

Nurse Triage – If you have sustained a work-related injury contact your manager to report your injury immediately. Your manager will assist you in speaking with a registered nurse.

- Service Available 24/7/365
- RN educates the employee on self-care treatment or directs the employee to the most appropriate level of care
- Bilingual (Spanish speaking) nurses on staff with access to language line for other languages

APRIL SAFETY CAMPAIGN!! COVENTRY NURSE TRIAGE

2021

Nurse Triage Process

1. Injury occurs on the job site supervisor and/or employee call 1-855-950-1435
2. Provide company name and location
3. Registered Nurse (RN) assesses the injury and level of care needed
4. RN Staff are available 24/7 for medical questions related to the injury
