

The top promotional merchandise for that stand out golfing event

The golfing season is nearly here. We have put together our favourite golf products to help make your golf event a great success, on and off the course. From promotional golf gifts such as Titleist golf balls. Or electronic gadgets that your clients will want to use time and time again, such as an electronic scorecard. We also have a wide range of golf products for on the course such as golf umbrellas, vacuum flasks and clothing, all branded with your logo.

Golf balls and gift packs

Golf balls are always the most popular giveaway and this 12 pack by Titleist is the number 1 choice! If you would prefer your logo to be more impactful, we have a range of gift sets and ball markers.

Golf score card and gadgets

Every golfer loves a gadget and these promotional items will be something they will be sure to keep and use time and time again, branded with your logo. This electronic scorecard can store the results for up to four players. Or how about a rugged power bank or wireless charger, always useful for keeping your mobile phone fully charged.

Golf umbrellas, clothing and wheeled duffle bag

Golf umbrellas are always very popular, especially in England. Or treat your customers to a wheeled duffle. Or clothing for your sales team to promote your brand.

Drink ware – vacuum flasks, water bottles and hip flasks.

What about serving your customers coffee in these vacuum flasks? They will reuse them and love the eco angle. Or a water bottle to quench their thirst.
