MLM Recruit On Demand "Spoon-Fed Marketing"

My REVIEW of this FREE [MLM] LEADS System

Endless LEADS? - First, a brief look at (3) of the major >>>>> [LEAD SOURCES](#). Even though I personally have pretty much been *against the idea of "buying" leads* - this (MLM-ROD) Affiliate Marketing System does have a great deal of credibility, and success, behind it - along with providing **FREE** Leads - **FREE** Quality Training - a **FREE** Contact Manager - a **FREE** Autoresponder ('Response Magic' - one of the best) - **FREE** Follow-Up, Pre-Written Messages, etc - all for **just \$15 (once only)**! Please see my BIO at the bottom.

The one thing I know for certain is this - every Home Biz Entrepreneur needs - on a regular basis - is a continuous supply of good LEADS - regardless of whether they harvest them by themselves (via Social Media / family / friends / co-workers / etc) - or, they use a ready-made SYSTEM as a resource for leads (such as this **R.O.D.** one).

Although my "own" [D2C] Home eBiz is "not" an **MLM** - I "have had" personal **MLM** experience in the past (a LOT!). I can say this ... any leads who "already have, or had" exposure to, or experience in - an **MLM-Network Marketing** Home Biz - have proven to be the best. There are many good reasons for this - the least of which is this - you will not need to TEACH them about what "building a Home eBiz" is all about (for those who "want" to build one, that is. :>)

It begins with using *software* that searches Online for people with **MLM** backgrounds. The idea is to speak only to those who "already know" (or know of) **MLM** - so that you can offer them something that's far BETTER (such as the **Direct2Consumer** Home Business). So, these leads are correctly labeled >>> **MLM "Genealogy Leads"**.

If you have ever heard of **Genealogy Leads**, and used them, you may know there is a higher rate of interest from these leads, than there is in using "Business Opportunity Seeker Leads" (where most are either just "tire kickers", or looking for 9 to 5 "jobs"). Nevertheless, this System also has 'built into' it - the resources for you to do searches for many OTHER people as well (professionals / entrepreneurs / employees) ... using special keywords, etc. A brief OVERVIEW of MLM-R.O.D. T-R-I-P-L-E Rewards

Here are at least three (3) different ways (financially) to benefit - over and above the CONFIDENCE you will gain (from enjoying SUCCESS in your Home eBusiness) ...

(1) As you acquire new CUSTOMERS - and attract new ASSOCIATES to **your "own" [D2C] Home Business** - and build it correctly - you create an on-going income - one that becomes a true ASSET - enabling you to grow your own Financial NET WORTH.

(2) As you develop an organization (your **downline** Biz Partners), they too, will want this same (highly DUPLICATABLE) **R.O.D.** Leads System for their own businesses - and for their downline Biz Partners. It's a Win-Win.

(3) While your primary objective is to "build your highly successful Home Business" - **MOST** of those who do look at your Products, or Opportunity, will **simply NOT be interested** (even though YOU know you have the very "best" in the industry - YES! :>)

The point is, many leads will "already be quite happy" with being in an "**MLM**" business [despite how it truly, may stack up against others] - they are "not necessarily looking" for another Home Biz now (MLM or "non" MLM) - and that is perfectly Ok ... BECAUSE - - -

With this **R.O.D. System**, **you can get a "second chance"** - you can get paid - UP FRONT - by offering this same [**R.O.D. System**] to "**other**" (grateful) Home eBiz owners (who "are" MLMers) - to help them build their businesses. They obviously would "love" to have 3-5 new people looking at their business every single day, almost on autopilot - and to know that they too, could get paid, up front, by offering the **R.O.D. System** as well.

By alerting them to an extremely attractive business resource (**R.O.D.**) - you'll develop a **relationship** with them, built on TRUST (while at the same time, YOU'LL be building your pipeline + offsetting your own marketing expenses, etc). Again, a Win-Win.

A CAUTION!! You'll note that this System promotes a [built-in] Home Biz - under the Heading of "Instant Pay Raise" - called **MWR FinancialEDGE**. Personally, I do not participate in this (for 'many' reasons), and I will be happy to share these with you.

My OWN Home Biz - I also do not showcase my 'own' Home Biz here [a "non" MLM], but that's a personal choice for each member. I'd be pleased to do this, IF we chat. 😊
The **R.O.D. System** (a global program that has been out there for **18+ years** now) - it "teaches" you HOW to offer their System, professionally, to others - and also, HOW to cultivate warm relationships. And then, who knows - life happens - things change - the day could arrive when prospects ALSO become interested in your Home eBiz - nice!

L-E-V-E-R-A-G-E

With the MLM-ROD system, you might even wish to LEVERAGE it. For example, you might: **a)-** consider offering to PAY FOR a **P1** Level \$15 membership (as a BONUS) to those who bring in say, (3) new CUSTOMERS, or (1) new ASSOCIATE to your Home Business. Or **b)-** consider offering a DISCOUNT, to increase your **P2** Level members. Or **c)-** consider purchasing the **P2** Level for a prospect (\$100, as a BONUS) for those prospects joining your Home Biz Team (you get your money back on it).

When your new MLM-ROD member looks at your Home Biz link (inside the Back Office) - or, whichever link you wish to showcase) - you are immediately notified by an e-mail. Then, you can contact the member, and offer your commissions (or part of them) back, IF they should join your Home Biz Team.

All in all, the MLM-ROD System can also be used as a valuable "incentive" TOOL.

SUMMARY

In my opinion, and having used many different Systems over the years, MLM-ROD is an extremely impressive (Affiliate) LEAD Supply System. It was developed by a marketing expert - **Ryan Gunness**. After thoroughly researching it, and then testing it, I bought the **(\$15, once only) P1** Level - then I quickly upgraded to **P2 (\$125, once only)** - which together, delivered rapidly to me, **over 300 leads** into my MLM-ROD Back Office (which in turn, were instantly loaded into my Contact Manager, and my Autoresponder, "for" me. As well, the System provides complete training on using a proven >>>> [PHONE SCRIPT](#).

I may decide to upgrade again, to the **P3** Level (**\$97/month**), in order to "also" get 100 in-coming phone calls/month - coming in TO ME ("guaranteed") - which works out to about 5 calls per day - "on top of" the out-going calls I make from my **P1** and **P2** lead supply. **B-U-T, the P1 Level alone, is an excellent, and very potent, program for you!**

MLM recruiting is far easier with MLM ROD ((for "both" Customers and Biz Builders)). The leads provided are quality (including names + e-mails + phone numbers + current Home Biz) - plus, they have at least had "some" exposure to **MLM**, which is a bonus, if you wish to grow your "non" MLM (**Direct2Consumer**) Home eBiz more quickly.

A Complete TURNKEY System - When you think about it, this (Affiliate) MLM-ROD Leads Marketing System -- all by itself -- could literally *RUN* your entire eBusiness.

That is, it provides you with the ("right kind" of) **FREE LEADS** (an "endless" supply) - a robust **CONTACT MANAGER** (to 'manage' your business, and keep you organized) - a top rated **AUTORESPONDER** (to keep in touch with all your leads, and Biz Partners) - all the 'pre-written' **E-MAIL follow-ups** + the **TRAINING & SUPPORT**-- *all BUILT IN* -- all for only **\$15** - once (and with the right to upgrade, should you wish to). Just try pricing out each of these tools & features "separately" - you'll agree that MLM-ROD is amazing.

OTHER Programs?

Over the years - when I "was" in **MLM** (part-time, in addition to my Consulting Practice) I personally purchased [and used] many different Internet programs / systems / deals. For example ...

Mike Dillard's *"Magnetic Sponsoring"* -- Lou Abbott's *"MLM-The Whole Truth"* -- Rod Moore's *"MLM Total System"* + *"Wealth Manifesto"* -- Dave Sherwin's *"Lighthouse Marketing System"* -- Brad Weinman's *"Attraction Marketing Blueprint"* -- Ann Sieg's *"The Renegade Network Marketer"* + *"SYSTEM"* -- Max Stiegemeier's *"Success Blueprint"* -- Kimball Roundy's *"The Spider Web System"* -- Curt Johnson & Wendy Mills' *"The Works Team"* -- Ellie Drake's *"Net WEB Marketer"* -- Paul Birdsell's *"Pay It Forward 4 Profits"* -- Daegan Smith's *"Power Prospecting System"* -- Tracey Montefort's *"WTPowers"* + *"WaveTen"* -- James Grandstaff's *"Instant MLM Squeeze Pages"*

M-O-R-E ...

Dale Calvert's *"FreeRKCD"* -- Kelly Reese's *"Brilliant Income Club"* -- Norbert Orlewicz's MLSP (*"My Lead System Pro"*) -- Johnathan Budd's *"MLM Mastermind System"* -- Rod Moore's *"Attraction Marketing University"* + *"Freedom Duplicator"* -- Networx's *"Prosperity Central"* -- Joe Schroeder's *"Million Mind March"* -- Naxum's *"Sponsor Daddy"* -- Mark Hoverson's *"Info-Marketing Blueprint"* -- Jay Kubassek's *"Carbon Copy Pro"* -- COA Network's *"iBoostBiz"* -- Tim Erway's EMP (*"Elite Marketing Pro"*) -- Gavin Mountford's *"Networking Superstars"* -- Joel Therien's *"Pure Leverage"*

M-O-R-E ...

Michael Price's *"Power Lead System"* + *"Lead Lightning"* --- plus: LSN (*"Lead System Network"*) -- TCP (*"The Conversion Pros"*) -- *"MLM Rockstars"* -- *"The Mighty Giant"* -- HSP (*"Home Success Pro"*) -- *"Empower Network"* -- AIOP (*"All In One Place"*) -- HBSA (*"Home Biz Success Academy"*) -- MTTB (*"My Top Tier Business"*) -- MOBE (*"My Online Business Empire"*) -- *"MLM Formula"* -- some *"Traffic Exchanges"* -- etc., etc.

----- // -----

To be fair, some of these may not exactly be comparing "apples with apples" - as some are - Big Ticket deals - or Attraction Marketing programs - or Lead Generation systems, or some combinations of same - and a few cost **\$2000-\$5000+** per year, *on-going*. As well, some of these have since *ceased operations*.

However, in my opinion, none of the (45+ systems) 'above' have the sheer SIMPLICITY of - or the proven TRACK RECORD of - or compare to the affordable COST of - or offer the real V-A-L-U-E (in ONE package) provided by =====> **MLM-ROD**. None.

Back to [MLM-ROD](#) ...

Does it Mean This (MLM-ROD) is PERFECT?

NO, of course not (no such System is). YES, you will need to make lots of phone calls (unless you have the **P3** Level) - and YES, there will be some out-dated information, and some disconnected, old phone numbers, and e-mails (this is the case with all such MLM Genealogy Leads - it's strictly a "numbers" situation > to [RECRUIT - RECRUIT!](#)).

But, with the hand-holding they provide - every step of the way - helping you to get from **3 to 5 new, usually responsive, NETWORK MARKETER (or other) LEADS - who are looking at either your Home Biz (or other link) every day** -OR- being able to "offer them" **this System** (if they're already happy with their 'own' Home Biz) - and **GET PAID** for that -- it's a Win-Win all around, in my view.

For further 'proof' of this - be sure to click on, and review carefully, the **TESTIMONIES** Tab (upper left) on the [MLM-ROD Home Page](#) - it keeps rotating - but always shows **30+** raving fans (their pictures +.audios + written messages).
