...but by the looks of it, I take it today was hard...

Carter nods, he looks at him

CARTER

How are you so calm about this?

TOM (CONFUSED)

What do you mean?

CARTER

Jason died a year ago today, dad...does that not upset you?

Tom sighs, he looks at Carter

TOM

It does, Carter...trust me it does...I think about him every day...it's just...I don't know what happened last year... and ever since he died, you've been distant...

CARTER

I know...and I'm sorry...

Tom nods before his watch beeps, he checks it and sighs

TOM

I gotta go, bud...

Carter nods, he sighs as Tom leaves

TOM (CONT'D)

Hey, Terry's here...

Carter looks confused as it

**CUT TO:**

**INT. JAMES RESIDENCE - FRONT DOOR - MOMENTS LATER**

Carter rounds the corner to see Terry, Tom is getting in his cruiser and drives off, Carter looks at him

CARTER

What're you doing here, Terry...

TERRY  
I wanted to talk...about last  
year...

Carter looks at him, he nods

CARTER  
Alright...

**CUT TO:**

**INT. JAMES RESIDENCE - LIVING ROOM - MOMENTS LATER**

Terry and Carter are sitting across from each other, they  
both look awkward

CARTER  
So...why do you want to talk about  
what happened?...

TERRY  
Matt was at Jason's grave, we  
talked and he told me that he was  
going to tell you...

Terry sighs, Carter looks at him

CARTER  
Tell me what?

Terry looks at him, he starts to sweat before both of their  
phones go off, Carter checks his, he looks confused

CARTER (CONT'D)  
The hell?

TERRY  
What?

Carter grabs the TV remote off the table, he turns it on,  
they look at the news, a reporter is standing outside of  
Matt's house

NEWS REPORTER  
Matt Wilson, a student at Openshaw  
High School, who was found by his  
mother and while it's still unclear  
how he died, this is one of two  
victims that were found today--

Carter turns the TV off, he dials a number on his phone

VIVIAN (ON PHONE)  
Hey, you got my text?

CARTER  
Yeah, meet me at my house with  
Barb, alright?

VIVIAN (ON PHONE)  
Alright, I'll be there shortly...

Carter nods as he hangs up, Terry stands up

TERRY  
Carter, what's going on?

Carter looks at Terry, he sighs

CARTER  
I don't know...

**CUT TO:**

**EXT. MATT'S HOUSE - DRIVEWAY - LATER**

Tom gets out of his cruiser and walks towards the scene, he  
walks to Mike, Tom sighs

TOM  
What the hell happened here?

MIKE  
It's bad, sheriff...the mother  
found him with his jaw ripped  
off...

Tom looks shocked

TOM  
Jesus...this was one of my son's  
friends...

Mike looks at him, confused

MIKE  
Which one?

TOM  
Jason...

Mike nods, he hands Tom the ripped letter, now in an evidence  
bag, he reads it, confused

TOM (CONT'D)  
What's this?

MIKE  
We think the killer left it as a  
way to taunt him...we just don't  
know what it means...

Tom nods, he thinks

TOM  
Mind if I hold onto this?

Mike nods, Tom goes back to his cruiser and drives off as it

**CUT TO:**

**INT. JAMES RESIDENCE - LIVING ROOM - MOMENTS LATER**

Vivian and Barb are now sitting with Terry, Carter is pacing,  
Vivian looks at him

CARTER  
This doesn't make any sense...why  
would anyone want to kill Matt?

BARB  
Could it be revenge?...

Terry looks at her, confused

TERRY  
Huh?

BARB  
Think about it, Matt was there when  
Jason died that night...someone  
must be after us because of what  
happened...

VIVIAN  
I don't know about revenge, but  
Barb has a point about someone  
coming after us...

Carter looks at her

CARTER  
How come?

Vivian pulls out her phone, pulling up a message, she hands  
the phone to Carter, he realizes

CARTER (CONT'D)  
Holy shit...

TERRY  
What?

Carter looks at them, his breath shakes

CARTER  
It's Jason's number...it just says  
"I Know"...

VIVIAN  
I got that a bit after you dropped  
me off...

Carter hands Vivian back her phone, she thinks

VIVIAN (CONT'D)  
who would kill Matt?...or us for  
that matter?...

CARTER  
I don't know...Terry, you told me  
that he was going to tell me  
something...did he tell you exactly  
what he was going to tell me?

Barb glances at Terry, he looks around

TERRY  
Yeah...he was going to tell you the  
truth...

Carter looks confused as Terry stands up, he stands in front  
of Carter, he sighs

TERRY (CONT'D)  
Jason didn't stumble into that  
wall...I...we got into a scuffle  
and I threw him into the  
wall...that's how the brick fell...

Vivian looks shocked, Barb looks away, Carter stumbles back,  
his breath shaking, he faces the wall, putting his hands on  
it, he looks down, Terry steps forward

TERRY (CONT'D)  
What happened was a freak accident,  
Carter...I didn't know that---

CARTER (GRITTING HIS TEETH)  
Why?...

Terry looks down, he looks at Carter

TERRY

Me and Barb saw Matt kissing  
Jason...we recorded it and he got  
mad after we joked about showing it  
to the whole school...

Carter turns around, looking furious towards Terry

CARTER

Let me get this straight...you and  
my brother got in a fight...because  
you were just "JOKING!!"...

TERRY

We were both drunk,  
Carter...obviously, we weren't  
going to actually post the video...

CARTER

Right...so Jason dying gave you a  
change of heart?...

TERRY

Carter, it was an accident...and if  
anything, it was Jason that threw  
the first punch...

CARTER

THAT'S your defense? You're  
responsible for Jason's death,  
Terry...YOU fucking killed him...

TERRY

No, I didn't...

Carter scoffs, he turns around, he gets flashes of the event,  
seeing Jason in his back seat, dead, it flashes to Carter, he  
clenches his fist and PUNCHES Terry, he falls to the ground,  
holding his jaw, Vivian stands up, as does Barb, they look  
shocked

VIVIAN

Carter...

CARTER (TO TERRY AND BARB)

Get the fuck out of my house...the  
both of you...and don't come  
back...

Terry nods, he gets up and leaves the house, as does Barb, Carter storms off to his room, leaving Vivian in the living room, she sits down, trying to process what happened as it

**CUT TO:**

**INT. OPENSHAW SHERIFF'S DEPARTMENT- TOM'S OFFICE - EVENING**

Tom is looking at the note, Mike knocks and walks in, he shuts the door

MIKE

You've been staring at that note  
for a while now, sir...

Tom looks at Mike, he smiles

TOM

I think I know who wrote the  
note...

MIKE

Who?

TOM

Terry Larson...

Mike looks at him, confused

MIKE

How so?

TOM

I can't exactly explain it but the  
only person I know who has this  
type of handwriting is him...he's  
our lead for right now...

MIKE

That's a bold claim, sheriff...

Tom nods

TOM

I know...but it also helps that  
last year, Terry left his essay at  
my house and it just so happened to  
be the same exact hand writing as  
this...

Mike nods, he looks around

MIKE  
Well, I'll leave ya to it,  
sheriff...

Tom nods as Mike leaves, Tom looks at the note before it

**CUT TO:**

**INT. JAMES RESIDENCE - CARTER'S ROOM - MOMENTS LATER**

Carter is sitting on his bed, doodling in his notebook, he hears a knock on his door, he looks up

CARTER  
Come in...

Vivian comes in, she closes the door and looks at him

VIVIAN  
Hey...how're you...know what,  
nevermind...

Carter looks at her as she sits on his bed, she sighs

VIVIAN (CONT'D)  
Mind if I ask you something?...

CARTER  
Sure...

VIVIAN  
Did you...know about Jason...him  
being gay?

Carter looks at her, he nods

CARTER  
Told me about 2 years ago, our dad  
was on a late shift, he came into  
my room and just told me, he  
thought I would flip out but was  
surprised when I was happy for  
him...but I honestly didn't know  
about him and Matt...I mean, he  
told me he liked him but I  
didn't...am I rambling?

Vivian nods, Carter sets his notebook on his night stand and sits next to Vivian, he sighs

CARTER (CONT'D)  
I wish there was some way I  
could've prevented it, Viv...

Vivian looks at him

VIVIAN  
I don't think there was nothing you  
could've done, Carter...

Carter looks at her, he sighs

CARTER  
I could've not gone to the  
party...could've stayed home with  
Jason...

Vivian rests her head on Carter's shoulder as he starts to  
tear up, he sighs

CARTER (CONT'D)  
The night Jason died...I told him  
that after that night...I was gonna  
stop sneaking out so he'd stop  
taking the wrap for me...

Vivian looks at him, she thinks

VIVIAN (JOKINGLY)  
Well...you did stop...

Carter looks at her, he slightly chuckles, as does Vivian

CARTER  
That's not funny...

VIVIAN  
It kind of is...

Vivian laughs as she puts her head back on his shoulder,  
Carter looks at her

CARTER  
I'm glad you're here, Viv...

Vivian looks at Carter, she smiles a little

VIVIAN  
I am, too...

**CUT TO:**

**EXT. BARB'S HOUSE - NIGHT**

Terry is in his car, Barb gets out of the car and walks to  
his window as he rolls it down

BARB

Do you wanna come in?

Terry shakes his head

TERRY

Nah, I gotta do some stuff...I'll call you though...

BARB

You alright?

Terry looks at her, he shrugs

TERRY

Yeah...I mean, I got what I deserved but I think I'll be fine...bye Barb...

BARB

Bye, Terry...

Barb walks to her house as Terry pulls out of the driveway

**CUT TO:**

**INT. CONVENIENCE STORE - MOMENTS LATER**

Terry is walking to the cash register, holding a case of beer, he puts it on the counter

TERRY

Hey Carl...

Carl looks at him

CARL

Hey Terry, will that be it...

TERRY

Yep...

Carl presses a few buttons and looks at Terry

CARL

\$10.40

Terry feels around his pants but looks at Carl, he half heartedly laughs

TERRY

That's weird...I could've sworn I had my wallet on me...

CARL  
Know what? It's on the house...get  
out of my store before I get  
fired...

Terry smiles, he grabs the beer

TERRY  
You're the best...

CARL  
Yeah, yeah...

Terry leaves as it

**CUT TO:**

**INT. TERRY'S CAR - MOMENTS LATER**

Terry is cruising down the street, listening to "**Separate Ways**" by JOURNEY

TERRY  
SOMEDAY LOVE WILL FIND YOU  
BREAK THOSE CHAINS THAT BIND YOU  
ONE NIGHT WILL REMIND YOU  
HOW WE TOUCHED AND WENT OUR  
SEPARATE WAYS

Terry picks up his beer and drinks it, he tries to set it  
back in the cup holder but he drops it

TERRY (CONT'D)  
Damnit...

Terry reaches to grab it and puts it in the cup holder before  
looking at the road, he sees a figure in the road, he swerves  
and crashes into a building, knocking him out

**INT. ABANDONED BUILDING - MOMENTS LATER**

A figure walks up to Terry's car, they pull him out and throw  
him onto the ground, he wakes up, his vision blurred, he sees  
a black figure

TERRY  
Who...are...you?

The figure kicks him in the face, knocking him out again as  
it

**CUT TO:**

**INT. JAMES RESIDENCE - CARTER'S ROOM - MOMENTS LATER**

Carter and Vivian are laying side by side on his bed, looking at the ceiling, Vivian looks at him

VIVIAN  
Hey Carter?

CARTER  
Yeah?...

VIVIAN  
Do you remember when we first met?

Carter thinks, he looks at her

CARTER  
Freshman year...Ms Shapleigh's  
science class...you asked for help  
on a paper...we became friends  
shortly after...it wasn't until the  
study date we had here that we  
decided to date...

Vivian nods, she smiles as she looks at the ceiling

VIVIAN  
I remember that...it's the night I  
found out about you having a  
twin...Jason was such a  
sweetheart...it was honestly weird  
talking to him after talking to you  
for a couple weeks...

Carter nods, he smiles

CARTER  
Jason and I were different people  
despite being twins...he was the  
nerd while I was the jock...only  
similarity is that we had the same  
face...but we somehow managed to  
get along...sometimes at least...

Vivian laughs a little before sitting up, she looks at Carter

VIVIAN  
Carter, can I ask you something?

Carter nods

CARTER  
Yeah...

VIVIAN

Why did you break up with me?

Carter looks at her, he sits up, scratching his head, he shrugs

CARTER

I don't know...I think I just needed space...losing Jason was tough...not only on me but on my dad...I guess I just couldn't bring myself to talk to you because I was just angry...and I was afraid I was going to say the wrong thing to you...

VIVIAN

I could've helped you, Carter...we were both there that night...

CARTER

I know, I know...and I'm sorry for being a dick to you for the last year...you didn't deserve that...I appreciate you asking how I was despite brushing you off...

Vivian nods, she looks at him, Carter does the same, he leans in and kisses her, she looks shocked, he sighs

CARTER (CONT'D)

I'm sorry...I shouldn't of just--

**CUE: "CAN'T HELP FALLING IN LOVE" (COVER) BY ICE NINE KILLS**

Vivian pulls him in and kisses him, he kisses back as they lay down, Vivian gets on top of Carter, she takes her shirt off, throwing it to the floor, Carter does the same, she looks at him as she puts her hair behind her ear

VIVIAN

Are you ready?

Carter smiles at her

CARTER

Only if you are...

Vivian smiles, she kisses Carter as it

**CUT TO:**

Mike comes into the office, he looks around

MIKE  
Sheriff? You in here?

No answer, Mike nods as he walks in, putting the report on his desk, Mike glances at a newspaper article and stops, he reads it

"Local Teen dies in mysterious accident"

Mike nods as he walks out of the room, closing the door as it

**CUT TO:**

**INT. ABANDONED BUILDING - MOMENTS LATER**

Terry wakes up, blood on the side of his head, he sees that his hands are tied in the air, he looks around, seeing the fisherman

TERRY  
What the fuck do you want from me?...

The fisherman walks up to Terry, he backs up but they hold him in place before pulling out Terry's phone, they pull up a video and terry is shocked

It's the video of Matt and Jason kissing, Terry looks at the fisherman, confused

TERRY (CONT'D)  
Who the fuck are you?

The fisherman unmask himself offscreen, Terry looks shocked

TERRY (CONT'D)  
Why?...

The fisherman puts their hood back on, they pull out their hook, Terry hyperventilates

TERRY (CONT'D)  
Wait, wait...the video wasn't my idea...it was---

Suddenly, the fisherman SLICES Terry's stomach

CUE: "THE FISHERMAN KILLS" (THE COLLISON)" BY JOHN DEBNEY

his entrails fall on the ground as he tilts his head, dead, blood drips out of his mouth, the fisherman takes a picture before it

CUT TO:

INT. JAMES RESIDENCE - CARTER'S ROOM - MOMENTS LATER

CUE: "THE ONLY EXCEPTION" BY PARAMORE

Carter and Vivian are laying on the bed, she looks at him and smiles, he does the same

CARTER

So...

Vivian laughs a little

VIVIAN

We did it...

Carter laughs a little

CARTER

Yeah...we did...

Vivian looks at him, she sits up

VIVIAN

You know...this is out of nowhere...but did you figure out what you were going to do for college?

Carter looks at her, he nods

CARTER

I was thinking about applying to NYU next year...maybe major in music since football isn't really my passion anymore...what about you?

VIVIAN

I...never actually thought about it...I don't know why but...I just thought that since we're graduating next year...there's plenty of time to actually think about it...

Carter nods, he looks at her

CARTER  
Well...you could always go to New  
York with me...if that's what you  
want...

Vivian smiles

VIVIAN  
I'd like that...

Carter smiles, he softly kisses Vivian, they look at each  
other before it

**CUT TO:**

**INT. JAMES RESIDENCE - CARTER'S ROOM - LATER**

Carter and Vivian are sleeping, a noise is heard and Carter  
opens his eyes, he looks at Vivian and then looks around, he  
sits up, confused

CARTER  
Viv...

Vivian opens her eyes, half asleep

VIVIAN  
What?

Carter looks around, he gets up, Vivian sits up

CARTER  
You don't hear that?

Vivian shakes her head, she looks at him

VIVIAN  
Probably just a branch...

Carter shakes his head and walks towards his window, he opens  
his curtain to find TERRY'S BODY, he jolts back, Vivian gets  
up, they see a note on his body, reading "I KNOW"

CARTER  
DAD!!

Tom comes into the room, wearing his night clothes, seeing  
the body, he looks shocked as it

**CUT TO:**

**EXT. JAMES RESIDENCE - DRIVEWAY - MORNING**

Carter and Vivian are standing by his car, they watch Terry's corpse get stretchered into a coroner's van, he sighs

CARTER  
What is going on, Viv?

VIVIAN  
I don't know...

Tom walks up to them, wearing his uniform, he sighs

TOM  
I'm sorry you two had to see  
that...

Carter nods

TOM (CONT'D)  
Listen, do you two have any idea  
what the note on Terry means? We  
found the same one at Matt's house  
and...I'm assuming it has something  
to do with you two...

Carter and Vivian look at each other, Carter sighs

CARTER  
Terry pushed Jason that  
night...that's what caused the  
brick to fall...

Tom looks shocked, Carter looks at him

CARTER (CONT'D)  
He told us yesterday and I...I  
snapped at him...

TOM (TO VIVIAN)  
Did you know?...

VIVIAN  
No sir...

Tom nods, he thinks

TOM  
So...if this guy is going after the  
people that knew but didn't say  
anything...who'd be next?

Carter realizes, he looks at Tom

CARTER

Barb...

Tom nods, he thinks

TOM

Well, we should go over there and  
make sure she's safe...

Vivian and Carter nod as it

**CUT TO:**

**INT. BARB'S HOUSE - LIVING ROOM - LATER**

Barb is standing in front of Carter, Tom and Vivian, she  
sighs

BARB

So...you're telling me the reason  
that Matt and Terry are dead is  
because someone else knew about  
Jason's death...

TOM

Pretty much...but we need to know  
if you or Terry told anyone about  
that night?...

Barb shrugs

BARB

We told no one...we swore on it...

Tom nods, Carter sighs

CARTER

Barb...if you told nobody...then  
why is there someone after us?

Barb sighs

BARB

I don't know, Carter...maybe they  
just want us dead...who knows?

VIVIAN

Well...that's not going to happen

They all look at Vivian, she sighs

VIVIAN (CONT'D)  
If we want to catch this guy, we  
need to fight back...

Tom nods

TOM  
What's the plan?

VIVIAN  
The parade is happening tonight  
behind my house...I think we can  
lure the killer out and catch  
him...

Carter nods

CARTER  
That's a good plan...but who's  
going to be bait...

Vivian thinks, she sighs

VIVIAN  
I will...

Carter, Tom, and Barb all look at her

CARTER, TOM & BARB (IN UNISON)  
WHAT?

CARTER  
Viv, you can't be serious...

VIVIAN  
Carter, I gotta be on the damn  
float anyway...I'm a sitting duck  
regardless...

TOM  
It could work...

BARB  
Okay, so...what do we do if he  
shows up?

TOM  
I won't be any help since I gotta  
work tonight but you and Carter  
will stay by Vivian at all times,  
once the float is at the warehouse,  
we will pick you guys up and see if  
our killer will make an  
appearance...

They nod, Tom stands up

TOM (CONT'D)  
Alright, we should get  
going...gotta prepare...Barb, do  
you have your own car?

Barb nods, Tom nods back as he leaves, Carter and Vivian get  
up, Barb stands up

BARB  
Carter, can I talk to you real  
quick...alone?

Carter looks at her, he nods

VIVIAN  
I'll go to the car...

Carter nods as Vivian leaves, he looks at her

CARTER  
What's up?

BARB  
I don't know if I'll get another  
chance to say this but...I'm sorry  
about what happened last year...if  
I just stopped Terry from going up  
there, Jason would've never--

CARTER  
Hey, what happened last year was  
not on you...and if anything, I'm  
sorry that I yelled at you  
yesterday...

Barb nods, she hugs Carter

BARB  
Be safe, Carter...

Carter nods

CARTER  
Of course...

They break off, Carter leaves as it

**CUT TO:**

**INT. TOM'S CRUISER - MOMENTS LATER**

Carter and Vivian are in the back seat, Tom is driving, he looks at them through the mirror

TOM  
Is there anything else I should  
know about...just so there aren't  
any more bombshells...

Carter and Vivian look at each other, they smile a little,  
Tom realizes

TOM (CONT'D)  
Oh, you two...are back together?

Carter and Vivian nod, Tom smiles

TOM (CONT'D)  
I'm glad...

Tom continues driving, Carter looks at him

CARTER  
Dad...I know that you said you had  
to work but...I really need you to  
be there tonight...

Tom looks at his son through his mirror, he sighs

TOM  
I'll try, son...I promise...

**CUT TO:**

**INT. WAREHOUSE - BACKROOM - EVENING**

Vivian is getting ready, wearing a nice purple dress, there's  
a knock on the door

VIVIAN  
Come in...

Carter walks in, he looks shocked as he closes the door,  
Vivian faces him

CARTER  
Wow...you look amazing...

Vivian lightly chuckles

VIVIAN  
Thanks...wish I was more excited  
about tonight but this whole killer  
thing has shocked my nerves...

Carter puts his hands on her shoulders

CARTER  
We're gonna be alright, Viv...my  
dad is gonna have this place  
covered and we're gonna catch this  
guy...

Vivian nods, she looks at him, smiling

VIVIAN  
You know...this is the most you've  
talked in a year...

Carter laughs a little, he kisses Vivian, he sighs as Barb  
walks in, she looks at them

BARB  
Oh...sorry, but they're fixing to  
leave...

Carter looks at her, he nods, he looks at Vivian

CARTER  
You ready?

Vivian nods

VIVIAN  
Yeah...

**CUT TO:**

**INT. PARADE FLOAT - STREET - LATER**

Vivian and Carter are scanning the area, waving back at  
people, putting on a smile, he looks around, seeing cops all  
around, but not his dad

CARTER  
Where is he?

VIVIAN  
Maybe he's with Barb...

Carter shakes his head

CARTER

He said he'd be here...

Vivian looks around, seeing Barb in the crowd, she nods,  
Vivian scans the area, seeing The Fisherman creep up behind  
her, her eyes widen

VIVIAN

BARB...

Barb turns around and gets a hook to the gut, The Fisherman  
drags the hook up, she spits up blood as Carter stands up, he  
jumps off the float and goes through the crowd, seeing Barb  
on the ground, he kneels down as people see them, shocked

BARB (WEAKLY)

He...went that way...

CARTER

Okay...just...focus on me, alright?

Barb nods, she sighs

BARB (WEAKLY)

Go...stop him...I'll be fine

Carter shakes his head, he grabs her hand, tearing up as Barb  
turns her head, dead, he stands up and bolts towards the  
stairs

**CUT TO:**

**INT. BUILDING - UPSTAIRS AREA - MOMENTS LATER**

Carter busts open the door, he looks around

CARTER

Come out, you sick fuck...

Carter walks over to a closet and throws the door open, he  
looks at the smashed window, he sighs as Mike comes upstairs,  
Carter turns around

MIKE

Freeze, put your hands up...

CARTER

Wait...I'm not the killer

MIKE

PUT your fucking hands up...I'm not  
going to ask you again...

Carter sighs, he puts his hands up as Mike walks towards him, he puts Carter's hands behind his back, he sighs

**CUT TO:**

**INT. OPENSHAW SHERIFF'S DEPARTMENT- HOLDING ROOM - LATER**

Carter is sitting at the table, Mike walks in, Carter looks at him as he sits down

MIKE

Gotta say, wasn't expecting the sheriff's kid being the one I'm talking to in here...

CARTER

I'm not the damn killer, deputy...

MIKE

Well, you're the only one that several witnesses saw near the body...

CARTER

The real killer is still out there...

MIKE

Why should I believe you? Because let's just look at the facts...you were the one that supposedly found Terry Larson at your window, and now you're the one that "found" Barb Kelly and YOU have her blood on your hands...

CARTER

What about Matt? I couldn't have possibly killed him because I was driving Vivian back to her house...you can even ask her and I was on the float, I SAW what happened to Barb...

Mike scoffs, Tom barges in, Mike looks at him

TOM

The hell are you doing?...

MIKE

I'm interrogating the suspect...

TOM  
That's my goddamn son...let him  
go...

MIKE  
But sir...

TOM  
LET him go...I will not tell you  
again...

Mike sighs, Carter gets up and walks out the room, Tom looks  
at him

TOM (CONT'D)  
You alright?...

CARTER  
Yeah...where's Viv?

TOM  
Her parents came and got her, she's  
fine...I gotta get you home...

Carter nods, Tom leads him out, he looks at Mike as he stands  
up, they meet eye to eye

TOM (CONT'D)  
I get it...you want to catch this  
bastard but if I ever catch you  
question my son again WITHOUT my  
consent to do so?...I expect to see  
your badge and gun on my desk...

Mike nods as Tom leaves, he sighs as it

**CUT TO:**

**EXT. OPENSHAW SHERIFF'S DEPARTMENT - PARKING LOT - MOMENTS  
LATER**

Carter is leaning on the trunk door, he looks disappointed as  
Tom walks up, looking at him

TOM  
You alright, Carter?

Carter looks at him, he nods

CARTER  
Yeah...

Tom nods

TOM  
Alright...let's head home...

Carter nods as Tom goes to the driver side, Carter glances in the trunk window as it

**CUT TO:**

**INT. TOM'S CRUISER - MOMENTS LATER**

Carter is sitting in the front seat, Tom is driving, he sighs

TOM  
I'm sorry about Barb...I wish I  
would've been there...

Carter looks at him, he thinks

CARTER  
Where exactly were you, Dad?

Tom thinks, he looks at Carter

TOM  
I was...on another call, I thought  
I had enough time to do that  
but...I guess not...

Carter looks at Tom, confused

CARTER  
What happened to getting people to  
the warehouse? The whole plan was  
to lure the killer there...

TOM  
I had to work, Carter, I told you  
this...

CARTER  
Barb IS dead, dad...and who knows  
what'll happen to--

TOM  
HEY, nothing is going to happen to  
you OR to Vivian...I promise...it  
ends tonight...

Carter looks at Tom, he thinks, he sees a red light, he pulls out his phone, pulling up Vivian's address, he thinks

CARTER  
Dad...will you be honest with me?

Tom looks at him

TOM  
Of course, son...

Carter sighs

CARTER  
Did you kill them?

Tom looks at him, baffled

TOM  
No...I didn't...why would you--

CARTER  
When I was walking to the  
cruiser...I saw the slicker in the  
trunk, AND the hook...so, either  
you're the killer or...someone is  
framing you, dad...

Tom taps his wheel, he shakes his head

TOM  
Carter, I'm telling you, I don't  
know how it got in here...you gotta  
believe me...

Carter looks at him, he thinks long before looking back at  
Tom

CARTER  
I don't...

Suddenly, Carter BOLTS out of the car, running down the  
street, Tom looks shocked

TOM  
CARTER...COME BACK...

Carter runs, he dials a number on his phone, putting it  
against his ear

VIVIAN (ON PHONE)  
Carter?

CARTER  
VIV, IT'S MY DAD...

VIVIAN (ON PHONE)  
What? What're you talking about?

CARTER  
He's the FUCKING killer...I'll be  
at your house in a few...lock the  
doors, don't let him in your hou--

Suddenly, Carter gets BLINDSIDED by a cruiser, his dad's  
cruiser, he falls to the ground as Tom gets out of the car,  
Carter reaches for his phone before Tom smashes it, he sighs

TOM  
I didn't want it like this, son...

Carter tries to get up but Tom pushes him down, holding his  
son in place with his foot

TOM (CONT'D)  
Just...hear me out, please...

CARTER  
You killed Matt, Terry AND  
Barb...there's no hearing you  
out...

TOM  
Goddamnit, son, I did it for  
US...for your brother...

Carter looks confused, he sees a rock and hits Tom's leg with  
it, he steps back as Carter gets up and continues running

**CUT TO:**

**INT. MARIE RESIDENCE - VIVIAN'S ROOM - LATER**

Vivian is sitting at her desk when Carter knocks on her  
window, she opens it and he climbs in, he closes it and sits  
down

VIVIAN  
What the hell happened to you? I've  
been trying to call you...

CARTER  
He destroyed my phone and hit me  
with his fucking car...

VIVIAN  
Oh my god...your bleeding...

Carter feels the side of his head, he sighs

CARTER  
We gotta get out of here...where  
are your parents?...

VIVIAN  
They left a couple minutes ago...

CARTER  
Why?

VIVIAN  
I don't know, I think your dad  
called them to go to the station...

Carter nods, he gets up and hears a siren, he looks at Vivian

CARTER  
Shit, we gotta go...

Carter exits Vivian's room and goes into the

**INT. MARIE RESIDENCE - LIVING ROOM - CONTINUOUS**

Carter sees Tom walk up to the door, he's staring daggers at  
his son, his eyes widen

CARTER  
Shit...Viv...

VIVIAN  
I know, let me get my--

Suddenly, Tom kicks in the door, Vivian comes out, shocked,  
Carter sees him holding the blood-stained hook, he looks at  
them

TOM  
SIT...down

Carter nods, he takes Vivian's hand and they sit on the couch  
and Tom closes the door, he sits across from them, he smiles  
as he pushes his hair back

TOM (CONT'D)  
I'm sorry you had to see that,  
Vivian...I'm just a little bit  
pissed off because Carter thought  
it'd be a good idea to jump to  
conclusions so fast...

CARTER  
You hit me with your FUCKING car...

TOM  
THAT was not my fault...okay? Now,  
let me explain...

Tom thinks, he looks at the hook

TOM (CONT'D)  
You know...back when I still had  
two sons...we went  
fishing...remember that, Carter?

CARTER  
Yeah...you threw Jason in the pond  
because he didn't want to leave the  
car...

Tom nods, he chuckles lightly

TOM  
That was a fun day...until your  
mother called...saying that you two  
needed to come back home...

Vivian spots a bottle of Lysol on the ground, he looks at Tom

VIVIAN  
What happened to Carter and Jason's  
mom?...Carter never really mentions  
it...

Tom looks at her, he sighs

TOM  
Things were never sunshine and  
rainbows, kid...she wanted another  
kid but I just wanted to raise the  
two we already had...

CARTER  
I remember the arguments...you guys  
finally got a divorce after you  
came home drunk one night after my  
game...one you weren't even at...

Tom nods, he sighs

TOM  
But, it never fell through...she  
died a couple weeks after  
that...something about the brakes  
being faulty...

Carter realizes, he looks around, Tom nods

TOM (CONT'D)  
Yep...that was me...

Vivian looks shocked, Carter looks at Tom

CARTER  
No wonder you sobered up after  
that...

TOM  
I wanted to be better...for you and  
FOR Jason...

CARTER  
YOU killed Mom...

Tom nods before Vivian grabs the Lysol, she sprays it in  
Tom's face and he screams, they get up and Carter punches him  
in the face, he falls to the ground as Carter takes her hand,  
they go out to the

**EXT. MARIE RESIDENCE - BACKYARD - CONTINUOUS**

Carter and Vivian run towards the back fence

CARTER  
We can cut across the road into the  
alley...

VIVIAN  
Where are we gonna go?

CARTER  
I don't know, but we gotta--

**BANG**

Suddenly, Carter falls to the ground, he holds his leg,  
Vivian sees he's been shot

VIVIAN  
CARTER...

Carter gets up, with Vivian holding his arm over her  
shoulder, they get to the fence

CARTER  
You go over first...

Vivian looks at him, baffled

VIVIAN  
How're you going to get over?

CARTER  
I'll think of something, just go...

Vivian nods, she climbs the gate, she gets over and lands on the ground, she sees Carter through the fence, Carter tries to climb over but as he does, Tom runs up, planting the HOOK IN HIS BACK, shocking Vivian

VIVIAN  
NO!!...

Carter tries to kick Tom but he drives the hook deeper, he looks at Vivian, he spits up blood

CARTER (STRUGGLING)  
GO...NOW...

VIVIAN (CRYING)  
No, I'm not gonna leave you...

CARTER  
GO, VIV...

Carter gets pulled down off the fence, Vivian runs through the woods as it

**CUT TO:**

**INT. STREET - ROAD - MOMENTS LATER**

Vivian runs across the road, she looks back and sees Tom following her, she runs into a

**INT. ALLEYWAY - MOMENTS LATER**

Vivian runs through an alleyway, she gets to the next street and Carter she sees the abandoned construction site, Vivian sighs, she runs inside and goes to the

**CUT TO:**

**INT. ABANDONED CONSTRUCTION SITE - 4TH FLOOR - MOMENTS LATER**

Vivian reaches the 4th floor, she looks around

VIVIAN  
What now?...think Viv, think...

She looks around, she remembers

VIVIAN (CONT'D)  
There should be a ladder on the  
side...

Before she can get to the ladder, Tom walks up, smiling,  
stopping Vivian in her tracks

TOM  
I'll admit, it was a slick move to  
spray that shit in my eyes, good  
job on that part...

Vivian backs up as he steps forward

VIVIAN  
why? Why would you kill people?...

Tom sighs, he scratches his head, looking at her, he pulls  
out Terry's phone, playing the video of Jason and Matt, he  
throws it away

TOM  
That's why, Viv...I did all of  
this...for Jason...to avenge him...

VIVIAN  
You went after the people who knew  
about it...

TOM  
exactly...Matt told me the truth a  
couple months after it  
happened...told me about the video,  
how Terry pushed Jason, all of  
it...so, I began planning...Matt  
had to die first because he didn't  
tell the truth sooner...hell, I  
even killed his father just to get  
in the house...and Terry...well, I  
couldn't really base him as a  
witness just because one person  
said so...and he's the one that  
hurt Jason...and Barb...she was  
silent about EVERYTHING...

Vivian looks shocked, she thinks

VIVIAN  
And what about me?...

Tom scratches his head, he looks at her

TOM

I was going to kill you later tonight...but, since Carter pulled that stunt by jumping out of my car...it threw me off a little...

VIVIAN

Why kill me, though? I HELPED Carter carry Jason to his car...

TOM

Because you were going to catch on eventually, just like Carter did...

VIVIAN

What about Carter?...why did you kill him?

Tom sighs

TOM

I didn't kill Carter, he's still alive...but after I killed you, I would've stopped...the bloodshed would've been over had Carter just stayed out of the FUCKING way...

MIKE

FREEZE...

Tom realizes, he turns around, looking at Mike

TOM

How did you...

MIKE

It wasn't that hard, sheriff...you had a newspaper on your desk about Jason's death...and you confirmed my suspicion when you dismissed your son from the holding room...

TOM

How'd you know I'd be here...

MIKE

I was sitting at a gas station when I saw HER running from you...

Tom nods, he sighs

TOM

You're a dumbass for coming here, deputy...

MIKE

Put the hook down, let the girl go  
and come quietly...

Tom drops the hook, as Mike walks towards him, Tom HEADBUTTS Mike, knocking him to the ground, he picks up his gun, aiming it towards him

TOM

You're now officially resigned...

Before he shoots Mike, Vivian picks up the hook and STABS TOM, lodging it in his shoulder, he turns around and she punches him, he stumbles back, as Vivian tries to run, he throws her against the wall, punching her several times before getting headbutted, he stumbles back as she falls to the ground, Tom pulls the hook out, he throws it

TOM (CONT'D)

You stupid, arrogant, little  
slut...

Mike tackles Tom to the ground, getting on top of him, he tries to punch him but Tom blocks, he throws Mike to the ground and gets on top of him, Vivian looks around and sees a brick, she picks it up as Tom punches Mike, making his nose bleed, he lifts him by his shirt

TOM (CONT'D)

You know...I thought you'd be just  
another cop in this shithole  
town...all you had to do was STAY  
OUT OF MY BUSINESS...

Mike looks at Tom, he scoffs

MIKE

Fuck you...

Mike spits blood in his face as Vivian smacks Tom with the brick, he falls to the ground, he feels blood coming from the side of his head, Vivian helps Mike up, they look at him, he laughs

TOM

No one is going to believe you  
two...you have nothing...

Vivian walks forward, she pulls out her phone, playing an audio clip of Tom's confession, she smiles

VIVIAN

We got all the evidence,  
motherfucker...

Suddenly, a man comes up the stairs, Vivian and Mike turn around to see CARTER, limping towards them, wincing in pain

VIVIAN (CONT'D)

Carter...

Carter looks at her, he looks at Mike, he nods as Carter walks up, grabbing the brick from Vivian's hand, he lifts his dad up against the wall, Vivian looks at him, seeing the anger in his eyes

TOM

I...I thought I killed you...

Carter shrugs

CARTER

You didn't go deep enough...

Tom looks at him, he looks at the brick, he realizes

TOM

Carter...please...  
Jason wouldn't want this...

CARTER

Jason hated you...  
He was afraid of you...any time he wanted to tell you he was gay...you just ruin his chance by saying something so fucking gross and it got to a point where he thought I would act exactly like you...but I didn't, I accepted him...because I know damn well if I ever turn out to be anything like you...I'd be disappointed in myself...

Tom looks at him, he laughs a little

TOM

So...you're not going to kill me?...

Carter looks at him, he sighs

CARTER

No...

Carter lets him go, he turns around, Tom pulls out his gun, Vivian looks at Carter

VIVIAN

CARTER...

Before Tom shoots, Carter SMACKS him in the head with the brick, he slides down, Carter winds back and wails on Tom, busting his head open, blood spraying on his face, he yells as Vivian and Mike watch in horror, he drops the brick and looks at his dad, now a corpse, he steps back, dropping to his knees, distraught

CARTER

Viv...what did I just-

Vivian drops down and hugs him, he sobs, hugging Vivian, Mike pulls out his radio

MIKE

Dispatch, I need ambulances and a couple cruisers at the abandoned construction site on Matthews Avenue...we found our killer...

CUE: "HURT" BY JOHNNY CASH

CUT TO:

**EXT. ABANDONED CONSTRUCTION SITE - MORNING**

It is now morning, several cruisers are on the scene, along with a coroner's van, Carter is laying on a stretcher with Vivian by his side, his head is wrapped, the blood is cleaned off of his face, they see Tom's body get wheeled out, she sighs as "Hurt" fades out

VIVIAN

Carter, I have no idea what to say  
but---

Carter shakes his head

CARTER

Don't...

Vivian looks at him, a little surprised, Carter looks at her

CARTER (CONT'D)

Sorry...

VIVIAN

It's fine...I don't blame you...

Carter nods, Vivian looks around and sees Mike walking up to them

MIKE

How're you two holding up?

There's a brief silence, Mike nods

MIKE (CONT'D)

Sorry...if there's anything you  
need, I'm always a phone call  
away...

Mike hands Vivian a piece of paper with his number on it,  
Vivian nods

VIVIAN

Thank you, Deputy...

MIKE

Please...call me Mike...

CARTER

Thank you, Mike...without you,  
Vivian would've been dead...

Mike nods, he walks away, Vivian looks at Carter

VIVIAN

Speaking of dead...how DID you  
survive that hook?

Carter looks at her, he smiles and shrugs

CARTER

Dumb luck? I don't really know...

VIVIAN

Okay...but what about the  
construction site...

CARTER

I knew where the alleyway led to...

VIVIAN (JOKINGLY)

Eh...I don't believe you...

Carter laughs, as does Vivian, he holds her hand and sighs

CARTER

So...what now?

Vivian shrugs

VIVIAN

I honestly don't know...but I do  
know that I'll be with you for  
whatever comes next...

Carter smiles, Vivian leans in and kisses Carter and he  
kisses back as the ambulance doors shut, they drive off as
