INT. SPRINGWOOD MEDICAL - CLARK'S ROOM - MORNING

We see the whole group together; CLARK, laying in the bed, PETE, sitting next to him in a chair, CASSIE and TOMMY, standing in front of him together

CASSIE

What did you see, Clark?

Clark thinks, he looks at them and looks around

CLARK

He took me to several places. He focused on my relationship with my dad and... how much of a dick he is to me... he then just took me to the boiler room...

PETE

And that's when Tommy and I made the save.

Clark nods as Cassie thinks, she paces as Tommy looks at her

TOMMY

What're you thinking, Cass?

Cassie looks at them

CASSIE

Freddy is targeting our weaknesses... what we're afraid of, what we're traumatized by... he's putting us down before he makes the kill.

TOMMY

If fear is what he feeds on, how the hell do we beat him?

JESSE (O.S.)

You can't.

The group looks at JESSE, standing in the doorway, looking tired as he walks in, Pete stands up

PETE

Who the hell is he?

Cassie smiles slightly, looking at the group

CASSIE
This is Jesse Walsh...

The group looks at Jesse, he looks at them before it **SMASHES TO**

A Nightmare ON ELM STREET

OPEN ON:

INT. SPRINGWOOD MEDICAL - CLARK'S ROOM - MOMENTS LATER

The group, now standing next to Clark's bed, are looking at Jesse, who's pacing around the room

JESSE
I take it we all got a visit from..
him last night?

Everyone except Cassie nods, Jesse nods

JESSE (CONT'D)
Great, so this'll be easier to
explain.

CASSIE
What happened to your arm?

Jesse looks at his arm, seeing the bite mark, he looks at them and scratches his head

JESSE
Freddy came to me, that's what
happened. But I managed to get away
on my own and..

Jesse pulls out the piece of his sweater, they all looked shocked

TOMMY
Is that..

JESSE

A piece of Freddy's sweater, and it got me thinking last night. What if we could pull him out of the dream world?

CLARK

Would that kill him?

JESSE

I don't know.. but right now, it's our only option. Unless any of you have better ideas?

They all look at each other, Tommy looks at Jesse

TOMMY

How would we go about pulling him out anyway, he's practically invincible in the dream world..

PETE

He's not exactly invincible..

They look at Pete, he gets up

PETE (CONT'D)

When Tommy stabbed him with the pipe, it did hurt him, even if temporary..

JESSE

Okay.. So, what's the plan?

CASSIE

We gotta attack Freddy head on and corner him on his turf.. we lure him to where he's vulnerable and one of us could grab him..

The group collectively nod their heads, Jesse looks at her

JESSE

Where exactly are we doing this?

CLARK

Yeah, if we want to catch this guy, one of us would have to fall asleep somewhere that isn't our house?

Cassie thinks, she looks around before realizing

CASSIE

The gymnasium.

Tommy looks at her

TOMMY
What?

Cassie gets up, she looks at them

CASSIE
It's the only place I know where
there's only one way in and one way
out. It's practically the best
place to trap him.

They all look at each other, Jesse looks at her

JESSE
So, you and Tommy go to the
gymnasium tonight. Me, Pete and
Clark will try to attack him head
on. But we're only going in for an
hour, not a second longer.

Cassie nods, she looks around as Tommy looks at her

TOMMY
How are we getting the keys to the
gymnasium?

Cassie looks at him, she smiles before he realizes, he nods

TOMMY (CONT'D)
Right..

Pete looks at his watch, he looks at them

PETE
We gotta head to school, we'll meet
back up tonight.

CLARK
I'm gonna be stuck here until my
dad comes by.

They all collectively nod. Jesse, Pete, Cassie, and Tommy
leave the room as it

I was worried sick about you..

CASSIE
Sorry, I stayed at Tommy's..

They break off, Lacey looks at the noticeable bags under Cassie's eyes

LACEY
Did you get any sleep at all?

Cassie shakes her head

CASSIE
No, but it was for a good reason.

Cassie pushes past Lacey, she follows her to the fridge

LACEY
So, what're you doing now?

CASSIE
Heading to school.. just had to get some clothes.

Lacey watches as she gets a soda, she looks at her sister with concern

LACEY
Cass.. are you feeling all right?

Cassie looks at her

CASSIE
Yeah, I'm fine. Why do you ask?

LACEY
No reason.. you just seem.. jittery.

Cassie nods in confusion, she smiles

Nothing.. we're just getting closer
to figuring out the whole Freddy
thing.

Lacey nods as she sighs

LACEY
You can't overwork yourself like
this, you know..

Cassie shakes her head

CASSIE
I'm not. I'm fine.

LACEY
The bags under your eyes say
otherwise.

Cassie sighs, she zips up her bag

CASSIE
I feel fine, doesn't that count for
something?

LACEY
Not when you're running on zero
sleep, Cass. It's not healthy.

Cassie rolls her eyes, Lacey thinks

LACEY (CONT'D)
All I'm saying is just rest for a
few, it could really do you some--

CASSIE
Are you being serious right now,
Lace?

Lacey nods

LACEY
I Am.

Cassie sighs

CASSIE
I can't FUCKING sleep, Lacey. Not
when this fucker is tormenting us.
Once he's dead, I will gladly take
your advice but for now, back the
fuck off and let me figure this
shit out.

Cassie grabs her bag and storms out of the room, brushing
past Lacey, she rubs her eyes as it

No dad, I'm pretty fucking far from
all right.

Buck looks at him up and down, visibly confused

BUCK
What do ya mean, son? There's no
broken bones..

CLARK
I TOTALLED my car, dad and you
didn't even know I was here until I
called you..

Coach Wilson thinks, he looks at him

COACH WILSON

What for?

Tommy scratches his head, he thinks

TOMMY

I uh.. have just been wanting to catch up.. with everything that's been going on, I could use the distraction..

Coach Wilson thinks, he nods as he takes a key off of his shorts, he tosses it to Tommy and he catches it

COACH WILSON

Have it back to me tomorrow morning..

Tommy nods

TOMMY

Thank you, Coach..

Coach Wilson nods as Tommy walks out of the room, he sits back as it

Cassie looks at him, she shrugs

CASSIE
My sister. She's been on my ass
since I got home and noticed that I
didn't sleep last night.. again.

Tommy nods as they start walking down the hall, he scratches his head

TOMMY (JOKINGLY)
I don't know how you're still

JESSE
You aren't going to get anywhere
reading that, ya know.

Pete nods as he closes the book, Jesse sits across from him and they look at each other

PETE
How'd you find me?

JESSE
Followed your car, figured you were
going to come here for answers..

Pete nods as he sighs, he sits back

PETE
Why did Freddy come after you last
night?

Jesse shrugs

JESSE
Me and him kind of ran into each
other before. He's the reason why I
spent most of my life in a psych
ward..

PETE
What happened?

Jesse looks at him, he thinks

JESSE
It's uh.. a bit complicated but
let's just say that my girlfriend
had to burn me alive in order to
kill him..

Pete nods as he thinks

PETE
So, why help us? You don't even
know us..

Jesse nods

JESSE

True, but I know what its like to

You're welcome to uh.. come with me

Did I catch you at a bad time?

Walter shakes his head as he takes his glasses off and puts
them on his desk

WALTER

Uh, no. What can I do for you, Ms.
Hannigan?

Lacey sighs as she sits down, she throws her hands up in frustration

LACEY
I don't fucking know what I'm doing
wrong..

Walter is taken aback by this but looks at her

WALTER
What's been going on?

Lacey sighs as she sits back

LACEY
Cassie is all over the place,
sheriff. She's not sleeping and she
stormed out of the house last night
in the pouring rain and came back
with bags under her eyes and
dodging my questions..

Walter nods as he thinks

WALTER
What exactly happened that made her
storm off?

Lacey chuckles as she sits up, resting her arms on her knees

LACEY
You wouldn't believe me..

Walter shrugs

WALTER
Try me..

Lacey looks at him, she nods

LACEY
Cassie has a working theory that..
there's a guy that's in people's
dreams and.. he kills them which
kills them in the real world..

Walter looks shocked as Lacey looks at him

WALTER
How did she discover this?

Lacey shrugs

LACEY
No idea, but.. I believe her..

Walter nods, his face showing a bit of disbelief as lacey sighs

LACEY (CONT'D)
I know how it sounds but I've seen this guy in my dreams too..

Walter nods

WALTER
I can't do anything with this information, Ms. Hannigan..

LACEY
Why not? Can't you issue prescriptions for anti dream meds or something?

Walter shakes his head

WALTER
I can't..

Lacey nods as she thinks, she takes a deep breath before looking at Walter

LACEY
There has to be something I can do to help Cassie because I'm scared she's going to get herself killed and I.. I wouldn't be able to live with myself..

Walter nods, Lacey sits back as he thinks

WALTER
I'm not trying to overstep but.. what was your mother like?

Lacey shrugs

LACEY
She was my favorite person in the world.. seemed so happy around us and was supportive through high school.. but after I turned 18 and graduated.. she just gave up.. and I knew something was bothering her because she looked like she saw a ghost the night before she..

Lacey stops, Walter looks intrigued

WALTER
Before she what, Ms. Hannigan?

Buck nods as he thinks, he sighs

BUCK
Clark, I am sorry about not being
there..

Clark shrugs

CLARK
It's fine..

BUCK
Then why are you pissy, man?

Clark looks at him, he sighs

CLARK

You were such a dick to me the other night over baseball and the moment I'm in the hospital, you try to be the "supportive dad" despite the fact that you're just going to go back to critiquing every little fucking thing I do..

Buck looks surprised as he thinks, Clark looks at him

BUCK

Clark, I'm--

CLARK

Please.. just get out, dad..

Stella nods as she rolls further into the room, Walter looks around before Stella comes back, holding two files, she puts them on the desk and slides them towards Walter

STELLA

These are the only two files
labeled Hannigan, sheriff..

Walter nods as he picks them up, reading the names

TOMMY
