What?

Lacey nods

LACEY
Yeah, you burned yourself out these past couple days, so regroup and chill here today..

Cassie nods before thinking, looking at her bandages before looking at Lacey

How're you feelin'?

Pete shrugs

PETE
About as good as I can be..

Jesse nods, there's a moment of silence before Clark gets up, he puts his backpack on

CLARK
I gotta head to school, get some rest Pete..

Pete nods

PETE
Will do..

Clark nods as he goes out of the room and shuts the door, Pete looks at Jesse

PETE (CONT'D)
So, what brings you by?

Jesse thinks, he scratches his head

JESSE
I'm leaving Springwood in a couple of days..

Pete looks shocked, he thinks

PETE
Why? Freddy isn't dead..

Jesse nods

JESSE
I know, but I can't be doing this.. if something happens to me, it'll break my sister's heart..

Pete nods, Jesse sighs as he sits down

JESSE (CONT'D)
I'm sorry, Pete.. but if it's any consolation, I'd do the same..

Pete looks at him

PETE

I'm not leaving my friends..

JESSE

You also can't beat Freddy, kid..
he injured you and Cassie.. who
knows what he's going to do next..

PETE

I'm not a coward, Jesse..

Jesse nods, he sighs

JESSE

At least think about it, man.. I
don't want to see any of you on the
news..

it..

Tommy nods in agreement

TOMMY

Well, I hope you have a good chill
day, maybe I'll swing by later..

CASSIE (ON PHONE)

Maybe.. bye, Tommy..

Tommy nods

TOMMY

Bye, I love you..

CASSIE (ON PHONE)

Love you too..

Tommy hangs up, he stops at his locker when Clark walks up

CLARK

Hey man..

Tommy nods

TOMMY

Hey, how's Pete?

CLARK

He's awake..

Tommy nods

TOMMY

That's great..

CLARK

Yeah, it is..

Clark yawns, Tommy looks at him

TOMMY

Damn, Did you get any sleep last night?

Clark shakes his head

CLARK

No.. but it's alright, I might catch a nap in study hall..

TOMMY

Is that a good idea? Considering that Freddy is still around?..

Clark shrugs

CLARK

I don't know, but I don't think he'll mess with me..

TOMMY (CONFUSED)

How come?

CLARK

Last night, when Freddy came to me.. I didn't show fear, I looked him dead in the eyes and told him I wasn't afraid and.. he set me free..

Tommy looks shocked, he closes his locker and thinks

TOMMY

You think he won't bother you?

Clark shrugs

CLARK

I don't know.. but maybe that's how
we beat him.. we don't show fear..

Cassie nods

CASSIE

Morning sheriff, what brings you
by?

WALTER

Is your sister here?

Cassie shakes her head, Walter nods as he scratches his head

WALTER (CONT'D)

Well, I uh.. wanted to apologize
for last night, I was a bit hot
headed and I shouldn't have been..

Cassie nods

CASSIE
It's no big deal, I think we've all
been on our toes these past couple
days..

Walter nods

WALTER
Yeah, it's been hectic.. but I did
some research into this Freddy
guy.. ran his name through the
database and..

CASSIE
What'd you find?

WALTER
Well for starters, his name is Fred
Kreuger, he was a resident in
Springwood before being murdered by
vengeful parents.. couple years
later, there're reports saying how
the man resembling a burnt man is
attacking people in their dreams..

Cassie nods

CASSIE
Okay, where is this going?

WALTER
After 1989, there's a 19-year gap,
the first report of a similar
incident was made in 2008, just a
couple months after your father's
disappearance..

Cassie looks shocked, she thinks before Walter looks at her

WALTER (CONT'D)
I'm not insinuating anything but..

Cassie shakes her head

CASSIE
No, my father isn't a copycat
killer..

Walter sighs

WALTER

Come on, kid. Your dad suddenly disappeared and just a couple months after, someone got their throat slit in their sleep..

CASSIE

I don't know what kind of man he was, but the way my sister describes him, he was loved by everyone in Springwood..

Walter sighs as he looks around, he scratches his head

WALTER

You're right.. my apologies, you have a good rest of your day, Cassie..

FREDDY

Long time, no see, Tommy..

Tommy, not showing fear, watches as Freddy stands up

TOMMY

What do you want?

Freddy thinks, playfully resting his head on his hand

FREDDY

I.. want you to choose who I should add to my collection..

Tommy shakes his head

TOMMY

I'm not choosing anyone..

Freddy suddenly pushes him up against the wall, chuckling before flashing his finger knives

FREDDY

If you don't choose anyone by
tonight, I might as well go after
you..

Tommy looks him dead in the eyes, he pushes Freddy off of him

TOMMY

If you do, I'll pull you out of
here myself..

Freddy looks impressed, he chuckles as we hear a

I was wondering if I I visit Pete
at the hospital..

Lacey thinks, she nods

LACEY

Yeah.. just don't be out long..

CASSIE (ON PHONE)

I won't, promise.. oh, and by the

DEPUTY #1

I tried stopping her, sir..

WALTER

What's going on?

LACEY

You ACCUSED my father of being a
copycat killer?

Walter sighs, he looks at the deputy

WALTER

Leave the room, please..

The deputy nods and leaves, he closes the door as Lacey sighs

WALTER (CONT'D)

I didn't accuse him of anything,
Lacey..

LACEY

Then why did you tell my sister?
She wouldn't know anything about
him because he disappeared before
she was born..

WALTER

Because quite frankly Lacey, I'm
having a hard time believing that a
dream demon is killing people in
their sleep..

LACEY

What is it going to take for you to
believe us, sheriff? I mean
seriously, there's a whole backlog
of bizarre shit that has happened
in this town, WHY is this any
different?

Walter stands up, he thinks as he scratches his head

WALTER

It's called "have to see to believe", Lacey. I don't believe in Freddy much like how I don't believe in Santa or the Easter bunny or leprechauns, they're FICTIONAL characters by design..

LACEY

How do you explain Michael's death then? Cassie told you he was sliced open and was held up by thin fucking air..

Walter sighs

WALTER

I'm going to say this in the nicest way possible, but it's very likely that Cassie was just..

Lacey shakes her head in disbelief

LACEY

Don't fucking say it..

WALTER

She was seeing things, Lacey..

How're you doin'?

Pete shrugs

PETE
Fine.. My hands aren't in pain..
what about you?

Cassie looks at her hands, she shrugs before sighing

CASSIE
I'm sorry for dragging you and the
others into that mess last night..

Pete shakes his head

PETE
Don't, it was a solid plan that
Freddy just saw coming..

CASSIE
I know..

Pete thinks

PETE
What's the game plan now?

Cassie shrugs, she sighs

CASSIE
No idea, but after last night, we
need to regroup.. take a couple of
days to relax..

Pete nods

PETE
That sounds fine by me, the docs
put me on a dream suppressant so
I'm Freddy free for a couple of
days..

Cassie nods, she checks her phone and stands up

CASSIE
I gotta go, don't want Lacey to
worry..

Pete nods as Cassie looks at him

CASSIE (CONT'D)

CLARK

What happens if you don't?

TOMMY

He'll.. kill me tonight..

Clark thinks

CLARK

Why did he tell you to choose?

Tommy thinks, he rubs his head before sighing

TOMMY

I kind of accidentally led him to Mr Morgan..

Clark looks shocked

CLARK

What?

TOMMY

I know, I know..

Tommy covers his face with his hands as Clark thinks

CLARK

So, who're you going to choose?..

Tommy looks at him with a serious demeanor

day..

Cassie nods, they look at each other before Lacey sighs

LACEY (CONT'D)

After you called me, I talked with
the sheriff about his little
"theory"..

CASSIE

And..?

Lacey shrugs

FREDDY
You made it to my party..

Tommy stands his ground, he looks at him

TOMMY
I'm not choosing.. just take me..

Freddy, impressed, stands up gleefully, he thinks

FREDDY
How about a counter offer?

Freddy suddenly sprouts vines under Tommy, grabbing his arms and pulling him down to his knees, he laughs before standing in front of him

FREDDY (CONT'D)
I never wanted to kill YOU, Tommy..
your soul would just not look good
in my collection.. at least not
yet..

Tommy struggles before Freddy grabs him by the throat, he starts to choke as Freddy shushes him
