Shit, that means..

CASSIE
She's Freddy prone, which is why we
need to--

Walter walks up, furious, his uniform covered in dust

WALTER
Bad news.. Jesse is nowhere to be
found..

They look at him, shocked

CASSIE
He left?

Walter nods

WALTER
Yep, which makes you two the prime
suspects now.. I'm gonna need you
to come to the station..

TOMMY
Sheriff, We didn't do anything..

sheriff.. Freddy-

Walter sighs

WALTER
It's always Freddy, I get that..
but I need a plausible answer,
something I can actually use..

Cassie scoffs, she sighs

CASSIE
What do you want me to say? That
Pete and everyone else were just..
killing themselves in bizarre ways?
That doesn't sound plausible either
if you ask me..

Walter nods as he sits back, he thinks as he looks at her

WALTER

Why is this happening? What does
this Freddy guy want with a bunch
of teens?

Cassie shrugs

CASSIE

I wish I knew, sheriff.. but if you
don't let me and Tommy leave, then
Lacey is GOING to die.. she's
practically defenseless when she
dreams..

Walter looks at her, he chuckles and stands up, he sighs

WALTER

I wanted honesty, Cassie..

CASSIE

I'm giving you honesty, sheriff..

WALTER

No, you're giving me bullshit that
I don't have time for..

Cassie SLAMS her hands on the table, she stands up

at every chance I had, I failed..
and I don't know what to do..

Angela thinks

ANGELA
Okay.. Jesse, I need you to tell me
what exactly did you do because
you're starting to scare me..

There's a pause as Angela turns on the turnpike, Jesse sighs

JESSE (ON PHONE)

FREDDY

Cassie nods

CASSIE
I don't wanna fight.. at least not
yet..

Freddy nods before coming in, slamming the door shut, he looks at her

FREDDY
Then what do you want?

CASSIE
I.. want to know how you came to
be?

Freddy thinks, he spawns a chair and sits down

FREDDY
Well.. It started when a group of
parents banded together and--

CASSIE
You know what I mean, dickhead..

Freddy thinks as he gets up, he looks around and looks at Cassie

FREDDY
Instead of just telling you.. why
not SHOW you?

Freddy raises his hands and morphs the room into something else, Cassie looks around as every new piece starts to bind together before she sees where she is.

On a street with no traffic, no lights, and just the forest surrounding the road, she looks around in confusion

CASSIE
Where the hell am I?

Freddy appears behind her with a wicked smile

FREDDY
You wanted to see how I came back,
didn't you?

Cassie turns around and looks at him, she backs up before a car zooms past, she falls back into the ditch before she gets back up to see the car, a sense of familiarity rushes over her

Okay, And we can tell each other
the truth, right?

Tommy nods

TOMMY
Yes..

Walter nods, he sighs

WALTER
Okay.. now, why are people suddenly
dying in bizarre ways?

Tommy looks at him, he sighs

TOMMY
It's not because of Jesse, if
that's what you're getting at..

Walter sighs, he plops the pencil onto the table and groans

WALTER
I've tried really hard to believe
this Freddy bullshit.. but after
seeing Pete blow himself up like
that.. I wanna think there's
something else going on..

TOMMY
Like what, sheriff? You think it's
a cult?

WALTER
Well, it's a lot better explanation
than a goddamn dream demon..

Tommy looks at him before he sighs, they both sit back and look around

TOMMY

I get why you wouldn't believe us..
Clark didn't either..

Walter shakes his head

WALTER

Don't do that.. don't try to use
him as some sort of leverage..

Tommy shrugs

What the hell happened here?

FREDDY
A big battle.. two forces of evil
met at this camp.. myself and..
Jason Voorhees..

Cassie looks at him

CASSIE
Jason..

Freddy nods

FREDDY
A big brute that beat me up and

A decayed shrieking face, stuck in a look of horror as Freddy appears behind Cassie

CASSIE
What the fuck is that?

FREDDY
Necronomicon Ex Mortus.. the book
of the dead..

Cassie looks at him as John walks deeper into the cabin

CASSIE
Can I use that thing to beat you?

Freddy shrugs

FREDDY
You can try, but you're gonna wanna
see what it does first..

Cassie scoffs as she follows John, who stops in the middle of the room, he pulls out wire cutters and cuts the wire off of the book, he unwraps it and uncovers a cellar door, he opens it and goes in, Cassie follows him in.

CASSIE

Freddy.. what is he doing..

Freddy cackles and sighs

FREDDY

Enjoy The show..

Cassie looks at John as he gets on his knees.

JOHN

Spirits of the necronomicon Ex
Mortus.. I summon you today not for
glory or worship.. but for
compliance and sheer knowledge of
the dead.. my brothers of the
Damned have sought you out for
months but I've managed to get
ahold before they can do some dark
things..

Suddenly, thunder is heard as the book begins to shake, John backs up before a LOUD scream is heard, Cassie covers her ears as Freddy smiles from ear to ear before John looks at the book

NECRONOMICON (HISSING)

JOHN (CONT'D)

Adducere in hoc mundo tantibus olim
et ad gloriam. Im 'promptus ut fiat

tibi monstrum SEMEL!!

Cassie backs up as lightning **STRIKES** through the cabin and into the cellar, hitting Freddy's head and John in the process, he falls to the ground and drops the book in the process, Cassie stands in shock as she backs up

CASSIE

This is.. this is fucking insane..

Cassie walks over to the necronomicon, she kneels down and looks at the open page before John GASPS for air, she falls to the floor as he sits up, looking around before looking at the book, he sighs

JOHN

A dud.. Damnit..

John stands up before his nose starts to bleed, drops of it fall onto the page as he starts limping to the floor, Cassie sees the blood seep into the page before we

INT. JOHN'S CAR - BACKSEAT - MOMENTS LATER

Cassie sees John driving down the dark road, she doesn't see Freddy as John coughs, he feels his face getting itchy and scratches it, ash gets on the tips of his fingers, he looks at his hand in confusion

JOHN

What the hell?

John stops his car, he looks in the rearview mirror to see his face covered in ash, he tries to wipe it off but it only sheds onto the steering wheel, he thinks before he clutches his chest, Cassie sees smoke and gets out of the car.

We see John reach for his phone, he dials a number and holds it against his ear

DISPATCHER (ON PHONE)

JOHN

My name is John Hannigan, I'm

It's me..

Cassie sighs in relief before he lets go, she looks at him

CASSIE

How do I really know it's you?

Jesse looks at her

JESSE (CONFUSED)

What?

CASSIE

Freddy pretended to be me and let us believe we killed him.. how do I know that you aren't Freddy..

JESSE

Because, I've been stuck here and have been trying to find Lacey.. what about you?

CASSIE

I found out how he came back..

Jesse looks intrigued

JESSE

How did he--

Suddenly, **FINGER KNIVES** burst through Jesse's chest, splashing blood onto Cassie's face, she backs up in shock as Jesse spits up blood before being raised in the air by Freddy

FREDDY

Looks like I'm on point this time..

CASSIE

NO..

Jesse groans as Freddy throws him into the wall, he falls as Freddy looks at Cassie

FREDDY

And now, it's Lacey's turn..

LACEY (BEHIND HIM)

Is it?

Freddy turns around as Lacey WHACKS Freddy in the head with a pipe, he knocks back into the wall as he snarls at Lacey

FREDDY

How did you get here?

Lacey shrugs

LACEY

Saw an opening at the hospital,
lead me to here.. now leave my
sister alone..

Freddy growls as he stands up, Cassie rushes to Jesse as Freddy runs towards Lacey, she swiftly dodges him and **SHOVES** the pole through his head, Freddy screams as she pushes him up against the wall, She **SHOVES** it through the wall and leaves him there, he starts flailing his arms around before she backs up

LACEY (CONT'D)

And stay there..

Lacey turns to see Cassie holding Jesse's hand, she kneels down towards them

LACEY (CONT'D)

Shit..

Jesse looks at her, he scoffs

JESSE

It's just a flesh wound.. I'm--

Suddenly, Jesse coughs up more blood, Cassie looks at Lacey

CASSIE

We gotta wake him up..

Jesse shakes his head

JESSE

Don't, I'll die quicker otherwise..

Cassie looks at him, she reluctantly nods as he sighs

JESSE (WEAKLY) (CONT'D)

I'm.. sorry about your friends..

Cassie shakes her head

CASSIE

It isn't just on you.. we all failed..

Jesse nods as he thinks

JESSE

I need you to tell my sister something..

CASSIE

What?

Jesse looks at her, he smiles

JESSE

I didn't go out like a coward.. and that I love her.. wish I said it more to her..

Jesse chuckles weakly before his eyes gloss over, his body disappears and Cassie is shocked, she looks over to see Freddy gone, she sighs as Lacey starts to fade
