OFFICE OF GREEK LIFE

Dear Patrick Jessee,

As the Executive Director and CEO of Delta Sigma Phi, the Interfraternity Council at the University of Missouri would like to inform you that the Beta Beta Chapter of Delta Sigma Phi has completed New Member Alcohol Education for this semester!

This program was created by the 2016 IFC Executive Board to educate new members of our IFC community on healthy habits in regards to alcohol. IFC was pleased to host this event in conjunction with the Wellness Resource Center and the Greeks Advocating Mature Management of Alcohol (GAMMA). In this session your new members learned about healthy consumption habits, proper bystander intervention, and the potential effects of their decisions both in public and on social media. The chapter had at least 75% of its new member class in attendance. We are pleased to have hosted this event and look forward to working with the chapter in the future!
