**HEATHER**

Ease them into it.. it may be difficult but it never isn't..

Matthew nods in agreement as Heather pats him on the shoulder

**HEATHER (CONT'D)**

I'll see you tomorrow, Sheriff..

Matthew nods as Heather walks towards her van, **CARTER** makes his way towards Matthew

**CARTER**

So uh.. what do we do now, Sheriff?

Matthew looks at him, he shrugs

**MATTHEW**

There's nothing more we can do here, Carter.. come on..

Save the apologies, Carter..

Carter nods as he opens the car door and gets out, Matthew looks at him

MATTHEW (CONT'D)  
Hey..

Carter looks at him

CARTER  
Yeah?

MATTHEW  
You did a good job today..

Carter smiles a little and nods before shutting the door, Matthew sighs as he pulls out his phone, he dials a number and holds it against his ear

KENDALL (ON PHONE)  
Hey Dad.

Matthew smiles, he rubs his head

MATTHEW  
Hey sweetie, are you uh.. done setting up the formal for the day?

KENDALL (ON PHONE)  
Yeah, actually. But you don't have to get me.. I actually wanted to know if I could stay at Victoria's for the night?

Matthew chuckles and nods as he looks out the window

MATTHEW  
Yeah, honey, that's fine as long as it's fine with her parents..

KENDALL (ON PHONE)  
Okay, thanks dad.. love you.

MATTHEW  
Love you too, bye..

Matthew hangs up, he sighs as he puts his phone away and thinks, he backs out as it

EXT. CARTARONI RESIDENCE - FRONT PORCH - LATER

Matthew pulls in and turns off his car, he gets out and walks up to the front porch and knocks on the door, he waits a minute before **MARIA** opens it, in her night clothes, she looks at him

MARIA  
Sheriff.. what're you doing here?

Matthew looks at her, he scratches his head as she comes out onto the front porch, he sighs

MATTHEW  
We uh.. we found your daughter..

Maria looks shocked but it quickly turns to joy

MARIA  
Oh.. thank god, I was so worried  
that she might be..

She stops after seeing the somberness on Matthew's face, he shakes his head, her heart sinks before she steps back, Matthew sighs

MATTHEW  
She was found under three pounds of  
snow with uh..

Maria shakes her head, tears forming in her eyes

MARIA  
Don't.. please don't tell me..

Matthew nods as he steps back

MATTHEW  
I'm.. truly sorry for your loss,  
Ms. Cartaroni..

EXT. FRANCO RESIDENCE - DRIVEWAY - MOMENTS LATER

SUSAN

Hey, I've been trying to call you,  
is everything alright?

Matthew shakes his head

MATTHEW

No.. I'm uh.. I'm not alright,  
Susan. Someone's kid is dead and I  
had to be the one to tell her  
mother..

Susan nods as he sits on his front porch steps, he sighs as Susan sits next to him, she looks at him

SUSAN

Where's Kendall?

MATTHEW

At a friend's for the night..  
thought I'd keep her out of the  
house until tomorrow..

Susan nods, Matthew looks around and breathes in and out

MATTHEW (CONT'D)

Once Lea's death is mainstream,  
this town is going to be a media  
frenzy.. which means they'll most  
likely swarm the station..

SUSAN

It's only one death, it can't be  
that serious..

Matthew shakes his head

MATTHEW

It's not the first time something  
like this had happened in this  
town..

SUSAN (CONFUSED)  
What do you mean?

Matthew looks at her, he sighs

MATTHEW  
25 years ago, one of my friends was  
murdered in the very same spot we  
found Lea in.. and like clockwork,  
the rest of my friends were picked  
off one by one..

Susan looks shocked as Matthew looks into the night sky, she  
looks at him

SUSAN  
Who did it?

There's a brief silence as Matthew looks at her, he shrugs

MATTHEW  
Someone who I thought I could  
trust.. they're the one that gave  
me this..

Matthew takes off his jacket and rolls up his sleeve to  
reveal his scar on his arm, Susan's jaw drops

SUSAN  
Jesus.. Did a knife do that?

Matthew shakes his head

MATTHEW  
Axe.. my forearm was touching my  
elbow before they were shot by the  
cops..

Susan nods as Matthew puts his sleeve down, she looks at him  
as he looks at her

SUSAN  
Can't imagine going through  
something like that..

MATTHEW  
Tell me about it. had several  
stitches, physical therapy, and  
regular therapy before I was ever  
able to live by myself after high  
school..

Susan nods as they sit quietly, Matthew sighs

MATTHEW (CONT'D)  
Sorry if all of this freaks you  
out..

Susan looks at him, she shakes her head

SUSAN  
I'm not freaked out..

Matthew chuckles

MATTHEW  
Susan..

SUSAN  
Trust me, I'm not.. I get now why  
you don't wanna have a.. closer  
relationship.. better to keep me at  
arm's length..

Matthew shakes his head as they look at each other, he smiles

MATTHEW  
I love you, Susan.. it's just..  
after the divorce, I wanna just..  
take things slow for once..

Susan nods

SUSAN  
I understand..

Susan stands up, she looks at Matthew as she puts her hands  
in her pockets

SUSAN (CONT'D)  
See you tomorrow, Matthew..

Matthew smiles and nods as she walks back to her house,  
Matthew sighs and stands up and go towards his front door, he  
goes into his house as it

smiling at each other as he takes a swig of his beer

JUSTIN  
So, let me get this straight. You  
auditioned for Dorothy only to  
completely freeze up..

Daisy nods as she drinks her beer, she puts it down

DAISY

The worst part about it is that the  
song I was supposed to be singing  
was PLAYING as I was standing  
there..

Justin laughs

JUSTIN

Oh no..

Daisy laughs as Justin looks at her, things grow a bit silent  
before **LENNY**, a hefty man wearing a black shirt with a apron  
tied around his waist, walks up to them

LENNY

Sorry to interrupt but uh.. it's  
almost closing time..

Justin and Daisy nod as Lenny leaves, Justin looks at her

JUSTIN

So uh.. am I paying?

Daisy shrugs

DAISY

I don't know, doesn't the person  
who came up with the idea get to--

Daisy stops as she realizes, Justin chuckles as she pulls out  
her wallet, she pulls out \$35 dollars and sets it on the  
table, she gets up and as does Justin

DAISY (CONT'D)

So.. are we heading back to my  
place or uh..

Justin looks at her, intrigued as it

INT. BLANCHARD RESIDENCE - VICTORIA'S ROOM - MOMENTS LATER

We see **KENDALL**, wearing night clothes, laying on a pull out mattress, staring at the ceiling as **VICTORIA** is laying on the bed next to her, slightly elevated, on her phone

VICTORIA  
Huh.. that's weird..

Kendall looks at her

KENDALL  
What?

VICTORIA  
Apparently, they found a body near  
the old warehouse..

Kendall sits up, intrigued as Victoria does the same

KENDALL  
Does it say who?

Victoria shakes her head

VICTORIA  
No..

Kendall thinks, Victoria looks at her

KENDALL  
It can't be Lea, can it?

Victoria shrugs

VICTORIA  
I don't know.. but we gotta remain  
optimistic, right?

Kendall thinks, she nods

KENDALL

Yeah.. we do..

Victoria nods as she puts her phone down, she looks at Kendall

VICTORIA

So.. how was setting up with Chris and Ben?

KENDALL

It.. went better than I expected, we got a lot done and there's still more we need to do..

VICTORIA

That's great.. and, I didn't question it before but.. why did you have me come get you?

Kendall thinks, she smiles

KENDALL

I uh.. wanted to give my dad some space.. he's been "secretly" seeing our neighbor and I figured he'd make a move if I wasn't there..

Victoria chuckles and as does Kendall, she looks at her

KENDALL (CONT'D)

You know, now that I think about it, it takes only 15 minutes to get from your house to the school.. but it only took you five to come get me.. why is that?

Victoria chuckles, she thinks as she slides down to Kendall, they both rest their backs on her bed as she sighs

VICTORIA

If I tell you this, promise you won't tell anyone?

Kendall nods

KENDALL

You got it, not a peep..

Victoria nods, she sighs

VICTORIA

Okay, so.. me and Richie go to the community pool during the winter..

KENDALL (CONFUSED)  
Isn't it closed for the winter?

Victoria nods

VICTORIA  
Exactly, and he has a key for the  
summers, and it's the perfect place  
to uh.. mess around in the hot  
tub..

Kendall looks shocked as Victoria smiles, she chuckles

KENDALL  
Damn, when the hell did this start?

VICTORIA  
Last year.. we got bored and  
decided to have some fun during  
winter break..

Kendall chuckles and as does Victoria, she thinks as she  
looks at her

VICTORIA (CONT'D)  
So uh.. have you and Chris ever..

Kendall shakes her head

KENDALL  
Uh, no.. it hasn't really been in  
the conversation..

Victoria nods

VICTORIA  
Understandable, can't really rush  
something like that..

Kendall nods as she looks at the clock, she sighs

KENDALL  
We should get to bed..

Victoria nods as she gets back onto her bed, Kendall lays  
back down as it

CUT TO:

INT. GRANT RESIDENCE - BEN'S ROOM - MOMENTS LATER

nightstand, and a bunch of trinkets on his dresser.

We focus on **BEN**, who's reading a book as a knock on his door is heard, he looks towards it

BEN

Come in..

The door opens and it's **THOMAS**, wearing his dress shirt with his tie loosened, he comes in with a smile

THOMAS

Hey, I was just uh.. checking up on you..

Ben glances at him before going back to his book

BEN

I'm fine..

THOMAS

You sure?

Ben sighs

BEN

Yes dad, I am..

Thomas nods

THOMAS

Okay.. I was just--

BEN

Checking if I broke my sobriety today? Like you've done for the past five months..

Thomas sighs as Ben puts his book down

THOMAS

Son, If I want to trust you, I have to ask..

BEN (SARCASTIC)

Well, trust me dad, I've been a good boy..

Thomas chuckles at his son's sarcasm before sighing

THOMAS

I'm just trying to look out for you.. I don't ever want to see you behind a set of bars.. you know that, right?

Ben nods as Thomas nods back, he looks at his son with a smile

THOMAS (CONT'D)  
Goodnight, son..

Ben nods

BEN  
Night, dad..

Thomas nods as he walks to the door and goes out, closing it behind him. Ben picks his book up and reads it as it

CUT TO:

INT. FRANCO RESIDENCE - MATTHEW'S ROOM - MORNING

MATTHEW  
Early morning it is..

Matthew gets up as it

CUT TO:

INT. FRANCO RESIDENCE - KITCHEN - LATER

We see Matthew, now with his hair properly brushed and back to wearing his uniform, making coffee as he checks his phone, seeing a text from Heather that was sent at 1:30 AM, he looks at it and it reads

"First thing tomorrow, come down to the morgue"

Matthew thinks as his coffee brews before it

CUT TO:

INT. ALDERBROOK MORGUE - HALLWAY - LATER

Matthew is seen walking down the hallway, wearing his jacket and holding a coffee cup with a lid on it, he sips it as he sees Heather, she approaches him

MATTHEW  
I saw your text, what's up?

HEATHER

I was up all night examining the car crash body and Lea's body and uh.. it's better if I just show you..

Matthew nods as he follows Heather into the

INT. ALDERBROOK MORGUE - MORTUARY

It's a very clean and pristine room, with two carts sitting side by side inches apart from each other, bodies are on top of them covered with a white sheet, the right one covered in blood, Matthew puts his coffee down as Heather puts gloves on, she hands a pair to Matthew as she walks over to the carts

HEATHER

Okay, so this one is Lea.

Matthew nods as she pulls the sheet to show just her head, he sees that she still has the beanie on her head

MATTHEW

I thought you normally take every piece of clothing off of the bodies..

HEATHER

I do.. but when I tried to take her hat off, it started pulling her scalp off.. which leads me to believe that it was most likely superglued onto her head post mortem.. the cold made it worse..

Matthew nods

MATTHEW

So, why not just cut the top of the hat and slowly peel it off?

HEATHER

I've tried, my scissors can't go through it due to it being rock solid..

Matthew nods as he sighs

MATTHEW

So, why am I down here?

Heather nods as she gestures for him to come on her side, Matthew does so and she gently pushes Lea onto her side, he sees an envelope pinned with a tack with "Matthew" written onto it, he looks shocked

MATTHEW (CONT'D)

What the hell?

Matthew pulls the envelope off of her body and Heather gently puts her back, she looks at Matthew

HEATHER

Why would someone leave a note?

Matthew shrugs as he opens it, he unfolds the paper and reads it

MATTHEW

"Do I Have Your Attention?"

HEATHER

Is that all it says?

Matthew nods as he puts the paper down, he sighs as he thinks

MATTHEW

I'm starting to think Lea being put where Katie's corpse was when I found her wasn't a coincidence..

Heather thinks as she looks at the other sheeted body, she looks at Matthew

HEATHER

I also found something interesting about our "car crash" victim..

Matthew looks confused as Heather covers Lea's head back up and walks over to uncover the car crash victim, his face mangled, Matthew steps back

MATTHEW

What the fuck happened to his face?

HEATHER

The steering wheel smashed through his jaw, knocking it into his throat..

Matthew covers his mouth as Heather nods

HEATHER (CONT'D)

Sorry.. but, it's not what killed this guy?

Matthew looks at her

MATTHEW (CONFUSED)  
What do you mean?

Heather tilts the victim's head up slightly, Matthew notices the rope burn on his neck

MATTHEW (CONT'D)  
He was strangled?

Heather nods

HEATHER  
By my estimate, he was dead 10 minutes before he crashed into Max..

MATTHEW  
How does a corpse stay on the road for that long?

HEATHER  
No idea.. but I believe that whoever killed Lea was also behind this John Doe's death..

Matthew nods, he thinks as he looks at Heather

MATTHEW  
Can't you run his prints through the database?

HEATHER  
I could if he was from Alderbrook.. but otherwise, I can't..

Matthew nods as he looks at the note, Heather looks at him

HEATHER (CONT'D)  
What're you gonna do about that?

Matthew looks at her, he pockets it

MATTHEW  
For right now, it stays between us.. don't really want the press up my ass for questions..

Heather nods

HEATHER  
Got it..

Matthew nods as he glances at Lea, he looks at Heather

MATTHEW

Ms. Cartaroni is going to come here  
to identify her, please find a way  
to get the hat off of her.. one  
that doesn't involve descalping..

Heather nods as Matthew peels his gloves off, he throws them  
into the trash, squirts hand sanitizer onto his hands before  
grabbing his coffee cup and leaving, Heather covers the body  
as it

CUT TO:

INT. HOTEL - JUSTIN'S ROOM - MOMENTS LATER

Daisy wakes up, Justin turns over and looks at her with a  
smile

JUSTIN

Morning..

Daisy smiles

DAISY

Morning..

JUSTIN

So uh.. was this a one time thing  
or..

Daisy chuckles as she gets up, she picks her bra up off of  
the floor and puts it back on, she stands up and turns  
towards Justin

DAISY

How long are you gonna be in town?

Justin shrugs

JUSTIN

No idea.. it depends on if there's  
an actual story here like my  
mystery contact said there was..

Daisy nods as she sits down to put her underwear on, she  
grabs her pants off of the floor and stands up

DAISY

I'd like to go on an actual date  
next time..

Justin nods

JUSTIN

Deal.. where would you want to go?

Daisy buttons her pants as she grabs her uniform and puts it on, she leans onto the bed and kisses Justin, they look at each other, she smiles

DAISY

That's for you to figure out..

Justin smiles as she puts her socks on, she grabs her shoes and slides them on and starts to button her shirt, he looks at her

JUSTIN

You know, if this does become a thing, maybe I won't leave..

Daisy looks at him, she playfully shrugs

DAISY

You never know..

Justin nods in agreement as she finishes buttoning the last button, she walks over to grab her jacket and puts it on, she waves

DAISY (CONT'D)

See you tonight?

Justin looks confused as she exits the room, he thinks

JUSTIN

She didn't mean tonight, did she?

Justin looks around and shrugs before turning on the TV to the news

tripled overnight..

Kendall looks up to see a **SWARM** of reporters, all around the school, Kendall looks at Victoria

KENDALL

I'm starting to think it was Lea..

VICTORIA

Why're they at the school though?

Victoria nods as she pulls into her parking space, she looks at Kendall

Kendall nods as they grab their bags and get out, they make their way to the school when a reporter walks up to them

Kendall nods

KENDALL

THOMAS

Matthew, what the hell is going on  
out there.

Matthew looks at him

MATTHEW

Nice to see you too, Tom..

Thomas sighs as he closes the door, he stands across from  
Matthew

THOMAS

Would've been nice to know that you  
found Lea Cartaroni, I've had  
swarms of press around me all  
morning..

Matthew shrugs

MATTHEW

Tom, this situation is MY priority,  
I don't have to update you on  
anything..

Thomas looks at him as he rearranges files, he looks at the  
TV on the wall

THOMAS

Have you seen what happened at the  
school yet?..

Matthew looks at him

MATTHEW (CONFUSED)

What? No..

Thomas picks up the remote and turns on the TV, Matthew looks  
to see Victoria and Kendall standing outside of the school,  
he stands up

VICTORIA (ON TV)

We DON'T KNOW anything, and I've  
tried playing nice.. try this  
\*BEEP\* again and I will NOT  
hesitate to spray you again.. Do I  
make myself clear, ass\*BEEP\*?

Thomas mutes it and looks at Matthew, he looks at him

MATTHEW

When was this?

THOMAS

Two hours ago, apparently she also  
pepper sprayed three of them..

Matthew sighs as Thomas looks at him

THOMAS (CONT'D)

It hasn't even been a solid day  
since Lea Cartaroni has died and  
her death already turned this town  
into a frenzy, they're asking  
questions.. wondering if that  
creepy mascot is being used for  
killing again..

Matthew shakes his head

MATTHEW

The costume has been locked in the  
evidence locker for years..

a knock on the door is heard and Matthew sighs

MATTHEW (CONT'D)

and a box was on the floor..

Thomas looks at him

THOMAS

What box?

Matthew rushes into the locker and sees the box, he picks it up and reads the label "Alderbrook Raven", he throws the box down in frustration

MATTHEW

FUCK..

Matthew kicks the box across the room as Thomas looks at him, Carter nods

CARTER

I'll uh.. give you two a minute..

Thomas nods as Matthew paces, he walks up to him

THOMAS

You gotta breathe, man..

MATTHEW

I can't, Tom.. there have been two deaths in a single day, one of which was exactly where Katie died 25 years ago..

Thomas nods

THOMAS

Two? What was the other one?

MATTHEW

The car crash victim.. Heather found rope burns on his neck and came to the conclusion that he was already dead before the crash..

Thomas looks shocked as he sighs

THOMAS

What do we do?

Matthew throws his hands up

MATTHEW

I have no fucking clue, man..

Matthew paces as Thomas thinks, he looks at Matthew

THOMAS

Is this guy trying to replicate the murders?

Matthew shrugs

MATTHEW

I don't know.. but I gotta figure out what to do next before this guy decides to strike again..

Matthew pushes past Thomas and heads back towards the

MATTHEW

Well, they're gonna have to wait some more, I'm not some puppet..

THOMAS

Well, whatever you decide to do, I need you to run it by me.. I mean, I have a family to protect too, ya know..

Sorry, I haven't really been in a mood to talk..

Holly nods

HOLLY

I get it, Lea was your ex, you still cared about her and I respect that.. but, you know you can talk about it with me, right?

Ben looks at her, he sighs

BEN

It's not that I don't want to talk about it.. it's just.. the last text she sent me was the day before she turned up missing..

HOLLY

What did she say?

BEN

She wanted to talk, I assume about what we were gonna be towards each other..

HOLLY

What did you say?

Ben shakes his head

BEN

Nothing, I left her on read and went about my day, I wasn't interested in talking to her..

HOLLY

Why? Did you two have like, a bad fight or something?

Ben shakes his head, he sighs

BEN

She was mad that I wouldn't stop drinking.. she broke up with me the night before the party..

Holly nods as Ben closes his locker, he starts to walk away and she follows

Kendall looks at them

KENDALL  
Did you guys know about the  
Alderbrook Raven massacre that  
happened 25 years ago?

VICTORIA (CONFUSED)  
Alderbrook Raven? Isn't that the  
thing the asshole reporter asked us  
about?

Kendall nods

KENDALL

Yes..

Ben thinks, he nods

BEN

Yeah, I heard about that from my dad.. what about it?

KENDALL

Well, as it turns out, my dad was one of the sole survivors of that massacre..

They all look collectively shocked, Richard looks at her

RICHARD

Did it say how many died?

Kendall nods

KENDALL

Four teens died plus the killer, all of which were a part of mine and Ben's dad's clique..

Ben nods

BEN

One of them was my dad's sister..

CHRIS

So wait.. why were you researching about this?

KENDALL

I wanted to see what all the buzz was about since that seems to be the main talking point in all of the articles surrounding Lea's death..

HOLLY

The press swarmed a small town just because of some killer from the late 90s? Seems like something straight out of *Scream*..

RICHARD

So, what happens now? Was Lea's death the first one?

CHRIS

Okay, Let's not think about that,  
please..

BEN

Why not? Shouldn't we at least be a  
little bit worried about the fact  
that our friend is dead and they  
seemingly haven't caught whoever  
did it?

VICTORIA

Chris is right, if we think about  
it for too long, we're just gonna  
freak ourselves out.. let's just  
eat for the time being..

They all collectively nod as they resume eating before it

Heather nods as she opens the door and allows Maria to enter  
the Mortuary first, Heather walks in

INT. ALDERBROOK MORGUE - MORTUARY

We see that there's only one cart in the room, Maria looks at  
it and stays a couple steps away as Heather walks to the  
other side, she looks at Maria with sincerity

HEATHER

I'm sorry that you have to do this,  
Ms. Cartaroni..

Maria looks at her

MARIA

Please.. can I just see her?

Heather reluctantly nods as she slowly peels back the sheet, revealing Lea's cold and pale face, not wearing the hat anymore, Maria breaks down as she approaches the cart, she sobs

MARIA (CONT'D)  
I'm sorry, Lea.. I'm so, so,  
sorry..

Maria cries as Heather looks at her, she steps back as it

MATTHEW  
Come in..

The door opens and it's Carter, he looks at Matthew

MATTHEW (CONT'D)  
Hey, what's up?

CARTER  
Uh.. there's a guy out here looking  
for you..

Matthew cocks his eyebrow up

MATTHEW (CONFUSED)  
Who is it?

Carter gestures for the person only to reveal it's Justin, Matthew sighs as he stands across from him

MATTHEW (CONT'D)  
Justin Harrow..

Justin flashes a smile and nods

JUSTIN  
Matthew Franco.. nice to see you  
again..

MATTHEW  
Uh huh, what do you want?

Carter looks at Matthew

CARTER

Uh, do I--

Matthew shakes his head

MATTHEW

No, this won't take long..

Carter nods as Matthew locks eyes with Justin, he sighs

JUSTIN

I want to help you investigate Lea Cartaroni's murder..

Matthew scoffs as he chuckles, he sighs

MATTHEW

You can't, you're a civilian. One that's also a pain in my ass..

Justin sighs as he sits down

JUSTIN

Come on, sheriff. I want to help you with this.. no one deserves to be left in the snow like that..

Matthew looks at him as he thinks, he sighs

MATTHEW

How exactly can you help?

JUSTIN

I have a reason to believe that the person that killed Lea Cartaroni also sent me this just a day before she turned up dead..

Justin pulls out his phone and shows Matthew the text he received from an unknown number, he reads it

MATTHEW

"Be in Alderbrook Falls first thing tomorrow and get ready for a story of a lifetime". Who sent this?

Justin shrugs

JUSTIN

No idea, but look at the time on it..

Matthew looks and sees the time reading 4:59 PM, he realizes

MATTHEW

It was sent just an hour after Lea went missing..

CARTER

why would the killer tell you to come here?

Justin shrugs

JUSTIN

No idea, but I highly suspect that I'm on the list of targets..

Matthew looks at him, he sighs as he hands him back his phone

MATTHEW

Why exactly would you be on that list, Justin? You just have a pretentious podcast..

Justin nods

JUSTIN

Yeah, and a medium sized following on social media.. maybe I'm just here to be a statement..

Matthew thinks as he looks at Carter, he shrugs

CARTER

It is a possibility..

Matthew nods as he looks at Justin, he sighs

MATTHEW

What exactly do you want?

JUSTIN

Nothing big, I just want cops near my hotel in case some creep tries to kill me..

Matthew nods as he thinks, he looks at Carter

MATTHEW

Get Higgins and Sanchez, tell them to drive Mr. Harrow here back to his hotel and stay there for the time being..

Carter nods before looking confused

CARTER  
Who're they?

Matthew sighs as he stands up, pointing to two men

**HIGGINS**, in his late 40s, a big burly man that is typing away on his computer

**SANCHEZ**, in his mid 30s, much skinnier as he's talking on the phone

MATTHEW  
Higgins is the big one, Sanchez is  
the slimmer one near his desk..

Carter nods as he walks out towards them, Justin stands up

JUSTIN  
I appreciate it, sheriff..

Matthew nods

MATTHEW  
Don't mention it.. just.. stay out  
of my life and don't go near my  
kid..

Justin nods

JUSTIN  
Understood..

Justin walks out of the room as Matthew sits back down, he sighs as it

BEN  
You still need my help?

Kendall looks at him, she nods

KENDALL  
Uh, yeah.. it'd be great..

BEN  
You seem shocked..

KENDALL

Well.. I'd assume that yesterday  
was just a one and done..

Ben nods

BEN

I thought so, too.. but, with Lea's  
death, Holly being at practice and  
whatever the hell Victoria and  
Richie are doing.. I don't really  
wanna be alone right now..

Kendall nods as Chris looks at him with a smile

CHRIS

You're just in time, we still have  
ten more tables to set up..

Ben chuckles as the trio gets to work.

SUSAN

Yeah.. Tuesdays usually are the slowest.. what're you doing here?

MATTHEW

I wanted to talk.. feel like I made things weird between us..

Susan shakes her head

SUSAN

You didn't, Matthew. I should've found a different approach than to just leave you like that..

Matthew nods, he thinks

MATTHEW

You know, when this whole thing blows over, I'd like to uh.. take you to dinner..

SUSAN

What about the reporters?

Matthew sighs

MATTHEW

Shit, you're right..

Susan chuckles as she thinks, she shrugs

SUSAN

How about tomorrow night at 7? I'm off early and you could come over..

Matthew thinks and nods with a smile

MATTHEW

That works for me..

Susan nods

SUSAN

Great..

Another note that I found in her chest..

Heather holds it out and Matthew grabs it, he looks at the only visible letters

MATTHEW

"V R", I can't read this, it's smeared in blood..

HEATHER

I think it's a clue as to who the next victims are..

Matthew sighs as he thinks

MATTHEW

I don't know anyone with a V or an R in their name.. do you?

Heather shakes her head

HEATHER

No..

Matthew nods as he thinks, he looks at her

MATTHEW

Maybe it doesn't mean anything and we're just overthinking it..

HEATHER

I wouldn't have found a note if it wasn't meaning anything, Matthew.. we gotta think..

Matthew paces around, he thinks before his phone dings, he pulls it out and sees a message from Kendall

"Coming to get me in a few?"

Matthew sighs

MATTHEW

Shit, I forgot Kendall stayed late for the formal..

Heather nods

HEATHER

Go, we'll figure this out in the morning..

Matthew nods

MATTHEW

Thank you. Go get some sleep, you've done more than enough today..

Honey.. What a pleasant surprise..

Laura smiles as he comes around the desk and they embrace,  
Laura looks at him

LAURA

The town is crawling with media,  
Thomas..

Thomas nods as they break off

THOMAS

I know, I know.. haven't seen the  
town spur like this since I was  
Ben's age..

LAURA

Where is Ben? This is the second  
day where he hasn't came home until  
later..

THOMAS

He's just helping out at the school  
with the winter formal thing..

Laura nods

I have no idea, honestly. I hope  
he's taking it well..

and sets them both on each side of the table, he grabs the  
pan and walks over to her

JUSTIN

I really wanted to take you out  
tonight but since I have no idea  
what the best place in town is, I  
decided to make you something  
that's been passed down in my  
family for generations..

Daisy smiles as he puts the food on both plates, he sets the  
pan down and sits across from Daisy, he looks at her

JUSTIN (CONT'D)

Enjoy..

KENDALL

Why didn't you tell me about.. what you went through in high school?..

Matthew looks at her, shocked as he looks at the road

MATTHEW

How do you know about that?

Kendall shrugs

KENDALL

Read a couple of articles online after some asshole reporters mentioned something about the Alderbrook Raven.. wasn't expecting to see your name in the article..

Matthew nods

MATTHEW

We tried to keep it out of the papers.. but I guess one slipped through the cracks..

Kendall nods as she looks at Matthew

KENDALL

Why did you never talk about it with me? Or with mom when she was around?

Matthew shrugs

MATTHEW

I didn't think it was relevant to tell you unless something like this happened.. and your mom knew, I told her on our second date..

Kendall nods

KENDALL

What exactly happened because the article didn't specifically say anything..

Matthew shrugs

MATTHEW

My memory is kind of foggy on the whole thing.. but it all started when me and my girlfriend at the time found our friends body in the woods.. the rest kind of just blends together..

Kendall nods as she looks out the window

KENDALL

Is that where you got the huge scar on your arm?

Matthew nods

MATTHEW

Yep.. surprised I didn't die from blood loss that night..

Kendall nods as she sighs, she looks at her father

KENDALL

Was Lea killed by someone?

Matthew looks at her and reluctantly nods

MATTHEW

Me and Carter found her in the woods, there was a big chest wound that was caused by an axe..

Ben chuckles as he heads

INT. GRANT RESIDENCE - STAIRWAY

Where he walks up, passing pictures of his family

HOLLY (ON PHONE)

How was setting up for the formal?

BEN

Ya know, it was fun. It's nice helping out even if it was to just take my mind off of everything..

HOLLY (ON PHONE)

I'm glad to hear that..

Ben nods as he gets to the

INT. GRANT RESIDENCE - 2ND FLOOR HALLWAY

He walks towards his room before hearing footsteps on the other side of his door

BEN

The hell are you doing, mom?

Laura looks at him, startled as she looks around

LAURA

Ben.. I uh.. thought you were helping with the formal..

BEN

We got done early.. but that still doesn't answer my question..

Laura looks at him and sighs

LAURA

I was snooping, alright?

BEN

Why?

LAURA

Because.. I thought that with that girl's death, you maybe.. fell off the wagon or something..

BEN (FURIOUS)

Are you fucking serious?

LAURA

Can you really blame me? I love you son but you're not exactly trustworthy..

BEN

I can't believe you'd think I would touch a drink all because one of my classmates died..

LAURA

She wasn't just a classmate though, Ben.. she was your girlfriend..

BEN

So? That doesn't give you the right to snoop around in my room..

Laura nods

LAURA

I'm sorry, Ben..

Ben shakes his head

BEN  
Just.. get out, mom..

Laura nods as she gets out, she shuts the door and Ben sighs as it

VICTORIA  
Did you hear that?

Richard shakes his head

RICHARD  
Other than the water and your  
moans, baby..

Victoria nods as she gets back into it, they kiss each other as a clanging noise is heard again, Victoria sighs

VICTORIA  
There it is again..

Richard stops as he looks at Victoria, he looks around

RICHARD  
There's nobody in here..

VICTORIA  
It sounded like it came from the  
bathroom..

Richard sighs as Victoria gets off of him, he thinks

RICHARD  
Alright, I'll go check it out but  
I'm yelling you, the only ones in  
here are us and if I don't find  
anything, you owe me..

Richard gets out of the hot tub as he picks up his underwear, Victoria thinks as she swims to the edge

VICTORIA  
Richie..

Richard looks towards her as she rises up, she unzips her sports bra and takes it off, throwing it out of the hot tub, revealing her breasts, she giggles

VICTORIA (CONT'D)  
These are all yours if you don't  
find anything..

Richard, shocked, nods his head as he walks towards the bathroom, Victoria leans over the edge to turn the song up, she goes in the hot tub and relaxes her head on the edge as it

Richard walks into the dimly lit bathroom, he looks around, pushing a couple stall doors open and sighs

RICHARD  
Hello? Anyone here? If so, you're  
pretty creepy stalking two teens..

No answer, Richard nods as he looks at a urinal, he walks over to it and pulls his underwear down and starts to pee. he sighs in relief, not noticing the **ALDERBROOK RAVEN** emerging from the stall behind him, the costume now aged and a lot darker than previously seen, wielding a fire axe, Richard gets just about done before seeing a reflection of the Raven

RICHARD (CONFUSED) (CONT'D)  
What the fuc--

Suddenly, Richard gets an **AXE** to the back of his head, dead instantly as his arms and legs go limp, the Raven guides him to the floor and puts their foot on the back of Richard's head, they pull the axe out which results in blood splashing onto the wall as it

CUT TO:

INT. ALDERBROOK COMMUNITY POOL - POOL AREA - MOMENTS LATER

We see Victoria, still resting her head on the edge as The Raven emerges from the bathroom, she sighs as they walk towards her, she thinks

VICTORIA  
Come on, Richard, I'm starting to  
lose my horniness..

Victoria doesn't hear the Raven getting closer as she gets to the steps, she turns around only to get an **AXE HANDLE** to the face, she falls back into the hot tub fully submerged, her nose busted open as the Raven puts their axe down and looks at the hot tub cover, they lift it up and **SLAM** it down just as Victoria tries to lift her head up, causing her to go underwater again, she rises up as the Raven finishes zipping it up, she slaps on the clear cover

VICTORIA (YELLING) (CONT'D)  
NO, NO, NO, LET ME OUT, PLEASE..

The Raven looks at her before seeing the temperature dial, reading "75°", they press it as Victoria continues slapping the cover, keeping her head above water

VICTORIA (CONT'D)  
RICHIE.. HELP..

The Raven raises the temperature to "84°", Victoria feels the water getting hotter and screams before slapping the cover several times

VICTORIA (CONT'D)  
STOP, PLEASE..

The Raven presses the dial a couple more times, we see the temperature go from 84° to 95° to 102° as Victoria continues screaming.

she notices her skin starting to turn bright red as she keeps slapping the cover, her skin coming off and sticking to the cover after every slap

VICTORIA (CONT'D)  
HELP, SOMEBODY..

The Raven rises the temperature to 120° as the machine beeps, they pick up the axe as we see Victoria still struggling.

we pan into the water to see her leg skin peeling off, blood filling the hot tub as Victoria's screams get louder and louder, she cries as the Raven looks at her through the cover, raising their axe

VICTORIA (GRITTING HER TEETH) (CONT'D)  
GO TO HELL..

Victoria lets out a final scream as The Raven **SLAMS** the axe through the cover and into Victoria's head.

her body goes limp as the Raven lifts the axe, taking her with it before she falls into the boiling water, The Raven leaves the scene as we see Victoria's body sink to the bottom, bits of her skin floating up to the top before it

**SMASH TO BLACK**
