

**Covid-19** – Cases, hospitalizations, and deaths across the United States are rising. Take steps to slow the spread of COVID-19.

- Avoid indoor spaces as much as possible, particularly ones that aren't well ventilated.
- The more people you are in contact with, the more likely you are to be exposed to COVID-19.
- Stay at home if sick and quarantine from others

## JANUARY SAFETY CAMPAIGN!! COVID-19

2021

### **Cases Are Rising; ACT Now!!**

1. **Wear a mask to protect yourself and others and stop the spread of the virus**
2. **Stay at least 6 feet from others who don't live with you and avoid crowds**
3. **Wash your hands with soap and water for 20 seconds or use hand sanitizer with at least 60% alcohol**
