

Employee Safety Pledge

Hubbell ICD-Archdale Safety Pledge

As a member of the Hubbell Industrial Controls team, I am fully committed to my safety and health and the safety and well-being of all employees, contractors and visitors.

I will maintain a “safety first” mindset both on and off the job and will be proactive and support an environment where safety is a way of life. I understand that it is my obligation to speak out and identify, correct or report any and all unsafe conditions.

It is my personal goal to make Hubbell a world-class leader in safety excellence and strive for a goal of zero workplace injuries.

I will keep my “eyes” on safety.

Contractor Safety Pledge

Hubbell ICD-Archdale Safety Pledge

As a contractor serving Hubbell Industrial Controls, I am fully committed to my safety and health as well as the safety and well-being of all employees, contractors and visitors.

I will maintain a “safety first” mindset while on the job and will be proactive and support an environment where safety is a way of life.

I understand that it is my obligation to speak out and identify, correct or report any and all unsafe conditions.

It is my personal goal to help make Hubbell a world-class leader in safety excellence and strive for a goal of zero workplace injuries.

I will keep my “eyes” on safety.
