They're heavy, each step making a thud against the snow as Lea looks around, she hears the steps getting closer and closer, she looks around and sees light through the trees, she smiles before **BOLTING** towards them, she makes it to the trees before an axe is **THROWN** into her back. She falls onto the snow.

Now profusely bleeding from her wound, Lea screams in agony as the heavy footsteps get closer, she looks around

LEA
HELP ME. SOMEBODY PLEASE HEL-

Please.. have mercy..

going to church..

Lisa shrugs

LISA
You know how he is.. he was never
gonna let me date you if I told him
you were an atheist..

Matt nods in agreement

MATT
So what happens if we tell him now?
It's only been a couple months..

Lisa smacks his shoulder, he winces

MATT (CONT'D)
Ow, what the hell?

LISA
If we tell him, he'll freak.. and
who knows what he'll do to us..

Matt shrugs as they continue walking

MATT
He's a harmless priest, what
exactly can he do?

LISA
For starters, break us up.. and
then he'll probably homeschool me
which may lead to me actually
killing someone..

Matt chuckles as he wraps his arm around Lisa

MATT
He's not going to break us up.. and
I won't tell him..

Lisa chuckles, she nods as they look at each other

LISA
Thank you..

Matt nods as they get to his locker, he opens it as Lisa
looks around

LISA (CONT'D)
Huh, that's weird..

Matt looks at her

MATT
What?

LISA
Katie usually walks up to us by
now..

Matt shrugs as he grabs books from his locker

MATT
Maybe she's taking a sick day?

LISA
A week before exams? I highly doubt
it..

Matt nods as a group of teens walk up to them.

HENRY SAWYER, 15, his hair swooshed to the side, wearing a letterman jacket over his collared black and green striped shirt tucked into brown jeans.

LANCE HENRIKSON, 16, has short hair, wearing a gray hoodie with sweatpants, his glasses hang on his nose

HENRY

Hey guys..

Matt looks at them and nods

MATT

Henry. Lance. Maddie. Tommy. How goes it?

LANCE

We're actually looking for Katie, she didn't show up at breakfast this morning..

LISA

Matt says she's taking a sick day..

MADISON

A week before exams?

Lisa playfully nods

LISA

That's what I said..

MATT

Oh ha ha..

TOM

She could just be at her house..

HENRY

I actually looked there.. no Katie but I just assumed she was here..

Matt looks at them, he thinks

MATT

That uh.. that is unusual.

MADISON

Did you ask her parents where she
might be?

HENRY

Yeah.. they said she never came
home last night..

LANCE

Wasn't last night Mass?

LISA

I saw her but didn't see her leave
with anyone..

Tom thinks as he looks at Matt

TOM

Speaking of Mass, where were you
last night, Matty?

Matt looks at him as he shuts his locker

MATT

I had a double shift at the
supermarket..

MADISON

Damn, they're making you work
doubles now?

Matt nods

MATT

Tell me about it.. I worked until
10 and was exhausted when I got
home..

Madison chuckles as Lisa thinks

LISA

Guys, can we get back to finding
Katie?

Henry shrugs

HENRY

She might've pulled an all nighter
or something, I bet we'll see her
later at the party..

Matt looks at him

MATT
Shit, that's tonight?

Lance nods

LANCE
Yeah, we've been talking about it
for weeks now..

Matt sighs

MATT
I know.. but I gotta be at Lisa's
house after school..

MADISON
Why?

LISA
My dad insisted on catching him up
on what he missed at Mass
yesterday..

TOM
Damn..

MADISON
Well, it isn't like you'll be there
all night, right? The party starts
at 7..

Matt nods

MATT
Right..

COACH WILSON

Nice job, you two. 3:15 and 3:16 respectively..

TOM

Ever get the heebie jeebies from this costume?

Matt glances at him as he sits down to put his shoes on, he shrugs

MATT

Not really.. it's just a costume..

Tom nods as he turns around

TOM

I get that.. but still.. it always gave me the impression that.. something dark comes with wearing it..

Matt nods

MATT

I mean.. it is dark when you put it on.. I couldn't see jackshit when I put the head on..

TOM

I'm not talking about that kind of dark, man.. I'm talking about like.. dark energy.. shit like that..

Matt looks at him, he chuckles as he ties his shoes

MATT

Tommy, there isn't such a thing as "dark energy".. the costume is creepy, yes but that's all it is, man..

Tom chuckles as he sits across from him, he sighs

TOM

Maybe you're right.. I might have to stop watching X-Files..

Matt chuckles as he sits back, he looks at the costume before it

CUT TO:

MRS. STUART

No.. I figured she was at school.. why?

Madison sighs, she looks around

MADISON

She's not here either.. is there any other place she would be?

MRS. STUART
Um.. Not that I can think of.. is
something wrong?

Madison shakes her head

MADISON
No Ma'am, I'm sure she'll pop up,
sorry for wasting your time..

Madison hangs up, she sighs before she turns around, seeing Lisa, she jumps back

MADISON (CONT'D)
Don't do that, Lisa..

for tutoring..

Matt nods as he looks around, Lisa turns his head towards her

LISA (CONT'D)
I know. I know. It sucks but.. I'll
see you at the party tonight,
right?

Matt smiles, he nods

MATT
Wouldn't miss it..

Lisa smiles as they kiss, they look at each other before Lisa breaks off from him

COACH WILSON
Hello?

No answer, he goes out and down the steps to look around, seemingly nothing out of place, he scratches his head as he walks along the lockers, he gets to the entrance and looks down the hall to see nothing, not noticing an axe missing from the display case as he hears a CRASH from inside the locker room.

He rushes in to see that the Alderbrook Raven costume is gone from the display case, with the mannequin knocked over, he looks around, darting his eyes back and forth

COACH WILSON (CONT'D)
All right, asshole you got exactly
10 seconds to come out before I
call the cops..

It's a neat bathroom, the stall doors are all shut and there's a big mural on the wall reading "GO RAVENS". Coach Wilson looks around

COACH WILSON

If this is your idea of a senior prank, you're gonna have to pay a very hefty fee for that glass display..

BANG

Coach Wilson smacks open the first stall door, there's nothing there. He sighs as he goes to the next stall

COACH WILSON (CONT'D)

You know, if you come out now there won't be any major consequences..

BANG

Coach Wilson smacks open the second stall, nothing. He sighs once more before looking under the third stall, seeing the big raven's feet, he chuckles before moving towards the stall door

COACH WILSON (CONT'D)

Gave you a chance, kid. Now you're done for..

BANG

Coach Wilson smacks the stall door open only to get an **AXE** to the chest.

Coach Wilson looks shocked, he backs into the sink as the **ALDERBROOK RAVEN** steps out, looking towards the Coach as he falls on his back, blood gushes out of his wound as the Alderbrook Raven **PULLS** the axe out, blood splashes onto the sink and the mirror as the Raven winds back the axe, Coach Wilson spits up blood, holding his hand up

COACH WILSON (CONT'D)

Please. Don't..

Matt nods as Father Morgan makes his way towards the steps

MATT

Well, I'm a boy of my word,
Father.. and I think Lisa would've
killed me if I blew you off.

Father Morgan chuckles as he makes his way up the steps, he looks at Matt

FATHER MORGAN

I don't think it would ever come to
that. My daughter, she's rebellious
but murder isn't in her future..

Matt chuckles as Father Morgan goes to unlock the door, he opens it and looks at Matt

FATHER MORGAN (CONT'D)

Come on in..

Matt nods as he follows Father Morgan into the house as it

FATHER MORGAN

Now that we're all settled.. I
wanted to ask you a few questions
before we get into the lesson..

Matt nods

MATT

Okay..

Father Morgan nods, he thinks before looking back at Matt

FATHER MORGAN

What is the real reason that you
skipped mass last night?

Matt looks at him, confused

MATT

What? I was working at the
supermarket..

FATHER MORGAN

You were.. but they closed at
nine.. you got off at five because
I called to confirm..

Matt looks at him, they both stare at each other before he
sighs

MATT

Okay, fine.. I stayed home after I
got off work..

Father Morgan nods as he thinks

FATHER MORGAN

So.. why did you lie?

MATT

Because.. I knew you'd hate my real
reason..

Father Morgan looks intrigued, he shrugs

FATHER MORGAN

I'm a forgiving person, Matthew..
I'm sure that whatever you say
won't--

MATT

I'm an atheist, Father Morgan..

Father Morgan looks shocked, he sits back and thinks as Matt
sighs

MATT (CONT'D)

I only go to mass because it makes
my mom happy.. it's rare to see her
smile nowadays after my dad died..

Father Morgan nods as he sighs, he sits up

FATHER MORGAN

I'm not mad.. I actually appreciate
the honesty.. but why lie about it?

Matt shrugs

MATT

I don't know.. my friends are all
religious people for the most part
and.. I'm worried that I'd be an
outcast if I told them my beliefs..

Father Morgan nods, he thinks

FATHER MORGAN

I wasn't always a priest, Matthew..

Matt looks confused

MATT

Seriously? But you've worn the robe
every day?

FATHER MORGAN

Yeah. but as a teenager, I was like
my daughter and my dad was like
me.. religion runs deep in my
family but.. I never fully accepted
God into my life until I met Lisa's
mother.. she helped me find my
faith and now after her death.. I
feel her presence along with
God's..

MATT

Whoa.. I uh.. never really thought
about it like that before..

Father Matthew nods

FATHER MORGAN

I'm not gonna tell you how to live
your life, Matthew.. but at the
very least, I can tell you to give
God a shot..

Matt nods as Father Morgan stands up

FATHER MORGAN (CONT'D)

Will I see you at mass next week?

Matt looks at him, he nods

MATT
Absolutely..

Matt stands up, he looks at Father Morgan

MATT
Yeah.. just catchin' my breath..

Lisa nods as she thinks, she looks around before looking at him

LISA
I have an idea.. the falls isn't that far from here..

Matt realizes what she means and smiles

MATT
I'm down..

Lisa smiles

LISA
Okay, follow me..

Lisa takes his hand and takes him towards the forest. They walk pass the several trees as the sound of the falls grow closer and closer before they approach a bridge leading across the falls, they walk onto the platform and look down, they see the water running off of the drop and they take in the sound of rushing water, Lisa looks at Matt leaning on the guardrail, who looks out of it as she wraps her arm around

LISA (CONT'D)
You seem tense, you sure you're all right babe?

Matt nods

MATT
Yeah, I'm fine, it's just.. I saw a couple cops and a van at the high school..

LISA (CONCERNED)
Shit.. what happened?

Matt shrugs

MATT
No idea..

Lisa nods as she thinks, she shrugs

LISA
It could be nothing, Matt..

Matt nods

MATT
I know, I know.. I just haven't seen that many cops since my dad--

Matt shakes his head, Lisa rests her head on his shoulder

LISA
Sorry..

MATT
It's okay, I'm okay..

Lisa nods

LISA
Okay..

It grows silent as the sounds of rushing water fills the silence, Matt chuckles as he sighs

MATT
I am, in fact, a little drunk..

Lisa chuckles before she nods

LISA
Me too.. wanna head back?

No idea..

Lisa walks up to him, Matt looks at her

MATT
Lisa, what're you--

LISA
I just wanna see what it is..

Lisa kneels down and brushes the leaves off of one side of the lump only to reveal a shoe and a pant leg, Lisa backs up before she looks at Matt

LISA (CONT'D)
I think it's a person..

Matt walks up, he approaches her and brushes off the leaves to reveal a coat and a familiar face.

It's **KATIE STUART**, with a rope wrapped around her neck, her face dirty and glasses cracked, Matt and Lisa back up in shock

MATT
Holy shit..

LISA
It's Katie.. she's-- she's dead..

Matt looks at her, he thinks before pulling her away

MATT
Listen to me, there's a payphone
not far from the warehouse, I need
you to go and call 911..

Lisa looks at Matt

LISA (SHOCKED)
Matt, I'm not just--

MATT
You have to.. I'll stay right here

Chris playfully shrugs

CHRIS
Well hey, someone had to do it..
and, I thought it would help soften
the news a little bit..

Kendall looks confused

KENDALL
What're you talkin' about?

CHRIS
Lea's missing and she's not
answering her phone..

Kendall looks shocked as they start to walk down the hall, she looks at him

on setting up the winter formal..

Kendall nods, she thinks before looking at him

KENDALL

Let me see if Ben can cover for
her..

Chris looks at her

CHRIS

Do you think he'll do it
considering that him and Lea used
to be a thing?

KENDALL

No idea.. but he owes me after the
whole drinking debacle at her party
during the summer..

Chris nods

CHRIS

Right, the party where he was so
drunk, we had to take him home only
to be met with his dad, the mayor
and your dad, the sheriff..

MATTHEW
Hi.. is this Francine?

Matthew shakes his head

MATTHEW
Nothing, ma'am, he just uh.. totaled his car but it wasn't his fault..

FRANCINE (ON PHONE)

Matthew nods, he hands Max his phone and he puts it on speaker

MAX

HEATHER

That was nice of you, ya know?

Matthew chuckles as he pulls out his keys

MATTHEW

HOLLY

What party debacle?

VICTORIA

Oh, that's right, you've only been around the group since August..

Daisy chuckles as a waitress comes up

WAITRESS
What will it be?

DAISY
Just two beers, please..

The waitress nods as she walks away, Justin looks at her

JUSTIN
So.. What made you stay in Alderbrook? Last time I remembered talking to you, you said that acting on broadway was your dream..

DAISY
Well, it still is.. but living in New York is expensive.. which is why I'm saving up to buy an apartment out there and who knows? Maybe this time next year, that dream will become a reality..

Justin nods as Daisy looks at him

DAISY (CONT'D)
So, what about you? Did the true crime world not excite you anymore?

Justin shrugs, he thinks

JUSTIN
I'm actually here on behalf of an anonymous tip..

DAISY
Seriously? What for?

Justin shrugs

JUSTIN

No idea, they just told me to get here and to "get ready for the story of a lifetime"...

DAISY

Isn't that a little suspicious?

JUSTIN

No idea, honestly. But I guess we'll just have to wait and see..

yesterday..

Any eye witnesses to prove that?

Arthur looks at him, confused

And who the hell are you?

MATTHEW

He's new.. can we get back to
what's at hand, Arthur?

Arthur looks at Matthew, anger grows in his eyes

ARTHUR

I don't know where the girl is,
Sheriff. If anything, you should be
questioning whoever is going in
that damn warehouse near the
falls..

Matthew looks at Arthur, confused

MATTHEW

What do you mean?

ARTHUR

Last night, I was driving by it and
saw someone drag a big bag into
it.. now, why would anyone want to
go in there after it hasn't been in
use for 25 years?

Matthew looks shocked, he thinks before rushing to his
cruiser

warehouse..

Carter looks at the snow, he scans it before realizing

CARTER
It's fresh..

Matthew looks at him

MATTHEW

How do you know?

CARTER

Look at the difference in density
from where you're standing to where
the trail stops..

Matthew looks and realizes, he kneels down and feels around
the snow, he touches something and looks at Carter

MATTHEW

Help me..

Carter nods and puts his gun away, he helps Matthew dig the
snow off of what he touched and a face is revealed.

the rest of her head up and feels her pulse, he sighs

MATTHEW (CONT'D)

She's dead..

Carter sighs as Matthew closes her eyes, Carter looks around
before seeing his hands, covered in blood, he stands up

body up before seeing her big chest wound, her arms a pale
blue as he backs up in shock, sitting on the ground, Carter
looks at him

CARTER (CONT'D)

I'm gonna call it in..

Matthew blankly nods as Carter steps away, he stares at Lea's
body as it
