(3) TIME Freedom

TIME - it exists only once - then it's gone.

TIME - it is "more valuable" than MONEY.

----- // -----

Unlike MONEY - which can be earned / saved / spent / invested / given away / squandered / lost - **TIME** cannot be manufactured or tucked away somewhere.

However, creating **RESIDUAL INCOME Streams >>>> CAN buy us some TIME!**

RESIDUAL INCOME = TIME FREEDOM!

While **Money** is 'unlimited' - **Time** is limited - so it holds a greater value.

Residual Income 'gives you back' **TIME** - to spend doing what you love! It is not about the MONEY residual income gives us - it's about the precious, limited, T-I-M-E it gives us!

CASH FLOW QUADRANT (The CFQ) - As the famous author, coach, investment guru, Robert Kiyosaki's CFQ shows - you cannot enjoy **T-I-M-E Freedom** if you have **L-I-N-E-A-R** Income (**Employees / Self Employed**) as your source (see the LEFT side of the CFQ).

Problem - It is very difficult (almost impossible) to develop passive [residual] income streams from a JOB - or from providing SERVICES (i.e. **Employees**, and the **Self Employed** [CPAs / Attorneys / Physicians / Dentists / Electricians, etc]) ... where you are depending on "billable hours" - simply trading "hours for dollars" -- time for money, since there is **NO** or little, **LEVERAGE** in (click) > that process. Study the [Cash Flow Quadrant](#) (CFQ).

LINEAR INCOME VS RESIDUAL PASSIVE INCOME

You'll need to find ways to "move to the RIGHT side of the CF Quadrant (the **B** and the **I** side) in order to amass real wealth - plus future **TIME Freedom**.

Vulnerable - The "risk" factor for the **self employed** is high, because their income generally **STOPS** whenever "they" stop (sickness, accident, holidays, burnout etc). Unless they have a "backup" (a **Plan B**) - they are exposed - and if the bills and overhead don't get paid, that only adds more "stress" to the situation.

HOW to Develop 'RESIDUAL [on-going] Income'? - There are many different ways to create "Residual [+ Passive] income" >>> real estate rentals // insurance renewals // royalties, from books, CDs // pensions // annuities // starting an eBusiness (to market your own digital info. products, like eBooks, Audios, eReports, etc.) // becoming an Affiliate for other's products and services (Direct Marketing // eCommerce Marketing // Affiliate Marketing) // Network Marketing // Blogging // Internet Marketing, etc / etc..

BUSINESS OWNERSHIP is the KEY to building Wealth (through Residual Income) – see the **B** Quadrant,- top RIGHT of the CFQ (= **PROFITS**). And then - after all of your own economic needs are looked after - **INVESTING** excess \$\$ (the **I** Quadrant -- lower RIGHT of the CFQ) will pave the way to **TIME and FINANCIAL Freedom** for you!

Entrepreneurship - Each method requires its own skillset - each method has its pros and cons - but bottom line - the "concept" of developing **PASSIVE INCOME** - through **LEVERAGE** - and ideally, **ONLINE** (perhaps from the comfort of your own home) - is very wise.

BOTTOM LINE

For TIME Freedom, becoming an entrepreneur - or a netpreneur (with the 'right kind' of a Home eBiz) - is perhaps the best solution for the vast majority of people.

WHY? Because of its low start-up costs ... its ease of operation ... and its high scalability (leverage, via the Internet).

Such an Online eBusiness can lead, not only to your financial security, but to true prosperity, and to real abundance. Even on a Part-Time basis at first - it can help to "break the chains" that control, and disempower, SO many people today!

WORK FROM HOME Opportunity - Finally, there IS an opportunity that is available - an 'exceptional' **WELLNESS**, Direct2Consumer eBiz [not an **MLM**]. It could be thought of as the *perfect* SIDE BUSINESS -- for busy, self-employed, Business Professionals ... i.e. [Physicians / Dentists / CPA's / Attorneys / Chiropractors / Real Estate Agents / Naturopaths / Insurance Brokers / etc] + Teachers, Stay-At-Home Moms and Dads, Athletes, Retirees, Network Marketers, Baby-Boomers, etc, etc. - - -

This (Side Business) is a "disruptive" global Opportunity of a Lifetime - ideal for those who truly, want to **OWN THEIR LIFE**, are open to being coached - and are willing to put in the [part-time] effort >>> a D2C WELLNESS eBiz (again, not "**MLM**").

F-R-E-E-D-O-M => Means to '**OWN**' Your Life => HOW? => You "must" have ... the HEALTH + the MONEY + the TIME (not just [1] or [2] - but ALL [3]! ... and this Home eBiz "can" deliver EACH of these vital ASSETS ... IF built with the "right" business / financial / marketing, and ethical principles. For full info on this, please contact ME.
